The History of the Class of '48

Oh, the Freshmen! Here we are,
Each one shining like a star.

And, boy, were we scared! Over one hundred and fifty ambitious freshmen were eager to begin their life in high school and set a high mark of achievement. The luster soon wore off, the fear was overcome, but the ambitions remained. Being endowed with much physical energy and very strong voices, we were soon known as the noisiest class in school. We realized how important we were when we had our own Freshman Party and chose a king (Ken McCarthy) and a queen (Ging Haudenshield).

The Sophomores bold, we know our stuff.
Only thing is, we don't know enough.

The sophomore year brought forth new interests. Everyone was now quite at home and becoming much better acquainted with school in general. We joined clubs, elected class officers (who were Harry Hoyson, John Dazen, Virginia Haudenshield, and Bette Rudolph), and our dance, the Eight-Thirty Special, was really a smooth affair. There were so many new things to do that before we knew it we were juniors.

Juniors now, with hopes so high;
Seniors soon, if we but try.

Here we are juniors, showing the underclassmen our shiny new rings. Blue and white decorations, music by the Be Bops, and

girls in swishing gowns combined to make the Junior Prom a gala affair. This year we even persuaded Mr. Lee to let us have a skating party. The officers were John Drost, Charles McVicker, Grace Schulte, and Alice Tetereff.

At last the senior year arrives,
A memorable part of all our lives.

Suddenly the Class of 1948 was on the home-stretch; it had entered its final year of school. This year, as previous years, traveled on wings of the wind, stopping only for the senior class play; and, though it was hard work, everyone had a good time trying to make it a success. At the senior dance with its colorful autumn decorations, we changed a precedent by choosing the best dressed dance couple, Clara Jean Hayes and Charles Snyder. The Friday morning lectures were very educational, and we proved our salesmanship during the six weeks of the Magazine Campaign. Again this year we arranged a skating party, which turned out to be a huge success. And finally came Baccalaureate and Commencement with their traditional formality.

Again eagerness prevails—eagerness to see the new life with all of the joys and hardships it can offer. We leave school with a feeling of reluctance and a slight touch of sadness, but with the hope that we and our class will linger long in the memories of our classmates and our teachers.

Dedication

Although Miss Brandon enjoys teaching very much (bookkeeping is her favorite subject), she has found plenty of time to travel and has covered considerable territory. She has gone as far north as Canada, as far east as the Atlantic, south as far as Texas (and even crossed the border into Mexico), and west as far as Colorado. She spends a good deal of her weekends in Indiana County, Pennsylvania, where she was born, and of which she is very proud. Miss Brandon has a great interest in dramatics. She especially likes the Dramateur Club and enjoys directing the senior play.

Is she a nice person? Without one bit of doubt it can be said that she deserves any praise she is given. She has a very calm manner and a personality that has won her friendship from students and teachers alike. There are always a few students sitting around her desk because she is so pleasant to talk with, and many will never forget the friendly bits of advice she has given.

We are proud to dedicate the 1943 yearbook to you, Miss Brandon. Having your picture on our page of dedication gives an even more special touch to our book.

Betty N. Brandon

MISS BETTY JANE SHIVELEY

Miss Shively makes the perfect secretary. She's always on the job, does her work well, and is one of the best dressed women in the school. Tall and slim, with red tints in her dark hair, she really ought to be a model.

NORMAN L. GLASSER

Our Superintendent

"This brief message comes to you at a time when the will to co-operate is more urgently needed than at any other time in history. The peoples of the world must co-operate or perish. No good American citizen can afford to do less than practice the principles of democracy to the best of his ability. Our sincere desire is that the work you do in the class room and in the other activities of the school will be done in such a way as to help you to live more graciously and to co-operate more successfully with others. We ask you to help us to make your school life "a continuous experience in democratic living.

"We congratulate you, the members of the Class of 1948 on your attainment during the four years you have been with us. You have done your work well and at the same time have provided the student body with inspiration and leadership. We believe that your future work will be a credit to you and your school. Our very best wishes go with you.

"This is the twenty-fourth issue of the VOYAGER. Another time it pictures the life of the school intimately and delightfully. It will be enthusiastically received by students and faculty. We congratulate the staff, the sponsor, and the class."

Our Principal

"It is possible that no other event on our activity schedule is more eagerly awaited by the entire student body than the date of distribution of the VOYAGER. Each year publication totals nearly one copy for each pupil enrolled. Increasing costs and decreased enrollment have increased the financial burden. Also, greatly increased prices on magazine subscriptions have lowered, and will doubtless continue to lower, the income from yearly magazine sales, the proceeds from which are used to finance the VOYAGER. Support by the student body in purchasing this volume each year and financial assistance by many friends of the school in subscribing for magazines have been splendid in the past. This support is greatly appreciated and more vitally needed now than at any time in the past ten years."

H. HOWARD LEE *H. H. Lee*

Being a firm high school secretary isn't at all as easy as many may think. You must have character and especially a way with the students, and Miss Walton has both. She is very efficient and really gets along wonderfully with the boys and girls although she has been here only two years.

MISS RUTH WALTON

The Board of Education

At the base of all school matters in the Carnegie Independent School District is the Board of Education. Consisting of six efficient men, the Board meets the first Monday of each month in Mr. Glasser's office.

Members of the Board are elected for six years' service, and new members are elected every two years. It supports all school activities, one of the most important being the Teen Age Canteen. It also bought a projecting machine and started a fund for movies.

The members of the Senior Class, as well as all other students in Carnegie High School, are very grateful to the Board of Education.

Officers of the Board are:

Superintendent	Mr. Glasser
President	Harry K. Garner
Vice President	Charles N. Stockum
Secretary	George McFarland

Student-Faculty Committee

If anybody says that the faculty makes all the important decisions concerning school activities and students, that person is wrong. The students may also have a big say at the Student-Faculty Committee meetings.

A new idea was started this year by having a student president of the organization. This plan gave the students almost entire authority at the meetings of the committee.

The members consist of representatives and faculty sponsors of all clubs, classes, and other special groups.

The Student-Faculty is always planning a program which will benefit the student.

J. ARTHUR ADAMS, M. A.

University of Pittsburgh

Physical Education, Director of Athletics, Basketball Coach

Mr. Adams is especially well known to the boys because he is their physical ed teacher. But the girls all know him as the "man behind the gun" as far as the basketball team is concerned because he's the team's able coach.

A. JANE BOYLE, B. A.

University of Pittsburgh

Business English, Business Law, Typewriting, Sponsor of Commercial Club

Miss Boyle, that petite instructor who often can't be detected among the students in the hall, is the sponsor of the Commercial Club. Being little doesn't handicap her, though, because she is constantly on the go and yet never looks tired out.

BETTY N. BRANDON, B. S.

Indiana State Teachers College

Bookkeeping, Business Arithmetic, Industrial Geography, Sponsor of Dramateur Club

Miss Brandon's home room is always a place to congregate in when you want to discuss some dramatic matter because she is the ever active sponsor of the Dramateur Club. She was kept very busy during the second semester producing the Senior Play. We'll all miss her when she leaves.

LILLIAN BURIG, B. S.

University of Pittsburgh

Biology, General Science, Health

If you're ever in quest of some knowledge concerning any insect you might have come in contact with, just go see Miss Burig because she is the biology teacher for Carnegie High. She is also the very esteemed sponsor of the junior class.

MELVIN C. BURKETT, M. Litt

University of Pittsburgh

Chemistry, Physics, Physical Science, Sponsor of Camera Club

Mr. Burkett is the lovable character known to all the academic students who invade his lab as Burk. He's full of wit and is very friendly with all the students. His lab classes will always be remembered by anyone who had him.

WALTER H. CAMERON

Institute of Musical Arts

Instrumental Arts

Mr. Cameron is the musical director of our school band. Every year the responsibility of producing a successful concert falls on his shoulders. This year, as well as every other year, he did a wonderful job of it. We are proud of his band.

GLADYS COCHRAN, B. S.

Indiana State Teachers College

Typewriting, Shorthand

That petite strawberry blond teacher, known to all of us by her cheery smile, is our one and only Miss Cochran. Her kindness and able sponsorship of the senior class has well established her as a favorite in all our hearts.

RACHEL A. COOGLE, M. A.

West Virginia University

French

Even though Mamselle doesn't have a home room, she's kept very busy in study hall the eighth period by her "beau-coup" pupils who are making up tests. She's an excellent teacher because she takes her subject to heart. Ask Bijou.

LOUISE DICKENSON, B. A.

Pennsylvania College for Women

English, Industrial History, Economics, Sponsor of VOYAGER

Miss Dickenson, the teacher who usually gets a room full of boys for home room, is the busy faculty advisor for the VOYAGER. She is continually checking copy for the yearbook and giving advice concerning it.

DANA FRY, M. A.

University of Pittsburgh

Latin, English

The short little teacher always wearing a great big smile is Miss Fry. We will remember her in connection with our sophomore year, mainly because she was our sponsor. Miss Fry will always be one of our favorites.

Faculty

DOROTHY C. HEPLER, M. Litt.
University of Pittsburgh
History, English

Miss Hepler, well known for her many beautiful clothes, is the faculty critic for the Senior Play. Her reddish hair and winning smile are known to all of us from freshmen up. She is very active outside of school as well as in, and everyone will remember her guidance classes.

KENNETH LeVERNE LOGAN, B. S., Ed. M.
Clarion State Teachers College; University of Pittsburgh
Solid Geometry, Trigonometry, Algebra, Business Math, General Math

Mr. Logan is a math instructor. He became a member of our faculty at the beginning of the last grade period of last year. Although a new arrival, he has become very popular. This will be his first picture in the VOYAGER of Carnegie High.

LOIS W. MASON, A. B., M. A.
Duquesne University
Civics, Junior Business Training, Sponsor of SEE

A rather new but already well known teacher is our own Miss Mason. She is the faculty sponsor of that favorite monthly paper, THE SEE (does a good job of it, too). We shall always remember her for her willing assistance.

MARY K. MEIGHAN, B.S.
Seton Hill College
Home Economics

The dainty little woman particularly well known by the girls is none other than our sewing instructor, Miss Meighan. Although not too well known in the high school building, she is a great favorite of the freshmen.

