Sentimental Silhouettes

by Barbara Ann Lipman ('65)

*The sounds of school — the games, the classes,
With these thoughts there comes a pain;
That joy disguised so quickly passes,
And I cannot return again.*

*Deep inside my heart they sing,
Those memories which emerge and yet
The sweetness and the joy they bring
Are captured in a silhouette.*

MR. KENNETH LOGAN
Supervising Principal
Carlynton Joint School District

Dear Graduates of the Class of 1965:

Any age is silhouetted against the background of history. Yours was heralded in by the exploding atom and, but for Divine guidance, might well have ended in a similar holocaust. Although man often seems bent on his own destruction, a greater force has thus guided his destiny away from annihilation. Apparently, he has been spared for a nobler end.

As individuals, and collectively, you will play roles in averting disaster and achieving that greater destiny. Let reason prevail over madness; wisdom, over ignorance; and love, over anger. Man achieves his ultimate expression in helping his fellow man. No struggle for selfish gain, no matter how successful, has ever so exalted man in the esteem of his peers as has his selfless efforts to serve his weaker brothers. He who serves others aids himself. Fifty years after graduation, the happiest member of the Class of 1965 will be that one of you who has done most for his fellow man. Wealth alone will not suffice.

MR. NICHOLAS FRATTO
Principal—Carnegie High School

SILHOUETTE

For me the word "silhouette" carries a special meaning as it related to young people on the verge of beginning a new way of life, especially in our complex society. It represents an accumulation of the past educational, physical, moral, social, and emotional training which you have received thus far in the Carnegie Schools symbolically reflected as a form cast upon the background of eternity. It represents to me the countless hours of your past teachers, the fathomless love of your parents, and the painful stresses of growing up. At this point in your young lives, I like the shadow which I see; however, it is incomplete.

Just as men cannot live on their past laurels, this Class cannot survive on its past collection of experiences. Each of you must accept the responsibility for projecting society's investment in a willingness to work hard and fight for the system that believes in freedom and the worth of the individual. Opportunities are as great today as they ever were in America for those who truly believe in its philosophy. Don't fail us. Your country waits for you. In fact, eternity waits.

Seniors

The officers chosen by the Class of 1965 to lead them through their senior year at Carnegie High School are: Russell Bunio, Peter Dignan, Catherine McGinnis, and Penny Perlman.

President, Russ Bunio, has already demonstrated his ability for leadership by fulfilling the duties of this office all through his junior year. Russ is at home on the basketball court as he is in the halls of C.H.S.

Vice-President, Pete Dignan's cheerfulness and enthusiasm makes him an asset to the senior class. Pete is a very active member of the Student Council and is on the Varsity basketball team.

Although a transfer student in the tenth grade, Cathy McGinnis has won the respect of every senior. Her acting ability gave her top billing in the Junior Class Play, and even though she is in many activities, Cathy keeps a high grade average.

Penny Perlman, treasurer, was also Homecoming Queen for 1965. Her dimples and constant smile add a spark to the senior class. Like Pete and Russ, Penny was also an officer in the junior class. This year, she continues to aid the student body.

Magazine Campaign

"Let's make this the best campaign ever," a motto in the hearts of all seniors, was fulfilled when the goal of \$5,000 was surpassed in the 1964 Magazine Campaign. The door-to-door efforts of the seniors, led by co-chairmen John Mitchell and Katie Garvin, helped to make the 1965 Voyager the best ever! All the hard senior workers were rewarded with an ice cream party and many other prizes. Thanks loads, Seniors!

Junior Class Officers

Chosen for their competence and responsibility, the Junior Class officers lead their class of '66 through this school year. With the help of their sponsor, Miss Pavlov, they carry out many duties, including the class trip to Washington, D.C., and the Junior-Senior Prom. The Class of 1966 chose Steve Madva, Fred Bigham, Jodi Whaley, and Susan Livermore as its officers.

Steve Madva, president, has gained many friends from his all-around "nice" personality. His willing acceptance of responsibilities helped him to be elected to the important office of class president.

Fred Bigham is a vice-president with ambitions. Fred's willingness to work always gets any job done well. His friendly ways have made him a favorite among all his school pals.

Jodi Whaley's cheery smile and her A plus personality to match combine with her competence in performing her duties. Her eagerness to do everything on time and in perfect order has added to her success as class secretary.

