

VOYAGEUR 1945

Dedication

*T*O that all-around good fellow, Mr. Sawhill, we dedicate the 1945 VOYAGER. In addition to his teaching activities, Mr. Sawhill is coach of our wrestling team and sponsor of the Hi-Y. His excellent baritone voice is always in demand at our musical events. But most of all, his genial personality and humor have won the admiration and the friendship of all.

Robert R. Sawhill

Our Graduates in Service

Almighty and eternal God, supreme Ruler and Governor of all things and Lord of infinite mercy, we are met here on this occasion to set aside and dedicate this plaque as a tribute of respect to those who have gone out from the halls of the Carnegie High School to serve in the armed forces of our nation, on land, in the air and on the seas.

We are reminded of the glorious heroism with which they bear silent and unrelenting testimony to the ideals and standards for which this institution has stood through the years. We are humbly proud of the magnificent record which they are writing in deeds of valor today.

No words which we can utter will brighten their achievements, nor lighten the sacrifices and hardships which they are called upon to endure; but to unite our enthusiasm and our faith in an unbroken circle around the world will permit us to share the common responsibilities which befall them.

Particularly, would we ask Thy favor upon those who have made the supreme sacrifice and look with compassion upon relatives and friends who are left in sorrow before lonely firesides. Keep ever before our memory, in burnished words of strength, the courage with which they paid the last ounce of consecrated devotion. Wilt Thou guide and protect these others, that they may return to our midst when peace has come.

Wilt Thou hear our prayer and thus consecrate this token of our appreciation. In Jesus' name, Amen.

Our Superintendent

NORMAN L. GLASSER

As Superintendent of Carnegie Public Schools, Mr. Norman L. Glasser has had, for nineteen years, a great amount of responsibility placed upon his shoulders. His keen intellect and deep thinking have enabled him, however, not only to do well the numerous tasks demanded by his office, but also to take an active part in many community projects.

MISS EVA BLACKA

Acting as secretary to the Superintendent of Schools is no easy job, but Miss Blacka handles her work with crisp efficiency and easy confidence. It is true that she has many secretarial duties, but Miss Blacka can always find time to help any student who needs assistance. For this, the class of '45 is grateful to her.

Our Principal

H. HOWARD LEE

Mr. H. Howard Lee, our very able and competent principal, will always stand out in our memories of Carnegie High School. We have been indeed fortunate in having such a thoroughly efficient man to guide us through our high school career.

Mr. Lee's services are extended to all; freshmen are granted the same consideration and privileges as are given to the seniors. He knows each student personally and makes a special point of calling each by name.

Mr. Lee is also the financial adviser of the VOYAGER. His excellent cooperation has helped to make it possible for the staff to publish this twenty-first edition of the VOYAGER.

Our sincere thanks go to Mr. Lee for the aid and guidance which he has so painstakingly rendered to our class.

MISS IRENE WOLFORD

Miss Wolford, who serves in a double capacity as Mr. Lee's secretary and as teacher of junior business training and bookkeeping, is a favorite with all Carnegie High School students. She is cheerful and efficient, and one can depend on her interest and helpfulness at all times. A vote of thanks goes to Miss Wolford for her thoughtful consideration toward us.

Board Of Education

Seated: C. B. Nixon, Solicitor; C. E. Wallis, Vice-President; William C. Grove, President; George McFarland, Secretary.

Standing: T. B. Evans, James S. Brewer, W. C. Kearton, Charles M. Stockum, Norman L. Glasser, Superintendent.

On the first Monday of each month the Board of Education of Carnegie Independent School District meets in Mr. Glasser's office to discuss and act upon matters which are of vital importance to the school and to the community.

During this and all preceding school years, the Board of Education has been the backbone of the schools. At this time the graduating class of 1945 would like to thank each member of the Board for his support in all school activities.

The Board of Education was one of the community agencies in setting up the "Teen-Age Canteen" at the Harding School. For this, they and the Adult Committee of the Hi-Y deserve our thanks and praise, for the canteen has proved a highly successful project.

The School Board is one of the institutions to which the American people owe great thanks for their efforts to give to the rising generation a well-balanced education.

Senior Log

SEPTEMBER

Get out the brass band 'cause here we come—the Seniors of C. H. S. After three long years of struggles, we've finally reached the top!

OCTOBER

We started with a bang—Three cheers to the Dramateur Club for that "groovy" Harvest Hop. A new dance team was discovered that night—"Franc and Farinella," the boys from way back. (Oh, why didn't they stay back???)

NOVEMBER

Thanksgiving rolls 'round once more, and we enjoy a two-day holiday. What could be nicer? Despite our "harsh" rationing, we managed to come back filled to the brim (not to mention those occasional recurrences of indigestion—ugh!)

DECEMBER

For some reason old man Winter decided to splurge, and we woke up one morning almost snowed in. Then we heard a joyful proclamation—"No school, yipee!" So we dragged out our sleds and skis and ran for the hills! Our big snow lasted so we had a wonderful white Christmas with eleven glorious days of vacation.

JANUARY

"Does someone have an extra pillow I might borrow?" Yes, you guessed it; the G.A.A. held a Skating Party. Everyone had a "bang-up" time and a few "ups and downs" with the "downs" holding the majority. Oh well, maybe some day we'll find out how to stand up on those things.

FEBRUARY

Why all the long faces?—we just got the results of those "atrocious" mid-semester exams.

How can we ever take those little "red" and white cards home! Oh well, believe it or not, one good thing happened this month. Basketball season ended, and we finished third. Not bad, boys!

MARCH

This month held one of the highlights of our year—the annual Band Concert, which as usual drew a large crowd. We also had another unexpected day off, for Carnegie had a flood! We borrowed Dad's old fishing boots and waded around the Main Street to watch the rowboats go by. Some fun! P. S. The ducks had a swell time, too.

APRIL

This month, not to be outdone by March, held two of our season highlights—the Spring Concert and the Senior Play. The concert made its usual grand impression and the play, "Growing Pains", was an immense hit. Maybe some day a Hollywood talent scout will come our way!

MAY

"Peanuts, popcorn, cracker jacks"—Can it be—yes it is—Kennywood! And more fun than ever. If we live to be as old as Methuselah, we'll always get a thrill out of the "Jack Rabbit"! (And by the way, didn't I see you on the Merry-Go-'Round??)

JUNE

Hurry, flurry, and much excitement. A banquet, a baccalaureate service, and a solemn graduation with many a tearful eye. We depart with the wish that succeeding seniors may gain as much pleasure and knowledge from the halls of C. H. S. as we.

Senior Activities

BETTY JANE ASTON

G.A.A. 2; Clef 2; A Cappella Choir 3, 4.

Cool and intelligent, "Bet" wins our vote for being a pretty "neat" person. Always poised and never hurried, she is crisp with efficiency, but not too efficient to have a friendly gesture for everyone.

CYLESTA EDITH BARKSDALE

ScaRab Club 1; G Clef 3, 4.

"Sadie", quiet as she is tiny, is a whiz at the piano. In fact, it is rumored that the Metropolitan opera is her ambition. Here's hoping, "Sadie"!

LIOBA LENORE BARRETT

Camera Club 2, 3, 4—Secretary 4; G.A.A. 3, 4; G Clef 3, 4; National Honor Society 3, 4—Vice President 3; SEE Staff 3, 4—Assistant Editor 3—Editor 4.

As the very efficient editor of the SEE Lee is one of the busiest members of the senior class. Although Lee is quiet, she can always find time for some fun. Class room recitations wouldn't be complete without a word from Lee. Her ambition is a successful college career.

GEORGIA ELLEN BELL

G.A.A. 1, 2, 3; G Clef 2, 3; VOYAGER Staff 3, 4—Editor 4; Student Faculty 4; A Cappella 4; Triple Trio 4.

You can see where she got her nickname. A person has to move pretty fast to boss a year-book staff, have all the dates she does, and still have time to study. Do you do it with mirrors?

NELLIE ELEANOR BOREK

Dance Ticket Committee 1, 3, 4; G.A.A. 2, 3, 4; G Clef 3, 4; Senior Play Character.

"Nell and Gus"—the perfect couple. We can see why she always gets her man. Just one look at that blonde hair and those shining eyes tells the whole story.

HUGH HERBERT BROWN

Football 1, 2, 3, 4—Letter 2, 3, 4; Glee Club 2, 3, 4; Varsity "C" 2, 3, 4; Basketball Manager 2, 3, 4—Letter 4; A Cappella Choir 3, 4; Hi-Y Club 3, 4—Treasurer 4; Class President 3; Student Faculty 3.

"Brownie" is a typical football player. We really mean he's built! How about that, girls? He has a very sunny disposition, and is one grand fellow.

THERESA ANGELA BRUZZESE

G.A.A. 1, 2, 3, 4; Volleyball 2; Basketball 2; G Clef 2, 3; Dance Ticket Committee 3; SEE Staff 4.

"Terry" is an ever-smiling and very efficient member of our Senior Class. Her ambition to become a secretary is sure to be fulfilled because she possesses all the requirements of a neat and efficient business person.

EVELYN M. BUTERA

ScaRab Club 1; G.A.A. 2, 3, 4; Dance Committee 2, 4; Camera Club 4.

