Dedication

In appreciation for the co-operative and friendly manner in which he has encouraged and helped us to prepare ourselves for the future, we dedicate this VOYAGER to Mr. Logan.

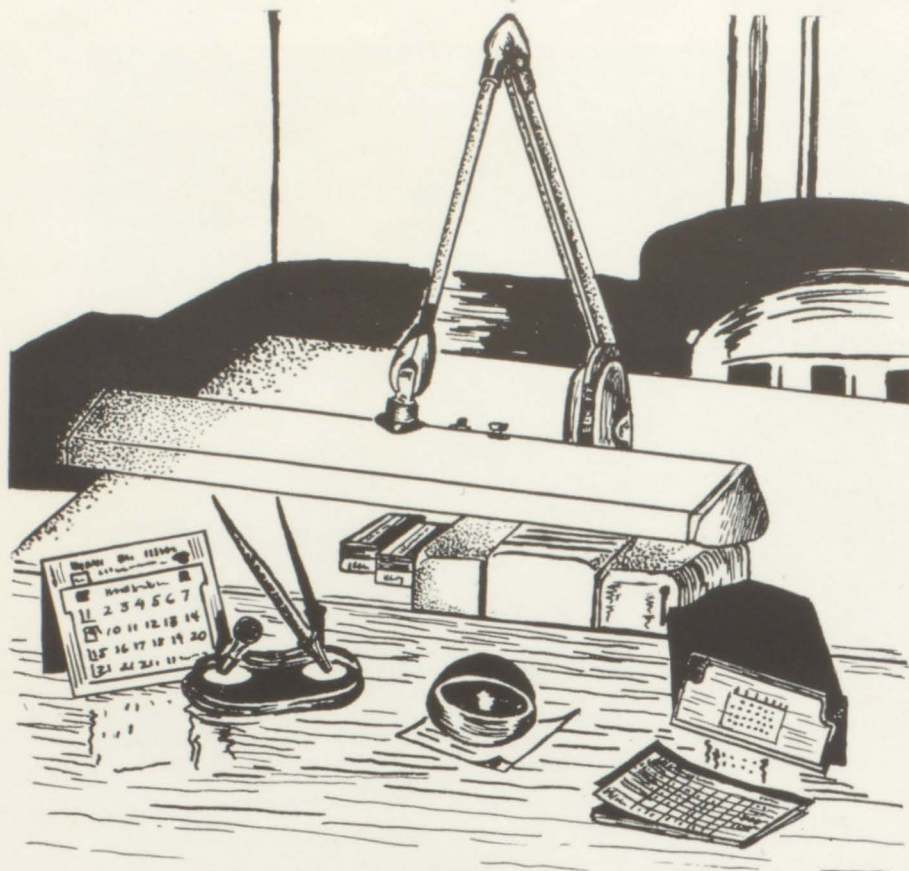

Besides teaching mathematics, which he enjoys very much, Mr. Logan has many outside interests, among which are traveling, taking colored movies, boating, and water skiing. In his travels he has seen Canada, Mexico, Alaska, and all the forty-eight states.

Mr. Logan has received a Bachelor of Arts degree from Clarion State Teachers College and a Master of Education degree from the University of Pittsburgh. He has also attended the Universities of Colorado and Michigan.

Previous to his arrival here in the spring of 1947, Mr. Logan was principal of Highland Township Consolidated School, Clarion County. He has been, at different times, mathematics teacher at Union High School, Rimersburg, Pennsylvania; principal of Braun School in Shaler Township; mathematics teacher at Shaler Township High School; and supervising principal of Stoneboro School System in Stoneboro, Pennsylvania.

Mr. Kenneth L. Logan

SYMBOLIZING THE GUIDANCE THEY
HAVE GIVEN US, THIS LIGHT STANDS
FOR THE . . .

Administration

Dr. Hickes

For the past three years Dr. Hickes has served as superintendent of the Carnegie Public Schools. Before settling here, Dr. Hickes was a teacher, a coach, and finally, principal at Glassport High School, which was his alma mater. He is very proud of his wonderful wife and his seven-year-old twin daughters. Dr. Hickes has helped improve Carnegie's schools by introducing many new subjects and systems. The students admire and respect him.

Ruth Walton

Miss Ruth Walton, Dr. Hickes's secretary, acted as sponsor of the Class of 1954 in its junior year, helping with the junior prom and the junior picnic. This year, she was sponsor of the Drama Club during the second semester.

Mr. Lee

Mr. Lee is the principal of Carnegie High School. He is often seen walking through the halls, trying to keep the students as orderly as possible. Being financial advisor and supervisor of all activities, he handles all of the school's money. The reason for the low record of tardiness in the school can be traced directly to Mr. Lee's lectures to offenders. He is a main cog in the smooth operation of the school.

Barbara Williams

Barbara Williams, Mr. Lee's secretary, is known to all of us as Barb. Besides riding herd on the office gang when Mr. Lee is away, Barb is sponsor of the Golden Rule Tri-Hi-Y. As a graduate of the Class of 1950, she is familiar with the halls of Carnegie High. We shall never forget the extra little favors she did for us when we were in need.

Board of Education

President Harry K. Garner
 Vice President Benjamin Kahn
 Secretary William Redshaw

The Board of Education is composed of a group of men whose job it is to see that all school business and activities are carried out properly. Their meetings, which are held on the first Monday of the month, are always open to help solve the problems of any student or taxpayer. This organization does its utmost to provide for the welfare of each and

every student of Carnegie. The untiring work of the board has brought about the plans for the completely new facilities which our new high school building will provide. The VOYAGER staff recognizes and salutes the ambitions of the Board of Education to better the Carnegie school system.