RUTH MITCHELL, B. S.
Slippery Rock State Teachers College
Physical Education, Sponsor of G. A. A.

Miss Mitchell, that blonde curly-haired physical education instructor, leads all the athletics of the girls. Being sponsor of the G. A. A. has given her an even closer bond of friendship with the girls in her classes.

AGNES NESBITT, B. A.
Grove City College
Latin, English, Sponsor of National Honor Society

Miss Nesbitt, the charming, dignified instructor who teaches Latin and English, is especially well known to the academic

seniors. She is also sponsor of the National Honor Society. Anyone who has had Miss Nesbitt for Latin will always remember her interesting stories and the way she tells them.

JOHN S. ROBB, M. Ed.
University of Pittsburgh
Industrial Arts

Mr. Robb, the man who educates the boys in the art of manual training, is not often seen in our building. Since becoming sponsor of the newly organized Rifle Club, he is seen in the halls more frequently.

LUCILE DOWNING SAWHILL, A. B.
Muskingum College
English
Sponsor of Tri-Hi-Y

Where does she ever find time to play the piano for public gatherings and console pupils in need of advice when she has so many classes, the Tri-Hi-Y, a family, and a home to take care of? She certainly must have a system to be able to manage so nicely.

ROBERT R. SAWHILL, B. A.
Muskingum College
Mathematics
Wrestling Coach
Sponsor of Hi-Y

Pop scares all the kids with his ruler, but he is very popular with them just the same. Why? Mostly because of his pleasant disposition and winning smile. Mr. Sawhill has a golden voice that has made him very well known.

DOROTHY J. SNODGRASS, B. S.
Muskingum College
Vocal Music

The only new member of our faculty this year is Miss Dorothy Snodgrass, who lives in Canonsburg. She has brought vim, vigor, and vitality into our choral groups and has livened many school programs with her singing.

CHARLES R. STOCKUM, B. A.
Waynesburg College
History, Civics, Football Coach

Our blond, blue-eyed football coach is very handsome, so it's a good thing the players aren't girls. Mr. Stockum set an example in his apt expressions which are quickly picked up by the students.

Martie, an active Tri-Hi-Y member, loves to go to Kon-O-Kwee Camp year after year (maybe it's because it's co-ed). Her shy smile and pleasant ways win and hold for her many friends.

Hi, Sweetie!

IRA BEADLING

Bead is a persistent if not a diligent student; that is, he keeps on coming even if he doesn't always study. As organizer last year of the Rifle Club, Bead has left a monument to his spirit of enterprise.

You ain't kiddin!

EDWARD BIGLEMAN

Hi-Y 2, 3, 4, Council Representative 3, 4; Rifle Club 3, 4; Variety "C" 4; Football 1, 2, 3, 4, Letter 4; Senior Play.

A good-natured person with a very friendly disposition, Bugle is distinguished by his earnestness and his very bad spelling. His love interest lies in the sophomore class.

Don't worry

PATRICIA BOCK

The fact that Pat is a member of the band and musical groups proves that she has a great talent for musical activities. She is a quiet and charming maid. Never seen hurrying, she always has time to enjoy life.

Hubba-hubba, ding-ding, bwang, Roger.

RONALD BOEHMER

Band 1, 2, 3, 4; Ensemble 3, 4; Glee Club 3, 4; Rifle Club 4; Camera Club 3, 4, Vice President 4.

Ronnie is quiet in the classroom, but he makes up for it outside. He is an active member of the Camera Club and spends a lot of time in the dark room. Ronnie can usually be found with a smile on his face.

ANNA MAE BUNNY

G. A. A. 1, 2, 3, 4; Commercial Club 4, Dance Committee 4; Volleyball 1, 2, 3, 4; Basketball 1, 2, 3; Dance Committee 3.

Hear that giggle? That's Bunny. She admits she is always laughing, but it's a sure sign of a good sense of humor and a sunny disposition, and Bunny has both. She has served on many dance committees and is one of the best athletes among the girls.

Holy Mackerell!

MARIE CATANESE

G. A. A. 2, 3, 4, Dance Committee 3; Voyager Staff 4; See Staff 4; Dance Committees 2, 3; Magazine Campaign.

Black hair, black eyes, and a creamy complexion—that's Marie. She loves dancing, skating, and jitterbugging—and definitely dislikes night work, which proves that she is an average high school girl. You can frequently find her at Means'.

You're kidding.

NICHOLAS CHARITAN

Coyote is always teasing the girls or cracking a joke. He loves to do anything in study hall except study, and when it comes to home room, he can be found in anyone's seat but his own. In spite of his impishness he is an especially good friend of ours.

Take it easy.

FRANCES COMFORT

Oh! You kid!

G-Clef 2, 3; Choir 4; Commercial Club 4, Dance Committee 4.

Fran is quiet, demure, and likable. She devotes her spare time either to reading or sewing. Fran admits her heart belongs to a certain swell guy, and it's evident that the feeling is mutual. Just ask her about him; she'll tell you.

DOLORES COSENTINO

Yeah, I did.

G-Clef 3, 4; G. A. A. 3, 4; Tri-Hi-Y 3, 4, Dance Committee 3; Dance Committee 4.

Quiet and pretty, Dory is one of those gals that keep the boys from thinking that going to school can be only a headache. She always appears in the latest fashions, and we cannot imagine her as ever being anything but decorative.

GEORGE CROSS

Be at ease.

Varsity "C" 2, 3, 4; Camera Club 3, 4, President 4; Dramateur Club 4; Student-Faculty 4; Football 1, 2, 3, 4, Letter 2, 3, 4; Basketball 3, 4, Letter 4; Senior Play; Dance Committees 3, 4.

Better known as Peanuts, George is far from tiny. He has confined his school activities mainly to basketball and football and has made quite a name for himself. In spite of his activity list Peanuts has kept his marks up to par.

PATRICIA DAUGHERTY

G-Clef 2, 3; Choir 4; Dramateur Club 2, 3, 4, Treasurer 4; Senior Play Committees 2, 3; Senior Play; G. A. A. 2, 3, 4; Student-Faculty 4; Volleyball 2, 4; Basketball 4; Cheerleading 2, 3, 4.

A sweet little girl with sparkling Irish blue eyes, Pat is witty and gay, a true friend. She is always busy as a bee, a good student, but homework irks her. Pat is one of our more attractive cheerleaders.

MELVIN DAVIS

Wow!

Football 1, 2, 4; Wrestling 1, 2, 4.

Luke is very pleasant, but he is seldom heard from. He takes a big interest in football and is one of our good players. He also works hard at trotting around the block on cold days toning up for wrestling practice.

JOHN DAZEN

How you doing?

Hi-Y 2, 3, 4; Dramateur Club 3, 4; Varsity "C" 3, 4; Rifle Club 4; Baseball 3, Letter 3; Class President 4; Vice-President 2; Freshman Party; Dance Committees 2, 3.

Now we come to our class president. John has the art of talking you into anything. He loves sports, especially baseball, which he has played in his junior and senior years. His great ambition is to go West someday.

IRENE DOMBROSKI

For Pete's sake.

G. A. A. 2, 3, 4, Dance Committee 3; Commercial Club 3, 4, Treasurer 4, Dance Committees 3, 4; Voyager Staff 4; Dance Committee 4; Magazine Campaign Manager 4.

Rene is a person who finds no difficulty in making friends. She can be easily recognized by her neatness and the carefree manner with which she carries on her work. She loves skating, and, when it comes to football, she wouldn't miss a game for the world.

MILDRED DORISH

You must be out of your mind.

G. A. A. 2, 3; National Honor Society 4; Camera Club 4; Commercial Club 3, 4, President 4; Student-Faculty 4; Secretary 4; Dance Committees 3, 4; Voyager Staff 4.

Mitzi is one of our bright seniors. Her ambition is to become a stenographer, and everyone agrees that she will make a very good one. She is seen frequently at Bard's. Mitzi goes all out for sports and likes to participate in clubs and activities both in and out of school.

JIM DOUBS

Wise up, kid!

Glee Club 4; Football 4; St. Luke's High 1, 2, 3.

He came to C. H. S. for just his senior year, but nobody would ever guess it. Jim is that tall, handsome football star you see around the halls, usually with Bill. He is just a little bit shy if he doesn't know you, but the girls don't mind, do we, girls?

JOHN DROST

What d'you know!

Varsity "C" 2, 3, 4; President Athletic Association 4; Football 1, 2, 3, 4, Letter 3, 4; Basketball 2; Class President 3; Dance Committee 4.

Mona is the dark and strong type, but by no means quiet. Mona has a mania for football, but was unable to play this year. You can always find Mona in the coatroom of Room 5 talking to the girls.

JOHN DUFF

Wow!

Class Basketball Manager 1.

Jack is a wonder boy. He sometimes finds it rather hard to decide whether to take some nice looking gal to the movies or to stay home and read a good book. Jack is a boy who can have fun and be serious too.

BETTY DULICK

Hi, chum!

Commercial Club 4, Secretary 4; Dance Committee 4; Camera Club 2, 3, 4.

Betsy is attractive, and has some very smart outfits. She is never angry or annoyed and always has a look of calm pleasantness. Even though Betsy is quiet, she always finds time for some fun.

SYLVESTER FLECK

Are you crazy!

Rifle Club 3, 4.

Tall and gangling with a big heart, that's Son. He can usually be seen in the halls with Bill and Jim or running in the side door at the last minute. He is known to everyone by his cheery "H." and flashing grin.

SARA FONTANA

Holy Moly!

G-Clef 2, 3; Choir 4; G. A. A. 2, 3, 4; Camera Club 2, 3, 4, Treasurer 4, Dance Committee 2; See Staff 4; Dance Committee 4; Bowling 1, 2; Hiking 1, 2; Senior Play.

Sara helps to make any group of people feel at ease. She has a naturally jocular manner that is amusing. She is interested in the shoe business and intends to make it her career.

JOHN FRANC

Holy smokes!

Varsity "C" 3, 4; Rifle Club 3; Football 3, 4, Letter 3, 4.

