# "Stand Up & Be Counted"

Before the Covid-19 pandemic, The Andrew Carnegie Free Library & Music Hall called upon 100 women to "Stand Up & Be Counted" with a gift of \$100 in support of our Woman's Hour programming commemorating the 100th anniversary of women's suffrage in the United States.

Though we've had to pause our planned in-person programming, we continue our work to provide digital resources and virtual programs acknowledging this important milestone.

If you would like to join this list of remarkable women please contact Maggie Forbes by [email](#) or [phone](#) or click the ["Donate"](#) button on our website and add the note "Stand Up & Be Counted" to your \$100 gift.