"Evie" is that vivacious and energetic girl usually found talking or laughing. With her twinkling eyes, and hands either tidying a wisp of hair into place, or shuffling through her books, she's a wonderful package of energy.

ROSE ANN CALIGIURE

Voyager Staff 4.

A high tinkling laugh always denotes the presence of "Rosie." Although she characterizes her constant laughter as her chief fault, it really proves she's the very essence of friendliness and good cheer.

IRMA CARMINUCCI

G Clef 3, 4; Senior Class Secretary.

A more genial class representative was never found. Her quiet good humor and friendliness make her well-liked by her class, who are proud to have her as their Secretary.

JOSEPH EUGENE CODISPOTI

Band 1, 3, 4; Wrestling 1, 2; Football 2; Class Basketball 2, 3; Dramateur Club 3; Ensemble 3, 4; Camera Club 3, 4; Swing Band 4; Student Band Leader 4; Senior Dance Orchestra Committee.

Mr. Cameron's "wonder-boy" is none other than "Cody". Before leaving for the Navy, "Cody" was student director of

"Bet"

the Band and Mr. Cameron's "man Friday". "Cody's" classmates wish him all the success in the Navy that has been his in high school.

JAMES MARVIN CONLEY

Wrestling 2, 3, 4; class basketball 3, 4; Varsity "C" 4; Football 4—Letter 4; Glee Club 4; Senior Invitation Committee.

"Marv" is the light-haired, blue-eyed fellow we find loafing around the halls. While it's true that he's a little apt to doze in classes, he does stay awake long enough to pull down his "C's" every month.

WILLIAM H. CORBA

Band 1, 2; VOYAGER Staff 2; "See" Staff 3, 4; Camera Club 3; 4—Sergeant-at-Arms 4; Hi-Y 4; National Honor Society 4; Student Faculty 4; Senior Class President; Senior Play Character.

Besides holding important offices, "Bill" is a good student and a likable person. Judging from the number of "Bill's" friends, we should say that he is popular not only with the fellows but with the girls as well. We are quite sure he will make a smashing success somewhere along life's way.

EUGENE DEMPSTER

Eugene may seem quiet but he has a wonderful sense of humor. Eugene has quite an ear for music and can almost make that guitar talk. We bet some of those Hawaiians would be jealous if they heard him play.

JOHN FRANCIS DOMBROSKY

Football 1, 2, 3, 4—Letter 2, 3, 4; Class Basketball 1, 2, 3; Dance Committee 2; Varsity "C" 2, 3, 4—President 4; Wrestling 3, 4.

"Chubby" is the hub of our football team. We couldn't have done without him. Popular with his team mates, and well-liked by all his classmates, he is really an "all-round" fellow!

MARY DOLORES DOMBROSKY

Commercial Club 3, 4; G.A.A. 3, 4; VOYAGER Staff 4; Senior Ring Committee.

"Hear that giggle?" That's Mary. We wonder where she finds so much to laugh about. But then, laughter is a sign of a good sense of humor and a sunny disposition, and Mary has both. She is always seen with Rosie.

LOUISE DOWLER

G.A.A. 3, 4—Vice President 4.

"Wege" is a likable lass with a smile for everyone. She wishes history had never been made. Pretty clothes plus a pretty gal equals a pretty combination. On that we all agree.

THOMAS BLACK EVANS

Band 1, 2, 3, 4—Letter 3, 4; A Cappella Choir 3, 4; Ensemble 3, 4; Stage Band 3, 4; Glee Club 3, 4; Football 4.

"T-Bone" doesn't believe in this modern age of speed. He just relaxes and lets the world go by. He always has a witty comeback for everyone's remarks and we find he gets quite a kick out of teasing Miss Hepler in History Class.

ANTHONY T. FARINELLA

ScaRab Club 1; Glee Club 3; Senior Play Properties Committee 3; A Cappella Choir 3, 4; Dramateur Club 3, 4—President 4; Double Mixed Quartet 4; Dance Committee 4; Senior Play Character.

Anthony is the Casanova of room 5. (We're only kidding, Helen!) He's quite the popular fellow, and quick with the repartee. We think his favorite pastime is writing notes to Helen. Hear they are pretty good, too!!

MARJORIE FITZSIMMONS

Scott High School 1, 2, 3.

Scott's loss was our gain this year when we acquired "Pudge." Although she has not had a chance to participate in many activities, she has gained many lasting friends. We hope you like C. H. S., "Pudge".

ALBERT FRANCIS FRANC, JR.

"See" Staff 1; Class Basketball 1, 2; Band 1, 2, 3; Stage Band 1, 2, 3; Ensemble 1, 2, 3; Senior Play Properties Committee 2, 3; Dance Committee 2, 3, 4; Dramateur Club 2, 3, 4; Glee Club 3, 4; A Cappella Choir 3, 4; Football 3, 4; Double Mixed Quartet 4.

"Listen to that trombone!"—Yep, that's "Pat." Not only

Senior Activities

can he play, but he can sing too. He's Miss Fulton's prize tenor. Right now his deepest love is for the U. S. Navy, but we think a certain "Miss Bette" is running a close second. All the luck in the world to you, "Pat."

HAZEL FRANKS

"Hazel"

G.A.A. 1, 2, 3; Dance Committee 2; Class Nominating Committee 2; Dramateur Club 3, 4; "See" Staff 3, 4; Commercial Club 4.

We are always glad that there are people like Hazel. She keeps us laughing with wit that flashes brightly and unexpectedly. She has an unusual attribute—she can laugh at herself. Wish we had a few more like you, Hazel.

HELEN VIRGINIA FRUECHT

"Ginny"

Dramateur Club 2, 3, 4; Senior Play Make-up Committee 2, 3; G.A.A. 2, 3, 4; Dance Committee 4; Senior Play Ticket Committee 4.

"Ginny" is the "Girl Friday" of our Senior Class. Inevitably on hand, and incessantly smiling, she is always willing to do some odd job or favor for someone. How about a vote of thanks for "Ginny"?

RUTH GALE

G Clef 3, 4; Drum Majorette 3, 4.

Ruth is one of our snappy majorettes and a very capable one, at that. Although her activities have been rather limited, she is well liked by those who have gotten to know her.

NORMA LEE GALLAGHER

"Norm"

G Clef 3, 4; Senior Play Character.

"Norm" is forever talking and laughing. We don't know what she'd do if she had to keep still just once. She's a very pleasant "gal" and is usually found in the company of the twins.

JEROME JOHN GATZ

"Jay"

Class Basketball 1, 3; Glee Club 3, 4; A Cappella 4; Hi-Y 4; Varsity Basketball 4; Varsity "C" Club 4; Dance Committee 4; Senior Invitations Committee; Senior Play Character.

"Jay" is a pleasing eye-ful. He's the boy who kept getting put out of our basketball games for fouls, but his playing more than made up for that. All in all, we think he's a pretty swell fellow.

HAROLD GIBBS

"Hally"

Band 1, 2, 3, 4—Treas. 4; Ensemble 1, 2, 3, 4; Swing Band 4; Dramateur Club 4.

Our "cute and little" senior is "Hally". A shy smile, curly chestnut hair, looks like a dream-boy, doesn't he, girls?

MYRNA JEAN HALE

G.A.A. 1, 2, 3, 4; Commercial Club 4.

Myrna is another quiet member of our class. Her long brown curly hair is the subject of envy. Above all, she is a whiz in all of her subjects.

EVELYN BERNICE HATCHER

"Stretch"

G.A.A. 1; G Clef 2, 3; A Cappella Choir 4.

"Stretch" is one person, at least, that pleases Miss Hepler. Always has her homework in on time, and doesn't indulge too much in talking—sounds like a History dream. What's your secret, Bernice?

HELEN LOUISE HAUDENSHIELD

"Haud"

ScaRob Club 1; Dance Committee 1, 2, 3, 4; G Clef 2; Dramateur Club 2, 3, 4—Member-at-large 3; G.A.A. 2, 3, 4; A Cappella 3, 4; Cheerleading 3, 4; Student-Faculty 4; Senior Invitation Committee; Senior Play Character.

Beautiful and blonde, but far from dumb! "Haud" is our most popular girl. She's the boogie woogie queen of C. H. S., and we like her snappy art work, too. She's a very grand gal, one of the best. Right, Anthony?

ROBERT HAYES

"Bobby"

Class Basketball 2, 3; Hi-Y 2, 3, 4; Dance Committees 2, 4; Vice President 3; Student-Faculty Committee 4; Senior Play Character.

Bobby Hayes is one of our quiet but oh-so-good-looking boys. He's also very studious. This year he was chosen by Miss Hepler to take a History Award Test given by the William Randolph Hearst Publications. Best wishes for all the success you deserve, Bob.

ALLEN HELFGOTT

Senior Play Ticket Committee 2; Glee Club 2, 3; Dramateur Club 2, 3; Class Basketball 2, 3; Senior Play Lighting Committee 3; A Cappella Choir 2, 3, 4.

Poor Allan—the catch-all for everybody's teasing and jokes! He doesn't mind, though, and he just goes about his business of being Miss Nesbitt's "bad boy" as usual. He would like to embark upon a medical career.