The strong silent type, John is a big man on the football squad, and a member of the Varsity "C". He doesn't seem to bother much about the fair sex. Babe is a swell fellow and liked by all the kids.

MARY FUNARI

Holy cow!

G. A. A. 1, 2, 3, 4; Basketball 1, 2, 3, 4; Volleyball 1, 2, 3, 4.

Kate is the soul of promptness, always on time for everything, especially in sports (one of our best basketball players). The boys from Scott seem to appeal to her rather than those from C. H. S. For some unknown reason she isn't seen often at the Buzz Inn.

GERTRUDE GERTZ

G-Clef 2; Choir 3, 4; Triple Trio 3, 4; Tri-Hi-Y 3, 4; Dance Committee 3, 4; G. A. A. 3, 4; Banquet Committee 4.

If you hear someone laughing unusually loudly, you'll know it's Gert, the gal with the pretty red hair. She laughs continuously whether in class or not; place and time do not stop her. She takes time out, however, to do a little singing in the Triple Trio.

FREDERICK HALL

Glee Club 2, 3; Choir 3, 4; Quartet 3, 4; Hi-Y 2, 3, 4; Vice-President 3; Member-at-large 3; President 4; Dramateur Club 2, 3, 4; Dance Committees 2, 3; National Honor Society 3, 4; Dance Committees 2, 3, 4; Senior Play Committees 2, 3, 4; Chairman 3, 4; Canteen Committee 2, 3, 4; Chairman 4; Band Concert Committee 3, 4; Student-Faculty 3, 4; Acting President 4.

Why fuss with a chemistry problem or a Latin sentence when Fred is there to help you out? Being president of the Hi-Y Club makes Fred very active in Canteen work. He is always willing to help a friend in need and gets a kick out of any corny joke.

BARBARA HAUDENSHIELD

Hector's pups!

G-Clef 2, 3; Choir 4; Hi-Y Council 3; Dramateur Club 2, 3, 4; Dance Committees 2, 3, 4; Tri-Hi-Y 2, 3, 4; Dance Committee 2, 3, 4; See Staff 2, 3, 4; Editor 4; Student Faculty 3, 4; Dance Committees 1, 2, 3

It makes our heads spin to watch Babs rushing around to get the SEE out on time each time each month. She always manages, though, to turn out a fine paper with lots of new ideas. Babs constantly worries about getting her Latin done. She is known by the broad grin she has for everyone.

VIRGINIA HAUDENSHIELD

Are you kidding?

G-Clef 2; Choir 3, 4; Triple Trio 3, 4; G. A. A. 2; Tri-Hi-Y 3, 4; Vice-President 4; Dance Committees 3, 4; Chairman 4; Dramateur Club 2, 3, 4; Secretary 3; Vice-President 4; Dance Committees 2, 3, 4; Chairman 4; Student-Faculty 4; Basketball 4; Cheerleading 2, 3, 4; Captain 4; Class Secretary 2, 4; Dance Committees 2, 4; Student Director 4; Voyager Staff 4.

Known to all her many friends as Ginge, here is a chatty little gal who adds life to any group. She is great fun to have around, and she manages to get into a lot of things. Being vice-president of the Drama Club and Tri-Hi-Y has kept her busy.

CLARA JEAN HAYES

Drop dead!

G. A. A. 2, 3, 4; Vice-President 4; Dramateur Club 3, 4; Senior Play Committee Chairman 3; Dance Committee 3; Volleyball 3; Basketball 4; Bowling 2; Freshman Party Chairman; Senior Play; Cheerleading 3, 4.

Hazel is one of the most popular girls in high school. Everyone knows Hazel by her black wavy hair, blue eyes, and the pep and vigor she shows on the football field and basketball floor. Her ambition to become a model shouldn't be hard to fulfill because everyone will agree she has all the requirements.

JOHANNE HOMA

Isn't he (Howard) cute?

G. A. A. 2, 3; Camera Club 2, 3, 4; Secretary 4; Commercial Club 4; Dance Committee Chairman 4; Voyager Staff 4; See Staff 1, 2, 3, 4; Dance Committees 2, 3, 4; Magazine Campaign Captain.

Jo Dee keeps up with the fashions; she has even changed the spelling of her name this past year. Her favorite saying is, "Oh, it's old" or, "Is that new? And where did you get it?" A good commercial student, she'll surely make good in business.

BARBARA HOOVER

What are we supposed to do?

A Capella Choir 2, 3, 4; Band 3, 4; Ensemble 3, 4; Swing Band 3, 4; G. A. A. 3, 4; Tri-Hi-Y 3, 4; Treasurer 4; Dance Committees 3, 4; Dance Committee 4; See Staff 4.

Barb is quite a handy girl, who doesn't make much noise. Pleasant and calm, she is willing to help at any time. She likes to write short stories and has written some good ones. Who knows? She may become one of our future writers.

SHIRLEY HOYLAND

Listen here, Commando.

G-Clef 3, 4; G. A. A. 2, 3, 4; Dance Committees 2, 3; Camera Club 2, 3, 4; Dance Committee 2; Dance Committee 4; Voyager Staff 4.

Shirl is no stay-at-home when it comes to going out and having a good time. She takes particular interest in clothes. This has given her the title of our best-dressed girl.

HARRY HOYSON

Choir 2, 3, 4; Glee Club 2, 3; Hi-Y 2, 3, 4; Camera Club 4; Student-Faculty 2, 3; Class President 2; Dance Committees 3, 4.

Harry is one of the wittiest boys in our class, always there with an answer. There's never a dull moment when he's around. He will have his wise cracks, even if it involves trouble with the teachers.

PHILIP HUBACHER

He played commies and lost!

Band 1, 2, 3, 4; Ensemble 1, 2, 3, 4; Swing Band 1, 2, 3, 4; Dramateur Club 3; Varsity "C" 4, Treasurer 4; See Staff 4; Voyager Staff 3, 4; Football Manager 2, 3, 4, Letter 4; Basketball 2, 3, 4; Letter 4; Dance Committees 2, 3, 4; Canteen Committee 4.

Lily White is our man about town, a handsome boy of C. H. S., who is the idol of every freshman, sophomore, junior, and senior girl. He's not only handsome with his blond hair and blue eyes, but he is also very active in all activities. This year he has served as a very capable senior manager of our football team and has been one of our most valuable basketball players.

HARRY HUREY

You phoney, you.

Wrestling 3, 4; Letter 4.

Where there's Mona, just look around a bit and you're sure to find Harry. He is a wee bit shy but by no means the quiet type. He claims he is allergic to girls, but right now he's working on some cure.

MARY ILYANKOFF

Aw, your father's mustache!

G-Clef 2; Choir 3, 4; G. A. A. 3, 4; Voyager Staff 4.

Many of us wonder why Isles wasn't named Giggles. Her laughter has often gotten her into trouble, but she claims she just can't help it. She just couldn't wait for sixth period to roll around for math class (and Mr. Burkett).

MARGARET KELLY

Hibell

Choir 4; Tri-Hi-Y 4; Volleyball 3, 4; Basketball 3, 4; Dance Committees 3, 4; Chairman 4; Scott High School 1, 2.

Margie is one of our country gals—comes to school by bus. She is a little over five feet tall with twinkling eyes. She lends an artistic touch to anything she does. Margie prefers Carnegie to Rennerdale.

JOSEPH KIENTZ

Hello!

Hi-Y 3, 4, Treasurer 4; Varsity "C" 3, 4; Rifle Club 4; Baseball 3, 4, Letter 3, 4.

Joe is an outstanding member of the class both in studies and personality. He is far from being quiet but believes in having fun when fun is due. He intends to further his education, and we know he will succeed.

MIKE KUZEMKO

The teachers have their hands full trying to keep Mike awake in their classes. He believes in getting eight hours—or should we say twenty-four? Although Mike likes to sleep, he always wakes up long enough to help a friend in trouble.

DON LEWELLYN

What gave you the clue?

Band 1, 2, 3, 4; Varsity "C" 4; Football 3, 4, Letter 4.

A handsome fellow, indeed, is Dink. His wavy blond hair and blue eyes are enough to have any girl swooning. He is one of our top football players and though he may seem a bit shy, he's really a swell guy. Just ask the gang from Rosslyn Heights.

MABEL ANN LUSCHER You don't have all your grapes, woman.
G. A. A. 2, 3, 4, President 4, Dance Committee 3, Skating Party 4; Dramateur Club 2, 3, 4; Dance Committee 2, 3, 4; Voyager Staff 3, 4; Student-Faculty 4; Dance Committee 3; Volleyball 2, 3, 4; Basketball 2, 3, 4; Senior Play; Junior Prompter; G. A. A. Banquet 4.

A girl with real originality, Mabel can sew anything from a quilted purse to a bustled evening dress. Straight bangs become her. Mabel is a very popular lass. Most of her time is spent at the desk on Canteen nights or presiding at the G. A. A. meetings.

MARTHA MADDEN

Hello, Joel

G. A. A. 2, 3, 4; Band 1, 2, 3, 4; Ensemble 2, 3, 4; Langley High School 4.

Blond and attractive, Marty always has a cheery smile for all of her old friends of C. H. S. She has a collection of all her friends' pictures. Marty does a lot of talking in classes and has a great ambition to travel.

MARY JANE MARLATT

I've gotta get the bus.

G-Clef 2.

Mary is a true red head, who knows her lessons and worries if they're wrong. She has a perfect complexion with smiling lips and clear bright eyes. She must be an early riser to make the school bus every morning and always arrive on time.

ANNA MASLANY

Drop dead!

G-Clef 2, 3; Choir 4; Camera Club 2, 3, 4; Commercial Club 4; Dance Committee 4; Volleyball 1, 2, 3, 4; Basketball 1, 2, 3.

Always seen in and out of school with Helen, Hunya is a very charming girl with a big smile for everyone. She is sometimes a little backward when it comes to talking. It is said Hunya's heart lies in Canada.

MILDRED MATWICZYK

No kidding!

G-Clef 2, 3; Choir 4; G. A. A. 2, 3, 4; Commercial Club 4, Dance Committee 4; Triple Trio 4; Student-Faculty 4; Hiking Committee Chairman 3.