Student - Faculty

The Student-Faculty is one of the newer organizations, having been started in 1944. It consists of two representatives from each club and class in the school. Its job is to choose the dates for dances and other important events. Student-Faculty also approves the new members for the various clubs. It is under the direction of Mr. Lee, with Miss Boyle as chairman of the calendar committee and Miss Nesbitt as faculty advisor.

Miller, McNeil, Bradwell, Smith.

Sitting: Mr. Lee, Dr. Hickes. Standing: Giannangelo, Adams, Zaney, Greschner, Stockum, Sawhill.

Athletic Association

The foundation of Carnegie High School's athletic program is the Athletic Association. This group, with the aid of Dr. Hickes and Mr. Lee, is composed of the various coaches of the school and the two physical education teachers.

The responsibilities of the Athletic Association are many, any they require a great deal of time and work. They schedule the games, make transportation arrangements, supply the equipment, and handle all the financial affairs for the various sports of the school.

The sports program this year again was a success. It featured the end of Class B competition for Carnegie. Next year Carnegie High School will compete in the Class A division of the W. P. I. A. L.

The students should be deeply grateful to this group for providing such a well-rounded athletic program.

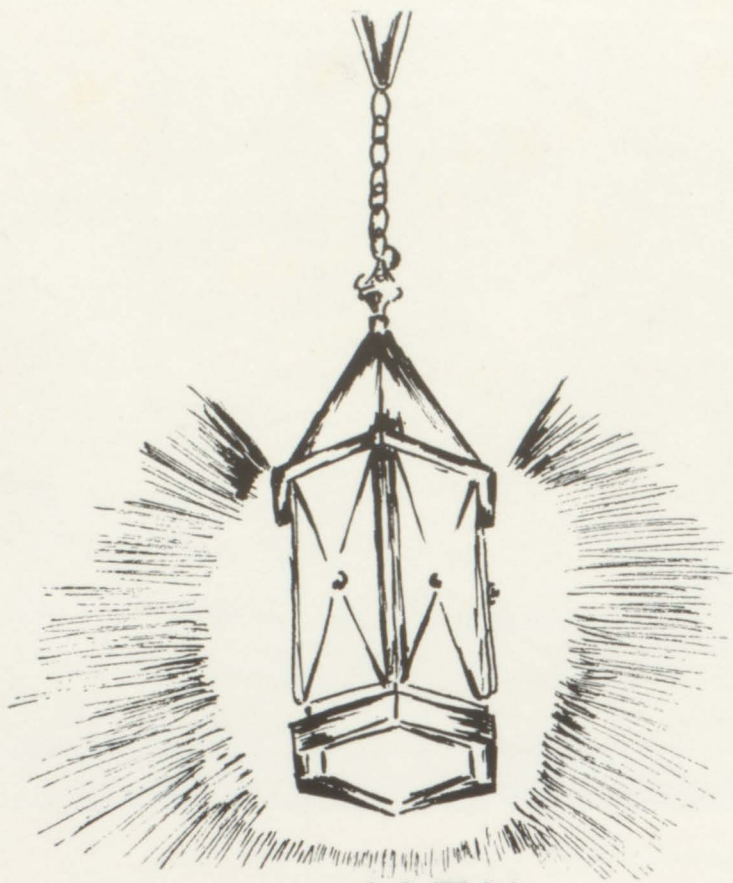

Mr. Garrett

Mr. Lloyd T. Garrett, the new principal of Harding School and the Carnegie Junior High School, has become a vital part of our school system in the year he has been with us.

He attended Westminster College, where he earned his Bachelor of Arts and Master of Education degrees. He went to Coraopolis, where he was the assistant football coach and coach of the senior high baseball team. He is very much interested in all phases of athletics.

Mr. Garrett says he likes Carnegie and its people because they are so friendly, but he especially likes his work in the Carnegie schools because he thinks the kids are really okay.

May Queen

The election of a May Queen is a very special event which takes place every year at Carnegie High. The election is sponsored by the Tri-Hi-Y's.

Ballots containing the names of all senior girls are made up and passed out to the student body. The senior girl receiving the greatest number of votes is queen. The four senior girls receiving the next highest number of votes are her attendants.

The night of the May Queen Dance is an exciting whirl of joy, tears, and beauty. Halfway through the evening, the floor is cleared. With the sounding of the bugles, a hush falls upon the crowd, and all watch eagerly for the appearance of the beautiful queen and her four lovely attendants. When the queen ascends her throne, she is then crowned by the president of the Original Hi-Y.

The tribute of queen was received by Mary Ann Suchan. Mary Ann is truly a queen, not only because of her popularity among the students, but also because of her fine character.

First attendant was Barbara Sandrus, a wonderful cheerleader and vice president of G. A. A.

Our second attendant was Rita Pachel, a lovely senior girl. Her charm and high scholastic record prove her a worthy attendant. Rita is a member of the National Honor Society.

Margie Clayton was selected as third attendant. Margie was a member of the senior play cast. Her wonderful personality and excellent grades prove her deserving of this honor.

Fourth attendant was dark-haired, vivacious Jean Gerrero. Jeannie's gay light-heartedness and wonderful smile are what make everyone love and admire her. Jean has been a very hard worker and a loyal cheerleader.

Left to Right: Bradwell, Matalka, Funari, Napoleon.