Susan Livermore makes use of her friendly smile and winning personality to make friends with everyone. Susie takes an active interest in all school affairs and thus has made a superior class treasurer.

Guerin, Mr. Buggan.

Homeroom B-10

Homeroom B-10 is "bubbling" over with active juniors. Susie Cole, as cute as ever, is a peppy cheerleader. Joanne Rupinsky is seen twirling her baton at the football games and Jennifer Donaldson and Andrea LaBella march as color guards. Active in sports are Joe Popivchak, Gary Simms, Pete Matwiczuk, Jeff Thomson, "Sonny" Wash, and "Butchie" Danks who is also a Voyager staff member. Susan Livermore, a pretty junior in the Homecoming Court and Andrea Kantor, a member of the Girls' Ensemble, are on the Tri-Hi-Y Executive Committee. With all this talent this homeroom has to be good!

FIRST ROW, Left to Right: D. Carrig, J. Zawilla, E. Welsh, J. Smolak, C. Bielewicz, H. Korzinsky, L. Celli, M. Drogowski, C. Keisling. SECOND ROW: V. Metz, B. Parker, D. Gorley, J. Whaley, M. Homeroom B-11

Junior Homeroom B-11 with Mr. Kostley as homeroom teacher and sponsor of the National Thespian Society, is represented by Jodi Whaley and Bill Dignan, in the Student Council, while Mary Gordon and Valerie Metz are in the CHS cheering squad. Debbie Gorley is in the CHS Kiltie Band and Caroline Keisling is color guard. Jodi Whaley and JoAnn Zawilla are on the Voyager staff. Also, members of the Little Tartans football team are Rich Pryke, Stan Carson and Charles Burke. Stan Carson and Rich Pryke are also on the wrestling squad. At basketball games you will see Harry Moehring, Ron Sgro, and John Beerman showing their talents. Now wouldn't you say this homeroom is really active??? With all these muscular boys I would suggest that outsiders beware!

Brightly colored paintings and the mixed odor of paint and turpentine make Mrs. Pavlov's homeroom unique. But the juniors who report here every morning add their own distinction. Linda Lewis and Martha Cathcart are both Student Council members and pretty cheerleaders. Patti Boyd and Linda Lewis blend their voices with other members of the Girls' and Mixed Ensembles. The boys are not to be ignored for they are very active in sports. Dave Skirpan, the treasurer of the FTA, Mickey Popivchak, and Ed Enrietti are on the football squad, and George Barwell and Dave Skirpan are on the wrestling team. All of these students seem to be "painting" a portrait of success.

Homeroom 203

Presiding over homeroom 203 is Mrs. Green, who is a senior English teacher and also the sponsor of our Voyager. Since 203 is the office of our great yearbook, shrieks of torment arise here when deadlines suddenly spring up, which can't be met. Mrs. Green is to be praised for all the time and patience she gives to the Voyager staff.

Various school activities are discussed in the short 5 minute buzz sessions. Jane Werremeyer is a lively Tartan majorette. Butch Bayer wrestles, while Wes Young, Steve Pituch, Mike Kozy, and Russ Wright are members of the Little Tartan football team. Randy McDanel is the valuable wrestling manager. The Town Meeting Club is represented by Debbie Kantor, Mary Ann Barthen and Cathy Haluszczhak, who is also in the Girls' Ensemble. Serving on the Voyager staff are Marianne Rad and Wes Young. All in all, I don't think anyone could get bored spending their 5 minutes every morning with this gang.

This Junior homeroom is under the supervision of Miss Cameron, a new teacher at Carnegie High School. It is capably represented on Student Council by Bill Cathcart, Steve Madva and Varsity cheerleader Carole Ostaffy. Mike Douds and Casper Cardamone display their talents on the football field, while Dick Dotson, Leon Haracy, Steve Madva, and Rich Westermann represent the basketball team, and of course, Mike Zuk is an able Tartan wrestler. Jim Mykita is secretary of the Future Engineers as Rich Westermann is secretary of the Camera Club. Carole Ostaffy, Rich Westermann, and Bill Cathcart are energetic Voyager staff members. This homeroom has made an outstanding name for itself, hasn't it???

