## DEDICATION

The Senior Class of 1977 takes great pride in dedicating REFLECTIONS 77 to a man who struggles through piles of paperwork to keep each and every student in line. We appreciate his quick wit, sparkling personality, and most of all, his loyalty to the students of Carlynton High. And so, the Senior Class of 1977 wishes to honor MR. JOHN DONELLI.

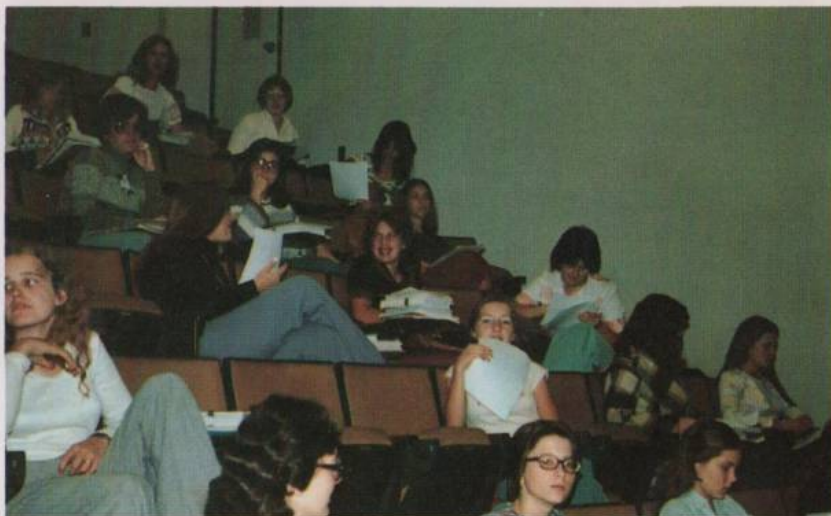

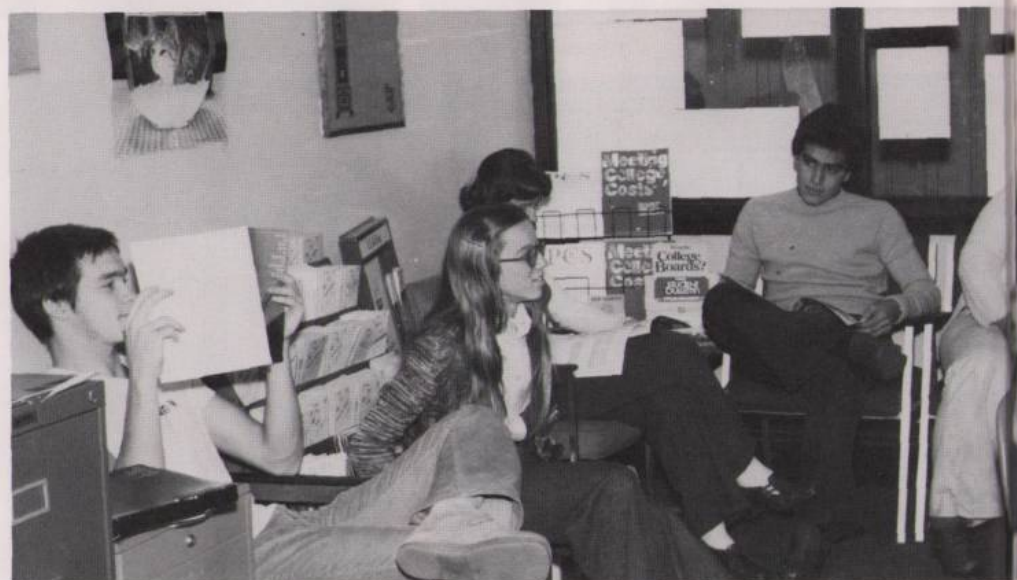

Yesterday is but a dream  
 . . . And tomorrow is but a  
 vision . . . But today well-  
 lived makes every yester-  
 day a dream of happiness  
 . . . And every tomorrow a  
 vision of hope . . . Look  
 well, therefore, to this day.

Lynne,  
 to a real  
 terrific girl that I  
 just got to know  
 this year. Remember all  
 the good times in &  
 shorthand, health &  
 don't forget study hall.  
 We'll see you next year  
 Love Paula

Life is like a journey on a train . . .  
 With two fellow-travelers at each  
 window pane . . . I may sit beside  
 you all the journey through . . . Or  
 I may sit elsewhere, never knowing  
 you . . . But should fate make me  
 to sit by your side . . . Let's be  
 pleasant travelers, 'tis so short a  
 ride.