Now Millie is a girl who is really musically inclined. Being a member of the Triple Trio proves that. She loves cracking gum and really does a good job of it. Her favorite pastime is skating, and she can usually be seen at Sports Haven.

PATRICIA MCCARTHY

Now, George.

Band 1, 2, 3, 4; Ensemble 1, 2, 3, 4; Swing Band 3, 4; Tri-Hi-Y 2, 3, 4, Dance Committee 3; Dance Band 4; G. A. A. 2, 3, 4; Senior Play.

Patti is a very popular senior band member. Her ability to follow things through has made her a successful band and ensemble member for four years. She is very quiet and is one of the few non-trouble makers in study hall. A genuine worry wart, Patti thinks she would like to be a nurse.

CHARLES McVICKER

Save your money!

Hi-Y 2, 3, 4; Varsity "C" 3, 4, President 4; National Honor Society 3, 4; Student-Faculty 4; Football 2, 3, 4, Letter 4; Basketball 2, 3, 4, Letter 3, 4; Class Vice-President 3; Dance Committee 2, 3; Senior Play; See Staff; Voyager Staff.

An active member of our class, Chuck goes in for sports in a big way and is one of our star basketball and football players. He can usually be found at the Canteen.

STEVE MISSONAK

What you say!

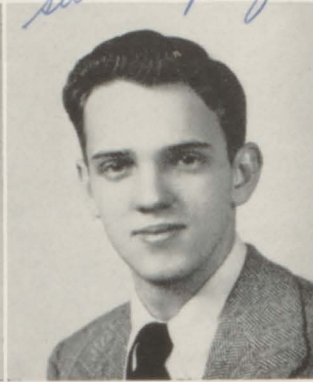

Glee Club 3; Choir 4; Varsity "C" 2, 3, 4, Treasurer 3; Football 1, 2, 3, 4, Letter 2, 3.

Butch is what he's called. Is he as bashful as he looks? By all means, no! He loves to play football and proved it when he played for Carnegie for four years as one of our most valuable players.

Look make 'em

Now quilted Patti

**MARY MONTELEONE****What's your name, Honey?**

Mont is forever talking and laughing. We don't know what she would do if she had to keep still just once. All in all, Mont is a pleasant gal and is usually found in the company of Gertrude Gertz.

DOLORES NOWAK**Let's not, and say we did.**

Dramateur Club 2, 3, 4, Dance Committees 2, 3, 4; G. A. A. 2, 3, 4; Senior Play Committees 3, 4, Chairman 4; Bowling 2, 3; Hiking 3.

Dee, often called Loretta, really takes her studies seriously—if only we had more like her! Her secret ambition is to become a teacher. She is always seen with Gertrude.

JOHN MORRIS**Shall I fill it up?**

Moe is the strong silent type. He spends his extra time working at a gasoline station. With his ambition, he'll probably become another Henry Ford. Chemistry must be his favorite subject since he seems to get along in it so well.

LORETTA NOWAK**Yeh? You wanna bet!**

G. A. A. 2, 3, 4; Commercial Club 4, Dance Committee 4.

Loretta is a very, very quiet student. She takes a great interest in her school work and really gets good results. She's admired by all for her co-operative spirit.

RUTH NENDZA

G-Clef 3, 4; G. A. A. 1, 2, 3, 4, Dance Committee 3; Volleyball 1, 2, 4; Basketball 1, 2, 3, 4; Dance Committees 2, 3; Voyager Staff 4.

If you ever go on a trip, Ruth is the one to take along. She loves to travel, especially to California. Everyone tries to get at least one dance with Ruth at the Canteen; she's noted for her graceful dancing. Since she has such ability at sewing, her ambition lies in dressmaking.

MARY MAY ODDI**Scotti!**

G-Clef 4; Volleyball 2; Dance Committee 3.

Mary May agrees that she has a weakness for gum and giggling, but you can't help liking her easy-going manner. She is small in stature and has dancing eyes that are everlastingly getting her into trouble.

ANNA MAE NETZEL**I'll twist your arm off**

G-Clef 2, 3; Choir 4; G. A. A. 2, 3, 4; Tri-Hi-Y 3, 4, Sports Committee 4; Volleyball 1, 2, 3, 4; Basketball 2, 3, 4; Dance Committee 4; G. A. A. Banquet 4.

Tall and attractive, Netz plans on being a secretary. Her beautiful clothes seem to have been especially designed for her, and when it comes to skating, she's a whiz. She doesn't believe in spending too much time on certain things, like studies, but she does well enough to get along.

WASYL OSTAFTE**Let's go.**

Wrestling 3.

Woss is another member of our class who is a little on the quiet side. He claims he has no desire for the weaker sex. Ha! A poll conducted in the high school would say he's a nice guy.

WILLIAM PACHEL

Is that right?

Bill is a big boy with an even bigger smile. He considers almost everything a joke. He doesn't like to be bothered by girls, but he isn't exactly blind. For all of that, Bill has his serious side, but even then he's grinning.

RAYMOND PUTULOWSKI

Drop dead!

Glee Club 4; Camera Club 4; Rifle Club 3, 4, Treasurer 3, President 4; Student-Faculty 4.

Tall, dark, and wavy-haired, Pooch is the image of every girl's Prince Charming. Although he doesn't participate very much in sports, Pooch was the capable treasurer of the Rifle Club in his junior year. He can be often seen driving around in the family car.

HOWARD RAABE

Ah! Go home!

Glee Club 2, 3; Choir 3, 4; Quartet 4; Band 1, 2, 3, 4; Swing Band 2, 3, 4; Ensemble 2, 3, 4; Camera Club 4; Varsity "C" 4; Baseball 3, 4, Letter 4; Dance Committee 3; Canteen 4; Senior Play.

Howard delights in getting into mischief. From the crown of his head to the soles of his feet he is all mirth—with a smile for everyone (one for every boy and two for every girl). Howard is happiest beating out a rhythm on the drum.

MICHAEL RATAJACK

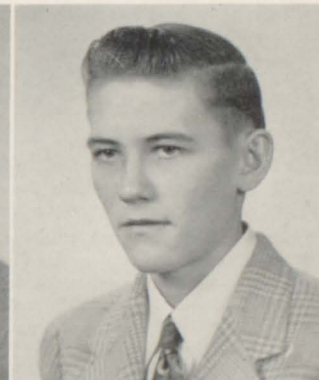

Drop dead.

Varsity "C" 4; Wrestling 1; Basketball 2, 3, Manager 4, Letter 4; Football 4.

Manos is one of our football players who really did his job well. He is one of the Casanovas of Room 5, but in spite of his devilishness he is popular not only with the boys, but with the girls, as well.

HARRY RINEHART

Shame on you.

Hi-Y 2, 3, 4; Varsity "C" 1, 2, 3, 4; Rifle Club 4, Vice-President 4; Football 2, 3, 4, Letter 3, 4; Wrestling 1, 2, 3, 4, Letter 1, 2, 3, 4; Baseball 4; Letter 4; Dance Committees 2, 3, 4.

Riney has always been a good athlete. Who can blame him for wanting to become a football or wrestling coach? He tells us he does a little weight-lifting on the side. Watch him, girls, he's powerful stuff.

DOROTHY SANDRUS

I'm gonna hit you!

G-Clef 2, 3; Choir 4; See Staff 1, 3, 4; Majorette 3, 4; Flag twirler 1, 2; G. A. A. 1, 2, 3, 4, Dance Committees 1, 2, 3; Dramateur Club 3, 4, Dance Committees 3, 4; Dance Committees 2, 3, 4; Basketball 1, 2, 3, 4; Volleyball 1, 2, 3, 4; Senior Play.

Dottie is a real cutie in C. H. S. She loves to dance and is very athletic, being on the volleyball and basketball teams. She and Dave make the perfect couple.

ROBERT SAWHILL

Glee Club 2; Choir 3, 4; Quartet 4; Band 1, 2, 3, 4; Ensemble 2, 3, 4; Quiz Band 4; Hi-Y 2, 3, 4, Secretary 3, Dance Committees 2, 3, 4; Dramateur Club 2, 3, 4, Member-at-Large 3, President 4, Dance Committees 2, 3, 4; National Honor Society 3, 4; Basketball 2, 3, 4, Letter 4; Football 4, Letter 4; Wrestling 1; Canteen Committee 1; Senior Play Committee Chairman 3; Senior Play; Dance Committees 2, 3, 4; Student-Faculty 3, 4.

Sox was one of our outstanding football and basketball players this year. He has also worked especially hard as president of the Drama Club. Sox likes to fool people with that shy grin, but we all know him better than that. Having both parents as teachers here has cramped his style considerably.

ALBERT SCHNEIDER

Man alive!

Carrick High School 1, 2, 3.

Albert is one of our new class members. He originally attended Carrick High School. We understand his favorite subject is bookkeeping. He is very fond of baseball, and his hobby is stamp collecting. We hope his senior year in C. H. S. has been a pleasant one.

Du Du can always be found with Ruth Thomson. She has a cheery smile and beautiful teeth. Du Du is fond of music and has been a member of the Triple Trio and Choir for two years.

CHARLES SCHUTTE

Where's Emily?

Choir 3, 4; National Honor Society 3, 4, President 4; Dramateur Club 2, 3; Voyager Staff 3, 4; Senior Play Committee 2; Dance Committee 2; Wrestling Manager 3.

One of our brilliant students, studios describes Chuck best. His name can always be found on the honor roll. This doesn't mean that it's all work and no play with Chuck, for he can usually be found riding around in his Buick with a girl, a special girl, to keep him company.

MARGARET SCOTTI

Mary May!

G-Clef 2, 3; Choir 4; Triple Trio 4; Camera Club 4; Basketball 1, 2, 3, 4; Volleyball 1, 2, 3, 4; Dance Committees 3, 4.

Just step into Room 5 the eighth period, and you'll find a lively black-haired girl talking and laughing with everybody. Scotti also has a wonderful skill in drawing, which she displays only now and then, maybe because she's modest or just needs a little more encouragement.

JOSEPH SEAMAN

It's time to go to bed!

Hi-Y 3, 4; Varsity "C" 2, 3, 4; Wrestling 1, 2, 3, Letter 2, 4.