Homeroom 212

Mrs. McCusker, a newcomer to CHS, supervises over this Junior homeroom. It is capably represented on Student Council by popular Sharon Fife. Sharon also represented her class in the Homecoming Court. Margie Budzik is a peppy cheerleader and a busy worker on the Voyager staff while Arlene Phillips, Linda Bonassi, and Joan Crivaro are high-stepping majorettes. Fred Bigham and Joe Zawilla display their talents on the football field while Ron Trombetta, Art Aloise, and Alan Masko are powerful CHS wrestlers. This homeroom is surely hard to beat in its number of active students.

Although Mr. Bouyoucas is the Driver Education Instructor at CHS, he does not have to "drive" his sophomore homeroom. These students from B-12, the study hall, participate readily in the school's activities. George Petronsky is a member of the Student Council, and Jane Bielewicz is a sophomore girl in the Girls' and Mixed Ensembles. Mark Spezza, Bill Cunningham, Bob Jasick, Rich Fontanesi, and Dave Kelsey participate in the various school sports. Yes, these students seem to never put on their "brake lights!"

Speizer, Mr. Palonis.

Homeroom 105

Mr. Palonis ably calls to order sophomore homeroom 105 every morning. Even though Mr. Palonis sponsors the Spanish Club and teaches Spanish and French, the students usually salute the flag in English!

This homeroom is musically inclined. Mary Hof and Russell march in the CHS Kiltie Band, Barbara Kelsey is a high-stepping majorette, and Amanda Del Grande belongs to the Kiltie Band's color guard. Barbara Scott represents 105 in Student Council meetings.

All agreed on the capabilities of this homeroom???

The epigram "quality before quantity" certainly portrays room 208. Even though this is probably the smallest homeroom in CHS, it is well represented in school activities. Duane Love, Wayne Jordan, Charles Darr, and Dave Boyce participate in various school sports while Dave Mykita plays in the Kiltie Marching Band. Mr. Zaney, 208's great homeroom teacher, also keeps very busy. He is head coach of the Little Tartans football team and the sponsor of the Varsity C, the Lettermen Club. Mr. Zaney can well be proud of his sophomore homeroom.

Homeroom 210

Many active and popular students report to "Charlie" Stockum's room every morning. Bob Kessler represents this room on the football and baseball team and Andy Pronko on the basketball court. Becky Dixon and David Senovich march with the Kiltie Band while Betty Emerick is a substitute majorette. Paula Spezza and Becky Dixon are busy Voyager staff members. Becky also sings with the Girls' Ensemble and is a sophomore Student Council representative. Not only are the students busy, but their homeroom teacher is too. Mr. Stockum coaches the backfield and kickers of the "Tartan Big Eleven," and is head coach of the baseball team. Mr. Stockum doesn't need to keep these students on the "ball" cause they're doin' fine by themselves!!!

"A mixture is a material composed of two or more substances each retaining its own characteristic properties."

Homeroom 211 or the Chemistry Room is such a mixture—a mixture of different CHS students. Mrs. Wovchko, our new Chemistry teacher, has the wonderful job of keeping charge of this active homeroom.

Mike Soliminisky, Bruce Whaley, and Sandy Popivchak represent the sophomore class in Student Council. Participating in sports are Joe Lesniak, James Deichler, Mike Soliminisky, Paul Adamski, and Chris Green.

Is it no wonder that if all these students are mixed together right they could create a "bang" in CHS?

Activities

The Student Council is by far the most active organization in Carnegie High School. It is composed of representatives from each class who are elected by the student body. The Council's duty is to aid their fellow classmates and the administration in making CHS a finer school and to solve any pressing problems that arise during the year. It is commonly said that the Student Council has its hand in everything because it certainly is active.

At the home football games you'll see some of the members behind the concession stands, which is one of their new projects. Student Council also prints the programs for the athletic events with the aid of the commercial department, sponsors the United Fund Campaign, supports the foreign exchange program, has an annual Appreciation Day, and this year has been asked to submit ideas for the new Carlynton jointure.

Not to be forgotten in the ranks of the Council is Mr. Buggan, its sponsor. He willingly spends many after school hours with Student Council to see that the job gets done. Our responsible Student Council would have an impossible job without the help of Mr. Buggan.

Troupe 367, Carnegie High School Thespian Society, consists of a select number of students who have participated in the CHS drama program. Its purpose is to strengthen and encourage interest in the act of stage production. The Junior and Senior Class plays and various school assemblies are produced by the Thespian Society. Membership is selected on a basis of merit points, which are acquired by participating in one of the class plays, either as behind-stage workers or members of the cast.