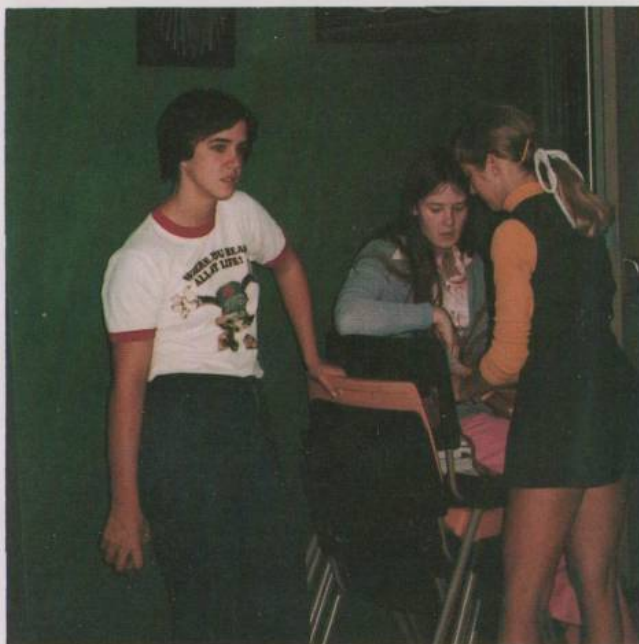

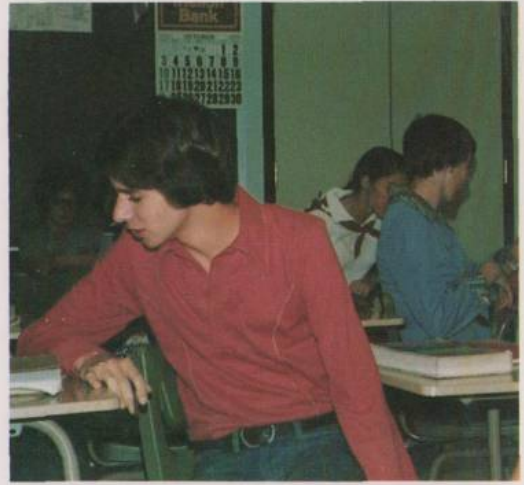

The clock of life is wound but  
once . . . And no man has the  
power . . . to tell when the  
hands will stop . . . At late or  
early hour . . . Now is the only  
time you own . . . Live, love, toil  
with a will . . . Place no faith in  
tomorrow . . . The clock may  
then stand still.

# Homecoming 1976

The pouring rain did not interfere with the excitement and anticipation of "HOMECOMING 1976." The Junior Class did an excellent job of decorating the field. The band played "If." this year's theme song. Silence fell over the crowd as a voice boomed into the microphone: "Fourth runner-up, Sandy Ebbert; Third runner-up, Renee Miller; Second runner-up, Rita Downey; First runner-up, Lisa Davis. The 1976 Homecoming Queen — Karen Toney.

I will not think that I have failed,  
Or lived my life in vain,  
If to my credit I shall find  
One friend to be my gain,  
And tho' the Road of Life is rough,  
With mountains hard to climb;  
I find there's joy along the way,  
And the journey, it is fine.

If there's a friend beside me  
To cheer me with his song,  
To smile his understanding,  
When everything goes wrong;  
It gives me strength and courage,  
The mountains to ascend,  
And I find that Life's worth living,  
As long as there's a friend.

## SENIORS

Our first attempt at SENIORS was to select the class colors, burgundy and pink. After getting underway we had to select our class officers. Afternoon, October came as did the HOMECOMING festivities. The freezing rain and cold weather did not stop HOMECOMING 1976 from being a memorable thing. Our last home football game ushered a traditional SENIOR NIGHT, each Senior was honored in his own way. Then, the talents of the Senior class were brought together in the presentation of YOU CAN TIT WITH YOU. After a long wait, senior pictures finally arrived. The next few days were devoted to the exchanging of photographs. Preparation for Graduation began with the measurements for caps and gowns, and the ordering of announcements. A CHRISTMAS ROSE, sponsored by the Senior Class, was a huge success. In efforts to raise money for the class picnic at Ogilby Park, we were sold in shaves to the underclassmen. Our Senior year was highlighted by the Prom and After-Prom. Finally, the major event — GRADUATION. As each of us received our diplomas, we were filled with proud emotions. JUNE 11, 1977, is a day for each of us to cherish forever.

ALAN W. BROWN  
"We are proud to have you as a Senior and we hope you will have a successful future. We are proud to have you as a Senior and we hope you will have a successful future."