PAUL L. HENNEY

"Buck"

Camera Club 1, 2, 3, 4—Sergeant-at-Arms 3—President 4; Camera Club Dance Committee 1; Dance Committees 2, 3, 4; Glee Club 4.

Always cracking a joke, or tossing off some witty comeback, that's Paul. We don't believe he's ever had a serious moment. He and Frank make up the "Mutt and Jeff" team of C. H. S.

JOHN EDWARD HOGAN

"Hoagie"

Class Basketball 2, 3; Wrestling 3.

A practical joker is "Hoagie." A cheerful slap on the back, a good-humored witticism, a hearty laugh—all these characterize "Hoagie."

WESLEY C. ILYANKOFF

"Wes"

Burgettstown High School 1, 2, 3; Glee Club 4.

"Wes" has come to us as a Senior from Burgettstown High. His activities have been limited to our Glee Club, but he has made quite an impression on us in his short time here. Hope you like C. H. S. as well as we like you, "Wes."

ANNA MAE JOHNSON

"Butch"

G Clef 3, 4; Commercial Club 3, 4; Dance Committee 3, 4.

Behind the misleading name of "Butch" we find a very resigned and pleasing person. Despite her red hair, she is, contrary to popular theory, a very charming and even-tempered person.

FRANCES ELIZABETH JOHNSON

"Fran"

G Clef 2, 3; G.A.A. 2.

"Fran" is tall and silent. Usually seen stalking through the halls as if she were perpetually annoyed by someone or something. In reality, though, she is a very charming person, and is always ready with a witty come-back.

EDWARD THEODORE JORDAN

"Red"

Band 1, 2, 3, 4; Ensemble 3, 4.

Mischievous smiles and wisecracks mark the presence of "Red." His remarks are always good-natured, however, and he is always welcomed into any group.

MICHAEL KAMINSKY, JR.

"Mike"

Basketball 1, 2, 3, 4; 4-L Letter 4; Class President 2; Football Manager 1, 2, 3, 4—Letter 3, 4; Hi-Y 2, 3, 4; Dance Committee 3; National Honor Society 3, 4—President 4; Varsity "C" 3, 4; VOYAGER Staff—Assistant Editor 4; Senior Play Character.

"Mike" is the lucky possessor of a Pitt scholarship! We can think of no one more deserving than he. Throughout his years he has shown his tremendous capability in all his undertakings. "Mike" did a swell job as Bryan in the senior play. This school will never be the same without "Mike" and Verna standing in the hall holding hands.

DANIEL J. KANOZA

"Danny"

Hi-Y Club 3, 4; Hi-Y Service Flag Committee 4.

"Danny" is the little gremlin who annoys Miss Hepler with such morbid playthings as live turtles! He's really not such a forbidding little character, though; in fact, Danny's mischievous pranks are the delight of all his fellow students.

DOMINICA V. KARPYNIAK

"Dom"

G.A.A. 2, 3, 4; G Clef 3; Commercial Club 4.

Diminutive and pretty is "Dom." Cheerful and gay, it is little wonder that she is as popular with her fellow students as she is. She will surely be a success in the business world, which she plans to enter.

VOLOD'MIR N. KUCHER

Dance Committee 3; Hi-Y 3, 4; VOYAGER Staff 3, 4; Nominating Committee 4.

Volodimir has been an outstanding member of the class, both in studies and activities. He has a splendid personality and we believe he will inevitably attain a prominent place in

Senior Activities

society. We regretted losing him, when he left for college.
NANCY N. KURCHNER "Nellie"
 Commercial Club 4.

Nellie is another of those quiet and charming maids. Never seen hurrying, she seems to have time to enjoy life and to give her generous smiles to everyone.

MAURICE GREGG LAFFERTY
 Band 1, 2, 3, 4; Hi-Y 3, 4; Basketball 2, 3, 4—Letter 4; Varsity "C" 4.

We know why Gregg is the star of the Varsity Basketball team. He's so tall that making two points is just simply a matter of dropping the ball into the basket. All kidding aside, Gregg makes a grand fellow as well as a swell athlete.

EDNA MAE LEWIS "Eddie"
 Dance Committee 2; G Clef 2, 3; G.A.A. 3, 4; A Cappella Choir 4; VOYAGER Staff 4.

A very musical lass indeed is "Eddie." In fact she breathes, touches, and hears only music. The fact that she is a member of many of Miss Fulton's music groups is proof enough that she "breathes" music; music is at her finger tips at the piano; and she "swoons" over "Der Bingle."

FRANK WILLIAM LUSCHER "Luscious"
 Dramateur Club 2; Camera Club 3, 4—Treasurer 4; Hi-Y Club 4.

Frank is tall, light, and we must admit, handsome. We like those classy sport coats he flashes around. He's quite the answer to a maiden's dream. Agree with us, girls?

DOLORES BLANCHE MATHIAS
 G.A.A. 1, 2, 3, 4; Dance Committee 3, 4; Dramateur Club 4; Play Committee—Chairman 4.

Yes, there's a set in every class, and our Senior Class, not to be outdone, sports the Mathias Twins! The first of this two-some is Dolores. Though we are still trying to distinguish her from Doris, we can be safe in saying that she's right "on the beam," as both of the twins are.

DORIS MARY MATHIAS
 G.A.A. 1, 2, 3, 4; Dance Committee 3, 4; Dramateur Club 4; Play Committee—Chairman 4.

Ah—and Doris—the second of the lovable duet. Just recently we've been able to distinguish her from Dolores by those attractive horn-rimmed goggles she has acquired. Behind the "cheaters," however, is the perfect completion of the Mathias twins.

JAMES LEONARD MCCARTHY "Jimmy"
 Class Basketball 1, 2; Band 1, 2, 3; Ensemble 1, 2, 3; Swing Band 1, 2, 3; Dance Committee 3; Football 4; VOYAGER Staff 4; Senior Play Character.

Here, my friends, is one of the best chemistry "sharks." We think "Jimmie" should have met Galileo and had a talk with him. Besides chemistry, Jimmie gets through with his other studies quite well. He is widely known and liked by every one.

DELLA A. MCCREADY "Del"
 G.A.A. 1.

"Del" is one of the outstanding girl athletes of our class. She is well known for her shooting in basketball. We believe the field of sports holds her undivided attention.

EDWARD C. McNAVISH "Mac"
 Glee Club 2, 3; A Cappella Choir 3, 4; Double Mixed Quartet 4.

"Mac" was the first member of our class to answer our Country's call. Although he was only with us till February, his pleasing personality brought him many lasting friends. We wish you loads of luck and happiness in your new endeavor, "Mac".

ELLA MAE MILLITZER
 G.A.A. 1, 2, 3, 4—Vice President 3; Dance Committee 2, 3, 4; G-Clef 3, 4; Commercial Club 4; Senior Invitation Committee.

Ella Mae is neat and attractive, and sports some very clever outfits. She is more or less on the quiet side. We have been told she has a very big interest in the Navy. Some sailor is a lucky fellow!

FRANCES M. MIRAGLIA "Fran"
 G.A.A. 2, 3; Swing Band 2, 3, 4; Ensemble 2, 3, 4; Dance Orchestra Committee 3; VOYAGER Staff 4; SEE Staff 4; Drama-

teur 4; Senior Play Committee.

Always on the go and never found idle is "Fran". All of us enjoy hearing her play the piano at various occasions. To teach English is her ambition. We're going to miss that cute sort of dejected "Oh" that "Fran" uses so often.

CHARLES MORGAN, JR. "Moe"
 Football 1, 2, 3, 4—Letter 2, 3, 4; Class Basketball 1, 3; Varsity "C" 2, 3, 4—Treasurer 4; Student Faculty 3; Dance Committee 3, 4; Hi-Y 3, 4.

From the halls of Montezuma to the Shores of Tripoli—Hup 2, 3, 4—yep, Moe is in the Marine Corps now. He was an active member of the senior class, and if you've ever read any of Moe's poems you'll find he has a very serious side. He likes to be compared to Edgar Allan Poe. Good luck to you, Moe. We hope those sergeants aren't too bad!!!

BETTY JANE NIXON "BeeJay"
 Camera Club 1, 2, 3, 4; Class Secretary 2; G-Clef 2; Dance Committee 3, 4; Senior Play Committee 3; Dramateur Club 3, 4—Vice-president 4; Captain in Magazine Campaign 4; Senior Play Character.

Folks, meet "Terry" of our Senior Play. She helped make our play the success that it was. "BeeJay" is our prettiest lass, and that we don't deny. Not only has she beauty but also brains and personality. She's one swell kid!

CHESTER FRANCIS NOWACKI "Tat"
 Hi-Y 2, 3, 4; Wrestling 2, 3, 4—Letter 3, 4; Football 3; Varsity "C" 3, 4.

"Tat" is our "mighty mauler". We refer to wrestling, of course. He really holds his own on the mat. He has the distinction of being our smallest Senior in stature. But remember—big things come in little packages.

STANLEY NOVAK "Stan"
 Hi-Y Club 2, 3, 4.

"Stan" believes in being seen and not heard. To those who have learned to know him, he is a swell pal. He always has an answer in Science Class. How do you do it, "Stan"?

JOHN OLIVER "Johnnie"
 Class Basketball 1, 2; Hi-Y 3, 4; Dramateur Club 4.