Student United Nations

A unique, different type of club is the Student United Nations. Organized primarily for the study of the United Nations and foreign affairs, the Student United Nations has since grown into a student financed, student operated, student organized club. It gives the students a chance to learn while debating international issues and carrying on the work to the likeness of the real United Nations.

Carnegie High School is an active senior member of the Western Pennsylvania Student United Nations and has won quite a few awards. We are proud of our records and accomplishments in this unique organization. Many thanks go out to its sponsor, Mr. Speziale, who devotes much of his time to helping the CHS Student United Nations.

Choir

Under the direction of Mr. John Bandyk, the choir presents two choral programs annually. This year, for the first time, the choir is making a recording of their Christmas Concert. The choir is composed of juniors and seniors. The Mixed Ensemble presented a Christmas Program at the Equitable Gas Company lobby in Pittsburgh. Members of the Choir sang in the All-County Chorus performing for the Allegheny County Teachers' Institute at the Syria Mosque; Mr. Bandyk was the piano accompanist for the chorus.

Band Manager
BILL HOHN

The marching band has enjoyed much success this year. In addition to the traditional football season, the band was invited to march in various parades including the United Fund Parade and the Kaufman's Christmas Parade. Also, the band was quite honored when it received a trophy at the North Hills Band Festival. The most unique feature of this year's kiltie band was the addition of bagpipers. Without the devoted direction of Mr. Aldo DiIanni the accomplishments of the band would have been, indeed, few and far between.

Students International

A fairly new club at CHS, the Students International is limited to foreign students who are attending Carnegie High, all returnees, or American students who spent the past summer in a foreign country, and all Junior candidates for either foreign exchange program. Under the sponsorship of Mr. Joseph Buggan, the club devotes most of its efforts to the organization of activities which will enlighten the foreigners with a true picture of American life. Prominent is a Foreign Exchange Day in which other foreign students in the Pittsburgh area will visit CHS to participate in a program which will include an Assembly for the student body.

This organization certainly does its share to spread good will both here and abroad.

The See

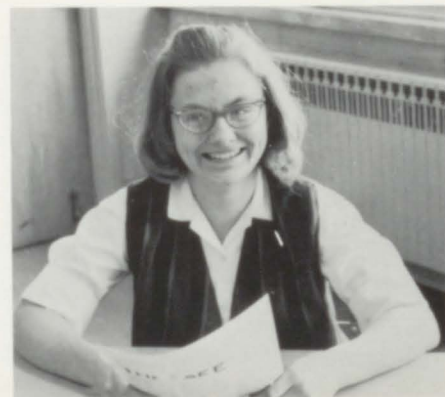

Presented for both the student and teacher, the 31st year of Carnegie's SEE is the Little Tartan's bi-monthly look into the school activities, past, present, and future. Student printed under Mrs. Patricia Mason's direction, the journalistic effort and work is the responsibility of the journalism class which meets this year for the first time during a regular class period.

Under the guidance of Miss Lois Mason, Linda Popivchak edits the paper with the help of a staff of 20 sophomores, juniors, and seniors.

The SEE is a member of the International Quill and Scroll Society and the Pennsylvania Scholastic Press Association.

To attain membership in this club the students must be recommended by their English teachers. The organization's functions are to promote better reading and to maintain an efficient and appealing library. Each member is required to devote free periods toward processing books, designing book displays, aiding other students, and doing general library tasks. The National Library Week is highly publicized by the club with a book contest and reviews.

G.A.A.

