CARNEGIE HIGH SCHOOL

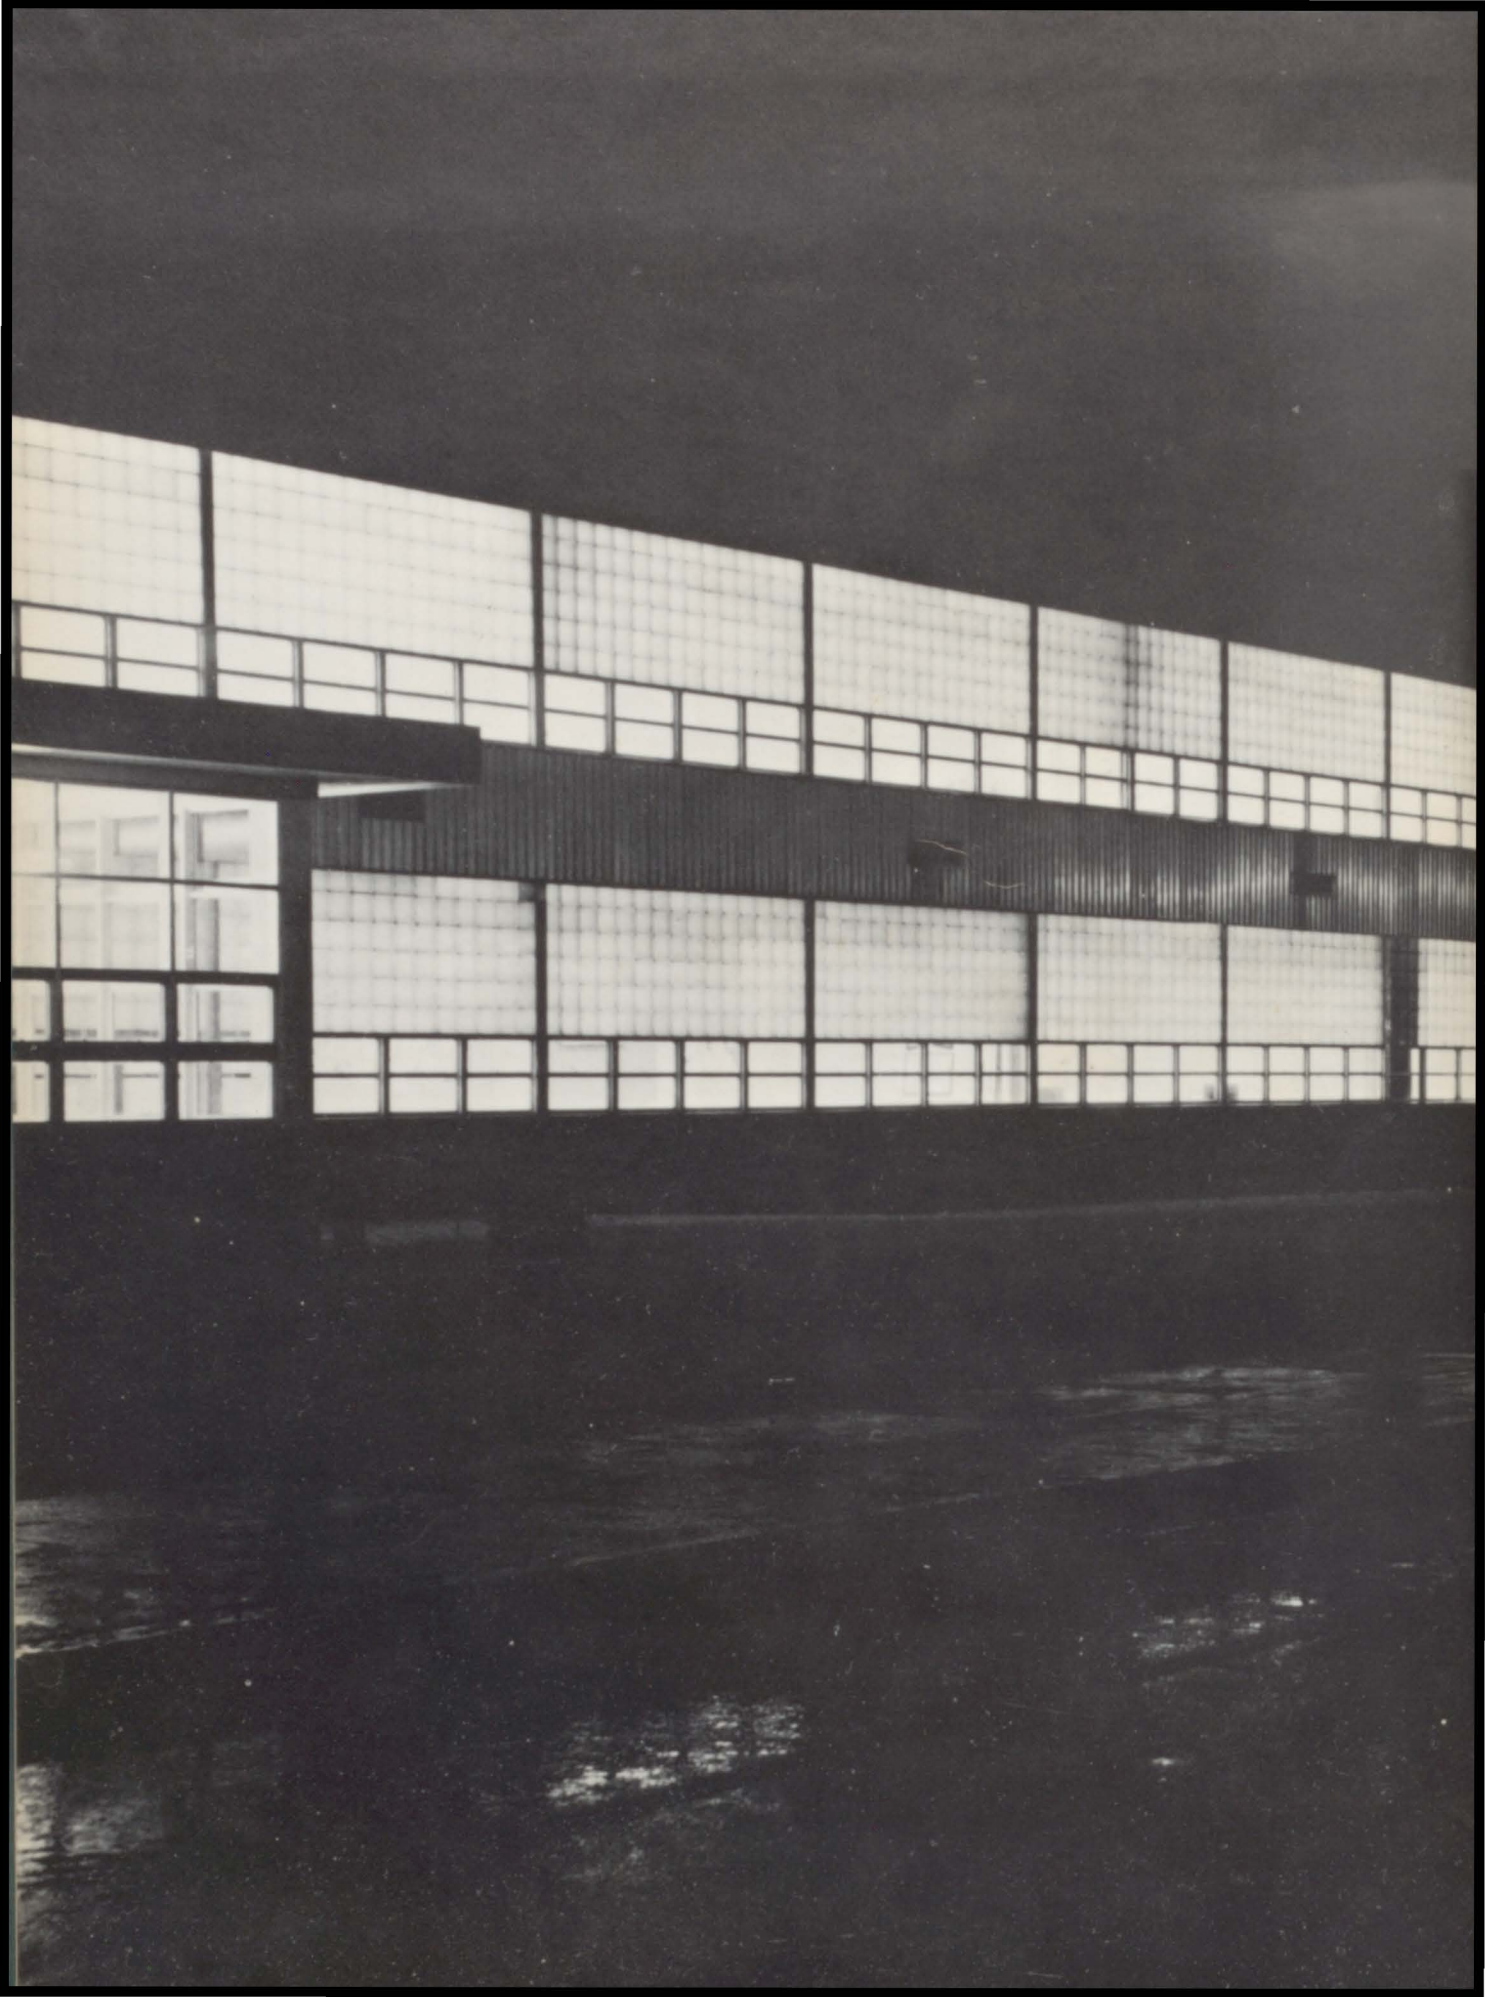

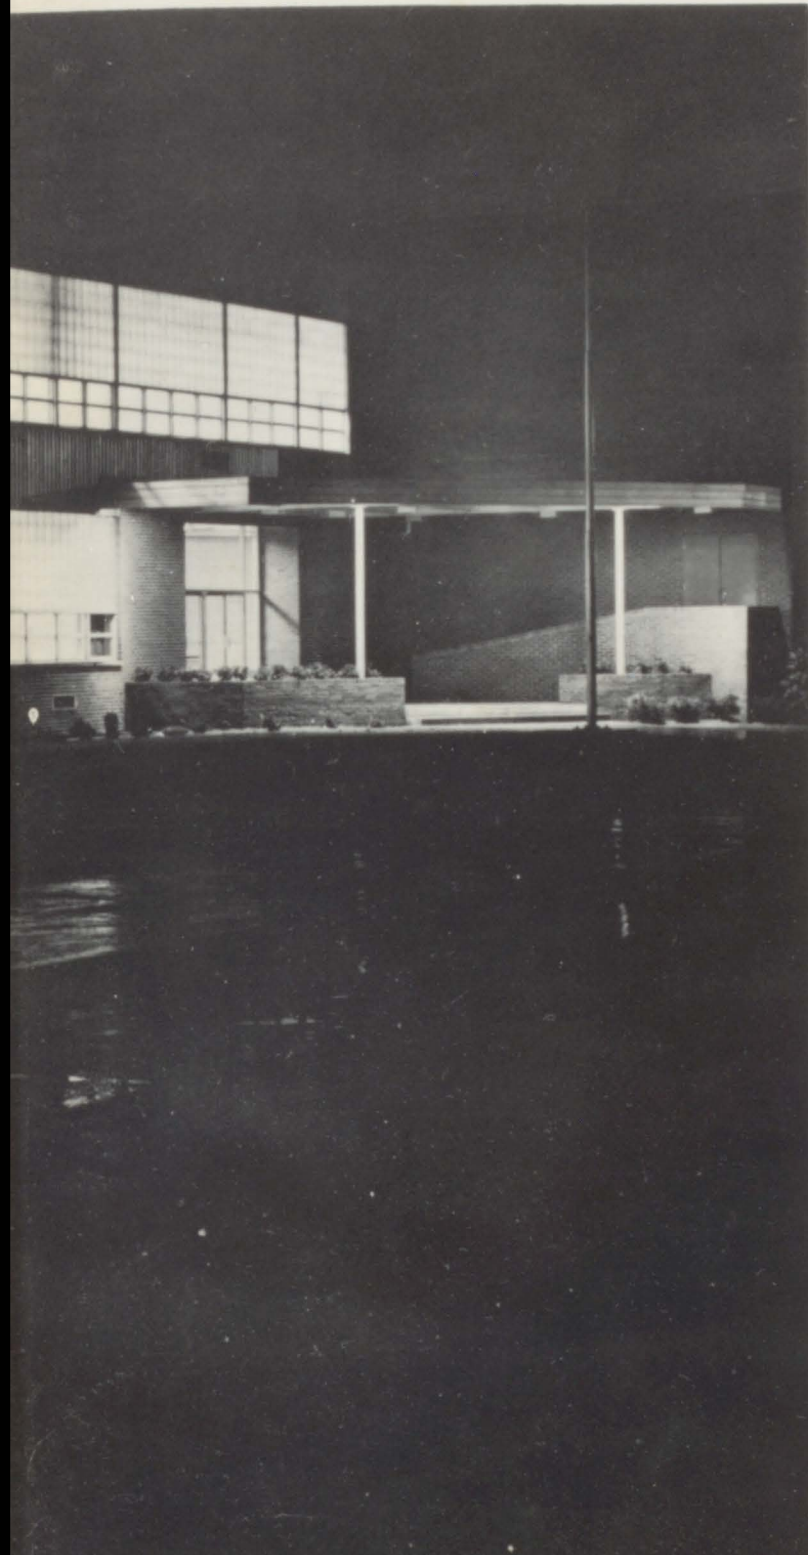

**THE
SENIOR CLASS**

Presents

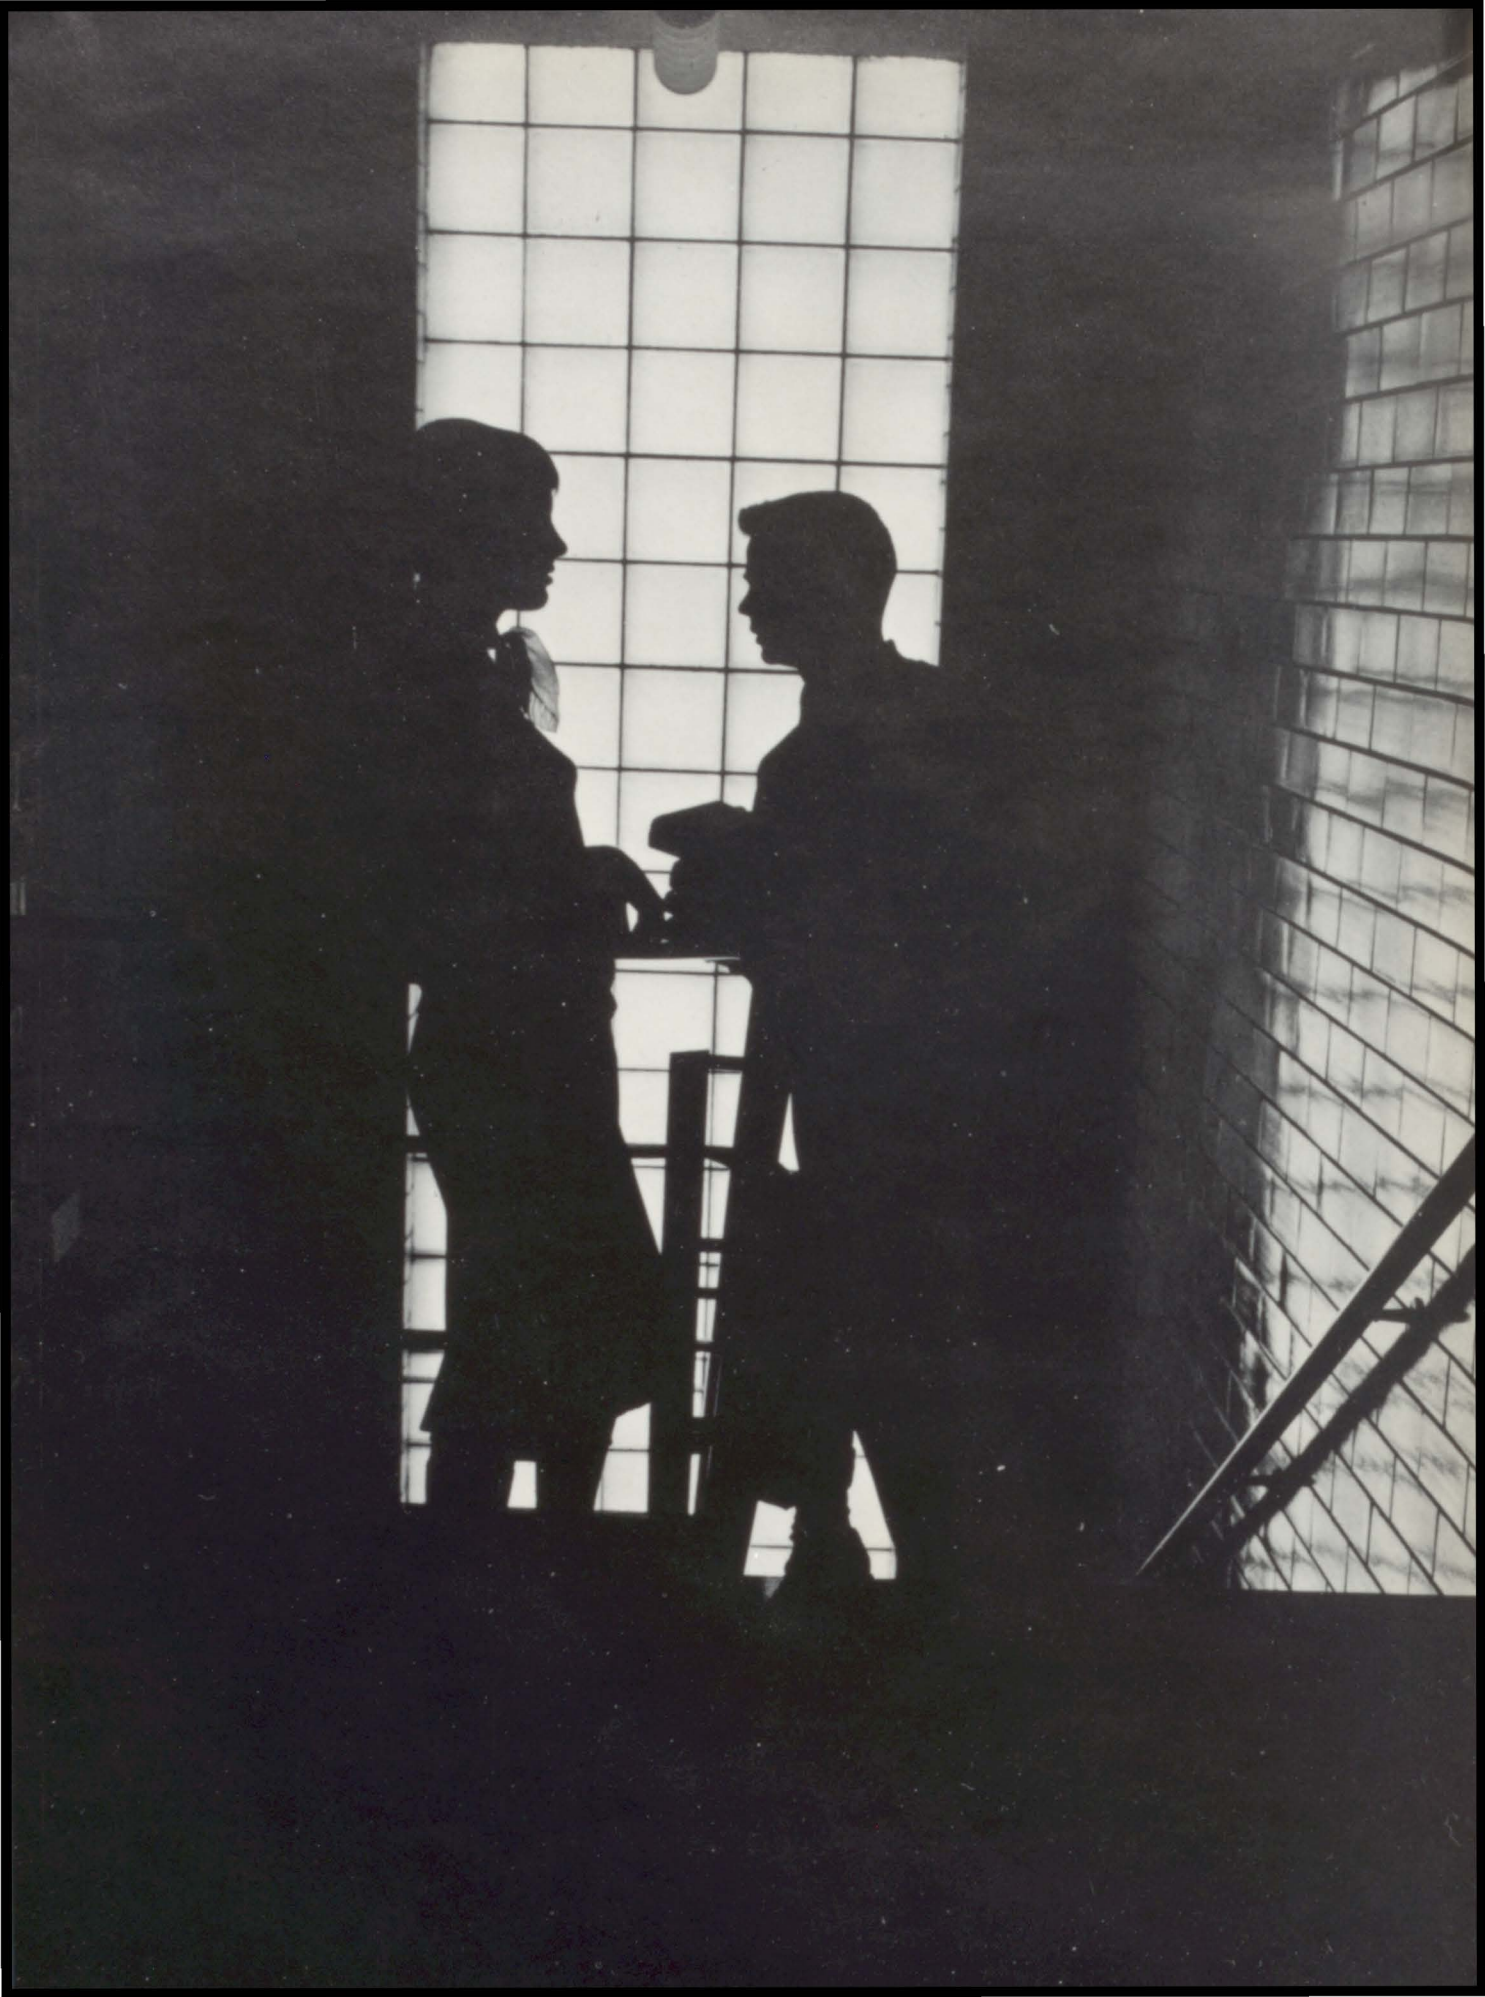

The Voyager

Ninteen Hundred Fifty Eight

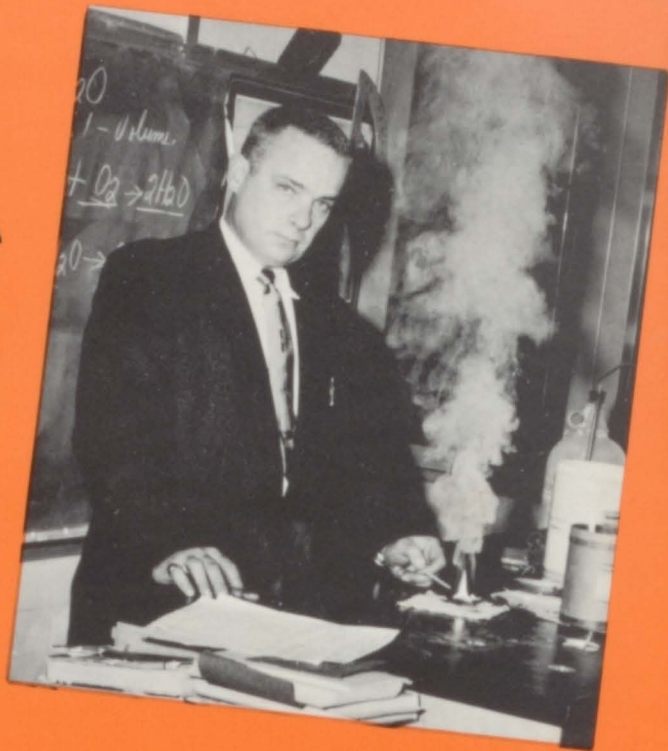

