To the Senior Class of 1969:

It is with sincere feelings of happiness, tinged with regret that these brief lines are written. Happiness, in the knowledge that you—the Class of 1969—have reached the goal of high school graduation, having overcome the academic and personal hurdles one encounters in the process. Regret in the sense that no longer will we at Carnegie High School have the pleasure of working with you.

The world in which you emerge from high school is undergoing rapid unprecedented changes. It is hoped that the knowledge you have gained in your high school career will serve you well in meeting the challenges of this changing world. We at Carnegie High School will be thinking of you often. Your successes will be our successes, your disappointments our disappointments.

If, in the future we can be of service to you in your work or educational endeavors, we will consider it an expression of the esteem in which you hold our past efforts in your behalf.

Best wishes to each of you. May yours be a life rich in the material and spiritual benefits our great country has to offer.

Speech

At last the dreaded time has come
 When we must say good-bye
 To all the things we hold most dear
 At old Carnegie High.

These last three years, how fast they've
 gone.

It seems but yesterday
 When we embarked as sophomores green
 And sailed upon our way.

And now the end of school days near,
 The longed-for shore's in view;
 One hundred seventy-four sea-men
 Will leave—a friendly crew.

At last with hope we come to dock
 From three years on the blue;
 The life on which we must embark
 To all of us is new.

Think often of our high school friends
 And all our young romance
 And all the good times we have had
 At play, prom, and dance.

Perhaps our paths may never cross,
 'Tis time to say good-bye;
 But we'll hold dear the times we've had
 At old Carnegie High.

STUDENT COUNCIL

Senior Class Officers

Officers of the Class of 1969 are Charles Garrison, Michael Komrada, Carolyn Knepper, and Diane Homa.

Charles Garrison, the president, is our competent class leader. Besides being an excellent athlete, he lends a fine bass voice to the choir. Chuck gives a ready and willing hand whenever he is needed and can be counted on to do a good job.

Michael Komrada is the senior class vice-president. Mike, always full of many good ideas, leads our Kiltie Band. His willingness to help others and reliability earned him the office.

Carolyn Knepper is the hard-working and efficient class secretary. A colorful member of the Color Guard, she plays an active part in many school activities. Carolyn has made her office a success through her congeniality and willingness to assume responsibility.

Diane Homa is treasurer of the senior class. Dee, an active member of the Pep Club, is always eager to do the job. She is enthusiastic and highly deserves to be a senior class officer.

BONJOUR, FRENCHIE!

We are proud to have Catherine Maingourd as our foreign exchange student from Bernay, France. "Frenchie," as she is nicknamed, resides at the home of Mr. and Mrs. Robert Gabig, on Reamer Avenue.

Having visited Washington, D.C. with the family, Frenchie actively participates in various CHS functions. Sports-minded, she is a member of the Gymnastics Club and the Pep Club, plays tennis, and played volleyball in the intramural program. She is also a member of Student Council and the Book and Movie Review Club.

When she returns to France, Frenchie will complete her senior year of high school. She then intends to continue her education by attending college to become an interpreter.

Best of luck from CHS.

Junior Class Officers

The officers of the Junior Class are Paul Swiech, President, Bill Musiol, Vice-President, Robbe Rowlands, Secretary, and Karen Funari, Treasurer.

