G. Ross

Marching, fighting, laughing, cheering,  
 Holding onto all your skill,  
 Hoping to overcome all that you're fearing,  
 Blind to the destiny you are nearing.

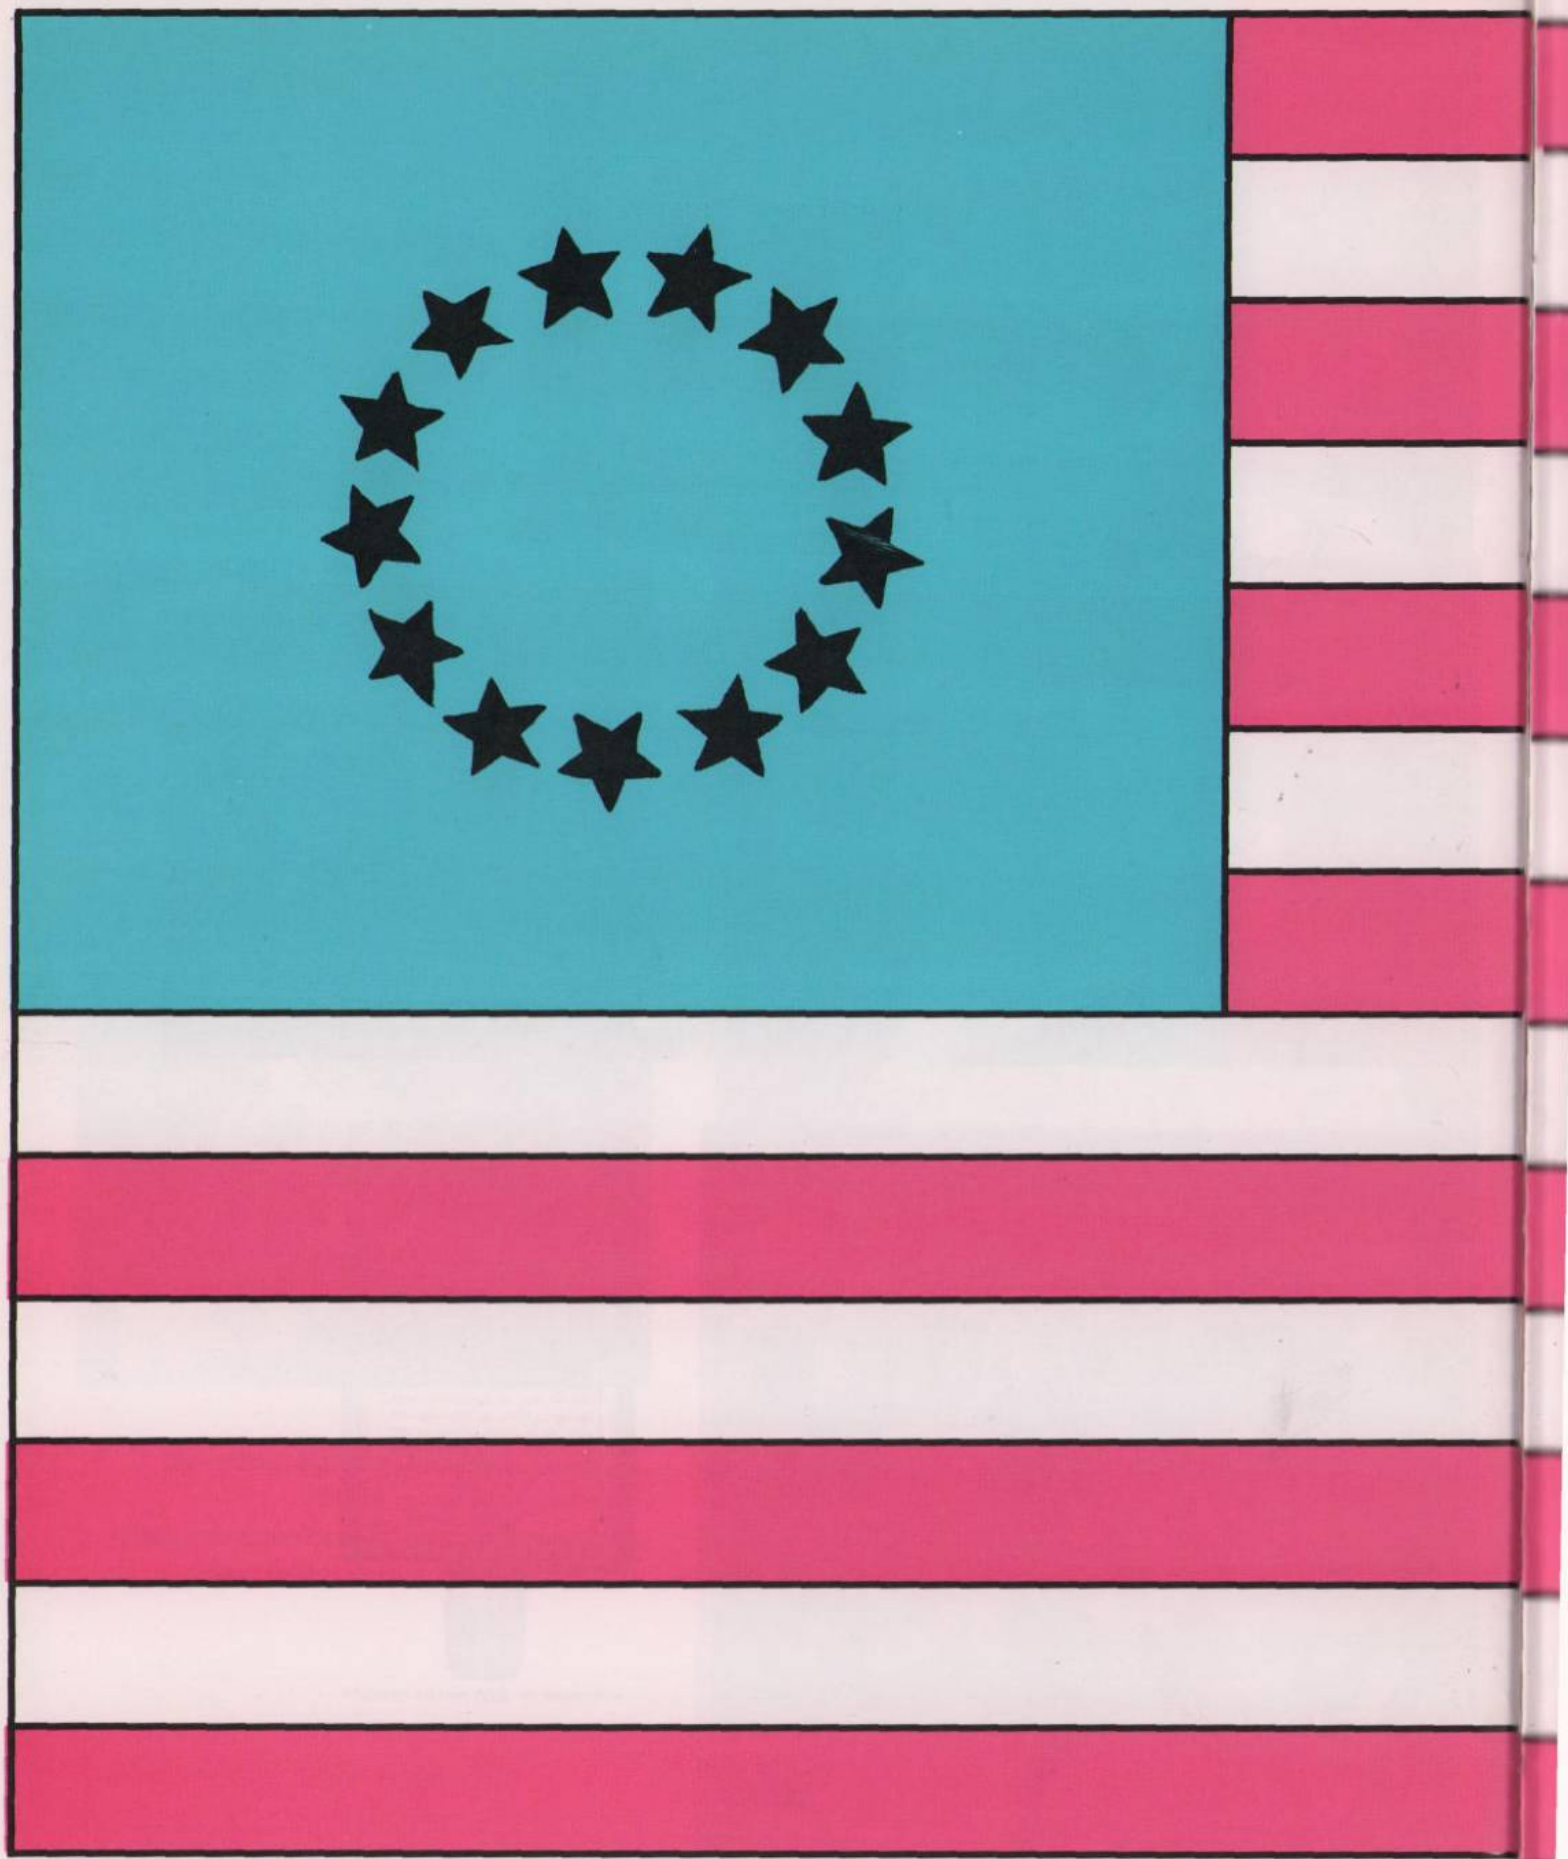

Tomorrow I'll reform, the fool does say.  
Today's too late, the wise did yesterday.

Homecoming

As if a ship marooned at sea,  
 Not driven by oar, rudder, or sail,  
 Adrift on the slow unmoving tide,  
 Alone ourselves with nowhere to hide.  
 Pacing journeys on our dust-filled deck,  
 Cloudy eyes with which to watch the sea,  
 Setting off our dreams for sun-filled lands,  
 Yet never reaching with our soft, virgin hands.

A lift, a joy, a swirling wind,  
 Content ourselves to listen to our woven tales,  
 A solemn song with which to touch our hearts,  
 A dirge for those who'll never have a start.  
 Our eyes are drawn in love's unending hope,  
 Our lips embraced in lingering love,  
 Our legs are taut and strong in youth,  
 Our thoughts surged with grandeur anew.

Yet as this ship is abandoned by aging crew,  
 Whose valiant turn is now upon the horizon,  
 Others shall stand and take the helm,  
 And forget the glories we have shared,  
 Forget the tales, the songs, the ways we cared,  