Senior Class Officers

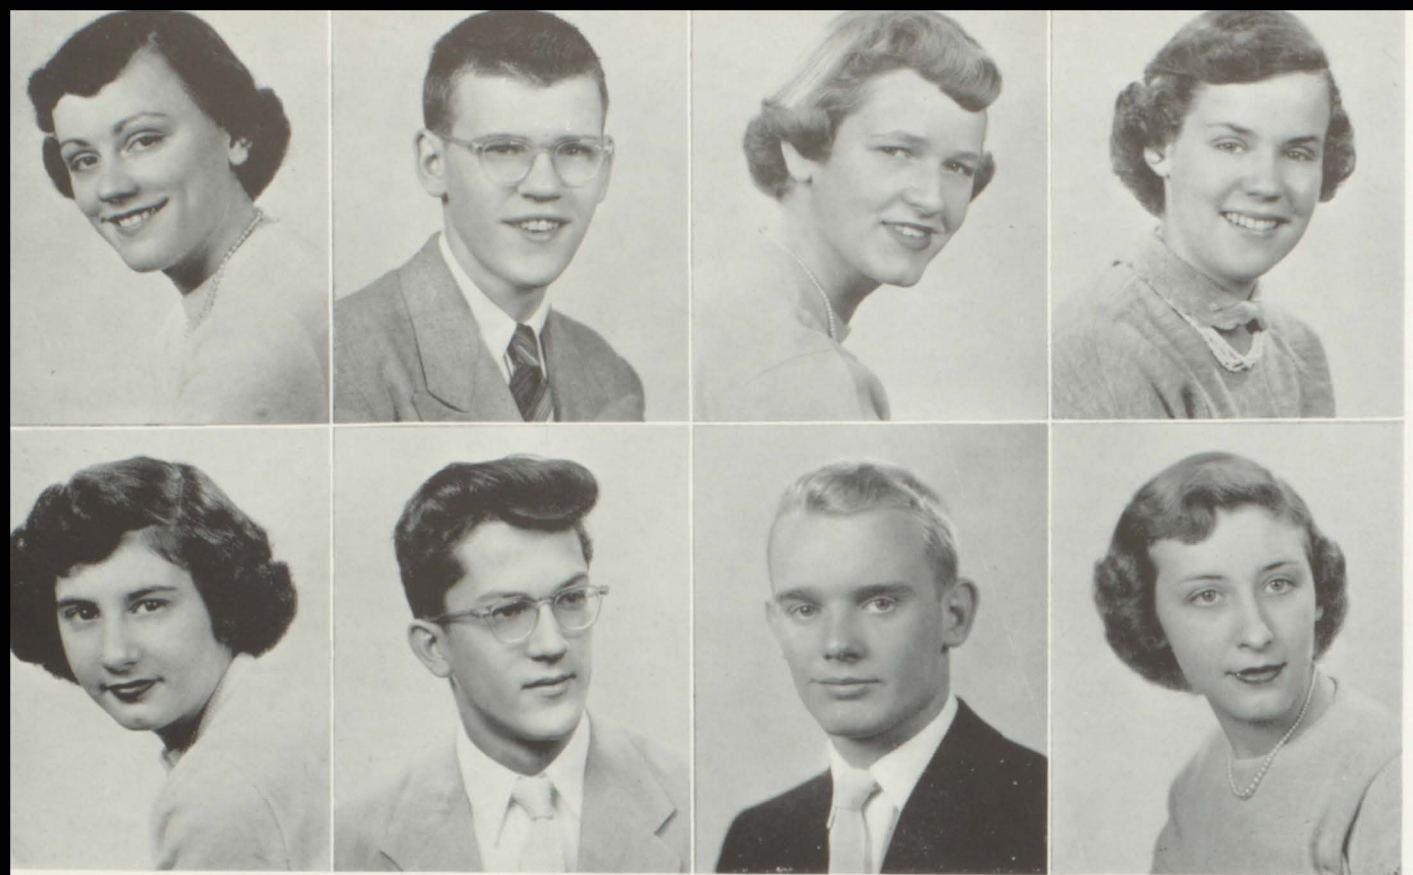

We, the Class of 1954, made a wise selection in choosing for our leaders—Ed Napoleon, president; Bob Bradwell, vice president; Barbara Matalka, secretary; and Madge Funari, treasurer.

Ed was constantly seen dashing from Mr. Lee's office to Miss Cochran's room and then back to Dr. Hickes's office. Ed was undoubtedly swamped with class business but, out of all the toil that goes with being a class president, Ed succeeded in leading our class on to graduation with flying colors.

Bob, whose main job was giving the president that extra little bit of encouragement needed in tough times, would have proved very efficient and dependable if ever called upon to substitute for our president.

Barb, that pretty, brown-haired, efficient lass from Room 6, took over her job as secretary with the utmost capability and confidence needed to keep track of all the happenings of a senior class.

Madge held the lock and key to our funds. She was always seen going from room to room, putting notices on the board which stated "Class dues still payable." Actually, Madge had very little trouble in collecting the dues.

Senior Prom

December 11, 1953, was the date of our long-awaited Senior Prom. The title of our prom was the Snow Ball. Red and white crepe paper decorated the ceiling. A huge Christmas tree, shining with brightly-colored lights, filled one corner of the Harding gym. A touch of mistletoe and the scent of pine gave the dance that perfect atmosphere for dancing and romance.

Girls in beautiful gowns and boys in smart suits danced to the dreamy music of Bill Vater and his orchestra.

Our dance proved to be very successful, and we owe our thanks to Miss Cochran, who gave us so much assistance in putting it on. We also owe our thanks to the students who attended, for without them it would not have been a success. We are sure that everyone had a wonderful time that will not be soon forgotten. We seniors, especially, will always cherish the memory of our last class dance.