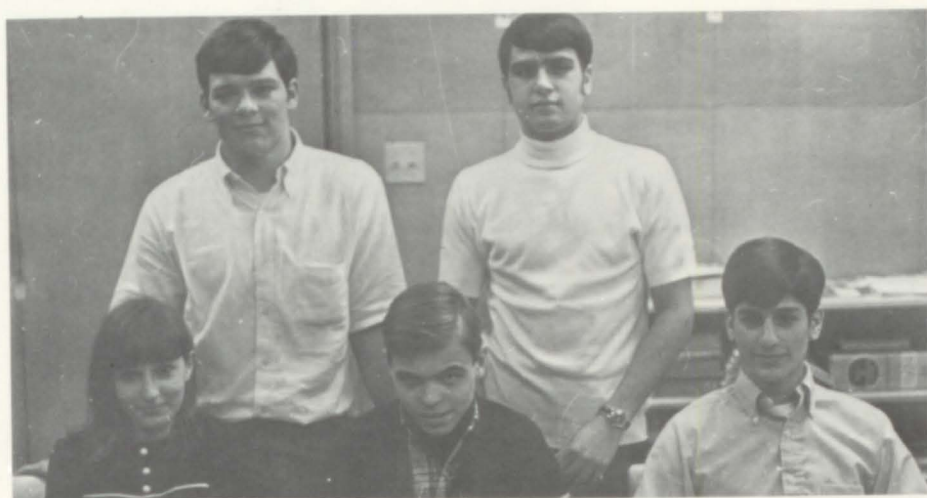

In addition to being an able president, Paul is also one of our finer CHS athletes, playing football and wrestling.

Bill, besides lending his musical talents to both the band and the choir, has shown himself to be a responsible vice-president.

Robbe is well-known through the school for her vivacious cheerleading at pep rallies and sports events. She also sings in the Mixed Ensemble of our choir.

And last but by no means least is Karen. In addition to being a hard worker in the junior class, she is also a fine singer in the choir and the Girls' Ensemble.

A TIME FOR HONOURING

Through our years at Carnegie High School, we, the Senior Class of 1969, have looked and tried to remember someone special—and worth honouring—for all the good hard work he or she has done for us.

Perhaps for this reason we, the Class of 1969, honour Miss Josephine Brogno in our 1969 VOYAGER. Not is this only for all the hard work she has done for each person in our class, but for showing us a clear, open path into our future.

This time for honouring not only brings a time for goodbyes; for remembering; for tears; and for thanks; but also for wishing Miss Brogno God's speed as the future becomes the past and the present.

Thank you . . . Miss Brogno

AND A TIME FOR DEDICATION

Carnegie High School has been in existence for the accomplishment of many ideals; through these ideals we, the students of the class of 1969, have attempted to learn that which has been available to us.

And in learning—comprehending—understanding—realizing—we look for some minute detail in each teacher which we can remember. Each and every teacher dedicated to Carnegie High School is worthy of being remembered by the students of the outgoing class.