 And never watch again 'til their turn,  
 To face the world with what they've learned.

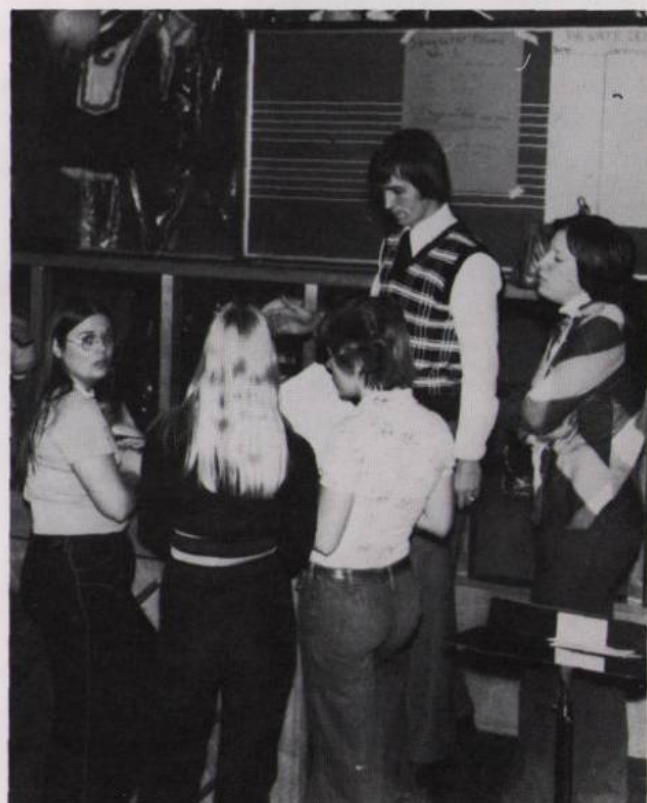

And in the end  
 Atop the mountain we have fought so hard to climb,  
 Not by our own but with an allie in time  
 The clouds don't stop forming  
 Within our minds.

### A KEEPSAKE

It is time my friends, to put aside the sorrow and the joy which was so much a part of these too familiar days.  
Those anxious hours, Oh how many they were, each one a real crisis, each demonstrating need.  
Unending streams of consternation, ordered, when possible in some very peculiar ways.  
Remember when you can the dreams we've shared you and I, of hallowed halls, torn down walls and sunshine in the sky.  
For dreams you see, are special things; — Indeed, that time simply can not take away.  
Though the years will pass with day-like speed causing memories to fade; it can't erase nor mar the face with sparkle in the eyes.  
Perhaps your parting is a beneficial lot, for to stay would mean stagnation, that is not a pleasant thought.  
No doubt you'll travel here and there, to search, to gain or at least to try —  
And through this journey of both time and place: Just keep a space, any old place for one who cares a lot.