Outstanding Seniors

The outstanding seniors of 1954 were elected by the VOYAGER staff from nominations put forth by the faculty and added to by the staff. They were chosen on their character, popularity, personality, scholarship, athletic ability, and their participation in extracurricular activities.

These seniors have worked for the honor of outstanding senior and are, without a doubt, entitled to this honor.

We know they will be just as conscientious and dependable in their future undertakings as they have proved to be in school.

Carnegie High School can be proud of these seniors.

Senior Play

"Ghost Wanted," the senior play, was directed by Miss Elsie Bodnar, our new English teacher. Seniors volunteered their services in January, but actual work started in February. For the first three weeks, practice was held for three hours after school, and for the last three weeks, practice was held for three hours in the evening. Practice became very tedious at times, but it was still a lot of fun.

In the play the two pretty granddaughters of Mrs. Stormgay are attracted by two young fellows who answer their ad for "Ghost

Wanted." Besides being haunted by the zombie of a dead fisherman, they are being frightened by a voodoo professor, who is in reality a disguised F. B. I. agent looking for the fisherman's body and foreign agents.

On March 26 the long awaited night arrived. The seniors behind and in the scenes were nervous until the curtain finally came down on Act III. Afterwards there were deep sighs; tears and happiness could be seen on the faces of everyone.

"Ghost Wanted"

Nice work—if you can get it.
Millar, Clayton, Broniak, Willison

"You rang, ma'am?"
Miller, Wilson, Veard, Funari.

"Pleased to meet you."
Bercini, Magliocca, Krass, Zediak.

Magazine Campaign

On the first day of school the Senior Magazine Campaign officially started and lasted for several weeks.

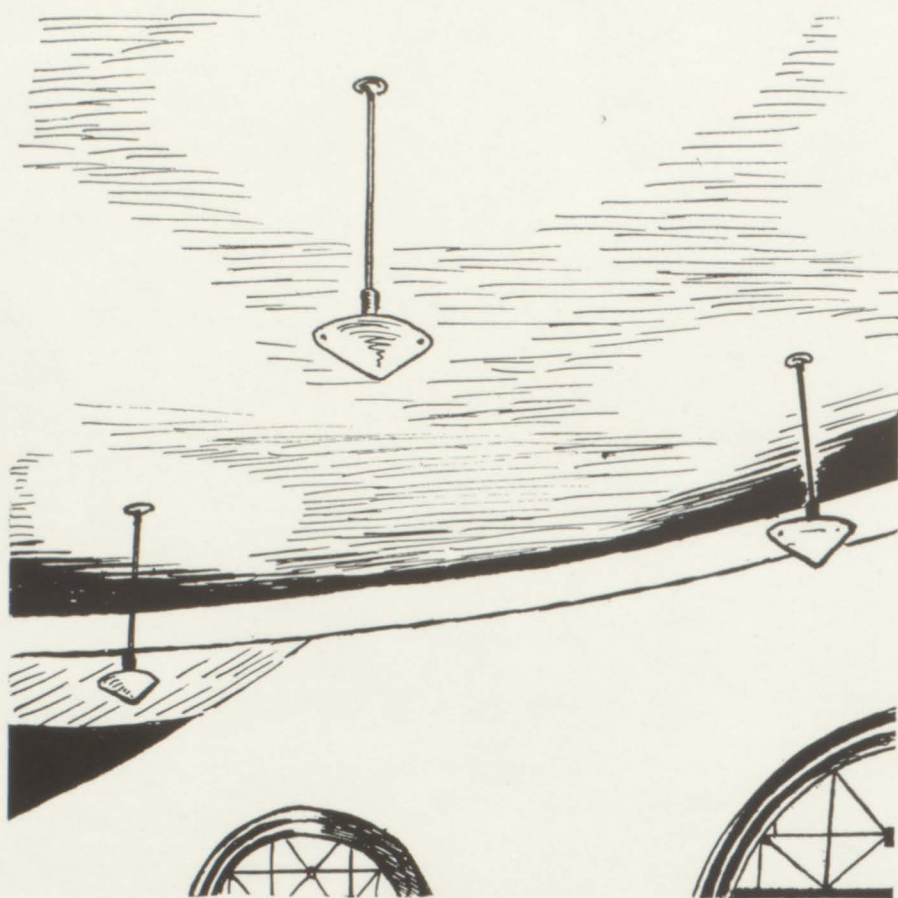

There was the usual last-minute rush, and the sales finally reached the set goal. Our profit from the total sales was \$670.34.

For the three senior rooms Cathy Veard, Jean Gerrero, and Anita Leone were captains. Joann Narduzzi and Mary Ann Suchan acted as business managers.

As a reward for the highest sales, Lois Bennett received a camera and, for second highest sales, Barbara Matalka received a portable radio.

The sale of magazines by each senior class helps to pay for the publishing of the VOYAGER.

National Honor Society

President Fred Vescial
 Vice President Joann Narduzzi
 Secretary Laverne Bell

Although having but one activity, the National Honor Society is the most honored and respected group in Carnegie High School. Election of new members takes place, usually, at the end of the first semester; however, this year, due to Miss Nesbitt's absence in February, they were not chosen until March. Its members, chosen by the faculty, are selected for their high standards of leadership, scholarship, service, and honor. Their one activi-

ty is an impressive induction service held the week of graduation. The seniors wear their caps and gowns. After the ceremony, the members serve their parents and friends refreshments. The Honor Society pin is made up of a keystone with a flaming torch on it. It is recognized all over the country. The motto of the society is "Noblesse oblige," which means that superiority has obligations.