"Johnnie" has bright eyes and a big smile for everyone. He's one of Miss Hepler's pets in history class. Evidently she has a way with him, because he always seems to have his history done, or do you just happen to like history, "Johnnie".

MARY OSTAFFE "Mary"
 ScaRab Club 1; G.A.A. 1, 2, 3, 4; G-Clef 2, 3, 4; G.A.A. Dance Committee 3, 4; Dramateur Club 3, 4; Senior Play Committee 4. Pretty is the word for Mary—she's popular too. And it's no wonder, for Mary with her vivacious and charming manner makes it a point to be amicable with everyone. She's rewarded by the many friends she has acquired.

CONSTANCE PARISI "Connie"
 G.A.A. 2, 3, 4; G-Clef 3; Commercial Club 3, 4—Vice-president 4; A Cappella Choir 4.

"Connie" can scarcely be heard above the crowd. But with all her quietness, she has many friends, and she is always smiling. If you find her with her Junior chum, Dot, she'll be talking away "like sixty".

LOUIS PERRY "Lou"
 "Lou" takes great pride in his "big green car". He's always willing to take the kids in and take them where they want to go. Our loss was the Navy's gain when "Lou" left just before graduation.

SHIRLEY ANN PETROSKY
 G.A.A. 1, 2, 3, 4—President 4; Dramateur 2; G Clef 2, 3; Class Treasurer 3; G.A.A. Dance Committee 3; Dance Committee 3, 4; SEE Staff 3, 4; A Cappella Choir 4; Triple Trio 4; National Honor Society 4.

Now here's a girl that's really musically inclined. Besides being able to sing, Shirley can almost make a piano talk. The G.A.A. can thank her for their gliding smoothly through another successful year.

EDWARD ANTHONY PTASZEK "Ed"
 Varsity "C" 3, 4; Basketball 3, 4—Letter 3, 4.

"Ed" is a member of our Varsity Basketball squad, and we

Senior Activities

might add a very good one. He's rather quiet, but a swell guy once you get to know him.

JOSEPH STANLEY RATAJACK

Class Basketball 1; Varsity Basketball 2, 3, 4—Letter 3, 4; Varsity "C" 3, 4; Football 4—Letter 4; Nominating Committee 3.

"Joe" has made a name for himself on our basketball and football teams. He seems to have lost the bashful streak he had at the beginning of the year. "Joe's" popularity got him elected our most popular basketball player.

APPALONE MARIE RECZEK

Dance Committee 3.

Have you ever seen that pretty petite blonde dashing around the halls? That's Nancy. Although her heart's in the Navy, she manages to be amicable with everyone, and to keep up her never-stopping flow of fun and good humor.

VERNA MAY ROMAN

G.A.A. 1, 2; Dramateur Club 2, 3, 4; Senior Play Committee 3; Dance Committee 4; Cheerleader 3, 4; Commercial Club 3, 4—President 4; Senior Play Character 4; National Honor Society 4.

Verna is one of our most energetic cheerleaders. She takes a great interest in football and an even greater interest in the manager. Nearly always together, "Mike" and "Vern" are one of C. H. S.'s ideal couples.

BRIDGET ROMANO

Dance Committee 2; G.A.A. 3, 4.

"Bridgie" is true to the Navy! Why?? Because Dommy Peeler's in that branch of service, of course. Between long, faithful letters, she manages to keep up her activities and her popularity with everyone.

ROBERT GREER ROSS

Band 1, 2, 3, 4; Stage Band 1, 2, 3, 4; Ensemble 1, 2, 3, 4; Class Basketball 1, 2, 3, 4; SEE Staff 2; VOYAGER Staff 3; Hi-Y Club 2, 3, 4—Treasurer 3—President 4; Honor Society 3, 4; Wrestling Manager 4—Letter 4; Dance Committee 4.

"Bob" is one to be envied because of his remarkable grades. But work hasn't made him a dull boy. He's got loads of friends and is lots of fun. We look for something big to become of you, "Bob".

MARCELLA MARIE RYBACK

Junior ScaRab 1; Senior Play Committee 2; Dramateur Club 2, 3; G Clef 2, 3; G.A.A. 2, 3, 4; Dance Committee 3, 4; VOYAGER Staff 4; Choir 4.

"Marc" is quite an artist. Just scan the art pages of this book, and you will see for yourself. Besides her art, "Marc" is musically inclined. She has quite a grand personality and is a swell pal.

FRANCES SALVATORE

Dance Committee 2; G.A.A. 3, 4; G-Clef 4.

"Frannie", cute and blonde, is a favorite with her fellow-students because of her charming personality and her friendliness toward everyone. She is admired, too, because of all things, she wants to further her studies in Chemistry.

ROBERT EUGENE SARACENA

Dance Committee 2, 3, 4; SEE Staff 3, 4; Athletic Association—Treasurer 3, 4; National Honor Society 4.

That quiet and good-natured senior who is always found delving into books is Bob Saracena. He's one of those people who "don't say much about nothin'", but his quizzical smile denotes that behind those piercing eyes there's lots going on. VIRGINIA THERESA SARACENA

G.A.A. 2, 3, 4—Secretary 4; G.A.A. Dance Committee 3; G-Clef 3; A Cappella Choir 4; Dance Committee 4.

"Virg" is always bubbling over with humor and personality. Her gay remarks and hearty laughter make her popular with all.

ALMA LOUISE SCHAEFER

Band 1, 2; SEE Staff 3; G.A.A. 3, 4; G Clef 4; Dramateur Club 4; Senior Play Committee 4.

"Sadie" is the ash-blonde lass with the bewitching eyes—and she uses them to advantage, too. Her ivory skin and honey blonde hair combination is the envy of all the girls—and the delight of all the boys!

VIRGINIA LOIS SCHOLLAERT

Majorette 2, 3, 4; G.A.A. 2, 3, 4; Dramateur Club 3, 4; Senior Play Student-director 4.

Attractive and feminine, that's "Lo". Her secret desire is to become a model. She loves clothes and always looks perfectly groomed. We always find her with Helen and Evelyn. A grand pal to all who know her!

PETER SEKELICK

Varsity Basketball 1, 2, 3, 4—Letter 2, 3, 4; Varsity "C" 2, 3, 4—Secretary 4.

Did you see that sharp-looking fellow just go sauntering down the hall? That was "Pete", one of our best-dressed men. He was one of our favorites on the Varsity Basketball Squad, too. Quite a swell fellow!

VINCENT JOSEPH SENTER

Wrestling 1, 2, 3, 4—Letters 2, 3, 4; Hi-Y Club 2, 3, 4; Varsity "C" 2, 3, 4; Camera Club 3, 4.

Whoops—there he goes! Yes, it's here today and gone tomorrow with these Navy lads—and Vince is one of them. Here's hoping he enjoys the popularity in the Navy that was his in high school.

FRANCES SHAFER

Commercial Club 4.

"Sis" always has a cheery smile and a blithe spirit. Never angry or annoyed, she has a perpetual look of calm pleasantness. We believe she is well qualified to enter the business world.

FRANK SKIRPAN, JR.

Band 1, 2, 3, 4; Swing Band 2, 3, 4; Ensemble 2, 3, 4; Wrestling 2, 3, 4—Letter 4; Varsity "C" 4; Football 4.

Harry James right in our midst is "Skirpy". Oh yes—that smooth and mellow trumpet reminds one of that other "golden trumpet". Unlike le James "Skirpy" intends to become a lawyer—good luck, Frank!

THELMA NOREEN SLACK

SEE Staff 3; G.A.A. Dance Committee 3; G Clef 4.

"Thel"—Oh Thelma! That wisecracking wit with an appropriate remark for every occasion. Beneath that gay exterior, however, Thelma has ambition, and some day she will make an excellent secretary.

MARJORIE MARY SNYDER

G.A.A. 2, 3; National Honor Society 4; SEE Staff 4. Tall and sophisticated is Margie—intelligent, too! Although her pet peeve is studious boys, she is no evader of study herself. Recently elected to the Honor Society, she is a consistent honor student. As if that isn't enough, her favorite subject is—Latin!

HELEN M. SOSSONG

ScaRab Club 1; G.A.A. 1, 2; Dance Committee 2, 3; Senior Play Character 4.

"Nellie" is the queen of the servicemen—always seen writing to them or reading one of the many letters they send her. And that isn't all—this patriotic Miss will join the Cadet Nurse Corps after she graduates.

DOROTHY MAE STECKO

Dance Committee 4.

Quiet and amiable, Dorothy is a lady both in class and out. She has proven to be a studious as well as pleasant classmate and is well liked by students and teachers alike.

VIRGINIA NORA STEWART

ScaRab Club 1; G.A.A. 2, 3, 4; G.A.A. Skating Party Committee 3, 4; G.A.A. Dance Committee 3; Dance Committee 4; Senior Play Character.

"Ginny" is that cute little blonde whom we find leisurely floating about the halls. She's constantly babbling about "Stan"—in case you're wondering, he's her one and only. Lucky "Stan"!

DOROTHY LUCILLE SWART

Drum Majorette 2, 3, 4; G.A.A. 2, 3, 4; Commercial Club 4; SEE Staff 4; Dance Committee 4; Senior Play Character.