When next comes September try to remember, those moments together, your class — its members.  
And perchance in a moment of nostalgic illusion when you find yourself sporting a spontaneous grin —  
Just think of the pleasure that memory brings, the joy of reminiscing Hey, do you remember when?  
You stand on a threshold symbolizing both beginning and end — your direction often clouded by an indecisive mind.  
The future's unknown, a challenge for sure — it stretches out before you with a beckoning haunt, which way? dismay! Accept it or not.  
But whatever your decision, no matter the course, Remember your dreams, hold fast to the course, for it is here happiness and peace reside  
unhampered, untouched by evaporating time.  
Oh, and one more thing; it's just a passing thought — Keep a space, any old place for one who cares a lot.

## THERE IS NO DEATH

In one sense there is no death. The life of a soul on earth lasts beyond his departure. You will always feel that life touching yours, that voice speaking to you, that spirit looking out of other eyes, talking to you in the familiar things he touched, worked with, loved as familiar friends. He lives on in your life and in the lives of all others that knew him.

## Senior Preamble

We, the Senior Class of 1976, a group of 278 students made our last year at Carlynton a cherished, long-remembered one. Our Senior year was no different than previous ones except that we were honored to graduate in a great year, the bicentennial birthday of our nation.

Seniors, do you remember? . . . having Senior pictures taken . . . our first day as Seniors . . . going to all football games is a must . . . screaming at the pep rallies . . . The Spirit of '76

Denied by time what Senior's have,  
 Too young to admit they're ever wrong,  
 Never alone or helpless to laugh  
 At the mistakes of youth which make the year long.

## K.P. Duty

After preparing food for all the schools, the ladies still seem happy. Wouldn't it be nice if we all were like that?! What's for lunch? I don't know. I don't buy because I'm afraid I'll drop the tray. How about a Captain Crunch or Nutty Buddy or potato chips or an ice cream sandwich or . . . I need another fork, this one just broke. We should get SILVERware. Have it our way, special orders don't upset us, all we ask is that you "stop pushing." Do you have enough napkins? I forgot my 55¢ today. That's okay, I didn't bring the Alka-Seltzer anyway.

 We have a shadow of our dreams in our form.