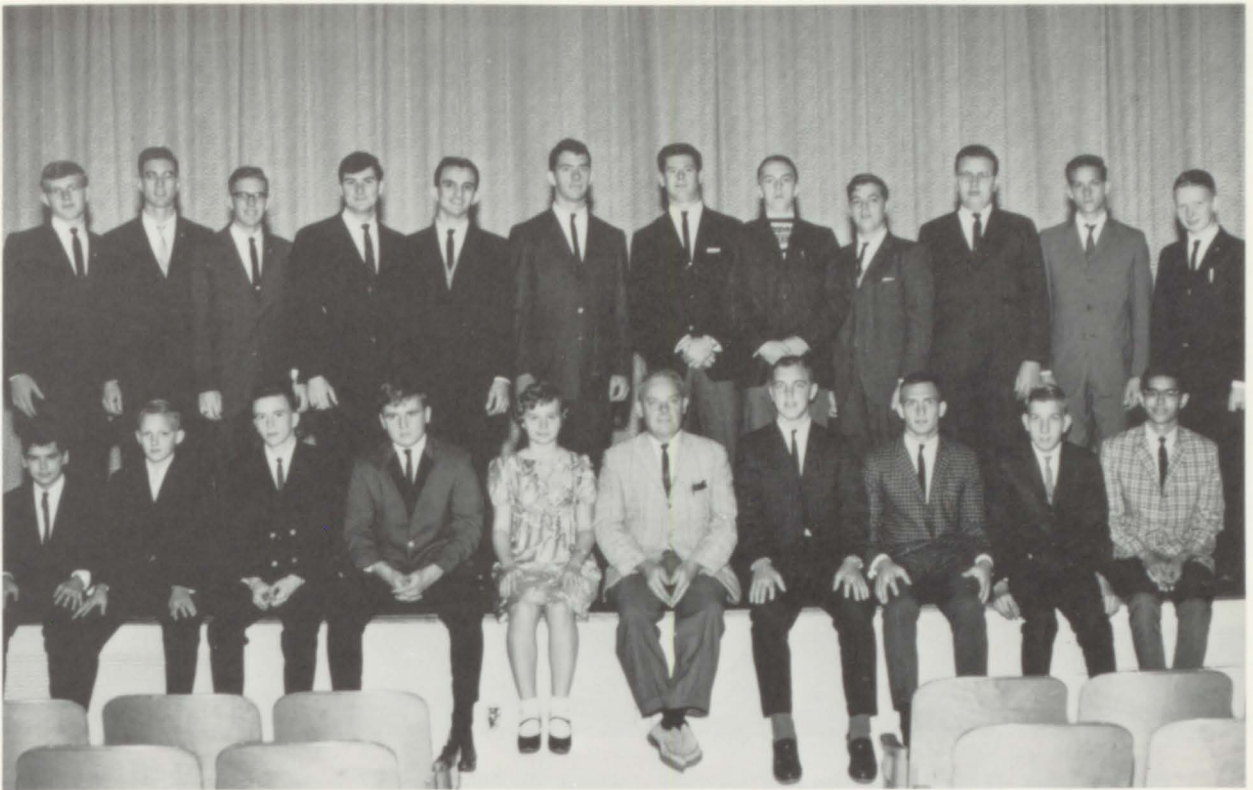

The Girls' Athletic Association, better known as the GAA, is a club that encourages good sportsmanship. All girls are welcome to join and play in interscholastic games. Each year at their mother and daughter banquet the girls who have accumulated the most points are awarded letters! Miss Senk has given up much of her spare time to help this active club. All the girls look forward to the joint picnic. Why? Because it's held with the boys in the Varsity C—That's Why!

"I wonder what they do in the 'dark room?'—Develop pictures, of course!—under the supervision of the Camera Club.

This club is one of the less glamorous but perhaps one of the busiest when viewed by conscientious members. It helps to instruct members on the use of the dark room and offers pointers on how to take better pictures.

Under the auspices of Mr. Burkett, the club is open to all students who are interested in cameras or who would like to make cameras a hobby.

Besides working in a dark room can be fun! Ask Tom Long.

The club's main project of the year is the sponsorship of the school's annual Science Fair; and, therefore each member is required to enter a science project. Among other activities, the club holds skating and swimming parties to raise money for prizes for the fair.

The Biology Club is certainly one of the more profitable and interesting clubs at CHS.

The Tri-Hi-Y is one of the most popular and active all-girl organizations of CHS. Its main purpose is to "promote, create, maintain, and extend high standards of Christian character." This year's many activities included convocation ceremonies at Heinz Memorial Chapel, swimming and dancing at the YMCA, presenting Christmas programs at John J. Kane Hospital and at the Carnegie Elks Club, and also helped the handicapped children at Shawn School. One can see Tri-Hi-Y girls selling "Katydid" candy to finance these activities. This year the club is very happy to have as our sponsor, Miss Katherine Ranz, who helped to make this club one of the finest and most outstanding clubs at CHS.

Membership is selective and competitive. A member of the Leaders' Club must pass both skill and written tests. The skill test consists of passing a series of tests pertaining to such sports such as volleyball, basketball, tumbling, etc. Then a written exam is taken containing all the rules about all girls' sports. If a girl successfully passes these exams, then she becomes a Leader.