"Dot" is true to her gunner in the Air Force if talking means anything. It's always Jack this and Jack that. How many hearts have you broken with those great big beautiful eyes, Dot?

Senior Activities

PAUL SZEERBA
Hi-Y Club 3, 4.

Perpetual quietness—that's "Szerb". You might see a hearty smile now and then when something attracts his fancy, and maybe if you listen closely you're apt to hear him say "Whoops"!

CLARA IRENE TASCHETTI

G.A.A. 1, 2, 3, 4; G Clef 2, 3; Commercial Club 3, 4.

Clara is a very likable lady, and makes a grand pal. She always has something nice to say about everyone. Maybe that's what accounts for her popularity.

JACQUELYN ROSE TERRY

ScaRab Club 1; Band 1, 2; G Clef 2; Drum Majorette 2, 3, 4; A Cappella Choir 3, 4; Dramateur Club 3, 4; Commercial Club 3, 4; National Honor Society 3, 4; Student Faculty Committee 4; SEE Staff 4; Dance Committee.

A very active and popular member of the senior class is "Jackie." One would think that with her many activities, she would have no time for study. The fact is that she has been an honor student for four years and has been for two years a member of the National Honor Society.

LYDIA TETEREFF

Majorette 1, 2, 3, 4; Sophomore Committee 2, 4; Commercial Club 4; Treasurer 4; VOYAGER Staff 4; Senior Play Character 4.

Tall and attractive, Lydia is one of the more graceful members of her class. She made a striking appearance as one of our leading majorettes. We will long remember her excellent portrayal of the vamp Prudence in the Senior Play.

RUTH THEISS

ScaRab Club 1; G.A.A. 1, 2, 3, 4; Class Secretary 3; Dance Committee 3; Camera Club 3, 4; National Honor Society 3, 4; SEE Staff 4; Magazine Campaign 4—Manager; Senior Play Character 4.

We are proud to have a girl like Ruth in our class. We believe she is one "very likely to succeed" because of her splendid personality and scholastic ability. Best wishes, Ruth; we know you'll succeed.

ROBERT EARL TISCHLER

Band 1, 2; Hi-Y 4; Camera Club 4.

Tall, quiet, and good-looking is the perfect description of "Tish." Goodnatured and obliging, he has but one ambition—"to get a million dollars—but quick".

ALMA TONEY

G.A.A. 3, 4.

Alma is harder to become acquainted with than most girls. Perhaps that is more our fault than hers. We are certain that our hopes of success for her in life will not be in vain.

STEVE TRINKALA

Class Basketball 1; Ensemble 2; Band 2; Swing Band 2; Glee Club 2, 3, 4; Wrestling 2, 3, 4; A Cappella Choir 3, 4; Hi-Y 3, 4; Football 3, 4—Letter 4; Varsity "C" 4.

"Trink" is never without his Dodge. We don't know what he'd do if anything ever happened to it. He's a husky fellow and seems to enjoy athletics. We find he has quite a few admirers, but he keeps them all guessing.

EVELYN RUTH TRUNICK

G.A.A. 1, 2, 3, 4; Senior Play Committee 2, 3; Dramateur Club 2, 3, 4—Treasurer 4; Dramateur Club Dance Committee 4; Nominating Committee 3; G Clef 3; Dance Committee 3, 4; Mixed Quartet 4; VOYAGER Staff 4; Senior Invitation Committee.

A sophisticated lass whose favorite pastime is "staring at Mr. Burkett." Besides her many other activities "Eve" is also interested in music as shown by her participation in several music groups. "Eve" thinks "bell bottom" trousers are just the thing.

JOHN URAM

Dance Committee 2; Wrestling 2, 3—Letter 3; Class Vice-President 2, 4; Football 3; Hi-Y 3, 4; Varsity "C" 3, 4; Class Basketball 3, 4; National Honor Society 4; Senior Play Character.

This young man has been called a wit, a pet, a comforter, and a Beau Brummel. Here is your chance, students, for "Johnnie" is an accommodating boy and will try to fill any bill

ROSEMARY ANN WAHL

Dance Committee 2, 4; Nominating Committee 2, 3; G Clef 2, 3, 4; G.A.A. 3, 4; SEE Staff 3, 4; Commercial Club 4—Secretary; Student-Faculty Committee 4.

Very active indeed is "Ro". Just take a look at her activities, and you'll see what we mean. She excels in whatever she attempts. Wherever "Ro" is, there also shall be Shirley and plenty of laughter.

JANE FRANCES WARCHOL

Jane is another of our attractive blondes. She's Mrs. Gray's "pride and joy" in math class because she always knows the answers. Oh well, we can't all be good in math!

MARJORIE WILSON

Leavenworth High School 1, 2; Springfield High School 3; Band 4; A Cappella Choir 4.

A very new and welcome member of our student body is Marjorie. She has entered into activities like a veteran though, and we find she has made a valuable addition to the Band and A Cappella Choir.

WALTER THOMAS WODZINSKY

Football 1, 2, 3, 4—Letter 2, 3, 4; Wrestling 1, 2, 3, 4—Letter 3, 4; Varsity "C" 2, 3, 4; Glee Club 3; A Cappella Choir 3; Hi-Y 4.

"Gus" is one of our husky football players. We've also found he is quite partial to wrestling. He's usually found riding around in his little black Ford—his pride and joy. Incidentally, he has another pride and joy, namely "Nellie."

HERBERT C. WOLSTONCROFT JR.

Band 1, 2, 3, 4; Orchestra 1, 2, 3, 4; Stage Band 2, 3, 4; Hi-Y 2, 3, 4—Secretary 3—Vice President—4; VOYAGER Staff 3; Junior Prom Committee 3; Camera Club 3, 4.

"Herb," genial and friendly, is a very popular senior band member. His ability to follow things through has made him a successful Band and Ensemble member for four years. If Herb is as successful in the field of engineering as he has been in the band and in school, he will be very successful indeed.

MARY ANN WOODING

A Cappella Choir 1; G.A.A. 1, 2; G Clef 2, 3; National Honor Society.

Another one of those intelligent lasses is Mary Ann Wooding. Being elected to the National Honor Society hasn't affected her, and Mary Ann is still the same calm and unaffected person that she always has been. She can sing too.

JACK RICHARD WORGAN

Wrestling 2; Band 2, 3; Football 3.

An amazing fellow is Jack. Just to look at his 6' 5" maleness makes one suspect that something keen and understanding lies within him. He is keen too, for he's the brains of the Chemistry Class—Mr. Burkett's pride and joy.

EDDIE E. YAROS

Hi-Y 3, 4; Football 3, 4; Glee Club 4; A Cappella Choir 4; Senior Play Character.

This guy really believes in accentuating the positive and eliminating the negative, as we readily found out in his portrayal of Dutch in "Growing Pains." Ed is one of the few good students in Chemistry, but Mr. Burkett just doesn't appreciate him. Some of the girls would like to know his secret for keeping such a beautiful complexion.

EVA M. ZARROLI

G.A.A. 2, 3, 4—Treasurer 4; Dramateur Club 2, 3, 4; Senior Play Committee 3; G Clef 4; "See" Staff 4; Senior Play Character 4.

A bundle of energy packed into one small package is "Eve". Her ingenuous smile and ability to make friends has proved that "the best things come in small packages."

PEARL THERESA ZINSKI

G.A.A. 4; Commercial Club 4.

Quiet and neat, "Blondie" is one of few non-trouble-makers in Study Hall. Always seen closely scrutinizing her books, she seems to be constantly searching for knowledge. She's the perfect answer to a teacher's prayer.

Freshmen

One hundred and fifty-four students were enrolled in the freshman class last fall. They were nervous at first, but finally got used to their new environment and fitted themselves in with the upper classmen. When the football season came along, eight of the freshman boys represented their class on the team. After the football season was over, they had to get down to business and study for their semester exams. After headachy nights of studying, most of them got by with a passing average. Soon the wrestling and basketball season came around. Fourteen of the boys went out for wrestling and four others were on the B-squad. The girls also took part in athletic activities. Ten of them were chosen for the basketball team and twelve were on the volleyball team.

When spring came the freshmen were startled at the varied activities that took place one after another. Those who were skilled in music or dancing displayed their accomplishments in the band concert and spring concert. Fifteen boys and girls from the class played in the band. In the ensemble there were eight freshmen, three boys and five girls.

From the beginning of the year until the end the freshmen assembled in the study hall for music. The freshmen seemed to enjoy it, but they sometimes wondered about the upper classmen.

Finally June and more tests. They got through them without dying, but when the report cards came there were many happy and of course, a few sad faces. Well, the year is over and everybody will enjoy a good vacation and come back next year and resume his studies. Of course, when the members of the class enter the high school building next fall they won't be nervous, but they'll be looking at others who are.

ACTIVITIES

The Student-Faculty Committee

Miss Brandon President
Rosemary Wahl Secretary

The Student-Faculty Committee entered its second year with great success. The purpose of this committee is "to correlate school activities." The membership consists of the sponsors of all clubs and classes, one elected or appointed representative of each organization, and the principal of the high school.