Dramateur Club

President	Morris Miller
Vice President	Felice Weiss
Secretary	Dolores Dombrowski
Treasurer	Audrey Walker

A popular club in the school is the Dramateur Club, sponsored by Miss Walton.

Students wishing to belong to the Dramateur Club must show some kind of acting ability by doing a skit or pantomime. They in turn are voted upon by the members. Applicants receiving the highest number of votes are accepted. They think that they are very lucky, but when plans for initiation start to pop, they wonder just how lucky they are. All in all, everyone has a good time.

Meetings are held twice a month.

Members are invited to travel to Carnegie Tech twice a year to see plays.

The Dramateur Club has had two important events of the year. The annual dance was held in December at the Harding gym. It was called "Snoman's Shuffle" and was a huge success. A party for just Dramateur Club members and a guest of theirs was held in May.

Those who were fortunate enough to become members of the Dramateur Club will never forget the wonderful times that they have had.

Camera Club

President	Donald Davis
Vice President	David Sawhill
Secretary	Carol Jean Farinella
Treasurer	Mary Jane Wright

The purpose of this club is to teach its members the fundamentals of photography, which include the development of films, enlargement of pictures, and printing of them.

Mr. Burkett, who is the sponsor, is always ready to explain the processes involved in working in the dark room, located next to the chemistry lab.

New members are taken into the Cam-

era Club on the basis of quality points given by the old members. After the new members have been chosen, they await the most dreadful of all nights, initiation night. This group has the reputation for having the most "shocking" initiations.

This year the Camera Club held a dance jointly with the Commercial Club on February 26.

Delta Tri-Hi-Y

The Delta Tri-Hi-Y is a group-fellowship organization sponsored by the Y. M. C. A. The girls strive "to create, maintain, and extend throughout the home, school, and community high standards of Christian character." Their slogan is, "Pure thoughts, pure words, pure actions."

The Delta Tri-Hi-Y is composed of sophomore and senior girls. Each year the girls send CARE packages and contribute to the World Youth Fund. Its main social event is a May Queen Dance. The Y. M. C. A. sponsors an annual convocation service at Heinz Chapel, council meetings, and a week end of fun at Camp Kon-o-Kwee.

The sponsor, Mrs. Sawhill, makes the Delta Tri-Hi-Y one of the most popular clubs in Carnegie High School by her interest, advice, and guidance.

Original Hi-Y

Probably one of the finest and most active clubs in Carnegie High School is the Original Hi-Y. Under the sponsorship of Mr. Logan, the Original Hi-Y is devoted to creating, maintaining, and extending Christian character throughout the home, school, and community. Since the club could admit just a handful of new members this year, Mr. Logan suggested the introduction of another chapter of the Hi-Y. With the help of the original chapter, a new club, under the sponsorship of Mr. Speziale, was formed. This is proof of the popularity of the club in Carnegie High School. This year, as in previous years, the members of the club had a swimming party at the Y. M. C. A. They also held a dance, which was quite a success. This club truly is one of the finest in the school.

Girls' Athletic Association

President	Mary Ann Suchan
Vice President	Barbara Sandrus
Secretary	Virginia Balchon
Treasurer	Sylvia Peluso

The Girls' Athletic Association is the club for the more sports-minded girls of Carnegie High School. Membership is open to girls who are interested in sports and have some ability. They are voted on by the club. Their initiation is always an exciting event for both old and new members. Its purpose is to instill clean sportsmanship and develop grace and agility in its members.

The girls sell candy at the home football

games. Their annual skating party is eagerly awaited by all. They also have teams to play other schools and the alumni.

In the spring of the year the club sponsors a mother-and-daughter banquet. At this event the new officers are announced and letters are presented to ten senior girls.

Under the sponsorship of Miss Helen Greschner the G. A. A. is a wonderful organization to which all the girls are proud to belong.

Varsity "C"

President Ted Junker
Vice President James Merchant

The Varsity "C" is one of the most popular clubs in Carnegie High School. Membership in this club is limited to those boys who have, at some time during their stay in high school, earned a letter by participating in one of the school's interscholastic sports. The greatest service of the club is providing an injury fund for accidents received while par-

ticipating in a competitive sport. The Varsity "C" emphasizes achievement rather than popularity. This organization has grown in popularity until it is now an essential part of Carnegie High School's athletic program. This year the club planned an amateur show at the library. The members of the club were to provide the entertainment. The show was cancelled.

Commercial Club

This year is the twenty-third year for the Commercial Club. Up to two years ago a commercial student had to have very high grades to apply for membership in this club. Now anyone in the department is eligible. This year, together with the Camera Club, the Commercial Club sponsored a dance on February 26. The club has helped many students to become the secretaries of tomorrow, and Miss Boyle with her guiding hand has helped to make the Commercial Club one of the outstanding clubs this year.

Rifle Club

The purpose of any rifle club is, of course, to teach its members the proper use of a rifle. The Carnegie High Rifle Club is no different. To begin with, each member is first taught how to use the sights on a rifle, how to raise the gun, and so forth. Next, he is taught the four National Rifle Association positions for shooting—prone, off-hand, sitting, and kneeling. He is drilled in the use of the positions and soon becomes a fine marksman. As soon as all members are well-trained, the coach, Francis Smith, picks the best and divides them into teams of four, called sharpshooters. These teams are the match teams and compete with other schools.