Our cute and little senior is Joe. He's one of those people who don't say much about anything. He takes part in athletics, especially wrestling, and he really knows his place on the mat even though he is small. Quite a swell fellow!

DOLORES SENTNER

Here's your old Voyager!

G. A. A. 1, 2, 3, 4, Dance Committee 2, Skating Party 3, 4, Chairman 3; Dramateur Club 2, 3, 4, Dance Committee 2, 3; Voyager Staff 1, 2, 3, 4, Editor 4; Student Faculty 4; Basketball 1, 2, 3, 4; Volleyball 1, 2, 3, 4; Freshman Party Chairman; Dance Committees 2, 3, 4, Chairman 3, 4; Junior Skating Party; Senior Play Committee 2, 3, 4, Chairman 4; Magazine Campaign.

Dee is one of the most popular girls of C. H. S. She has personality plus and participates in all sports and activities. Her ambition to become a secretary will surely be fulfilled because of her efficiency in stenographic work. Dee is the hard-working editor of this book.

JOHN SIENICKI

You don't say!

Sam with the gleam in his eye always has an answer for everyone. Although these answers usually get him into trouble, he never gives up. He takes everything in a calm and care-free manner. Maybe that is the reason he gets along with everybody.

WILLIAM SLACK

Wise up!

Glee Club 2; Choir 3, 4; Band 1, 2; Ensemble 2; Quartet 4; Hi-Y 3, 4; Dramateur Club 3, 4; Rifle Club 3, 4, Dance Committee Chairman 4; Wrestling 1, 2; Dance Committee 4; Senior Play Committee 3; Senior Play.

Sluggo is the whiz of chemistry class. He always pulls a boner that keeps the class giggling. Sluggo's fondness for singing keeps him in many music groups. There must be something wrong with the girls from C. H. S., because Sluggo always goes out of town for his dates.

JEAN SMITH

Listen, Commando!

G. A. A. 2, 3, 4, Secretary 4, Dance Committee 2, 3, Skating Party 2, 3, 4; Dramateur Club 4; See Staff 3, 4, Voyager Staff 4; Majorette 3, 4; Freshman Party Chairman; Ring Committee 3; Band Dance Committee 4; Dance Committees 2, 3, 4; Senior Play 4.

"Jeanie with the Light Brown Hair" is the song that fits our Jeanie to a T. She was a highlight at the football games this year, leading the band and twirling a baton. A tiny girl, Jeanie was overjoyed to find a child's part in the senior play.

CHARLES SNYDER*You're punchy.*

Hi-Y 2, 3, 4; Varsity "C" 3, 4; National Honor Society 4; Student-Faculty 4; Football 4, Letter 4; Baseball 3, 4, Letter 3, 4; Senior Play.

Chuck has every nickname from Skippy to just Snyder. We always see him whizzing around in his Ford convertible. With his driving, we'll have to change those names to Cowboy. You'd never guess he's the youngest one in the class. His height of six-feet-two fools us.

THOMAS SPERRING*Never put off until tomorrow what you can do today.*

Band 1, 2, 3, 4; Ensemble 2, 3, 4; Swing Band 3, 4; Glee Club 3; Choir 4; Quartette 4.

Tom is not only a studious lad, but he's very much talented in music. Although he has a quiet and retiring manner, he is our choice as one of the seniors most likely to succeed.

JOHN STASIK*That's what I said!*

Band 1, 2, 3, 4; Hi-Y 2, 3, 4; Rifle Club 3, 4; Class Vice-President 1; Senior Play.

Yush is one of the shortest boys in his class, but he is still dark and handsome. He has an amiable disposition, and it is very easy to make friends with him. He likes to dance, so he is seen at the Canteen quite frequently.

ALICE TETEREFF*Wait! In half a minute!*

G. A. A. 2, 3, 4, Treasurer 4, Skating Party 3, 4, Banquet Chairman 4; Camera Club 2, 3, 4, Dance Committee 2; Junior Skating Party Chairman 3; Ring Committee 3; Dance Committees 2, 3, 4, Chairman 2; Bowling 2, 3; Hiking 1, 2, 3; Voyager Staff 4; Student-Faculty 4; Class Treasurer 3; Magazine Campaign; Senior Play.

Blond and attractive, Alice is a favorite with her fellow students because of her charming personality and friendliness toward everyone. She loves clothes and looks well groomed in everything she wears. Alice can be found any time at Means' with the rest of the gang.

RUTH THOMSON*I have to see Ron.*

G-Clef 2; Triple Trio 3, 4; Choir 3, 4; G. A. A. 2, 3, 4; Banquet 4; Dramateur Club 2, 3, 4; Dance Committees 3, 4; Senior Play Committees 2, 3, Prompter 4; See Staff 4.

Ruthie should be called Dreamy Eyes because of that far-away look she generally has. She is always ready to have a good time, and she also enjoys corny jokes.

RALPH TODINO*What's wrong with you now?*

Swing Band 1, 2, 3, 4; Ensemble 1, 2, 3, 4; Band 1, 2, 3, 4; Varsity "C" 3, 4; Football 3, 4, Letter 4; Basketball 3, 4, Letter 3, 4; Senior Play.

Toad has narrowed his school activities mainly to football and basketball, in which he excels. He also devotes some of his energy to the band. Toad is a little shy, but he still gets around. He loafs with the kids from the basketball and football teams.

FRED TONEY

Varsity "C" 2, 3, 4; Dramateur Club 4; Football 4, Letter 4; Basketball 2, 3, 4, Letter 2, 3, 4; Class Vice-President 4; Senior Play Committee 4.

That smile of Fred's is one for the books. It is one of his characteristics that wins him so many admirers. He is another football and basketball hero. In spite of his sports activities, he finds time to carry on the job of vice-president of our class.

ITALO TROMBETTA *That's all she wrote and signed her name.*

Glee Club 3; Choir 4; Rifle Club 3, 4; Varsity "C" 3, 4; Football 2, 3, 4, Letter 3, 4; Wrestling 2, 3, 4, Letter 3, 4; Baseball 4; Senior Play.

Italo is one of our husky wrestlers, and he is also quite partial to football. He is usually found with Maurice in his convertible. His pride and joy is a cute blonde from St. Luke's.

G. A. A. 2, 3, 4; Commercial Club 4; Dance Committees 2, 3, 4; Bowling 2, 3.

A sophisticated miss whom you just have to know to understand. Her pet peeve is untidy people. She likes ballerina skirts with taffeta ruffles rustling beneath the hem.

MARGARET UNGER

Ready, Marilyn?

Band 1, 2, 3, 4; Ensemble 2, 3, 4; Swing Band 3; G. A. A. 2, 3, 4; Tri-Hi-Y 4; Volleyball 2, 3, 4; Basketball 2, 3, 4; Dance Band Committee 4.

Peg is an active person when it comes to gym class. Just watch her play volleyball, and you're sure to agree. A good natured person, she makes friends with everyone she meets.

RALPH WALKER

Wiff a wind.

Football 4; Dormont 1, 2, 3.

Speed has come to us as a senior from Dormont High. He has made quite a hit with the kids of C. H. S. Although he has not had a chance to participate in many sports except football, he did a good job with his limited opportunities.

MAURICE WALTERS

What's up, Doc?

Glee Club 3, 4; Rifle Club 3, 4; Football 1, 2, 3, 4; Letter 4.

Junior takes great pride in his convertible. He's always willing to load the kids in and take them where they want to go. He's a husky fellow and seems to enjoy athletics, especially football.

JOAN WALTON

Are you kidding?

Band 1, 2, 3, 4; Ensemble 1, 2, 3, 4; Swing Band 3, 4; Commercial Club 3, 4, Vice-President 4, Dance Committees 3, 4; Band Dance Committee 4; Dance Committee 4.

Hon can scarcely be heard above the crowd, but with all her quietness she has many friends. She is one of the active members of the band. Always searching for knowledge, she has become the answer to a teacher's prayer.

HELEN WENGRYN

Hi, George.

G-Clef 2, 3; Choir 4; National Honor Society 3, 4, Vice-President 4; Volleyball 1, 2, 3; Basketball 2, 3.

Quiet and amiable, Helen is a lady both in class and out. She shows a great deal of interest in all of her classes and has been a member of the National Honor Society both as a junior and senior. She devotes her extra time to working at Bard's.

ELVA WOLSTONCROFT

Eppie is a jack-of-all-trades and master of them, too. She is very fond of music and sports. Since she is from Rennerdale, she has many friends from out of town as well as from Carnegie. Eppie is always working hard for the Tri-Hi-Y, of which she is president.

VIRLEY MAY WOODING

Aren't we devils?

G-Clef 2; Double Mixed Quartet 3; Choir 3, 4; Commercial Club 4, Dance Committee 4.

Virley's excellent voice makes her an outstanding member of the choir. She has been in music groups since her sophomore year. Yellow is very becoming to her. She has a quiet poised manner.

ROBERT WYLIE**Well, thanks, sporty!**

Choir 2, 3, 4; Quartet 4; Band 1, 2, 3; Dramateur Club 2, 3, 4, Dance Committee Chairman 3; Hi-Y Club 2, 3, 4, Dance Committee 3; Rifle Club 4; Basketball 3; Voyager Staff 4; Senior Play.

Don't be afraid of having a dull party if Beets is invited. He always has a joke or a poem of his own composition to tell you. How could good old Carnegie High be complete without Beets and his wit?

ROSE MARIE YACCINO**You know!**

G. A. A. 2, 3, 4, Skating Party Committee 3; See Staff 4; Voyager Staff 4; Class Treasurer 4; Dance Committee Chairman 4; Dance Committee 3; Bowling 2, 3; Hiking 1, 2, 3; Magazine Campaign.

We all know Rosie by her mane of dark curly hair. She likes to dance and looks forward to the Canteen each week. If there is a job to be done, Rosie is always willing to help if she can. Her cheerful manner never deserts her.