During the past year the Committee ap-

proved club constitutions, set up the calendar for the school year, and sponsored the printing of a Hand Book to be distributed among the students next year. The Committee also sponsored the Stamp and Bond Drive for the purpose of buying a Jeep. The drive was successful and a second one was started to purchase an ambulance.

In order to stimulate scholarship in the secondary schools of the country, and to place secondary education on higher levels, progressive school administrators founded the National Honor Society.

Although the Carnegie chapter of the National Honor Society was started only in 1936, the national organization was founded in 1921. Mr. Ryneerson, who is often referred to as the father and founder of the National Honor Society, lived in Pittsburgh, and is now buried in Chartiers Cemetery.

All students having an average of 90 or higher are eligible to become members. They

are selected by the Faculty on the basis of their character, scholarship, leadership, and service.

Besides holding the formal induction, which is an event of the first week of June, the members also entertain the eighth grade honor students at a tea each spring in order to give them some understanding of the traditions of the Society and the life of the school.

The twelve senior and five junior members this year wear proudly the emblem of the National Honor Society. The letters C, S, L, and S at the foot of the keystone stand for Character, Scholarship, Leadership, and Service—the four cardinal principles of the organization.

During the past year the Hi-Y has continued to maintain its high standards of Christian fellowship throughout the school. As an annual project the Hi-Y has again trimmed a Christmas tree. Under the able leadership of its new sponsor, Mr. Sawhill, the Hi-Y played an active part in organizing our new Teen-Age Canteen which has been a complete success.

In addition to its regular activities the club has participated in regular basketball compe-

tition with other schools of its section. The basketball league was organized at the suggestion of the downtown branch of the Y. M. C. A.

The service flag campaign, begun under the sponsorship of Mr. Hayes, was a success, and the flag was dedicated at the High School Band Concert.

The boys have also enjoyed many hours of fun, rounded out by an informal induction of new members.

The forty-eight sophomores, juniors, and seniors in the Dramateur Club were chosen as members because of their interest in some one of the many phases of dramatics, whether it be acting, directing, lighting or stage craft.

Following each business meeting, short plays were given for the entertainment of the members. Some of these plays were reenacted for community organizations. The "Harvest

Hop," a sport dance, was the main social event of the year and proved to be a successful one. The most important project of the year was the production of the senior play, "Growing Pains." Dramateur Club members served on the various committees, including make-up, tickets, program, lighting, and stage management. Since the cast was limited to members of the senior class, only seniors took part as the actual characters of the play.

The shutters have been clicking merrily all year 'round, and busy Camera Club members have snapped many pictures of campus activities and sports competition as records of their high school life.

Through these direct experiences with photography, members are taught the fundamentals of developing and printing their own pictures.

The club has furnished a complete darkroom in which members may develop their film, print their negatives, or enlarge their pictures.

Under the leadership of Mr. Burkett, the Camera Club has gone far during the last school year in its aim of penetrating the inner mysteries of the innocent-looking camera.

Those seniors carrying three commercial subjects are eligible for membership in the Senior Commercial Club of Carnegie High School. Inasmuch as many members were working this year, instead of business and social meetings being held in the evening, short business meetings were held after school.

The following members officiated at those meetings:

The Ensemble

The Ensemble, one of the two outgrowths of the band, under the excellent direction of Mr. Cameron has upheld for this year its reputation of really fine music.

Members of the Ensemble study laboriously the school year round and finally demonstrate their talent at the annual Spring Concert. Among the numbers played at the concert this year were the classic "Meadowlands," and "La Golondrina" (dedicated to our late president,

Franklin Delano Roosevelt.)

No school play, no lecture, no commencement is complete without the very enthusiastic performances of the Ensemble. All of which adds up to an ever-willing music-playing group and its director, Mr. Cameron, who is always willing to cooperate with any school activity.

How about a vote of thanks?

Front Row—Ross, Wolstoncroft, McCarthy, Walton, Unger, Cerasini, H. Gibbs, Cheesebrough, Torchia.

Front Row—Cheesebrough, Gibbs, Torchia, Wolstoncroft, Jordan, Petrozelli, Hubacher, Corba.
 Middle Row—Molinaro, Dempster, Stuart, Ross, Skirpan, Codispoti, Sadowsky, Todino.
 Top Row—Lee, Gallup, Miraglia, Langer, Walker, Yoder, Mykita, Evans.

Ah—and the Swing Band, an outgrowth of the Ensemble. One would think that having the name "Swing" Band applied to their playing unit, members of this group would give forth with nothing but jive. Yes, the Swing Band can give out with some mighty hot "swing stuff," but don't ever get the idea that some of its melodies aren't "sweet and low." If you don't believe this, just listen to Swing Band members play "The Evening Star" or "Whispering."

The Swing Band puts on the second part of the annual band concerts. This year a closely packed audience was delighted by a novel Hawaiian dance (Dot Hutchinson turns native), a classic rendition, "My Hero," sung by Fidelis Baux, and a Russian dance with Jewel Sadowsky supplying the "footwork." Yes, the Swing Band is versatile—an all-around really fine music group.

Double-Mixed Quartet

Front Row—Trunick, McKean, Luebbe, Day.
Second Row—Torchia, Yourd, Farinella, Swentosky.

The Quartet is about the most pleasant combination of mixed girls' and boys' voices that one can imagine. In splendid harmonious accord the boys and girls of the Quartet have sung such favorites as "Little Dance," "In My Garden," and "You're In Love." The group will long be remembered for its exacting rhythm and easy harmony.

The A Cappella Choir is perhaps the most awe-inspiring of all the vocal groups. The mixed voices of boys and girls singing a favorite old hymn or a rousing patriotic tune have brought tears to my eyes and have caught many

a throat. Carnegie High feels fortunate indeed to be the possessor of such a group as the A Cappella Choir.

Glorifying the Spring Concerts with their lovely voices, the girls of the G Clef truly comprise a "symphony in white." Under the excellent direction of Mrs. Ruth Fulton Nirella, the G Clef has, for a number of years, been one of Carnegie High's largest choral groups. May the many voices of the G Clef never stop filling the air with music.

First Row—Henney, Austin, Torchia, Oliver, Northey, Bennett, Hall, Cole.

Second Row—Double, McNavish, Conley, Tavalotti, Swentosky, Farinella, Molinaro.

Third Row—Yourd, Trinkala, Yaros, Franc, Brown, Evans, Ilyankoff, Gatz.

A hale and hearty group of singers is the Glee Club. Masculine singers seem to have a way with all audiences, and the boys who form the Glee Club are no exception, as is proven by the tremendous applause they receive at the Spring Concerts. It has always been and always will be one of Carnegie's best Glee Clubs.