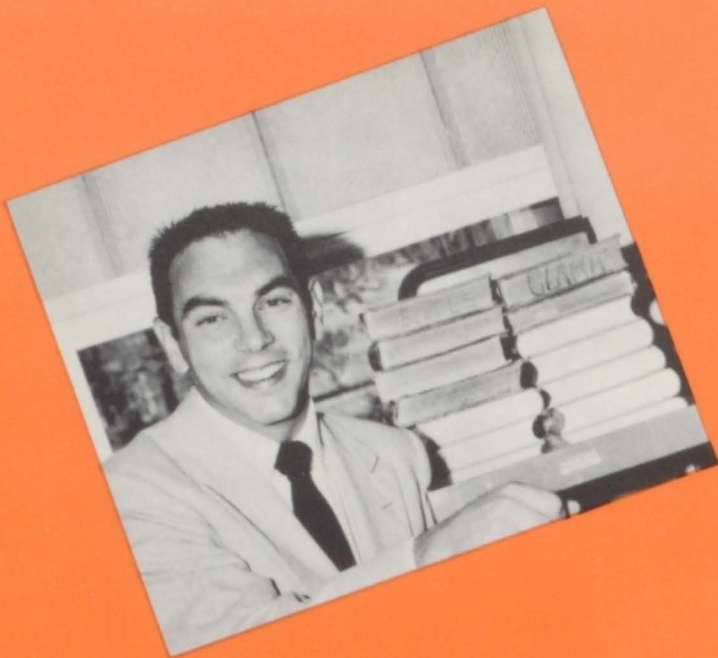

Carnegie High School
Carnegie, Pennsylvania

DEDICATION

This year we are dedicated to THE STUDENT. Not to a student but to characteristics which make up the personality of every student. The personage who is moved by the desire to know about himself and others and for himself and others. He is the individual and the society, living in the new and the old, experiencing a metamorphosis now that will create the values for the future. Here is the searching and seeking, testing and trying, destroying and creating, accepting and rejecting that will form each individual's goal and provide the direction he will take to achieve it. In this school the student has learned to think for himself and to gain the best from others' knowledge. He has in his mind and in his hands the ability and will to create a brilliant future. We have witnessed his strides and believe in his potential, and therefore, to him we dedicate the 1958 Voyager.