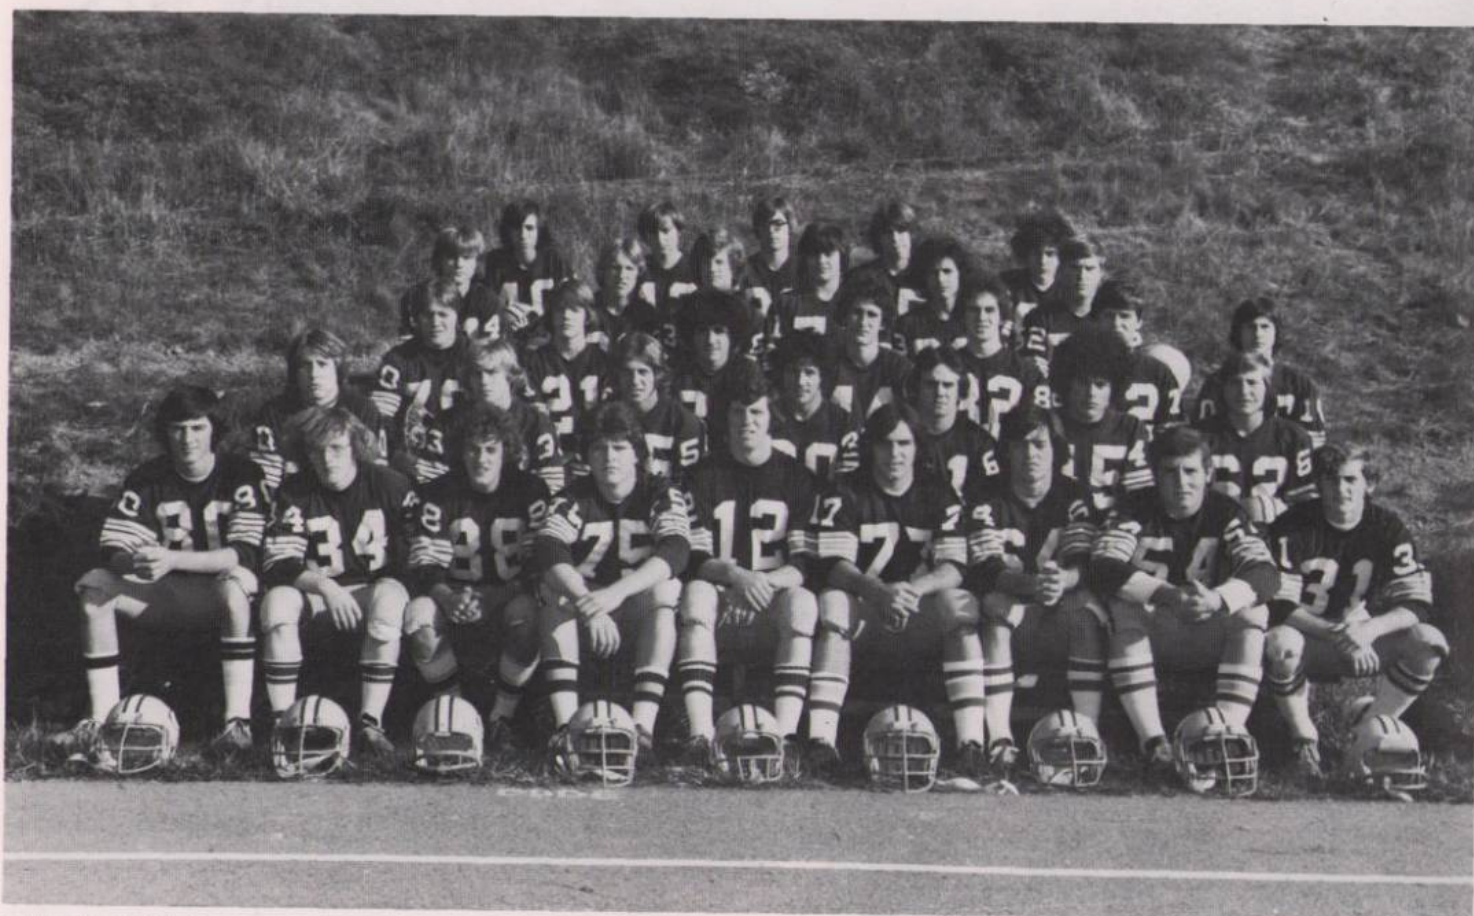

# Football Has Good Season

Disappointment came early when the Cougars lost the opening game to Fort Cherry. Despite the loss, they bounced back to defeat Burgettstown and West Allegheny. They tied Quaker Valley on homecoming night, lost to Peter's Township and then had another tie with Bellevue. With three games to go, the Cougars decided to finish in the plus column. They walked over Avonworth and South Park and slipped by McGuffey on senior night, giving coach Zaney a win for his final game as head coach. Lou James, Tom Hennessey, Jim Schwartzmiller and Clyde Baker must have done something right, because they were named to the Black Hills Conference State Team this year. The boys ended a good season with five wins, two losses, and two ties.

## CROSS COUNTRY

It was their first year in interscholastic competition. It was a young squad but they worked very hard bringing pride to the sport, our school, and themselves. They opened their season against South Park and defeated them. They ran over West Mifflin South but had a heartbreaking loss to Montour, however, they bounced back to beat Burgettstown and crushed Fort Cherry, Canevin and Keystone Oaks. They ended the season, 6-1 and went on to the Black Hills Conference where Bob received a silver medal. They deserve full school support. Congratulations!

## Wrestlers Have Tough Season

Assistant Coach — Mr. Yost  
Head Coach — Mr. Dudeck

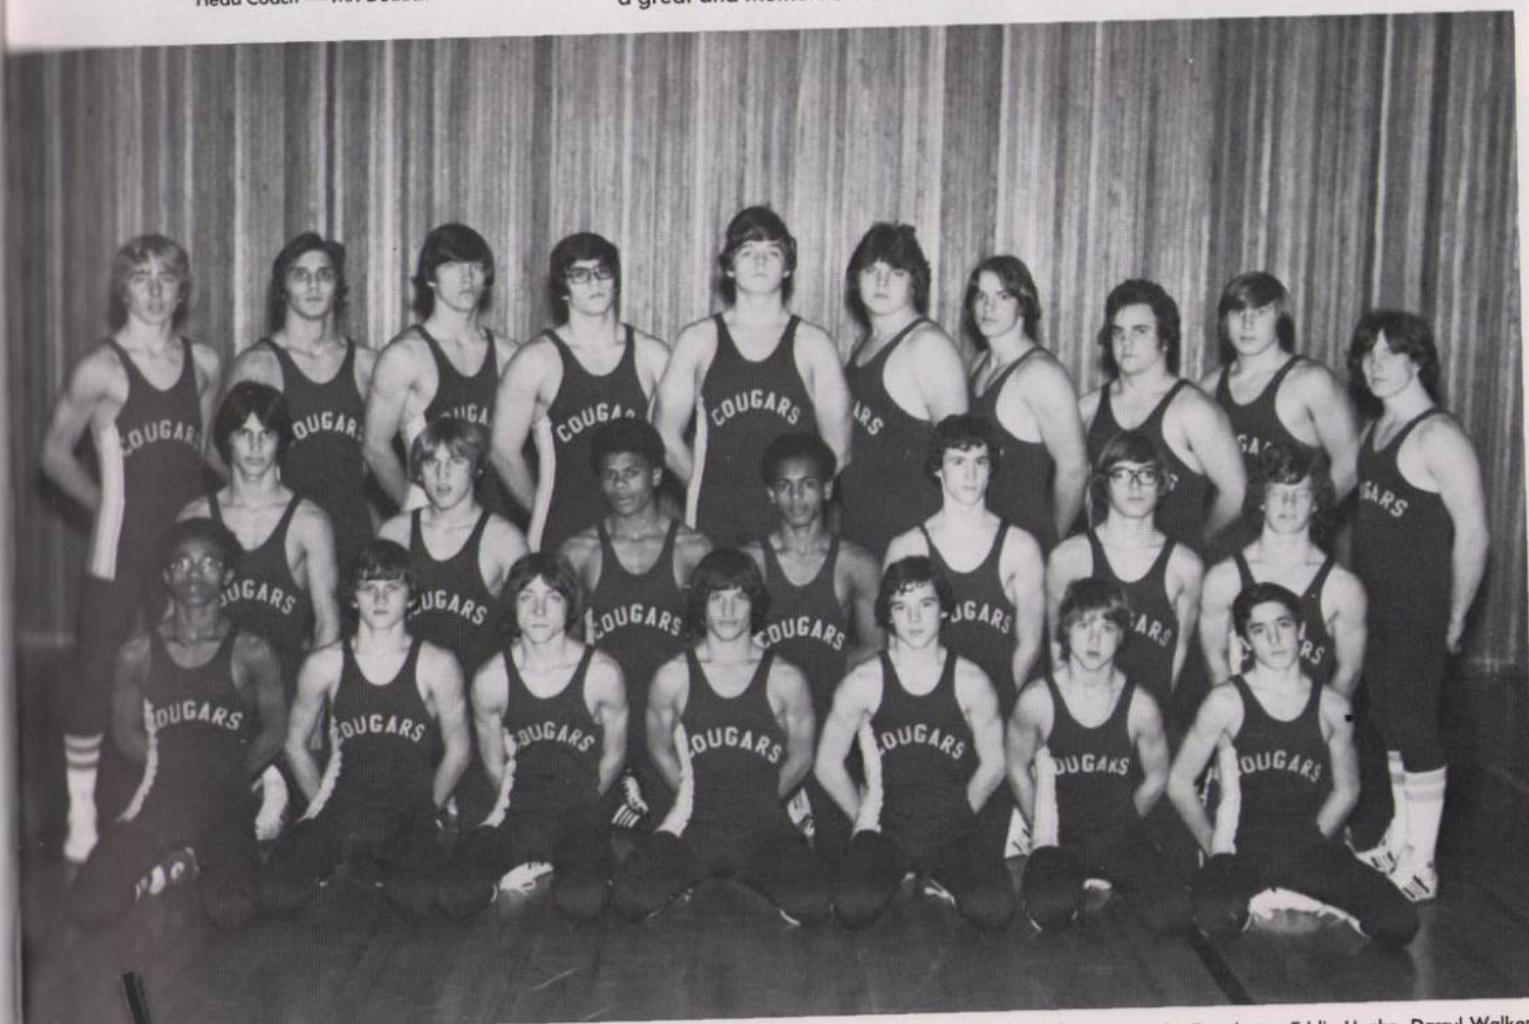

The "Mean Green Machine" started out the new season strong by smashing Bethel Park 57-6, but were soon shot down by a tough Fort Cherry team. In Christmas Tournaments the Cougars tried to make up for the loss but dropped to second place behind Fort Cherry and had three champions — Keith, Joe, and Dave.