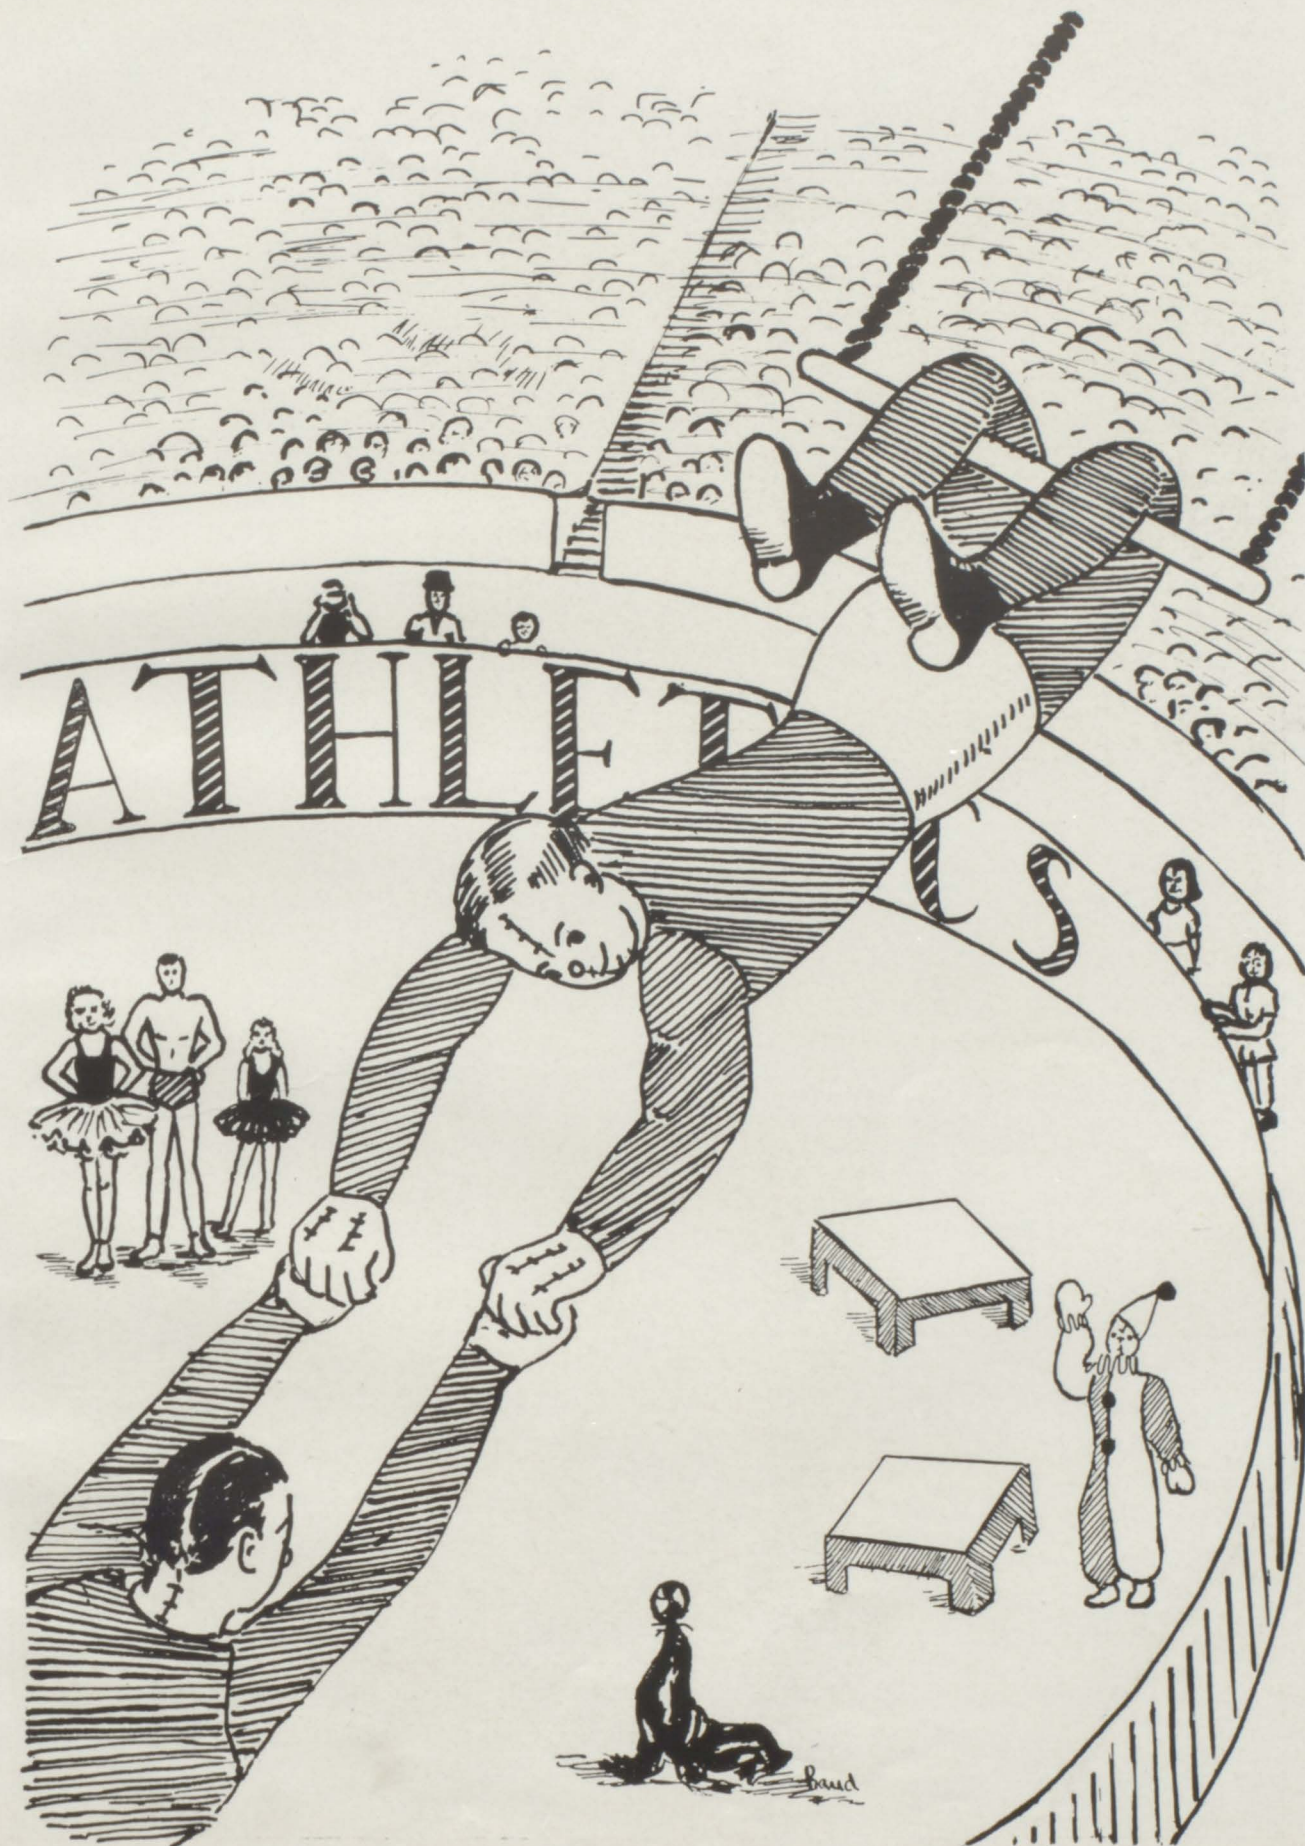

That select group of singers which has a

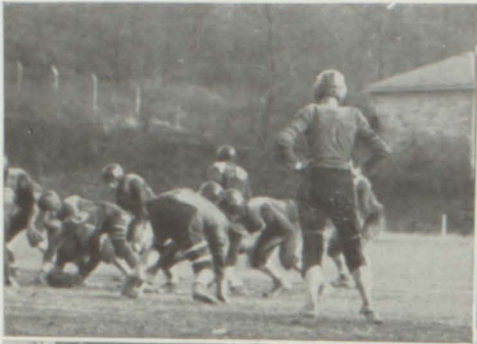

way of rendering the most delightful songs in the most delightful way is none other than the Triple Trio. Nine girls comprise the Triple Trio and the harmony of their voices has lent an air of real quality to many a Carnegie High event. Many thanks to these girls and to their fine director, Mrs. Ruth Nirella.

Game schedules, transportation facilities, and equipment are just a few of the problems of the association. The sports programs for 1944-45 were carried through with great success.

CARNEGIE VS. BRIDGEVILLE

The opening game of the nineteen forty-four football season ended with the "Tartans" at the wrong end of a 20-0 score. Bridgeville's first two touchdowns were made by power plunges over our left tackle, and the third resulted from an intercepted pass. Marvin Conley, playing his first game, did exceptionally well on the defense.

CARNEGIE VS. CORAOPOLIS

In the first half of the game, Carnegie showed a distinct need of practice in their new offense. This half consisted chiefly of power plays, except for a "Cory" pass which netted their first touchdown. During the second half, the "Cory" power succeeded in making two more scores against the "Tartans." The lone Carnegie score was made by a long pass to Ratajack in the last minutes of the game. The final score was 19-6.

CARNEGIE VS. STOWE

The Carnegie "Tartans" were defeated by Stowe's powerhouse by a score of 13-0. Most of the game was played between the thirty-yard stripes, except for the two touchdown drives. The first touchdown came during the first half by an off-tackle play; the second, by a quarter-back sneak through the center. The Carnegie team would have had a chance if their punting had been better.

CARNEGIE VS. MCKEES ROCKS

The Carnegie "Tartans" were defeated by the McKees Rocks eleven by a score of 26-7. During the first half, the "Rox", by completing two aeriels and by a plunge through left tackle, piled up a score of 21-0. After an invigorating talk by the coach, our boys settled down. Our only touchdown resulted from a series of line plunges in the second half. During the final minutes of play, the "Rox" scored again by a pass down the center.

CARNEGIE VS. CANONSBURG

For the first time this year the "Tartans" were ahead by a touchdown in the first quarter, but by the end of the half the score read: Canonsburg 13, Carnegie 7. Carnegie's offense during the second half was good, but the line couldn't hold

on defense. Both the "Gunners" and the "Tartans" scored during the second half, Canonsburg earning twelve points and Carnegie seven. When the game ended, the score read Canonsburg 25, Carnegie 14.

CARNEGIE VS. SCOTT

On a typical Scott-Carnegie day, (a constant downpour during the whole afternoon) the "Tartans" were defeated by a score of 13 to 0. The mud, which hindered both teams all day, was especially hard on Carnegie's "T" formation. Scott made their first score on the second play of the game, when Plachiki went through the middle of the line for a seventy-yard run. Another score was made during the second quarter and the last half was a stalemate because of the mud.

CARNEGIE VS. DORMONT

The Dormont "Bulldogs" defeated the Carnegie "Tartans" by a score of 27 to 6. Rubino, Dormont's fullback, was the star of the day. By the end of the first half the score was 13 to 6. The "Tartans", although they tried hard the second half, couldn't break through the "Bulldog" line. Dormont scored again in the third and fourth periods, with Rubino making the most of the gains.

CARNEGIE VS. MOON TOWNSHIP

Carnegie's only win of the season came with their new rival, Moon Township. At the end of the first half the game looked doubtful for the "Tartans" because Moon was ahead by a score of 6-0. From the beginning of the second half, however, the game was Carnegie's. The "Tartans" scored seven points in the third quarter and six points in the fourth, making the final score 13-6.