The 1964-65 Carnegie High gridiron stars coached by head coach Mr. Ray Zaney, with the assistance of Mr. Charles Stockum and Mr. Ted Bouyoucas completed the season with a 4-5 record. Of the forty members of this year's squad, at least fifteen sustained injuries of one type or another. This, along with the fact that the Little Tartans play in one of the toughest conferences in Pennsylvania, makes a 4-5 record comparatively good.

The Tartan defense was one of the best in my league, yielding a little more than six points per game. Most of Carnegie's trouble resulted from a lack of scoring punch.

A bright spot this year was the fact that five members of this year's team made the WPIAL All-Star Team and the Big Ten Conference all-star team. The honor was bestowed on Greg Sembrat, Chuck Lee, Dan Spinda, Stan Korzinsky, and Joe Zawilla.

Wrestling

The 1965 grapplers have compiled the greatest record in the history of Carnegie High wrestling. This year, for the first time ever in the wrestling season, our boys were undefeated. Everyone anxiously looked forward to every game and finally we won them all!

The team is coached by Mr. Nick Swenn and is led by Stush Korzinsky, John Zaracki, Joe Muraco, Dan Spinda, and Bob Stewart who are all seniors. These senior lettermen have had great seasons during their three years at CHS. Many say that our Little Tartan team is one of the best in the state—let's say that it *is* the best in the state!

Wrestling

Carnegie High School is proud of its wrestlers. The season ended in undefeat with a record of 13-0. It was the first year in Carnegie High's history that the wrestlers have had an undefeated season. Record crowds attended the matches to watch our wrestlers fight on to victory. In the last 2 seasons they have lost only 1 dual meet and now hold a record of 21 straight victories. In the W.P.I.A.L. Sectional Tournaments, Coaches Swenn and Group had two winners: Mike Zuk, wrestling at 112 pounds, and Dan Spinda in the unlimited class. Second place honors went to: Rich Pryke-103, Bob Stewart-127, and Joe Popivchak-145.

The night of October 17 began with all the candidates in convertibles and the CHS Kiltie Band marching through Carnegie to the high school field. Six girls, looking their best, were thrilled at the honor placed upon them.

The stands were packed as Penny Perlman was crowned the 1964 Homecoming Queen. Joan Stevenson passed on her throne to Penny, during half-time ceremonies at the Montour-Carnegie football game. Penny's attendants were: 1st, Kathy Torcasio, 2nd, Sharon Fife, and 3rd, Sandy Popivchak.

Powder Puff Football Game

"Let's go girls, play ball." Yes, that's how it all began on October 16 as the Senior girls challenged the Junior girls to a football game. The reason—to raise money for the United Fund. Mr. Kostley and Mr. Matovich were brave enough to referee the free-for-all. The Junior and Senior boys gave their girls much support with their cheering, and, of course, the water battle was a lot of fun, too!