The next big match was McGuffey where the Cougars came from behind to win 24-22. The "Mean Machine" also beat undefeated Moon. But the Cougars topped off the season by defeating Mount Lebanon for the second year in a row.

In the Section V Tournament the "Mean Machine" came up with three champs: Bo, Joe, and Dave, two second places: Mickey and Mac, and took second place to CV. The Cougars ended the season with an 8-6 record. Joe had the most pins with 8. Mac had most take-downs with 3, and most team points numbering 56.

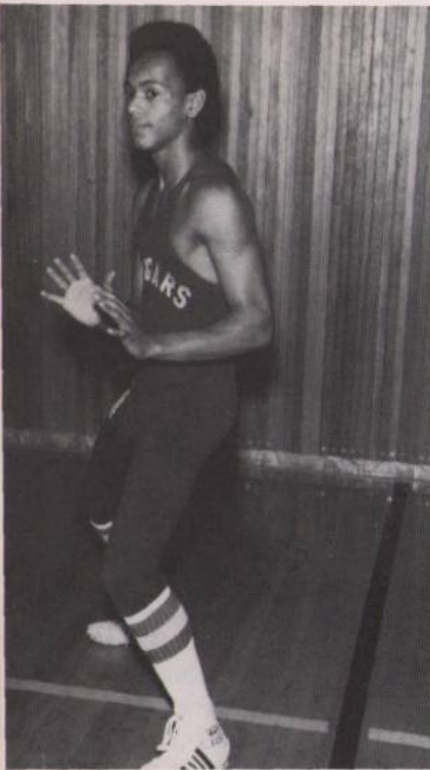

This was Mr. Dudeck's last year as coach and it ended on a happy note. With the Mount Lebanon defeat, he celebrated his 100 victory as a Carlynton coach.

Some of the more memorable moments this year included Squid's winning pin at McGuffey and Joe's big match at the finals of Christmas Tournaments. Nobody will forget the expression on Mr. Dudeck's face when he saw Joe, Mac, and Bo in the motel, or when he couldn't find them when Joe drove Squid "home." All in all it was a great and memorable season and the hopes for next year are even better.

"Trying to get to practice on time is a pain. That's ten lengths for you afterwards, you're two minutes late. Who doesn't go to practice and can still swim in the next meet? Who could forget our favorite song on the bus; Moon River, wider than a mile? How many chairs did you throw in? Our next diver will be . . . a snowman??? I'll tell you right now it's going to be a girl. So I was wrong. Perfect People are entitled to one mistake." Many thanks go to a great coach who put up with all of our antics. Who could forget the last meet with our very patient assistant coach? He was so quiet during diving. We will miss our great seniors, Tom, Gordy, and Bob. All in all, it was a pretty good season. Just wait till next year.

# Frustration Befalls Varsity Hoopsters

Practice started on Saturday, November 1. Running, dribbling, passing, and shooting soon became familiar words. Varsity on the line, now! Exhibition starts after Thanksgiving. An unsuccessful exhibition season leads to harder practices. A spaghetti dinner at the Camarco's. Finally the season opens at Cannon Mac, where the Cougars win in overtime. They breezed past Canevin and then momentum is lost as they lose to C.V. and Peters Twp. Mark's knee was hurt during the Peters Twp. game. How do you get to Sewickley Academy? Duda, Duda. Very confusing refs and technicals for reasons unknown. At the final away game at Trinity we were losing by 36 points and Mr. Camarco was thrown out of the game. Mr. Sonson took over and the Cougars started to pull things together. We almost had them, the final score 91-87. At the last home game the Seniors were honored. We were winning most of the game but lost by one point in the last few seconds. Season record — 3-7.

# Discipline Reigns on Track Team

Jogging, running, and weight lifting became the fundamentals for the track team as they entered another season. The dedicated efforts of the team resulted in pulled muscles, sprained ankles, and torn ligaments. But the demanding practices, directed by Coach Biancanello and Assistant Coach Muracco, were not in vain. This year's team seemed to be better balanced with even more people capable of scoring in every event.

# Our Girls, Best in the Nation

May, and it's time to start all over again — with a great new squad. The hard practices began very soon to get ready for competition at camps. We pulled together quickly, sharing the excitement of camp, three blue ribbons, three spirit sticks, Regional trophy again, and the biggest National Award. We're "national naturals," of course there were the usual complaints and comments. "My legs hurt. Could we do the cheer again, please? I hate sleeping with clothes on. One, two, three, stick'em. The lone sleeper. Camp soon ended and it was time to move on to football. It's great to cheer in sideline formation. Although it was so hot sometimes, it was freezing on Senior Night, the last game ever. We cried, laughed, and shared the best moments. We continued to practice for basketball and wrestling, both great seasons." Both these seasons soon ended. There were competitions that we never quite made. But, all in all, it was some of the best times — we shared, we loved, and we grew to be the closest of friends.

Try-outs where it all begins tension . . . hugs, kisses, tears, more tears. New squad hard work summer practice. In Carnegie! "Let's not have practice today — it's too hot." Bake Sales, Bake sales and a car wash! Just one! "Miss Kubinec how many cars do you have? Someone go out and flag down some cars. Oh! no, we forgot to close the windows. School starts and so does football. Hey, good, they did not bring any cheerleaders. We can eat all the cookies when it is halftime. Joanie and Susie, don't escape at halftime. Janet how come you don't smile, you're such a stone face. Our jackets are in. Kathy, no bird legs." Split games and Mary Joe's Solo team call, whose name do I do??? "Jackie keep your mind on the sink!! Mary Beth how come you're so skinny? Nancy your skirt looks just great. Kathy get down off Joanie! What cheer are we doing? Who is going to put the tables down! Not Me!!!" Beaten path to the candy machine. "Susie if you don't stop laughing you are going to have to leave. No singing on the bus." Our J.V. cheerleaders. Friends we are and friends we'll always be!!!