CARNEGIE VS. CRAFTON

The last game of the season, with Crafton, was for many "Tartans" their final appearance for Carnegie High School. The entire game was a hard-fought contest, and the first half ended without a score. By the beginning of the fourth quarter it looked as if the game would end in a tie, but Crafton's fullback, Breen, scored the only tally of the game by an end-run from the seven-yard line. The game was again deadlocked for the last few minutes.

B-Squad Basketball

The Carnegie High Basketball team closed the 1945 season with a total of twelve wins and eight losses. Coach Adams built his floormen around four lettermen and three other competent men. After a discouraging start, the team hit its stride, and in the first half of their schedule won seven and dropped five. Carnegie was the only team besides Mt. Lebanon to defeat Brentwood.

Joe Ratajack was high scorer with a total of 166 points. He was followed by Pete Sekelick and Danny Swentosky. This season was one of the best the Carnegie High passers have enjoyed in the last few years. With all of the first string graduating, prospects for a good season next year are dim, but the boys are hopeful and are working hard. All success to them.

Under the leadership of its new sponsor, Mr. Burkett, the Varsity "C" Club has enjoyed another successful year.

Among its activities the club again had a very successful skating party, staged for the benefit of the Injury Fund.

The Club wishes to extend its sincere thanks to the G.A.A. for their contribution to the Injury Fund.

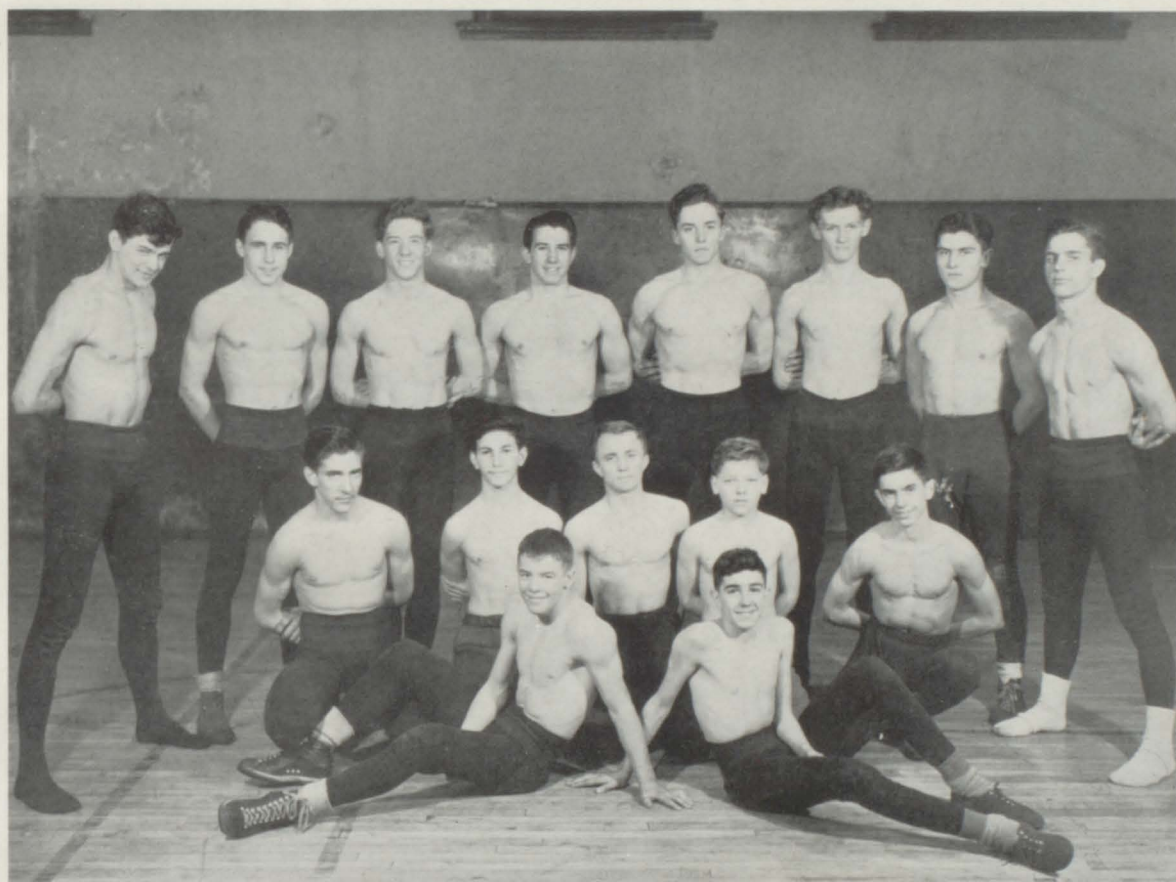

To round out a successful year the Varsity "C" staged a banquet on May 9, which was immensely enjoyed by all.

Wrestling

The Carnegie High wrestlers completed their season with six losses, five wins, and one tie. Two matches were lost to Canonsburg, two to Chartiers, and one each to Shadyside and Washington. Dormont was beaten twice this year, and Shadyside, West View, and Washington were each defeated once. The deadlock came in a match with West View. Although none of the boys went undefeated for the season, many of them won in eight or nine of the twelve matches. This accounts for the fact that only two boys of the entire team did not receive a letter for the year. Because this is the last year for many of the matmen, Carnegie's hopes for next season lie in the several sophomores and juniors who will be back.

The 1944-45 school term marks the twelfth year of the Girls' Athletic Association, which is still the largest organization in the school. However, the membership is limited to those girls who participate in basketball, volleyball, bowling, and hiking.

Each year Miss Mitchell chooses the girls for the basketball and volleyball teams. The classes then play against one another to determine the victors. As a reward for the highest bowler this year, a pin was given.

According to custom, the G.A.A. held their skating party at Sports Haven. Candy was again sold at the football games. Both of these

undertakings were a great success and the proceeds from the refreshment stand were shared with the Athletic Association.

To close the last chapter of the G.A.A. of 1945, the G.A.A. sponsored the Junior Prom on May 18.

Under the careful training and guidance of Miss Ruth Mitchell, the sponsor, this club has been successful in every undertaking.

The Senior Play

The Senior Class in co-operation with the Dramateur Club presented the annual class play on Friday evening, April 27, in the Carnegie Auditorium.

The play "Growing Pains," a comedy of adolescence in three acts, written by Aurania Rouverol, was under the supervision of Miss Betty Brandon, sponsor of the Dramateur Club. Miss Dorothy Hepler acted as critic; and Lois Schollaert, a Senior member of the Dramateur Club, acted as student coach.

The plot of the play centered around the trials and tribulations of an everyday family who have two adolescent children, a boy and a girl. Terry McIntyre is very much disturbed when her one and only Brian becomes infatuated with the charms of Prudence, a new girl in the neighbor-

hood. Up to this time Terry has been a regular tomboy but when she sees that the newcomer, a very petite young lady, has quite an interest in Brian, she decides that she will have to win him back. George, her older brother, approves heartily of this as he also has an interest in Prudence. Mrs. McIntyre promises George a big party if he will undergo a tonsilectomy. Terry takes this opportunity to become "glamourized," while George is hopelessly "stuck" with Elsie, a very homely and bashful girl. George gets himself into some trouble with a traffic officer and spends a few hours in jail.

The situation is all cleared up the next morning, since Brian and Terry find each other and George, that ever-loving Romeo, finds a new love interest in a cute blonde by the name of Vivian.

The Magazine Campaign

First Row—Haudenshield, Gallagher, Petrosky, Dombrosky, Caligiure, Zarroli, Butera.
 Second Row—Codispoti, Saracena, Karpyniak, Borek, Zinski.
 Third Row—Ross, Oliver, Henney, Farinella.
 Fourth Row—Morgan, Mathias, Barrett, Kurchner, Conley.
 Fifth Row—Fruecht, Slack, Snyder, Terry.

Shortly after the beginning of this school year, one might have noticed many young people going from door to door selling magazines. These youngsters were not working their way through college, as one might think; they were Seniors earnestly trying to put their maga-

zine campaign over the top. And they did just that, for gross receipts showed that they went \$247 over their \$1600 quota. It was under the expert guidance of the faculty adviser, Miss Gladys Cochran, that manager Ruth Theiss and team captains Verna Roman and Betty Jane Nixon were able to accomplish such pleasing results. The team under Verna Roman won out over Betty Jane Nixon's team in selling the greater amount of magazines; however, both teams set a record of achievement which the students of succeeding years may find difficulty in surpassing.

V-E Day

At nine o'clock Tuesday, May 8, 1945, Harry S. Truman proclaimed V-E Day for American forces in the European Theater of War.

Following this proclamation a religious, patriotic program was held in front of the school building. Michael Kaminsky conducted the program, which was arranged by Miss Gladys Cochran. The Reverend J. Alvin Stuart, of the First Presbyterian Church of Carnegie, offered a prayer and followed it with a very excellent talk about his own experiences in this war. William Corba, president of the Senior Class, read appropriate passages from the Bible. Robert Ross read Kipling's "Recessional." Mr. Lee, our principal, then read the proclamation from Francis B. Haas, Superintendent of Public Instruction in this state. Last but not least, Mr. Glasser, Superintendent of Public Schools in Carnegie, spoke on the significance of V-E Day.

The whole student body, as well as many townspeople who joined the audience, were impressed with the solemnity of the program.