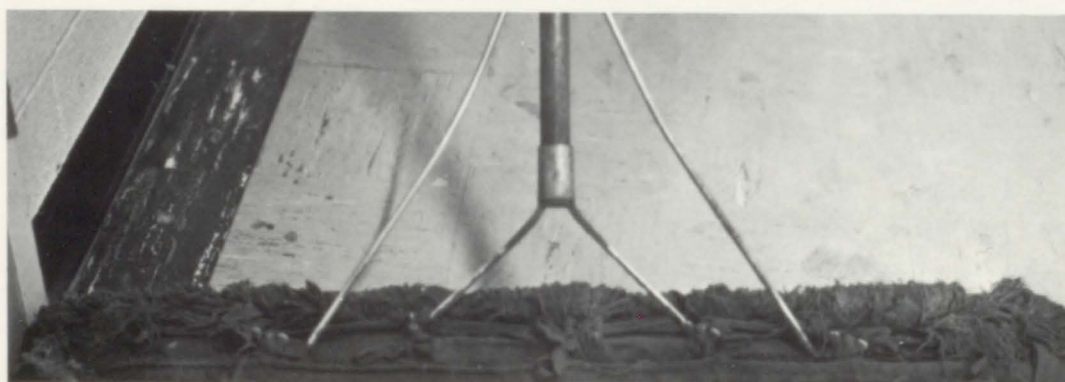

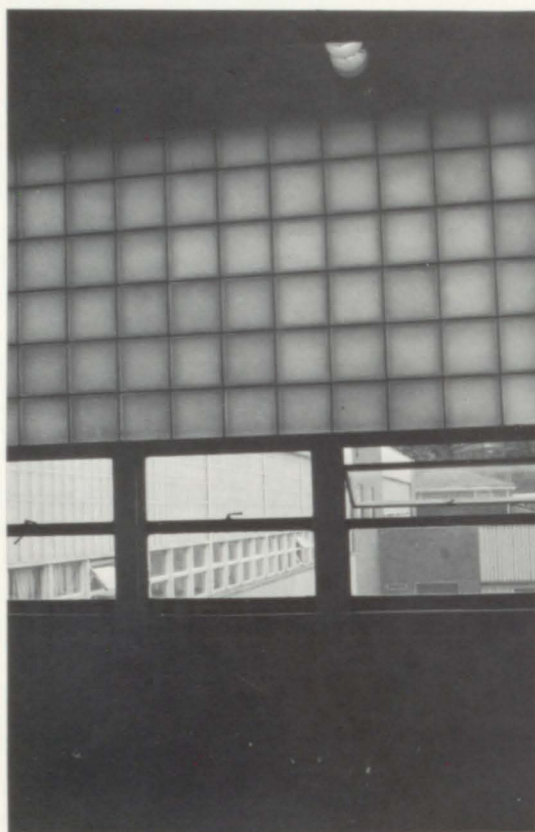

However, we, the class of 1969, have been in the search of a dedicated person in being a dedicated teacher.

For this reason we, the Class of 1969, dedicate our 1969 Voyager to Mr. Charles Stockum. But more for the sanctity of being himself. A gentleman, teacher, and friend—who has given each and every one of us a comprehension of how we should be proud, work hard—and carry ourselves as our careers progress.

God Bless You . . . "Charlie"

You won't remember me . . . But I'll remember you. Your words and laughter echoed in my walls. You became a part of me, just as each new echo will become a part of me when you are away.

But if you do remember me, I will still be watching, proudly, in that memory.

Our 1969 Homecoming Queen . . .

MISS DOREEN JACOBS

Homecoming 1968-69

Not only the choosing of the queen characterized homecoming, but also the planning and decorating of the field and the cars. Tension mounted as the hours passed on October 11. At last the tension was broken at the announcement of our court:

QUEEN: Doreen Jacobs escorted by Dale Thomson

FIRST ATTENDANT: Carolyn Knepper escorted by Tom Fontanesi

SECOND ATTENDANT: Sue DeRuyter escorted by Mario Belcastro

THIRD ATTENDANT: Bev Quinn escorted by Jim Muraco

FOURTH ATTENDANT: Denise Diminno escorted by Bob Mulholland

Senior Night

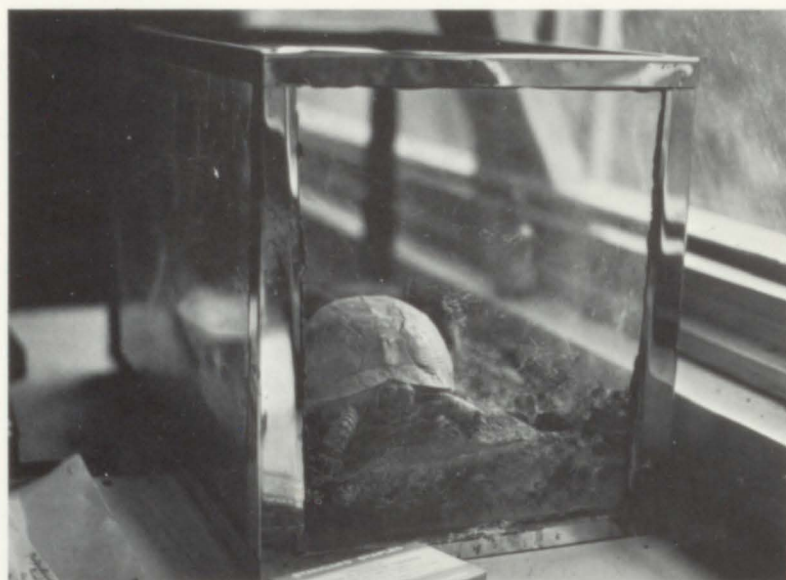

Senior night . . . a sad and happy time, for tears of sorrow as well as those of joy fell. Senior cheerleaders, majorettes, color guard, and band members were recognized at the football game. The orange mums, worn by the senior girls, symbolized this evening of October 25.

