SUPPORTING THE ANDREW CARNEGIE FREE LIBRARY & MUSIC HALL

**PLEASE JOIN US FOR GATSBY: A JAZZ AGE CELEBRATION!**

Each year, we host a benefit to bring friends and neighbors together for a good cause. Over the past 20 years, with support from local businesses, corporations, and community members, **these annual events have raised hundreds of thousands of dollars to support the mission and programs of the Andrew Carnegie Free Library & Music Hall** (or, simply, the Carnegie Carnegie). This funding is critical to our operations, ensuring that we can keep our doors open and our lights on year after year.

Set for Friday, September 26, 2025 at the historic Carnegie Carnegie, Gatsby: A Jazz Age Celebration will feature the Adam Lee-Morgan Jazz Orchestra, which will explore the music of the 1920s and its influence through the decades to present day. Following the concert, guests will enjoy food, drink, and more live entertainment inspired by the era and the classic novel, which was published 100 years ago this year.

We look forward to celebrating with you as our partner! Sponsorship opportunities are enclosed with more details on how you can get involved and be recognized for your support of the Carnegie Carnegie.

## ABOUT THE CARNEGIE CARNEGIE

At the Andrew Carnegie Free Library & Music Hall (Carnegie Carnegie), our mission is to build community with a library, theater, and historic site that welcome, inform, entertain, and engage the community and the region in lifelong learning. **We have been bringing people together to encourage lifelong curiosity and learning for nearly 125 years.**

Today, building community at the Carnegie Carnegie means we are enhancing young imaginations through storytimes and early literacy resources, developing good citizens and future leaders through engaging afterschool activities, and supporting our most vulnerable neighbors through connections to food, housing, employment, and other critical needs.

We are making space for local artists and musicians to create and share their work, and, in turn, we are contributing to our region's incredible and diverse cultural landscape. We are connecting the community to our rich history as both a historic landmark and a Civil War historic site.

**But perhaps most importantly, we are providing an accessible place where all are welcome.** Our community partners help make this important work possible. Public support ensures we can continue reaching and supporting our neighbors, providing a safe space for all, and building up our community over the next year - and beyond!