CHESTER YAROS**Drop dead!**

Sidelights on History and Economics

Two causes of World War I were the hot spots of Europe and the sore spots. The progress of Russia was delayed because she was under mongrel rule for over three hundred years. The French Revolution was caused by the nobles treating the artesians and pheasants very mean and taking all their money off them. Government can requisition if you are a nuisance or a public conveyance. Communism is a person being against something or not liking the idea of how the government is being run. Communism is when a group of people think the government should own everything and the only way to bring it about is by having revelations. Open shop—That's when the workers don't have to go to work but the doors of their shops are opened.

Magazine Campaign

Early in the school year, you may have seen the seniors rushing around asking everyone the same question: "Will you buy a magazine subscription, please?" The seniors, after a long struggle, succeeded in reaching their goal under the management of Irene Dombroski and Chester Yaros. The captain of the Orange Team was Martha Austin, and the captain of the Black Team was Johanne Homa. The Black Team won over the Orange team by a very small margin.

The total receipts were \$516.84. High salesman was Thomas Yoder, and next highest salesman was Pat Bock. Those who sold more than twenty dollars worth of subscriptions had the privilege of having their picture taken.

The staff of the '48 VOYAGER has tried to give the students what they want to see in a yearbook. In this issue something new has been added. We now have what is known as the Snapshot Committee. This committee takes pictures of the people at school, and if you look hard enough, you may find yourself on one of these pictures.

There is a lot of work to do in putting out a successful yearbook. Before anything is done, the editor makes a dummy which contains her plan for the yearbook. We have to decide what pictures are to be taken, and when and where each picture is to be taken. All students are then notified to come prepared to smile pretty. When Mr. Rosser does come, there is a lot of confusion in the halls getting everyone together who is to be in the picture.

Then, Mr. Rosser sends us the pictures to be measured and cut to send to the engraver. This is the work the picture editor has to do. He has a hard time keeping the students from seeing the pictures. Everyone of the pictures has to be identified (we must be certain that no one is left out), and there are write-ups to be written on each club and activity. These are written several times before they are done correctly.

Before the copy is sent to the printer and engraver, it is double-checked. When it comes back as a rough sketch of what it will be, it is checked again for errors that might have slipped by the last time. It is then sent to the printer with all corrections made.

Finally, we get the copies of the 1948 VOYAGER to be distributed to you. We hope you like what's in it, because it really took a lot of hard work to put this book out. No complaint, though. We had our good times as well as our bad ones during the year.

The Camera Club

The Camera Club has made much progress this year. At each meeting Mr. Burkett, who is the sponsor, explained another step in the taking of good pictures, ways of developing and printing them, and the parts of the camera. The group found these talks very interesting and learned much from them. This year the membership of the club consisted of thirty-five students from the sophomore, junior, and senior classes. One of the chief questions asked while grading new members is whether or not they will make **good** members of the club. Mr. Burkett worked out a plan which made it unnecessary for the group to pay for any developing equipment except the films used in the taking of the pictures. They found it unnecessary to hold a dance in order to raise money for their equipment. Other than their dues they had to pay no other fees to the club. This year the members of this organization feel as though they have really learned something about cameras, and everyone of them enjoyed being a member. Who knows? Perhaps someday we may have a few top-notch photographers who can say they were members of Carnegie High School's Camera Club.

Band

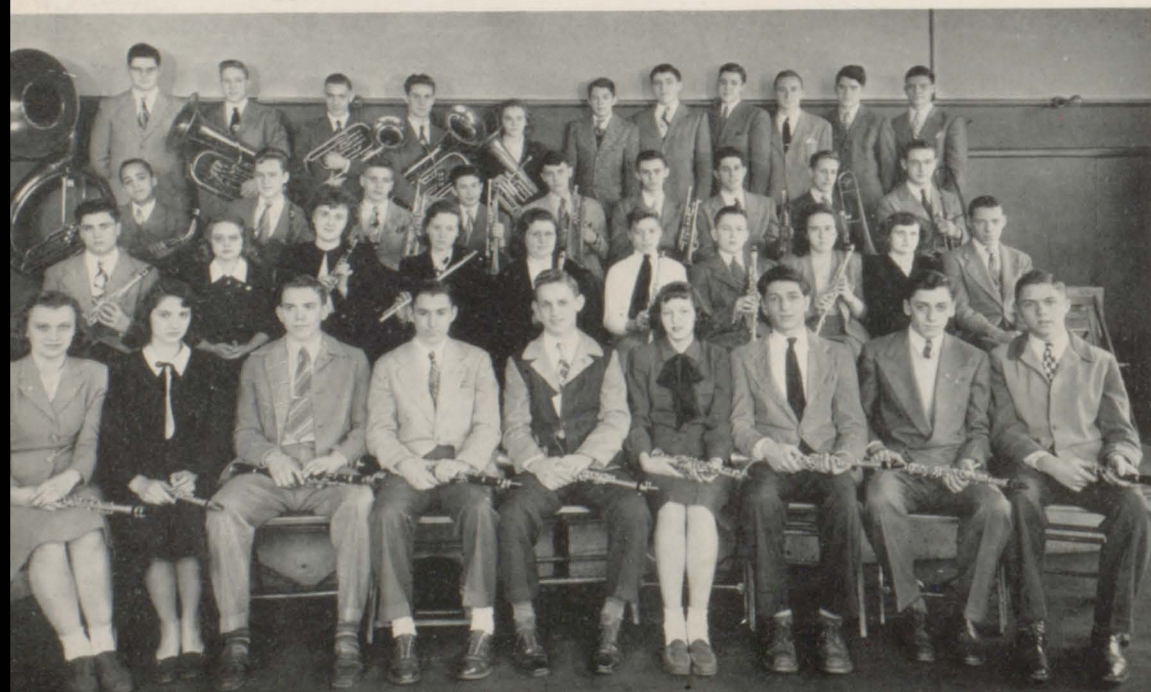

To add pomp and color to school affairs and local celebrations, Mr. Cameron is often called upon to direct the C. H. S. Band. Our large musical organization plays at football games and holiday parades.

swing band provided the music, and a quiz show supplied enjoyment for all.

The Band Concert was presented on April 9 with Charles McVicker as Master of Ceremonies. Our capable student director, Thomas Sperring, displayed his skill in directing two marches.

After commencement, the band disbands until the next school term.

Singing Groups

G-CLEF: This group is composed of sixty girls selected from the sophomore, junior, and senior classes. The G-Clef meets on Tuesdays and Thursdays, under the direction of Miss Snodgrass, who has created much interest this year among the girls because they have been permitted to select some of the numbers. Virginia Hamilton is the accompanist for our Tuesday and Thursday classes. This large group, dressed in white, is one of the outstanding ensembles of the Spring Concert. They usually present three songs.

TRIPLE TRIO: The Triple Trio consists of nine junior and senior girls who are really on the beam when it comes to singing. The girls sing in groups of three's. Gertrude Gertz, Joan Worgan, and Margaret Scotti hit those (hold your ears) high notes. Virginia Haudenshield, Alice

Ormston, and Ruth Thomson come down to our level and sing second soprano. Eleanor Patross, Grace Schulte, and Mildred Matwiczuk sing way down low. These girls are always called upon to entertain the various clubs of Carnegie. So if it's music you want, our Triple Trio is the one that can do it.

A CAPPELLA CHOIR: The A Cappella Choir is the most impressive of our singing groups. It meets Mondays and Wednesdays. This group is a chorus of mixed voices, and, as the name suggests, they sing without accompaniment. They specialize in two-, three-, and four-part harmony. The work is instructive as well as entertaining, and the songs seem to be enjoyed by those who participate as well as by those who listen. Like the other music groups, their big night comes at last in the Spring Concert.

Triple Trio

Sitting: Haudenshield, Patross, Scotti, Matwiczky
Standing: Schulte, Ormston, Worgan, Gertz, Thomson

Choir

First Row: Ilyankoff, Matwiczky, Maslany, Cascioto, Comfort, Hoover, Davis, Wooding, Chapman
Second Row: Scotti, Wengryn, Roblesky, Okrutny, Missonak, Fontana, Wolstoncroft, Austin, Double, V. Haudenshield

Fourth Row: Trombetta, Thomson, Schulte, B. Haudenshield, Ormston, Worgan, Sandrus, Bock, Yaros, Patterson
Fifth Row: Sawhill, Raabe, Beadling, Slack, Wylie, Hall, Sperring, Yoder, Schutte

Double Quartet

Our Double Quartet of former years seems to have abandoned the weaker sex to form a real barber shop quartet of four senior boys. Fred Hall and Bob Wylie take the tenor parts; Bob Sawhill, the baritone; and Tom Sperring really gets down to those low bass notes. Like the Triple Trio, the Quartet accepts invitations from different clubs of the town for performances, and they, too, look forward, as the other music groups of the school, to the concert in the spring.

(Editor's note: Due to circumstances beyond our control the Double Quartet seen in the picture at the left suddenly shrank, after we had committed ourselves to a group of eight, to a single quartet. Where the other four evaporated to, or how, or why, we do not know—but we have our suspicions.)

Front: Hoyson, Yoder, Slack
Rear: Sperring, Patterson, Hall, Wylie, Raabe

Glee Club

The Glee Club is a male chorus composed of sophomore, junior, and senior boys who get together twice a week to sing the rousing tunes that are the choice of this particular group. As with all other musical classes, Miss Snodgrass is the director, with Martha Austin as accompanist. They usually contribute three selections to the Spring Concert and are always a hit.

First Row: Gournic, Byron, Zions, Slack, Knepper, Salvatore, Stys
Second Row: Ciptak, Fisher, Boehmer, Putulowski, Walters, Langer
Third Row: McMurray, Moore, Galla, Zanfino, Oliver, Lewis

Commercial Club

At the beginning of the school year the Commercial Club had exactly three members. In the entire senior class there were only nine commercial students who were eligible for membership. The only way to enlarge the membership was to alter the constitution. Instead of admitting the juniors the second semester, it was provided that they be taken into the club in September. The sophomores, who never before were eligible for admission, are now taken in the second semester if they have an average of at least 85. As a result of these changes this year's membership is one of the largest the club has had in the past few years.

The plans for the year included a Christmas party, Valentine dance, movies about business, sight-seeing tours, talks by successful business men and former members, and a demonstration of office machines.

Hi-Y

The Hi-Y this year has once again successfully extended throughout school and community high standards of Christian character.