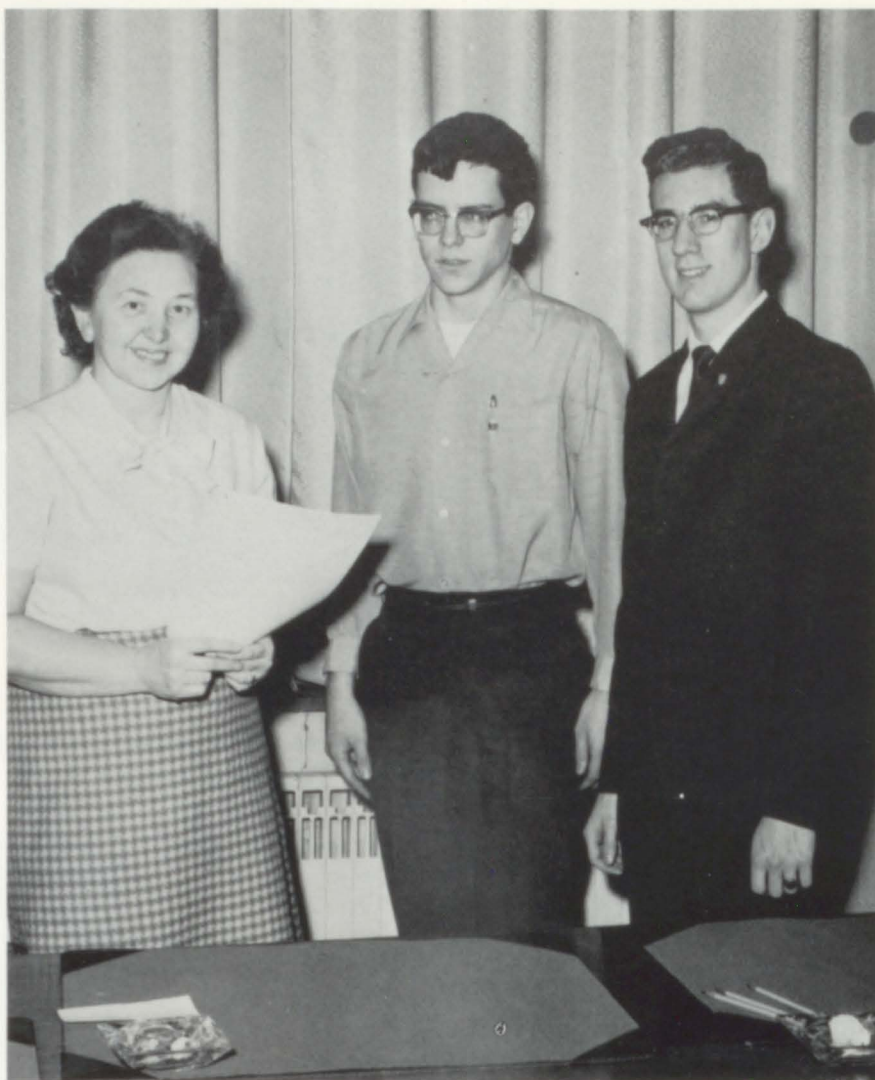

The girls had regular nightly practices under the lights, and showed the boys how a football game is really played! All was in fun, and it finally ended in a 7-7 tie. By the way, who did make the Senior touchdown?

National Merit

CHS's hearty congratulations go out this year to Craig Johnson, Tom Long, and Andrea Brisse, winners in the annual National Merit Qualifying Scholarship Exam.

In March of each year, juniors take the National Merit Scholarship test with hopes of winning a scholarship. The best 550 students in the nation, judged from the test scores and other scholastic achievements, are awarded full four-year scholarships.

Craig Johnson was one of 14,000 students who represent the top 1% who qualified as a Finalist, and both Tom Long and Andrea Brisse were commendation winners.

CHS is proud of its "scholars." Congratulations!

Junior Play

The Junior Class of Carnegie High School presented "Our Hearts were Young and Gay" on the nights of November 18 and 19. Both nights laughter rang through the halls of the school as the audience roared at the antics of the play.

Both the cast and the backstage crew worked long and hard to put on such a good production. Of course, much credit must be given to Mr. Kostley who directed it. Mr. "K" made our "amateur" Juniors look like "professionals." Opening night finally arrived and the presentation was a huge success for the juniors.

1965 Class History

The fall of 1962 the Class of '65 started its career at Carnegie Senior High School. Eager and excited, we dived into our first year as sophomores. We spent the first few months getting acquainted with everyone and learning the rules. Then we began to organize. The faculty and upperclassmen didn't know it then, but our class was destined for great things. We left school that spring looking forward to our first year as upperclassmen.

When we returned in the fall, everyone in school noticed our new appearance. There was a definite change from the unsure group of the previous year. We were a little older, a little wiser, and quite mature . . . especially in our own eyes. We were very united in all our efforts. There were a few new students who formed a wonderful addition to our class. We began our second semester with our long-awaited class rings. At last we were true upperclassmen. March of 1964 brought our unforgettable Junior Class Play—"WE SHOOK THE FAMILY TREE." The Spring of our junior year was highlighted by a new gimmick we introduced to CHS—the idea of a Junior class trip to Washington, D.C., organized and conducted by junior class leaders with the help of a few solicitous chaperons. Our junior year drew to a close with a traditionally beautiful junior prom.

We began our final year with the casual sophistication of glorified seniors. In our last year we number 163. From the Thanksgiving assembly of choral reading and for the rest of the year, we showed our superiority over Sophomores and Juniors alike. We breezed through mid-terms like the troopers we were, and fretted over board and achievement scores. The end of February saw casting begun on our immortal Senior Class Musical—"GUYS AND DOLLS." As our High school years drew to an end, we made one final departing contribution to CHS. After nearly six months of sweat and toil (the part we never think about), we presented our Senior Class Night '65—The program that will live on in the hearts and memories of the Class of '65. As we received our diplomas on June 9, many thoughts and experiences, teachers and friendships passed gently through the gates of memory to remain forever. We leave CHS sadly, but with the good wish that all the classes following us will have as much to be thankful for as we do.