ADMINISTRATION

Dr. Fleischer

Dr. Fleischer

Dr. Fleischer and the Class of 1958 arrived at the doors of Carnegie High School at the same time. During our three years together, he has guided us through many trying times, one of which was the change to the new high school in our sophomore year. Because of his help and guidance, the Class of 1958 already has a record number of college acceptances. For these and many other things we seniors thank him and wish him the best of luck in the future.

Barbara Williams

Miss Barbara Williams, better known as Barb, is secretary to Dr. Fleischer. Barb has served in this capacity since her graduation from Carnegie High with the Class of 1950. She takes an active part in the activities of C. H. S. by sponsoring the Golden Rule Tri-Hi-Y.

Her smiling face can be seen at all home sports contests as she cheers for the Tartans. We will all miss her when we graduate.

Miss Barbara Williams

Dr. Hickes

Dr. Hickes

Dr. Roy M. Hickes came to the Carnegie School District from Glassport High seven years ago to assume the responsibilities of being Superintendent of Schools. During his tenure in office he has won the respect of the entire student body. More than once he has demonstrated his capabilities and wise judgment in inspiring our class. We are thankful for his friendliness and help; we wish him many pleasant years at C. H. S.

Miss Dolores Dombroski

Miss Dombroski

Miss "Dee" Dombroski is Dr. Hickes' secretary. She has held this position since her graduation from C. H. S. in 1955. Despite her work, she still finds time to cheer the Tartan sports team on to victory.

BOARD OF EDUCATION

The Board of Education consists of seven members who are elected by the townspeople for a term of six years. A solicitor is appointed by the board and works with Dr. Hickes, as the administrative head, under the supervision of the school board.

These men are faced with problems concerning the whole community as well as basic school business and activities. Their meetings, held on the second Monday of each month, are always open to the public to help solve the problems of any student or taxpayer. Any difficulty will receive individual attention and careful consideration in an attempt to correct it.

Another of the many responsibilities of the Carnegie High School Board is to extend every educational opportunity to each member of this community and to offer adults, as well as students, the use of the new and modern facilities within the school building.

It was through the untiring efforts of this group of men that the new Carnegie High School became a reality, and it is because of this that years from now, as students walk through the halls of Carnegie High, we sincerely hope that they will be as proud of it and our school board as we are today.

Mr. Schnepf, Mr. Bateman, Mr. Kahn, Mr. Firth, Mr. Garner, Dr. Hickes, Mr. Coll, Mr. Lesko.

First Row: Dr. Fleischer, Mr. Cross, Mr. Marcenelle, Mr. Zaney, Dr. Hickes, Miss Greschner. **Second Row:** Mr. Speziale, Mr. Stockum, Mr. Bandyk, Mr. Hartley, Mr. Sawhill.

ATHLETIC ASSOCIATION

The Athletic Association is the foundation of Carnegie High's athletic program. Since it controls all forms of athletics, it is one of the vital parts of the school.

The responsibilities of the Athletic Association are many and require a great deal of time and effort. The most important of these are: the scheduling of games; purchasing new equipment; providing transportation for the players; hiring and paying the officials; and, of course, coaching and training the teams.

Dr. Hickes and Dr. Fleischer serve as advisors and Mr. Speziale is faculty manager. He has the enviable job of collecting all receipts and paying all

bills. Miss Greschner is physical education director and coordinator for all girl sports.

Mr. Zaney is boys' physical education director and head football coach. Mr. Stockum is head baseball and basketball coach and assistant football coach. Mr. Cross, Mr. D'Alessandro, and Mr. Marcenelle are assistant football coaches. Mr. Sawhill is head wrestling coach. Mr. Swenn is assistant wrestling coach. Mr. Bandyk is coach of the golf team. Mr. Hartley is the coach of the rifle team.

To these people we owe a debt of gratitude for helping our teams compile favorable records in all sports.

MAY QUEEN

Norma Davis

The election of the May Queen is a very special annual event at Carnegie High. The election and the coronation dance are sponsored by the Tri-Hi-Y's.

The night of the May Queen Dance is thrilling and one that is long remembered. At a designated time, the floor is cleared; the audience is seated and anxiously awaits the appearance of the queen, who takes her place on the throne and is crowned by the president of the Original Hi-Y.

This year the students have voted Norma Davis as queen of the May. Norma, one of our majorettes, has a wonderful personality and has many friends in C.H.S.

First attendant, Barbara Langer, is also one of our majorettes with pretty blond hair and blue eyes that many of us admire.

The honor of second attendant belongs to Nancy Cridge. Nancy is our head cheerleader this year, and her loyal support and school spirit are felt throughout the school.

Helen Rad was chosen as third attendant. Known better as "Frenchie," she has a winning smile and a knack for making friends.

Mary Ann Kohut was fourth attendant. Mary Ann also adds her talent to the group of majorettes. She is president of the Drama Club and a member of the Senior Play Cast.

SENIOR PROM

The seniors entitled their night of enchantment, "Silhouettes." Stan Bailey and his orchestra filled the gym with music while the couples danced about a huge balloon-filled column.

Another innovation was brought to Carnegie High by the Seniors for their prom. Their parents helped them in planning an after-prom party. Dancing, entertainment, and a movie lasted through the night, and breakfast at 6:30 brought the night-to-be-remembered to a close.