"You can't be serious about practicing twice a day, in the summer yet. Are you? I will be outside watching the football players. Wait for me. What was his number again? Mrs. Green, I will do anything, except four lengths fly, to get out of the 500. Quick pass me another orange. Not another event, I thought I was done. Save that hair dryer for me, I have to take out the lanes. Turn up the heat I am freezing. How could you forget our theme song: 'Mine eyes have seen the redness from the chlorine in the pool,'. The Beach Boys we aren't, especially singing 'Bop-a-ran' in the showers. Girls, let's save a few cookies for the other team. Are you kidding? And give them an energy boost. What a record, well, we at least won four meets. Yeah, but we lost eight. Let us hope next year is better."

## Female Tennis Team

Practice for the Girls Tennis Team started at 9 a.m. in the summer. We came in our short dresses and pom-pom socks. If it wasn't for the ice-water, none of us would have lasted. At our first match, Isabel forgot her jeans. We'll always remember the crazy things like the fire truck at C.V. and watching our fuzzies roll across the floor at Moon. Watching home movies of our matches backwards were pretty funny. We also had our team mascot — the fuzzy caterpillar. We all had a great season and topping it off to make it even better was Isabel winning sections. Then to end it off, a team party. Thanks to all our fans for such great support.

When in the course of human events there comes a time when a student body attempts to govern itself, and considering certain unalienable rights well known to faculty and administration alike, asserts independence through the alleviating of scholastic pressures. Hitherto these idiosyncracies were claimed innocent: Our first Masquerade Dance, Gary's birthday party, Mike's irrelevant arguments, Student exchange day (day off), Parliamentary Rhetoric (I motion that . . ., discussion, question), nutrition (Tony's pizza machine, Tom's party), Governmental functions (CIA, missing person's Bureau — Mrs. Sinkula, foreign aid — our girl Lucia), our monthly meetings (missing classes, reports, the vacuum cleaner Bernie tried to sell us, Linda's tape recorder, the confusion, the meetings that were not adjourned, the good times), entertainment (all of our fabulous assemblies), but now shall be exposed of what they truly were. ## Reflections Staff

The 1976 Yearbook Staff looked forward with anticipation to the coming year with our new editor, Becky Zaletski. Being such devoted staff members, we didn't mind staying after school until 5 p.m. daily. We had a lot of fun along with the work — like driving out to the airport to meet the first deadline. No one would believe what went on in room 211 after 4 p.m. It's rather difficult to keep your sanity when you're looking for lost copy or missing pictures or trying to think of good captions to put under pictures!!! We can't forget all the meetings, the hard work and time put into making this a great yearbook.

# Band Places in Many Competitions

For the band, school starts late in August. Our new director, Mr. Gary Gunn, started band camp out the right way; a lot of work with just enough fun to make it

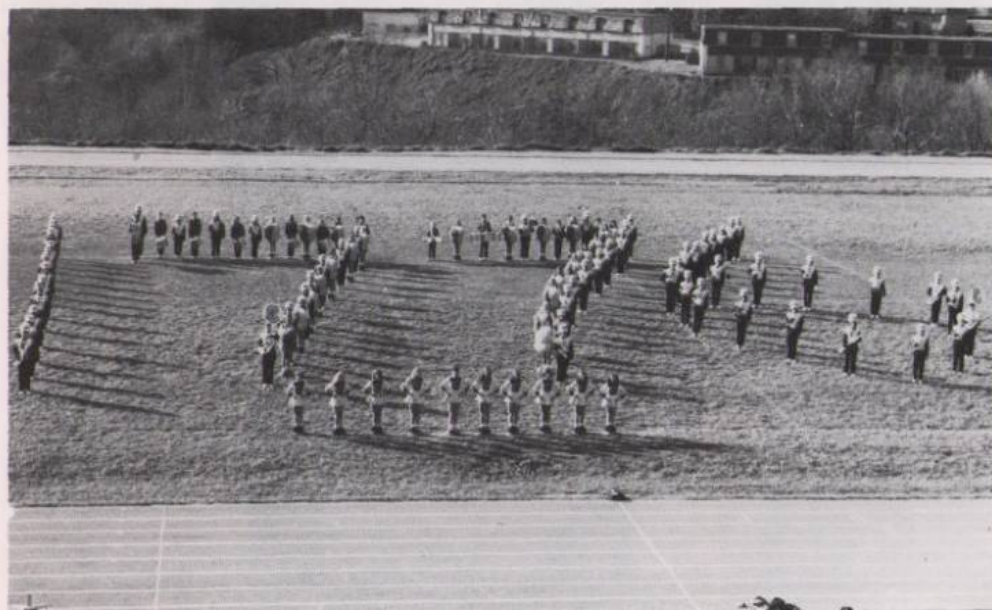

interesting. We elected John, Dan, Debbie and Carol as our band officers. We have many good memories to look back on. Some are: the baseball game against the

cougarettes (when Tony was a traitor), getting cooperation with the Board of Education, the Drum Duffers and the orange juice, and all of those water battles in the 90 degree weather.

Our first football game against Fort Cherry, in the rain was a real experience, especially for the Freshmen. We went on long bus rides, had fun, put on a good show and when it was over there was always a big "one, two, three — Gunn Hol!"

Practicing on Tuesday and Thursday Nights took up much time, but it was worth it.

Carol made Homecoming Court, the whole band was behind her. Soon Senior Night arrived — the game was against McGuffey and the Class of '76 realized how fast the year was going. "Don't cry it's not over yet."

Band Officers: Vice-President — Dan Speca, Secretary — Debbie Wroblewski, Treasurer — Carol Mackenzie, President — John Yadlosky.

Half-Time Announcer: Debbie Ratajack.

We went to many parades and festivals. It seemed that we weren't satisfied unless we took first place. Ralph always found something new and different to do at festivals. Marching season was now temporarily over and we started practicing for concerts. This was the first year we ever used our concert uniforms and everyone thought it looked great. At Christmas we took our uniforms out again and marched in Christmas Parades — "Who said what about what tree?"

The band worked as a unit. Getting up at 4:30 in the morning

wasn't fun, but we made money at inventory. Tim and Cindy were always being Goofy and working on the Gunn Ho Press. We had dinner at Aunt Helen's!! The music that we couldn't play last year was passed out again, but now we could play it. There was always the question, "Who has the keys?" We always had to talk to each other and no one will ever know what's wrong with Tim's truck.

This was the best year ever, because we have someone who cares.

Good Luck Mr. Gunn, we love you!