MR. PAUL PERHOSKY
Principal

MISS MARY ANN GERRERO
Secretary

From the very beginning, it was emphasized that the junior high school should provide an effective program of education for early adolescents. This was, and still remains the chief purpose in educating our junior high students at Harding. We find at these grade levels, boys and girls at all stages of physiological, physical, and social maturity. In fact, at no other level in the entire school system do we find greater differences among boys and girls. These differences are of particular concern to all members of the faculty. As a result, the major responsibility of the faculty is to take these students with all their differences and prepare them for senior high school. This we feel we are accomplishing.

The Student Council is the most active of all the clubs at Harding Junior High School. Students vote in their homerooms for their representatives to the Council. Meetings are held regularly during the club period and often during regular school periods.

Projects of this year included the United Fund and Good Will campaigns; two skating parties and three dances. Student Council also purchased a stereophonic hi-fidelity console for the junior high.

The members of this club are to be thanked for all the hard work they put into the 1965 Voyager Campaign. Keep up the good work!

Junior High School Choir

MR. JOHN J. BANDYK
Director

The junior high choir is a group of selected voices from the seventh, eighth, and ninth grades who perform two, three and four part music. They sing for the Harding PTA spring meeting and the honors assembly at the end of the school year. Each year one person for each voice part is selected to represent Harding School in the Junior High County Chorus.

Junior High Basketball

The Junior High Basketball season this year proved highly successful. Though it is one of the smallest ever, it became one of the top. Under the able coaching of Mr. Charles Stockum, the team produces plenty of bustle and determination.

The backbone of this team includes Mark Steranka. Mark, who is 5'11", played first string last year along with Jack Steinhart. Jack who is captain produces many of the points needed for a victory.

The season produces plenty of excitement, though it was mixed with a little bit of disappointment. The team had a 10-5 record.

One of the outstanding games this season was the game with Crafton at home. The game after plenty of excitement ended in a heart-breaking tie! In the overtime, though, the fans stuck with the team all the way. All was in vain for Crafton picked up a four point margin to win—But at least we showed our school spirit!

Junior High Wrestling

If you are wondering what kind of a wrestling team we will have next year, ease your mind for the Harding Junior High School has just finished with a good season. A season with a record of 5 wins and 2 losses. Considering that 7 of these wrestlers have been placed in seeded positions in the sectional tournament is a good indication of the showing they have made this past season.

Several of the brothers of the Varsity wrestlers look very promising in holding up their reputation as good wrestlers—Eric Stewart and Paul Zuk. Along with others like Frank Remschel and Mark Perlman coming up it looks as though good wrestling will continue at Carnegie High School. The team coached by Mr. Joe Arrotti and assisted by Mr. Ted Bouyoucas is always kept in good shape and do mighty fine wrestling. Let's hope that next year the Junior High will have just as good a record as this past season has been.

The Trip to Washington

On Friday, April 3, 1964, two Continental Trailways buses loaded with 65 CHS juniors sped on their way—destination: Washington, D.C. Members of the faculty staff and others who "risked it" to chaperon the trip were: Mr. Lawrence Kastle, Mr. Aldo DiIanni, Mrs. Pavlov, Mrs. Marshall, Miss Barb Cook, and Mrs. Dorothy "Mamma Bear" Knoll, of the Knoll Travel Agency.

The Students raised money by selling Christmas candles, and each paid an additional \$40. It was all worth it!

Friday night, Saturday, and Sunday were spent sightseeing through Washington, attending a night club for dinner, a hootenanny, bowling and, of course, just plain fun.

Everyone was tired when they finally reached home at 12:30 A.M. Monday morning. No one could deny the fact that it was a wonderful weekend.

QUESTIONS ABOUT "THAT" TRIP"

Who did the police tell to stop picking flowers at Mt. Vernon?
Which girls sneaked down to the boys floor early Sunday morning?
Who threw water out her window onto the boys below?
Which boy—when he tried to crawl slyly out of his room—looked up into Mr. Kostley's eyes?
Who were the boy and girl lost in Arlington National Cemetery?
Who *did* take those pictures on the bus?
And, of course, what does "sailing" really mean?

Answer

"We'll never tell!"