IN MEMORIAM

Fred Bateman, one of the most honorable and respected men of our school board, was born in England and came to America at the age of two. He attended the Old Glendale School, after which he was employed by various companies until he became a tool and die maker at the American Steel Band in Heidelberg.

Mr. Bateman had served as a member of the Board of Educa-

tion for the past ten years. He was committed to the belief that the public schools should be a dynamic force in the training of young people for future life. He met his obligations cheerfully and gave unselfishly of his time. Our Carnegie schools are deeply indebted to this fine gentleman and memories of him will linger in our hearts.

Carnegie 13 — South 0

The Carnegie High Tartans opened their season with a 13-0 win over South. Ron Hatcher lead the Tartans to victory with plunges of 1 yard and 15 yards and Jim Wilk kicked an extra point. The Carnegie defense held South to only one first down and no points.

Carnegie 26 — McKees Rocks 0

Bob Boyda opened the scoring by receiving a second quarter touchdown pass from Ron Hatcher. Ron Hatcher scored touchdowns on runs from scrimmage of 3 and 53 yards and another on a 32 yard run back of an interception. Jim Wilk and Ed Coleman each had one extra point to complete the scoring.

Carnegie 19 — Dormont 6

Bob Boyda again opened the scoring on a 57 yard pass and run play. Ed Coleman kicked the extra point. Ron Hatcher barreled over from the nine yard line and Carnegie led 13-0.

In the third quarter Undereiner hit Caruso with a screen pass for Dormont's six points. Dormont kicked off and Ron Hatcher returned the kick 75 yards for the final touchdown of the game.

Carnegie 28 — Moon 6

Moon drew first blood on a 60 yard punt return for a touchdown. The Tartans retaliated with a 20 yard touchdown by Ron Hatcher. The conversion was made and Carnegie led at halftime 7-6. In the third quarter Carl Shanahan scored on a keeper around end. In the fourth quarter Ed Stotsky ran 64 yards and Ron Hatcher ran 22 yards to end the game.

Carnegie 14 — Stowe 0

The first touchdown came when Frank Habjanetz blocked a punt and John Otto ran the loose ball 22 yards for a touchdown. Bob Michigan carried the extra point. Ron Hatcher plunged 3 yards to score. Jim Wilk tallied the extra point.

Carnegie 26 — Bridgeville 6

Ron Hatcher returned the opening kickoff 91 yards for a T.D. Carl Shanahan ran 10 yards on a keeper for the second tally. Jim Wilk converted. In the second quarter Jim Wilk carried 40 yards around right end for a touchdown. John Otto completed Carnegie's scoring with a 20 yard run off tackle.

Bridgeville's lone touchdown came on a pass deflected into the hands of a Bridgeville receiver in the end zone.

Carnegie 6 — Glassport 14

Widel of Glassport scored first on a 54 yard run. Gndazdowski connected and Glassport led 7-0.

In the third quarter Gndazdowski went off tackle for another counter. The try for point was wide but a Tartan penalty gave the Gladiators a second chance. This time Paterra went off tackle and Glassport led 14-0.

In the final quarter Bob Michigan scored from the 5 yard line. The try for point failed. In absorbing their first defeat, the Tartans were ousted from W.P.I.A.L. Class A competition.

Carnegie 13 — Shaler 13

The first score came when Shaler's Malone hit Gray in the end zone with a pass. Lewis split the uprights and Shaler led 7-0. In the second quarter Shaler's Isett plunged into pay dirt from 3 yards out and at the half Shaler led 13-0.

In the third period the Tartans broke into the scoring column with a six yard touchdown run by Ron Hatcher. The conversion was missed. The final tally came when Bob Michigan went off tackle for 29 yards and a touchdown. The extra point was good and Shaler was knocked from Class A competition by the 13-13 tie.

Carnegie 39 — Crafton 0

Jim Wilk dove 3 yards for the first touchdown and Ron Hatcher added the extra point. Ron Hatcher then scored the next 2 touchdowns on successive jaunts of 75 and 74 yards respectively. Bob Michigan added an extra point and Carnegie led 20-0. In the third quarter Eugene Usechek intercepted a Crafton pass and dashed 20 yards for a touchdown. Ron Hatcher again stepped to the front with two scoring plunges and one extra point. The Tartans came home victorious 39-0.

Carnegie 33 — Scott 13

Carnegie drew first blood when Ron Hatcher recovered a fumble and lateraled to Ed Bunio who ran 35 yards to score. Ron Hatcher burst off tackle for 45 yards and the second touchdown. Jim Wilk scored next on a plunge from 3 yards out and then added the extra point. Early in the second period Ron Hatcher carried 75 yards behind excellent blocking to score. Bob Michigan added the extra point and Carnegie led 26-0 at the half.

In the second half the Golden Bears were an inspired ball team. Borris went off tackle for their first touchdown. In scoring position again Saporito threw a pass intended for Kratzer. But "Old Faithful" Ron Hatcher intercepted on the 2 yard line and ran 98 yards for the Tartans final touchdown and extra point. Later, Scott's Seigfried scored their final touchdown and extra point. The triumph over Scott was a fitting end to a successful season.

SENIORS

SENIORS

FOOTBALL

Mary Walker — Senior

Twertpie — her favorite cheer is the "Rumba" — always arrives at the last minute.

Diane Babish — Senior

Di has been our shortest cheerleader these last few years — always has a bad case of the giggles.