## Drill Team Marches in Time

Seems like just yesterday we had tryouts and made it. And all the old members went to Bonanza to celebrate with all the free drinks you could handle. But that was just the beginning because soon enough band camp had begun. There were so many things to learn and do. One being, meeting our new band director, Mr. Gary Gunn. And how about our great show "Slaughter?" It was the best! But, of course, so was our band. We had the mud, and the tears, and fun, and the butterflies, but believe me it was worth it. We can't forget Senior Night, the last football game for our Seniors — Linda, Debbie, Edna, Sue, Karen, and Kim. Linda being the shortest for two years in a row and Edna being the tallest for two years in a row but now those are left for someone else to fill. Some of the common expressions used were, "May I borrow your lip gloss? Guide. I am so nervous. I don't believe the mud. When's practice over? Don't cry Seniors, Senior Night will work out!" And it did work, thanks to hard work and planning. Many thanks to our great sponsor — Miss Solomchak and our co-captains — Karen and Kim. Good luck 1977 cougarettes. 1976 was fantastic and 1977 should be even better.

Seniors: Donna Burge — Captain and Missy Storm.

Band camp and summer practices. "We get the shade, na, na, na, na, na!" Togetherness was pretty good for just starting out. Finally we got a great sponsor — Miss Harris and a reliable captain — Donna. Remember when band camp came? DQ was waiting. Lunch with Sandy — nectarines were juicy. Happy times — fun times. Heidi's birthday party at Winky's. Dana's dancing at Chi-Chi's. "Are you listening? Are you kidding? Why did Beth tear Missy's coat? Do you remember the water balloon battles? What's that on your neck? Hey Linda, who won the mud battle?" Honoring our Seniors, Donna and Missy, on Senior Night. "Where do we go now?" All of this and more and just being together.

## We Share Memories of the 1975 Junior Class Play

# American Kaleidoscope

"It's a bright land, a right  
 lana, our land of the free,  
 right on, America, with you  
 and me!"

The Senior Class sang  
 America's songs on the nights  
 of December 4, 5, and 6 with  
 the production of AMERICAN  
 KALEIDOSCOPE. Tryouts in  
 October were the usual  
 "organized" ones, but  
 rehearsals held the REAL fun  
 — teaching the guys how to  
 skip and sing. We met many  
 famous HISTORICAL charac-  
 ters such as Chris Columbus,  
 Eli Whitney, Abby Adams,  
 and Betsy Ross. But, we SAW  
 many HYSTERICAL characters  
 like our director, Mrs. Sinkula,  
 and our music director, Mr.  
 Gunn. Of course we had  
 words with our Prima Donnas.  
 The three nights of the play  
 went by too, too quickly. Our  
 thoughts will bring back the  
 oompahs, Mrs. Sinkula's mis-  
 fortunate dance step, runny  
 makeup, a shoebox of white  
 pantyhose, the band's breaks,  
 our seamstresses, our wonder-  
 ful stage crew, and of course  
 the standing ovations. Many  
 thanks to everyone. Right On,  
 America!

The drudgery of it all, getting up early, getting on one bus, changing to another to go to a great school to learn a trade and meet many other people from many other schools. Plumbing, Carpentry, Electronics, Radios, T.V., Drafting and many other great courses. Returning to Carlynton on another bus or by car or jeep or which ever. Great times, "want to go to the flats," "Let's go to Joe's great races," great times with great people. That's Parkway and the Juniors and Seniors love it.

# Senior Night

Senior Night 1976 started off with a fine Bicentennial performance from the great Carlynton band. Blue mums with light blue ribbons and a huge sparkling '76 sign added to the "Senior atmosphere." Pre-game activities included special recognition of the Cougarettes, senior major-ettes, cheerleaders, band members and of course, the Class of '76. The Senior football players proudly escorted their parents onto the field during halftime. Victory came for the Cougars during the last two minutes of the game when Senior player Squid scored a touchdown. Senior Night was a time for all Seniors to look back on their high school years with special memories. It's hard to believe we were once freshmen. Senior Night was our night to shine.

Here's to the Class of '76.

### Senior — Junior

Sponsored by Mrs. Sinkula, the Carlynton Arts Society of the Theater, (C.A.S.J.), is one of the largest clubs in the school. They started the year off with a bang when they elected their officers. The jokers, or rather officers, of this year are Tim Musiol — President, Leslie LaSota — Vice-President, Becky Zaletski — Secretary, Lea Roe — Treasurer, and Nancy Massella — Assistant Treasurer. They worked at the Fall Festival, pushing their Dr. Monkey Unkey on passers-by. Members of the club promoted the plays and pushed ticket sales. The banquet at the end of the year was a success — ? At the banquet, the Seniors were honored, rather, humiliated by the "friendly" Juniors.

It was a great year!

### Sophomore — Freshman

The Drama Club, sponsored by Mrs. Shelby, got off to a good start. At the Fall Festival, they had a booth of comedy and tragedy. All the painting done in Mrs. Schwilm's room is one thing they won't forget. While putting up the booth for the Fall Festival, Tammy made a school record. She was the quickest and only person to run home for nails and a hammer. Others would have brought them along. During the Fall Festival, it seems that everyone did his share of the work.

Future Homemakers of America remember the farm show. The time Karen and Marianne stampeded the pigs. Mrs. Chess and her darling fishing outfit. How about the cooperative freshman, for once. "Where are the favors?" "No one knows." We got off on a great start. In the Fall Festival, we made second place for the best

booth. Luckily, they didn't taste our cooking! Dry peanut butter cookies. No one really FELL for our baked goods. The outfits we wore were how we got second place! Let's hope we have as much fun next year.

# Library Aides

Tom Maceil, Mark Wichmann.

Library Aids work in the library sorting magazines, checking out books, replacing books, and researching. It takes time to make sure everything is right; the cards and books matched up, giving overdue slips to the right person, and lending out audio visual aids. It is worthwhile helping Mr. Andresky, and they are appreciated.

The National Honor Society is a group of students chosen by the faculty for the qualifications of scholarship, leadership, character, and service. They are sponsored by Mrs. Mikus. It takes a lot of time to maintain the high standards kept by this group. We all are involved in many other school activities. This year the Fall Festival was the first project we did as a group. We had a good idea and made a lot of money. Plans were made for initiation ceremonies, and a summer picnic for new members. # Bonfire

The bonfire, held at Crafton Athletic Field, proved to be a "hot event." Although the fire went up a little too fast and the band was a bit late, the fire sparked enough spirit to bring victory over McGuffey the following day.