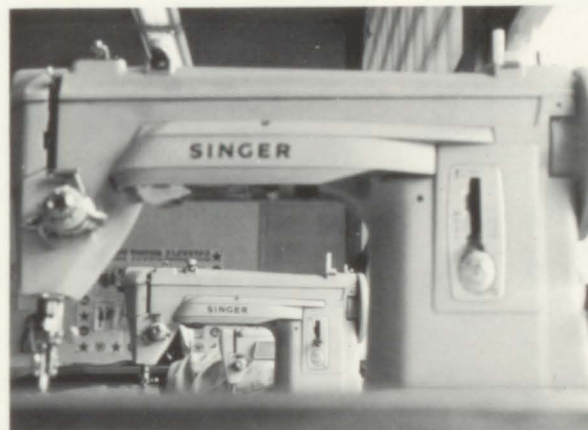

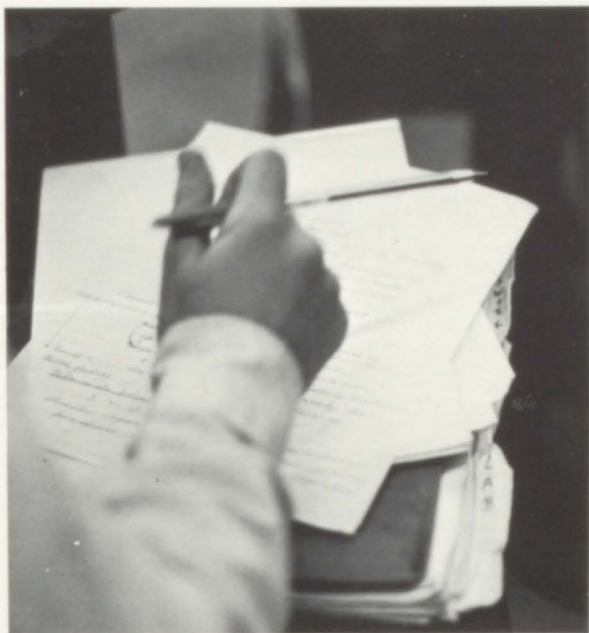

Little things that stick in your mind . . . we aren't so important. But still we're a part of your years—like the cake that came out right for a change, or the acid bottle that dripped a little bit, or that ugly turtle in Mr. V's room.

But you know, memory is a funny thing; sometimes you remember the little things that weren't so important.

Olympic Day

For the second consecutive year the class of 1970 came out on top in Olympic Day activities. Anticipating an easy victory, the seniors and sophomores slacked off in the early athletic trials accounting for the juniors early win. Despite a late rally by the seniors, the juniors held fast for the win.

Junior Class Trip

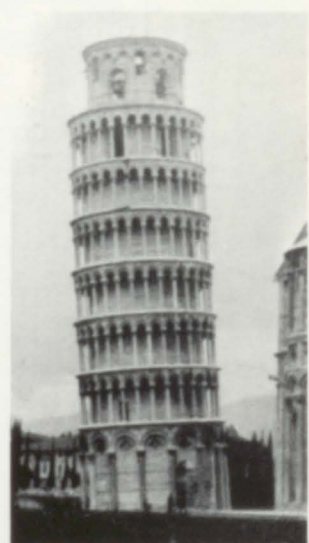

In April of this year the Juniors made their annual trip to our nation's capital. Once again many unusual things happened. Ask a junior. Just where did Miss Ree and Mr. Vipple go? Who was the man in the street? What happened at the hotel? And—How about Dot? All in all the trip proved to be educational and at the same time a lot of fun. And we're very serious when we say this.

Rome Visit

On March 29th, 12 members of the junior and sophomore classes traveled to Rome and surrounding cities to view ancient ruins. Accompanying them was their chaperone Mrs. Estelle Musico and other area schools. During their stay of 10 days, the trip was highlighted by a Papal audience at St. Peter's Square, a tour of the Colosseum and the Forum and bargaining with street urchins.