French Club

President	Louis Sanso
Vice President	Ann Wilk
Secretary	Dolores Fusari
Treasurer	Barbara Byers

This year the French Club celebrates its fourth birthday. The objects of this club are to bring together the students who have common interests in the French language and to promote interest in the French way of living. To qualify for this club, you must have an average of one year of French. The club meets twice a month. New members are taken into the club each year with a formal

induction service held by the officers. After the services there is usually a party; the members dance; refreshments are served; and all have a good time. The membership is limited to thirty, and each member must be approved by the sponsor. Mr. Palonis is the sponsor. The French Club held its first big dance on May 28.

Golden Rule Tri-Hi-Y

President	Billie Buchko
Vice President	Laverne Bell
Secretary	Ramona Wrobleski
Treasurer	Fernanda Capecci
Chaplain	Beverly Reese

A newly organized club of the school is the Golden Rule Tri-Hi-Y. This is its second year as a school club. It is under the leadership of Miss Barbara Williams.

The club is affiliated with the Y. M. C. A. Some of the many activities sponsored by the Y. M. C. A. are the convocation at Heinz Chapel, a weekend at Camp Kon-o-Kwee, and council meetings attended by the club representative.

The club has two meetings a month—one a business meeting, the other a social meeting.

The induction service takes place early in the year. It is a very impressive service by candle-light.

In order to raise money the girls sold Carnegie High pennants.

The club's main purpose is to create high standards of living in both home and school.

Choir

The aim of Carnegie High's vocal department is to create in the minds of the students an appreciation and an understanding of fine music and to teach them to sing and work together.