I should have known you'd bid me farewell.  
 There's a lesson to be learned from this,  
 And I learned it very well.  
 Now I know you're not the only starfish in the sea.  
 If I never hear your name again,  
 It's all the same to me . . .

You never cared for secrets I'd confide.

For you I'm just an ornament,  
something for your pride.

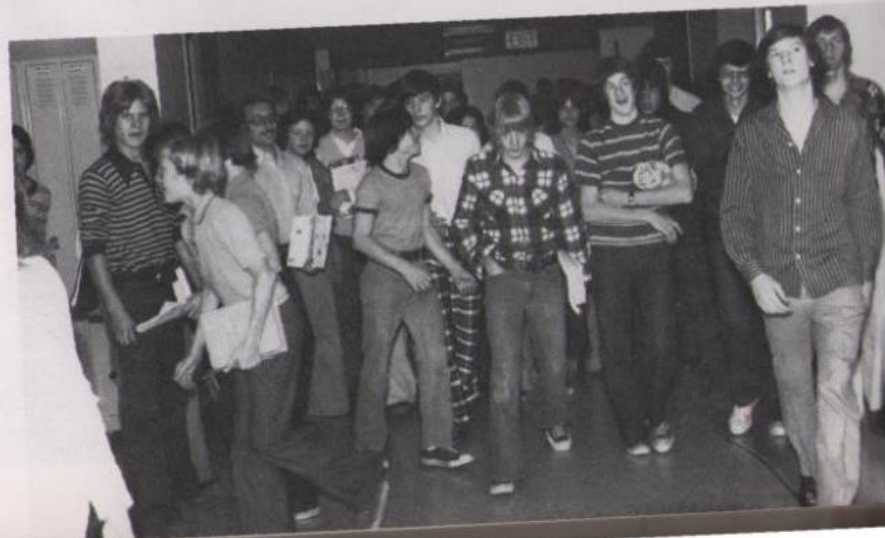

Always running, never caring,  
that's the life you live.

Stolen minutes of your time,  
were all you had to give . . .

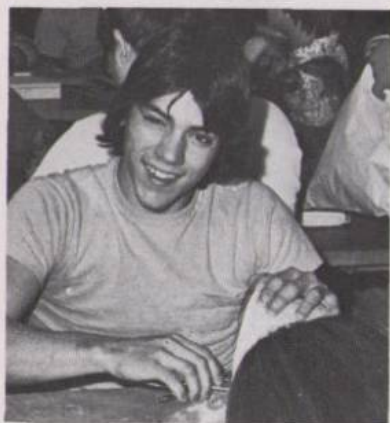

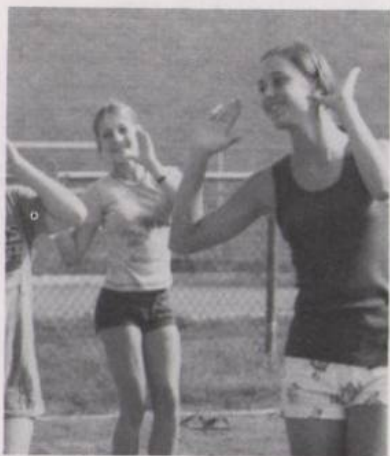

The story's in the past with nothing to recall.  
 I've got my life to live and I don't need you at all.  
 The roller coaster ride we took is nearly at an end  
 I bought my ticket with my tears,  
 that's all I'm gonna spend.

Paul Simon

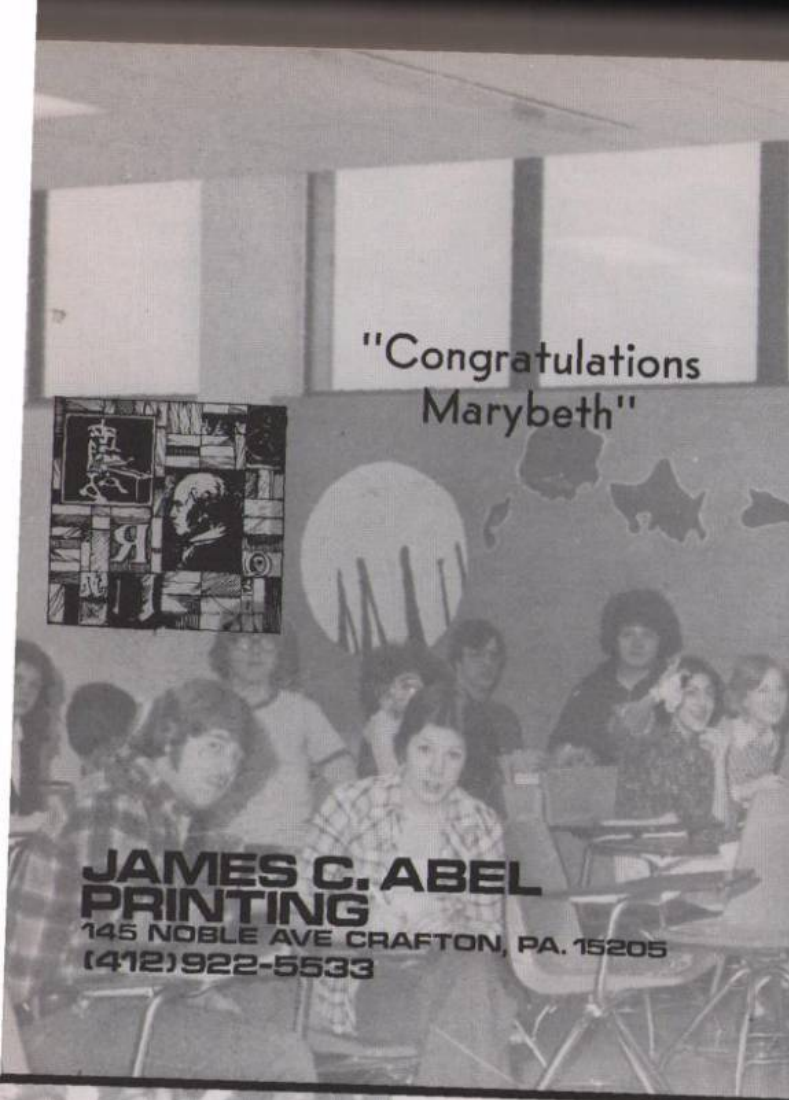

### A SMILE

A smile is something nice to see.  
 It doesn't cost a cent.  
 A smile is something all your own,  
 It never can be lent.  
 A smile is welcome anywhere,  
 It does away with frowns.  
 A smile is good for everyone,  
 To ease the ups and downs.