Under the leadership of Mr. Sawhill the Hi-Y sent delegates to the Officers' Training Camp in September and donated the proceeds of their annual dance, the Masquerade Ball, to the World Youth Fund.

The Canteen, of which the Hi-Y is one of the parent organizations, experienced a good year with the purchase of a new juke box, and it looks like this organization, which is one of the most popular, will continue to grow for many years.

The new members were highly impressed by their formal inductions, and all members look forward to the banquet at the end of the year.

Tri-Hi-Y

The Tri-Hi-Y, a sister organization to the Hi-Y, is also sponsored by the Young Men's Christian Association. Membership is limited to forty girls, twenty-three of whom were admitted into the Club this year. Applicants for membership are chosen by the group for their high moral character.

The Tri-Hi-Y was presented its charter at the Convocation service in the Trinity Cathedral on November 19, 1945. The formal induction service held at the Methodist Church was a get-together for the Hi-Y's of Carnegie and Scott Township and the Tri-Hi-Y of Robinson.

The main social event of the year was the annual May Day Dance with its crowning of the May Queen on May 7, to which the entire student body was invited.

Under the leadership of its sponsor, Mrs. Sawhill, and its popular president, Elva Wolstoncroft, the Tri-Hi-Y has maintained its fine reputation not only as an instrument for spreading good-will throughout the school and community, but also as an organization to entertain and amuse its members. The Tri-Hi-Y Club is preparing young girls of today to become better citizens of tomorrow.

National Honor Society

The primary goals of this organization are to create the incentive to improve and develop scholarship and to endeavor to place secondary education on a higher level. The society defines and sets standards for the ideal high school student. Its members consist of students in the upper five per cent of the junior class and the upper fifteen per cent of the senior class, all of whom are recommended by the faculty. The class rank, rather than the marks, of the students determines their eligibility. These students are rated on character, scholarship, leadership, and service, and are truly a selected honor group. The national scope of the organization gives it significance and prestige.

The activities of the National Honor Society consist of a tea given to the eighth grade honor students and a reception held for the friends and parents of the new members at the time of their induction. This year Charles Schutte and Charles Snyder were chosen to take the National Honor Society Scholarship Examination.

Dramateur Club

OFFICERS

President	Robert Sawhill
Vice-President	Virginia Haudenshield
Secretary	Arlene Bogdon
Treasurer	Patricia Daugherty

For eight years the Dramateur Club has been an active organization in school affairs. It consists of fifty members who are talented in acting ability as well as in learning other important duties which are essential to producing a successful play.

The club is under the supervision of Miss Brandon, who is always anxious to have the club sponsor a new idea. This year, one of her plans was well worked out in a minstrel show put on by the club in January. On December

12, the Dramateur Club's annual dance took place. It was a Christmas Dance called the Christmas Tree Spree. At this event, the club planned a new program in which a choir of sixteen sang Christmas carols by candle light. All of the members worked especially hard on committees when the senior play took place.

It is a worth while decision when one joins this group. The Dramateur Club is an entertaining as well as an educational organization to which to belong.

The Senior Play

The evening of March 12 is one of great excitement; it is the night of the Senior Play. At six-thirty the cast is already there, being made up, running over lines, and in general creating a lot of confusion. The time is running out; the ushers are at their stations with the programs ready in hand; and the seats for the parents are reserved. Mr. Lee looks at his watch, the time is at hand, the doors are opened. There's a mad scramble for seats immediately; and if you aren't there early, you just don't get a choice seat. While the people are being seated, the band plays a few selections and then, the **Star-Spangled Banner**. The house lights dim, and soon we are carried away by the magic of the play. Ginny, expertly portrayed by Clara Jean Hayes, and Franny, equally well done by Pat Daugherty, are two brains who never get dated. Beef, played by Peanuts Cross, thinks Ginny is dumb in history (she's a graduate of the Quiz Kid program), so he takes it upon himself to coach her. Professor Barton (Bob Sawhill) is always having private sessions with Beef and Foggy (Bob Wylie) over their grades. Foggy has been dating Franny Barton in order to be sure of graduating but has also been paying attention to that pretty

maquette, Dot Sandrus. Ginny's sister, Leslie (hilariously portrayed by Jeanne Smith), is out to get herself a place in the band as bass drum player and gets Molly Woods (Sara Fontana) to get her father's drum. Ginny and Franny nearly poison the football team with ipecac, but in the last act everything turns out happily.

Everyone who saw "Beauty and the Beef" will always remember this comedy. Orchids to Miss Brandon (a super-duper director whom we'll miss very much next year), to Miss Hepler (the critic who helped smooth out the wrinkles), and to Ginge Haudenshield (the student director who gave her time).

In order to raise money, the Varsity "C" sponsors a skating party at Sports Haven every year. The boys who are in this club really strive to make their organization a success. Under the leadership of Mr. Stockum, the Varsity "C" is a highly respected and a very popular club.

The Cheerleaders

Are you ready? Let's go! Yes, when you hear that, you start yelling. This year, by a strange coincidence, there were no rainy days, so we are glad to say that the cheerleaders didn't get wet. Something new was added this year, too. The cheerleaders got a sponsor for the first time. Miss Mitchell, the athletic director, was chosen; but the girls don't seem to mind because she is very lenient with them. Virginia Haudenshield, a senior, was head cheerleader this year, and Clara Jean Hayes and Pat Daugherty were the other two seniors. The juniors were: Louise Falcioni, Arlene Bogden, Marcella Baux, and Barbara Uram.

These young ladies are out there to give the team moral support, and they do a good job of it, too.

Football Squad

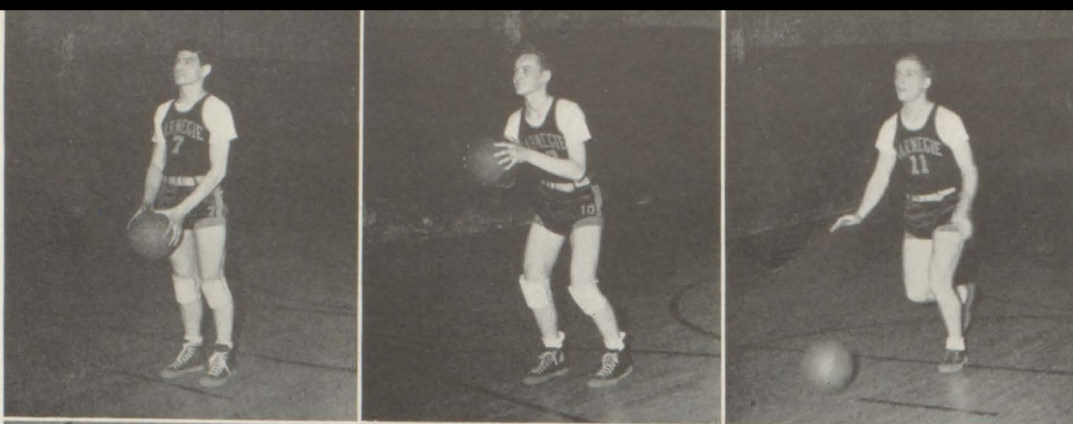

The Little Tartans began their season under the floodlights of the Bridgeville field. The only score came in the first quarter of the game, made by the opponents' quarterback. Carnegie had the ball on Bridgeville's one yard stripe when the half ended. In the last half neither team could score. The following game with Robinson proved successful for Carnegie, as they downed their opponents with a 12-0 victory. At the MacDonald game an accident occurred in the third quarter when a portable floodlight was knocked over by a tackle made by a Carnegie player. The only serious injury came to a player on the MacDonald bench. The next four games were losses for Carnegie. Stowe defeated the Little Tartans 6-0, and a heart-breaker was lost to Canonsburg as they scored in the last seconds of the game. It ended 6-0. Crafton snowed Carnegie under by a 39-0 victory. That was bad enough, but the Dormont eleven swept us by a 41-0 victory. The Moon Township game came as a victory for Carnegie as the Little Tartans downed them with a 12-6 win. The annual Carnegie-Scott encounter was chalked up as another victory for Scott against Carnegie. It ended 27-6.

Junior High Basketball

For the second straight year Carnegie has been represented by a Junior W. P. I. A. L. basketball team, under Coach Stockum. Although they did not capture the sectional title as they did last year, the Junior team had an overall record of four wins against five losses.

Ray Keisling, the only holdover and captain, was high scorer, followed by Jack Kessler. A few of the last important games were lost in the final minutes because of the lack of height and capable replacements.

Wrestling

The wrestlers started their training in December under the coaching of Mr. Sawhill. After several hard weeks of training, the first match was upon them.

The Little Tartans set a good example for the future teams. They won 8 matches out of 10. The two losses were to Chartiers.

In the first meet the wrestlers downed Dormont by 12 to 8. The second match they lost to Chartiers 10 to 6. This defeat made them more eager, and they came back to beat Shaler by 16 to 4 and Dormont by 11 to 9. Chartiers then again defeated Mr. Sawhill's matmen by 9 to 6. After this match, our boys went on to beat North Fayette by 20 to 1, Shaler by 14 to 3, West View by 11 to 5, North Fayette by 17 to 4, and Trinity by 10 to 7.

With this record, we look to a more successful season next year.

Rifle Club

Youngest of all clubs in Carnegie High School is the Rifle Club, which is under the leadership of Mr. Robb. The membership of the club is limited to thirty, fourteen of which were admitted into the club this year. To acquire skill in the use of rifles is the whole purpose of the club. It is a member of the W. P. I. A. L. and plans to compete with other schools in rifle matches. Because of its affiliation with the National Rifle Association it received a certain amount of guns, shells, and targets from the Association in Washington, D. C., based on its membership. The club plans to use the school gym as its practice

range. The main social event of the year was the Hotshot Hop, held on October 27, to which the entire student body was invited. The club has had a very successful year.

The Girls' Athletic Association is a successful all-girl organization. The club's name explains itself. To be eligible for membership, you must first be a girl; second, you must be athletically inclined; third, you must be sociable and well liked. Applications for membership are given to the officers and the sponsor to approve or eliminate. Freshmen may join the club, but they must be on the volleyball or basketball team. They may also bowl or hike. After the carefully selected applications have been approved, they are then presented to the old members to vote upon. The membership is limited to eighty, a

new rule which has just been added this past year. All in all, the G. A. A. is a wonderful organization which any girl may be proud to belong to.