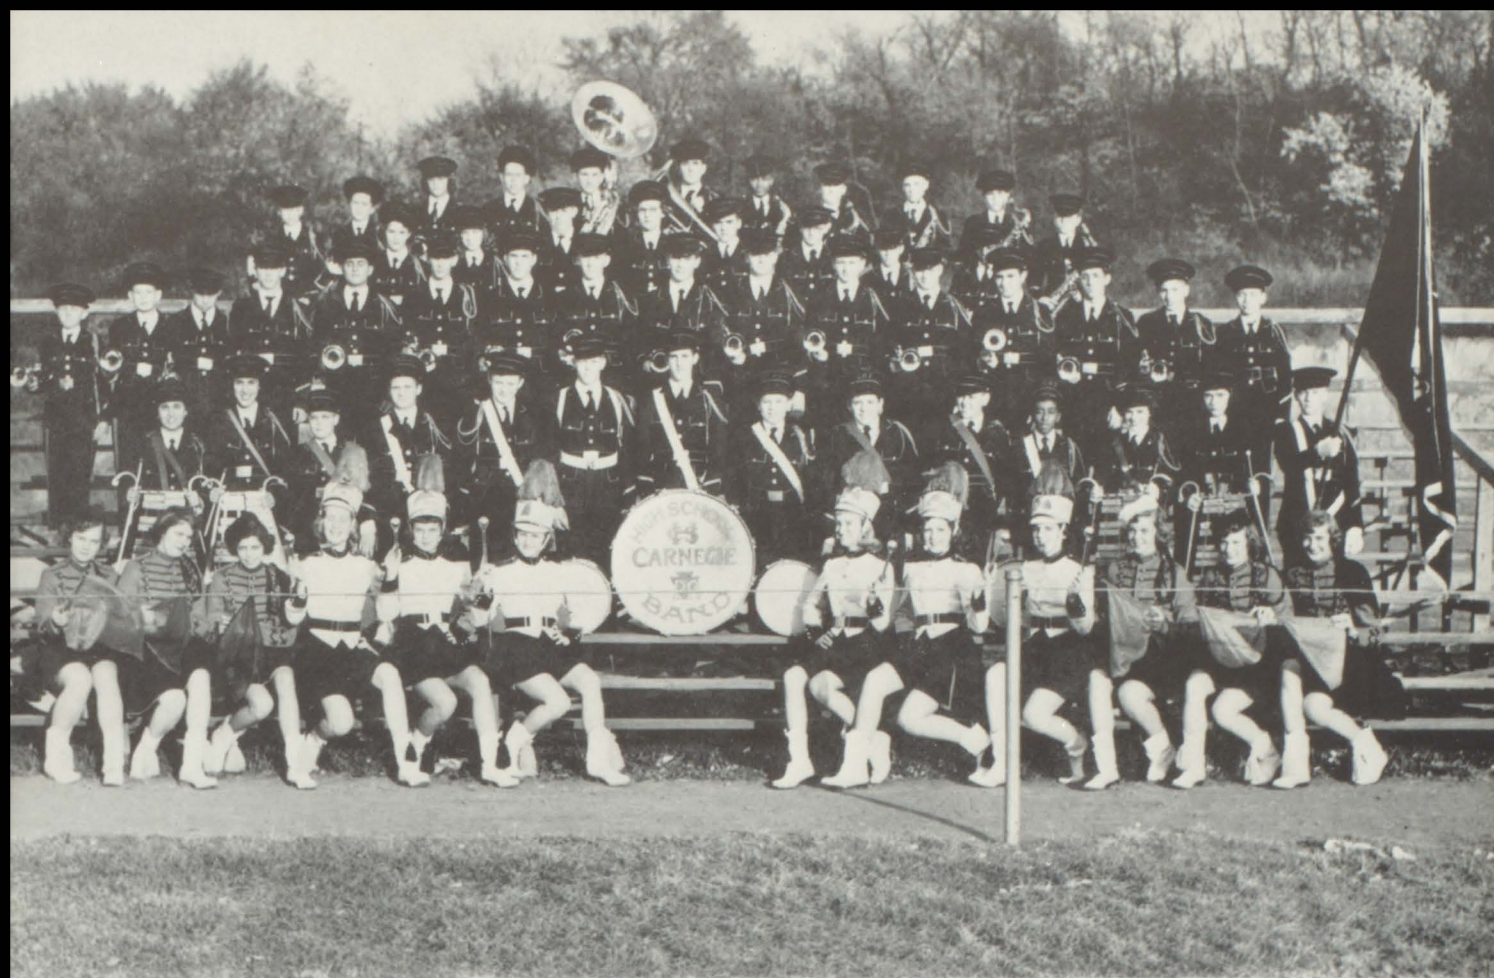

Carnegie High's music groups are all under the direction of Mr. John Bandyk.

The largest choral group in Carnegie High is the mixed choir, composed of boys and girls all working together to make the choir an outstanding group.

Other music groups are G Clef, Glee Club, Triple Trio, and Double Quartet. These groups are also noted for their fine singing ability.

All music groups take part in the Christmas pageant.

The profits of long hours of training and practicing of voices are brought forth at our annual Spring Concert.

Band

The band this year was again under the direction of Mr. Walter H. Cameron. Its members can be seen and heard participating in the half-time activities at all the football games. They also provide music for the pep meetings. Pauline Wagner is the treasurer of the band.

Rehearsals are held in the band room at Washington School. This year the band received the privilege of marching for the opening of the new Penn-Lincoln Parkway.

Each spring a concert is presented, the first part of which is devoted to the entire concert band. The second part consists of music by the Swing Band, featured soloists, and other novelty acts. This year's concert was held on April 9.

Novus Hi - Y

President	Lawrence Miller
Vice President	Joe Aston
Secretary	Carl Davis
Treasurer	Frank Stasik
Chaplain	Pete Viviano

The newest organization in Carnegie High is the Novus Hi-Y, sponsored by Mr. Speziale. This chapter of Hi-Y was created because of the large number of applicants for membership in the Original Hi-Y. The members were selected by the faculty, approved by the sponsor, and inducted by the officers of the Original Hi-Y. Several members of the Novus Hi-Y attended a week end at Camp Kon-o-Kwee, and Larry Miller, the president, was sent to Harrisburg to attend a convention. This group really got off to a good start by holding a skating party at Sportshaven on April 21.

WATCHING OVER OUR FOOTBALL
GAMES ARE THESE LIGHTS . . .

Cheerleaders

Our seven cheerleaders can always be found full of pep, ready to lead the cheering section at football and basketball games. This year the cheerleaders were out to boost the morale of the boys on the mat. Miss Greschner was their sponsor, and their sweet little mascot was Carol Ann Ostaffy.

The cheerleaders are: Seniors: Jean Gerrero (captain), who loved to change the cheers and make up new ones (even on the way to games); Barb Sandrus (co-captain), who kept

the chatter going on the bench and showed pep during cheers. Juniors: Ruthie Rankin, who had a fancy for wanting to use majorette routines in cheers; Ginny Mathe, the kid with the ready wit to add to the liveliness. Sophomores: Dolores Soho, the enthusiastic gal in love with cheering; Mary Jo Walker, who could never seem to remember which cheer was next; Ruth Ludwig, who was usually a little late due to a before-game siesta.

Yes, cheerleading spells out fun galore.

Football Review

CARNEGIE 19 - CHESTER 7. Carnegie's Little Tartans opened the '53 season with a rousing 19-7 victory over Chester of West Virginia. They scored once in the first quarter and twice in the second. Stotsky scored all three touchdowns for the Tartans. Joe Wilczek made good one of his three attempts for extra points. The boys held Chester scoreless until the final minutes of the game, when they scored their lone touchdown on a pass play . . . **BRIDGEVILLE 9 - CARNEGIE 7.** This loss knocked the Tartans out of the WPIAL Class B race. Bridgeville scored first on a wild Carnegie pass from center, which resulted in a safety. Then an attempted pass by Stotsky was intercepted by La Sota, who ran unmolested for the touchdown. The extra point try was good. With Bridgeville leading 9-0, Carnegie scored on a pass from Stotsky to Bruno. Wilczek made the conversion. It was a sad defeat for the Tartans. . . . **RANKIN 8 - CARNEGIE 0.** In the only afternoon game scheduled for this year Carnegie was defeated in a close game at Rankin. The whole senior high was excused from school to see the game. Rankin's touchdown came in the third quarter, when their safety man took one of Wilczek's punts deep in his own territory and raced 70 yards for the score. The extra point try was missed. Rankin added a safety in the fourth quarter when Stotsky was tackled in the end zone . . . **CARNEGIE 13 - MOON 0.** The Tartans got back on the winning road with a 13-0 win over Moon. The first half ended in a scoreless tie. In the third quarter, however, Carnegie scored on an 11-yard run by Drost. The extra point try was wide. In the fourth quarter Junker scored when he made a sensational catch of Stotsky's pass in the end zone. Wilczek's conversion was good, and the score read: Carnegie 13, Moon 0. **STOWE 19 - CARNEGIE 0.** Unde- feated Stowe handed Carnegie its third loss of the season. Stowe scored first, early in the first quarter on a long pass. The extra point try was wide. Stowe scored their second touchdown in the second quarter on a short pass to Latusick. This time the conversion was good, and the half ended with the Tartans trailing by a score of 13-0. The second half was scoreless until the remaining few minutes, when Stowe pushed