Shirley Black

Shirl keeps the chatter constantly on the move — has a habit of changing cheers at the last minute.

CHEERLEADERS

Nancy Cridge — Senior

Nancy — a very deserving head cheerleader — by far the loudest and most energetic of them all.

Joann Bogdon

"Bogy" has cute dimples and a pretty smile — real nice figure and lots of cheering talent.

Gerry Isaacs

Our pert little sophomore — can never remember where to stand or what to do.

Judy Allen

Judy can usually be found in the center of the line — an ardent spray netter.

Left to Right: Pysh, Stotsky, Garner, Bunio, Hatcher, Litvak, Spec, Lewis, Stasiowski, Coleman, Medwig.

WRESTLING

The Carnegie High matmen showed a big improvement this year. Under the direction of Mr. Sawhill and the new assistant coach, Mr. Swenn, they initiated new practice systems.

A team of only five experienced men started the season well. A large group of underclass wrestlers gives bright hopes for the team's future.

First Row: Smith, Weikel, Taylor, Dunlevy, Lewis, Cridge, Gangone, Burda, G. Taylor. **Second Row:** Spangler, Saunders, Podolak, Mr. Hartley, Knarr, McCullough, McNavish.

RIFLE

Mr. Hartley

The rifle team of 1957-58 had a pledged membership of 54 and a waiting list of 22. But as usual those who saw glamour, gayety, bus rides and trophies, learned in reality that if there were such awards, they would be realized only after a long period of training. As a result, we now have a membership of 18 boys and girls who stay because of their love of the sport.

We have but two varsity members returning from last years team: Nancy Cridge, who earned a NRA award and Gordon Taylor, a very ardent marksman and hunter. Our new members are very promising marksmen for this

First Row: Usechek, Shanahan, Michigan, Stotsky, Coleman, Meyers, J. Klim. **Second Row:** Solomin-sky, Medwig, Sembrat, West, Stasiowski, Garner, Kerchansky, Kreiger, Hatcher, Lewis, R. Klim.

This year Carnegie High School will field one of the best baseball teams in quite a long time. With eight returning lettermen, coach Charles Stockum feels the boys have a very good chance to better their last year's record of 6 wins and 3 defeats. Since the Voyager has gone to press before baseball season opens, we cannot accurately report their success but we wish them luck and hope they will continue to be a strong contender in section competition.

BASEBALL

Left to Right: Hegeman, Medwig, Jordan, J. Boyda, R. Boyda, Specia.

GOLF

Mr. Bandyk

The members of the golf team are selected by the ability they show on the green. This year's returning members are Bob Boyda and Larry Jordan.

The golf matches are all played in the afternoon on the various district courses. The home course is at the Chartiers Country Club.

The team plays those teams which are entered in Section VI of the WPIAL.

Mr. Bandyk expects a good season with the Juniors that will return next year.

ACTIVITIES

VOYAGER

Last spring, the 1958 Voyager Staff, under the direction of editor, Tom White, drafted a format for our work in the fall. The plans included color division pages, underclass write-ups, and a new printing process.

When the fall term arrived, our work began in earnest. Many were the days when the entire school was bleary-eyed from flash bulbs, and heads were hung low because assignments were turned in late.

But, despite all our labor and headaches, we of the staff found great pleasure in our work. It is our hope that in the future this book will bring back many pleasant memories of your high school days.

CHOIR

The Choir, under the direction of Mr. Bandyk, has proved to be a very important part of Carnegie High School. It was established for those students who are interested in music and wish to further their ability.

Each year the Choir has a Christmas performance and a Spring Concert in which the students demonstrate their talents. The group meets twice a week and is composed of 107 students who are members of the Junior and Senior classes.

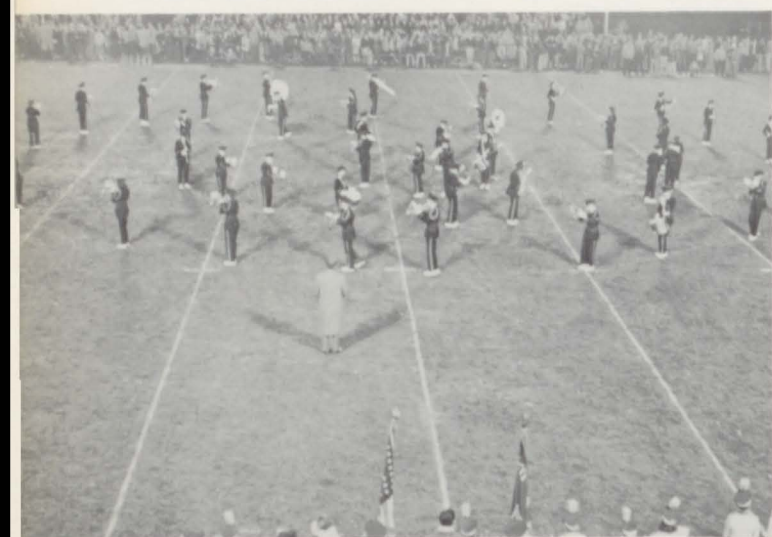

BAND

The Carnegie High School Band, under the direction of their new leader Mr. Aldo Di-Ianni, has shown great improvement this year. Besides adding white gloves and white buckskin shoes to the uniform, the band also executed a number of snappy routines for entertainment at half-time for the football games.

This, coupled with their playing for pep rallies and their wonderful Spring Band Concert, has resulted in a quite successful season for the band. We hope they continue to improve and have many successful seasons in the future.