On February 26, the girls held a mother-daughter banquet at the Methodist Church. After the supper there was group singing, Mrs. Sawhill gave a talk about Africa, and Miss Snodgrass sang several songs. Miss Mitchell, the sponsor, took charge of the entire affair and was glad to find that everything turned out all right even though it didn't have such a bright beginning.

Who's Who

Log

Autographs

The Log Book of Voyager 1947-1948

SEPTEMBER

2. We started on the last lap of our high school life. Mr. Logan joined the ranks of our faculty as a math teacher. 9. The Magazine Campaign gets on its way with a visit from the two company representatives. 11. We elected our senior class officers. 12. The football season began with a night game at Bridgeville, which we lost, 6 to 0. 13. We attended the first Canteen of the new term. 17. Stoney Haven opened under new management. 19. Our team met Robinson in a game which was our first victory, 13 to 0. In the evening the Canteen entertained with a corn and weiner roast at Carnegie Park. 25. Mr. Rosser immortalized us by putting our images on film. Then we journeyed to McDonald to win a night game by 12 to 0. All in all, September proved to be the beginning of a very hectic year.

OCTOBER

3. The first dance of the year was held by the Rifle Club and was attended by boys and girls in blue jeans. The dance was a huge success. 4. Our football team is defeated by Stowe and again on the tenth by Canonsburg. 17. In an away game with Crafton we faced a defeat of 39 to 0. We then donned our masks and went to the Hi-Y's Hallowe'en Dance. 24. Dormont won a decisive victory of 41 to 0 over us in a home game. 27. This Monday evening found the members of C. H. S. at Sports Haven skating, while the Canteen footed the bill. 31. We ended our second month in school with a football victory over Moon Township of 12 to 6.

NOVEMBER

3. Whew! The Magazine Campaign's over! 7. In a rainy night game at Scott, the last of the football season, our opponents took the victory at 27 to 6. 10. We relaxed and skated away our troubles at the G. A. A.'s Skating Party. 11. No comment—no school. 14. The lucky ones among us danced amidst spinning pinwheels at the Senior Dance. 27. The end of the month found us in a willing spirit for our Thanksgiving Vacation.

DECEMBER

2. We embarked for South Fayette to witness the opening of the basketball season. The score was 55 to 29, our favor. 3. The Hi-Y and Tri-Hi-Y clubs had a joint party. More fun! 4. We balanced the scales by beating Bridgeville in basketball by a score of 33 to 30. 8. Same old story—we beat McDonald 41 to 31. 9. Our lettermen banqueted with the Rotary Club. 11. Robinson had to admit defeat as our score rose to 35 over their score of 24 points. 12. We celebrated our victory by going to the Dramateur Club Dance, where Santa gave tiny red stockings and candy canes to the girls as favors. Later the club's choir sang carols by candlelight. 16. Bridgeville retaliates and tips the scales in her favor by winning the basketball game by a score of 42 to 40. 19. Much brawn and speed were displayed in the game with Scott, but we were brawnier and speedier, as shown by the score—42 to 41. It was a tough fight, but we made it. 24. We retired to our homes to await the coming of Santa and 1948.

The Log Book of Voyager 1947-1948

JANUARY

5. After a boring (?) vacation, we happily (?) came back to the old grind. 6. In a close game with McKees Rocks, our team met defeat by a score of 34 to 32. 9. Wrestling season gets under way with a victory over Dormont with a score of 12 to 8. Meanwhile, the Band surprised us at their dance with wonderful music, program, and prizes. A nice time was had by all. 13. Canonsburg triumphed over us to the tune of 38 to 21. 16. We had another close game at Burgettstown, but luck was against us—lost 28-26. The ill wind blew our wrestlers down in defeat also in a match with Chartiers. The score, 10 to 6. 20. Our boys slaughtered Stowe's team as shown by the score 61 to 49. 23. The muscle-men showed Shaler what they were made of by taking them at 16 to 4. But Coraopolis on their home soil beat us in basketball by 30 to 22. 22-27. Mid-term exams. 27. The game of games—Crafton, but the best team won—us, by just 37 to 35. 30. Scott puts us to shame by dropping 49 points in the basket to our 36. So ended the first busy month in 1948.

FEBRUARY

2. The play cast was announced; there were a lot of happy faces that day. 3. Again our wrestlers triumphed, this time over Dormont. The basketball score with McKees Rocks was in our favor. 6. While our wrestlers were having a tough time at Chartiers, the Commercial Club Dance was coming off in a big way. The Valentine King and Queen, Ray Putulowski and Jo Ann Bevilacqua, were being crowned, and everyone was trying to match his broken heart with someone else's. 24. Our last basketball game was quite exciting. After three of Crafton's first string retired to the bench, we pulled through by a bare 41 points over 40. 26. The G. A. A. Mother-Daughter Banquet was held in the Methodist Church. A gay time!

MARCH

1. Miss Brandon treated the entire cast at

Bigam's. Some party! 2. The last display of muscle by our wrestlers came off at Washington. Score 15 to 4 in their favor. 5. The juniors held a skating party which had two cake walks. The juniors made a wonderful profit, enough to sponsor the Prom. The same Friday and the following day, the wrestlers jaunted down to Washington for the tournaments. Joe Seaman came back with a medal! 18-12. Rehearsal at the Library for the cast. Brrr! 12. **Beauty and the Beef** proved to be a very successful play. Afterwards the cast and their guests had a private party at Stoney Haven. 26. Spring arrived and with it came the Easter bonnet. Everybody got all sharpened up and went to church on the 28th.

APRIL

2. The seniors held the last skating party of the year with 36 cakes, donated by the senior girls. 9. We went up to the Library, where we listened to the beautiful music of the Band and also to the special features. 16. The day of all days, the Junior Prom. The girls sported flowers and formals, and the boys sported girls. 23. The Spring Concert was wonderful: the voices, the music, and the boys and girls who took part.

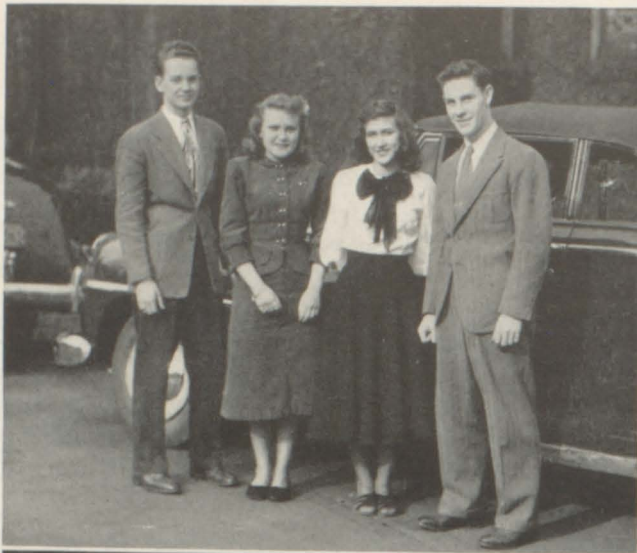

MAY

7. The Tri-Hi-Y May Queen Dance is always a thrilling event of the year. The program was enjoyed by all. 14. Grade school operetta. 19. Make way, Kennywood, here we come. Naturally it was the school picnic, and everyone who didn't get sick, survived. 28. The sophomores held their dance, the last of the season. 30. The annual sermon was held at the Methodist Church with the Reverend Mr. Stuart leading a very impressive service.

2. Commencement, the end of our high school life, the beginning of our future. Well, C. H. S., it was nice knowing you.

The Snapshot Committee

Click! Snap! Smile! Say cheese! Hooold it! That's swell. Perhaps you are all familiar with these sounds and phrases but if you aren't, we'd like to inform you that they could be heard at different times during the year, weather permitting, when the Snapshot Committee was on the job. Maybe one of the boys or girls on this committee asked you to pose. If so, we hope you co-operated. This committee was organized as a means of procuring snapshots for use in the Forty-eight VOYAGER and, as you can see in glancing through this volume, they've done a pretty good job. This committee is not considered a part of the staff, but it directly attached to it. Special credit can be given to Theresa Reale, acting as head of this group.

A Few Words About The Freshmen

Well, we finally have reached the doors of Carnegie High School. It took us a long eight years, but we made it. We had some trouble the first few days keeping our schedules straight, getting to classes on time, and following the one-way signs; but with the help of the upper-classmen we soon learned our way around the school.

Study hall was a bit strange the first few days; by a few it was considered a torture chamber because of the watchful eyes of the teachers and the frightening smirks of the upper-classmen, but later we got brave enough to sharpen our pencils and ask permission to talk to someone.

Several of our freshman boys made a name for themselves in the different sports. The class was represented on the football squad by Ray Keisling and Ronald Pantuso. John Chidlow, John Daleth, Ray Keisling, Jack Kessler, Bill Manby, James Manant, Ronald Pantuso, Lawrence Saunders, and Leon Stawiarski were active members of the junior high basketball team. The three freshman wrestlers were John Kurosky, Ed Ratajack, and Anthony Tavoletti. We are proud of these future C. H. S. athletes.

Not only are our boys athletically inclined, but many of our girls were capable of meeting the requirements for entrance into the G. A. A. These girls were Jane Gibbs, Carolyn Hall, Margaret Hiles, Alice Ostaffy, Margaret Petrozelli, and Audrey Steffenauer.

Janet Reel, Sandra Perlman, Bill Lee, and Harry Makar are only a few freshmen whose names have appeared on the honor roll. In addition to this, we have had five members on the See Staff: Earl Bibey, Carolyn Hall, Alice Ostaffy, Robert Neal, and Audrey Steffenauer.

The Canteen was a new thrill that all of us enjoyed very much, as well as the skating parties and dances which the various clubs sponsored.

We are looking forward to next year when we can join the music groups and clubs which we were denied this year. Our big worry next year is the initiations held by the different clubs. We really don't believe all we've heard, for surely it couldn't be as bad as they say.