across another touchdown . . . **CARNEGIE 13 - CHARTIERS 6.** Chartiers scored first in the second quarter and missed the extra point try. Carnegie bounced right back when Stotsky took off on a 58-yard run for Carnegie's first touchdown. Wilczek converted, and the Tartans were in the lead 7-6. In the closing minutes of the second quarter they scored again when Wilczek took Stotsky's pass in the end zone. The extra point try was no good. . . . **GLASSPORT 33 - CARNEGIE 0.** The first quarter ended in a scoreless tie, but in the second quarter Glassport scored twice. In the third quarter the Tartans were unable to hold the Glassers, who scored again. Glassport added two more touchdowns in the final period to make the final score read Glassport 33, Carnegie 0. It was just one of those nights when everything Carnegie tried to do went wrong . . . **CARNEGIE 13 - MARS 6.** Carnegie opened the scoring in the second quarter with Stotsky carrying the ball over the goal line. Wilczek's conversion try was no good, and the Tartans took a 6-0 lead to the dressing room. Early in the second half Mars scored their first and only touchdown to tie the score. In the final quarter Carnegie went ahead to stay. Boscia scored the TD, and Wilczek converted to change the score to 13-6 in Carnegie's favor . . . **CRAFTON 18 - CARNEGIE 7.** Early in the first quarter Stotsky intercepted a Crafton pass and raced 47 yards for the score. Wilczek converted, and Carnegie had a 7-0 lead. Crafton came roaring back when Ray intercepted a Tartan pass and romped 58 yards for the touchdown. Crafton scored again late in the second quarter, and at the end of the first half the score was 12-7 in Crafton's favor. Late in the fourth quarter, a Crafton player picked up Stotsky's fumble and scooted over for a TD . . . **SCOTT 48 - CARNEGIE 6.** At the end of the first quarter, Scott's Golden Bears scored after recovering a fumble on Carnegie's third-yard line. The Bears scored again in the second quarter. In the second half the Bears practically scored at will. They scored twice in the third and closed the scoring with three touchdowns in the final quarter. Carnegie's lone score came in the fourth quarter on a short pass from Stotsky to Merchant.

Baseball

With the coming of spring, Coach Stockum issued the call for the first baseball practice. Many new prospects answered his call, the reason for this being that there are very few regular lettermen returning from last year. Remaining from last year's regular squad are Bob Stotsky, 3b, and Joe Wilczek, p.

Although prospects for this year's team at present look dim, Coach Stockum is not too downcast. He has quite a few promising newcomers battling for the vacant positions. Already the Carnegie athletic field is resounding with the crack of bats and shouts of the spirited newcomers.

The Tartans' first game of the season was on April 12 with Coraopolis at home. They are entered in Section I of the W. P. I. A. L.

The remainder of the schedule was as follows:

Crafton	April 15
McKees Rocks	April 19
Scott	April 22
Stowe	April 26
Coraopolis	April 29
Crafton	May 3
McKees Rocks	May 6
Scott	May 10

Golf 1953

Left to Right: Reale, Ragazzo, Adzima, Bronco, Volanski, Goveaszso.

Last year saw the introduction of a new sport in Carnegie High School. For the first time in its history, Carnegie High had a golf team.

The team was coached by Mr. John Bandyk. Mr. Bandyk entered the team in Section VI of the W. P. I. A. L. Other teams in the section included Mt. Lebanon, Brentwood, Baldwin, and Bridgeville.

After defeating Mt. Lebanon $11\frac{1}{2} - 3\frac{1}{2}$ in the first match of the year, the boys were unable to break into the win column again. They lost their remaining seven matches.

Prospects for this season are dim, since the starting six graduated last year. However, we can be sure that the boys will be out there trying.

Because the team is chosen too late to be included in the VOYAGER, last year's team is pictured.

Girls' Sports

This year girls' sports were under the direction of Miss Helen Greschner. In the earlier part of the year volleyball was played. The winning team of each period played the other period teams. The winning volleyball team was the fifth period team.

The class basketball teams were picked by the first week of March. There were tryouts; then the captains were picked, and then the teams were chosen. There were several teams in each class. After playing each other, the winning team was considered the class team. After each class had its team, they played each other. The junior class team was champion.

Charles Knepper

Fred Sentner

Paul Sentner

Our Champ Wrestlers

These three boys were the mainstay of our mat team this year. Their combined efforts, together with the coaching of "Pop" Sawhill, almost took the Section I, W. P. I. A. L. team championship. Carnegie came in only one point behind the winners, Mapletown, who had 17 points.

Charles Knepper - 127 lbs.

Record: Won 15, Lost 1, Drew 1

Chuck won the Section I title when he beat Fred Bridge of Latrobe, 7-0. Pinning Joe Ayersman of Waynesburg, at Washington, he went to the finals of the P. I. A. A. Regional Tournament where he was beaten, 11-5. We wish him the best of luck in collegiate wrestling.

Fred Sentner - 95 lbs.

Record: Won 13, Lost 3, Drew 0

Fred also won the Section I title by downing George Morris of Scott, 4-0. Fred drew a bye in the finals of the region, where he was beaten by Bill Bane of Trinity, 12-1. Only a sophomore, we expect great things of him in the future.

Paul Sentner - 120 lbs.

Record: Won 8, Lost 2, Drew 0

Paul lost in the Section I finals by a referee's decision to Black of Greensburg. Paul went to the semi-finals at Washington, where he was beaten by Ed Herrod of Waynesburg, 3-2. Although tough luck pursued him this year, he is still one of the best.