It seems like yesterday  
When you were laughing with us,  
Waiting for the day  
When we'd be on our own.

Time seemed to slip away  
Leaving us thoughts and memories  
Of all the times we shared,  
Of all the things we'd known.

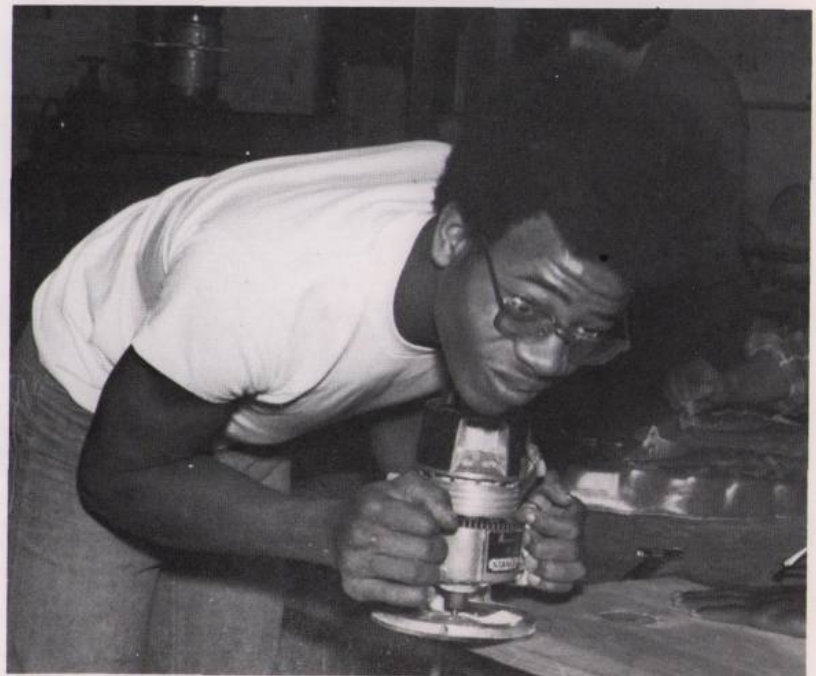

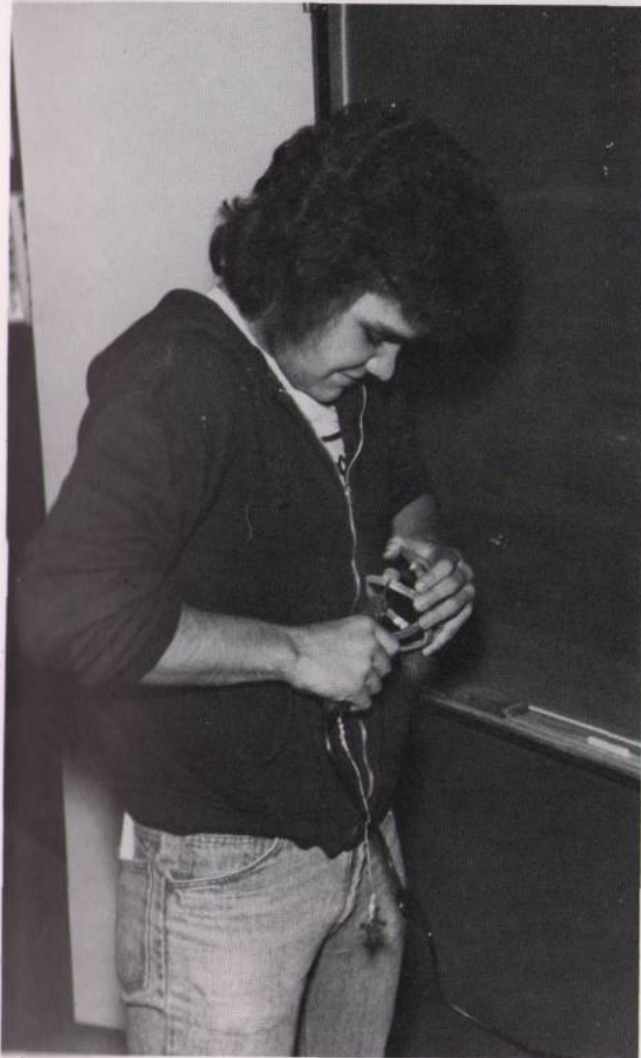

You've done a lot, you know,  
To help, or else you've tried.  
It seems like yesterday  
When you were by our side.

# UNDERCLASSMEN

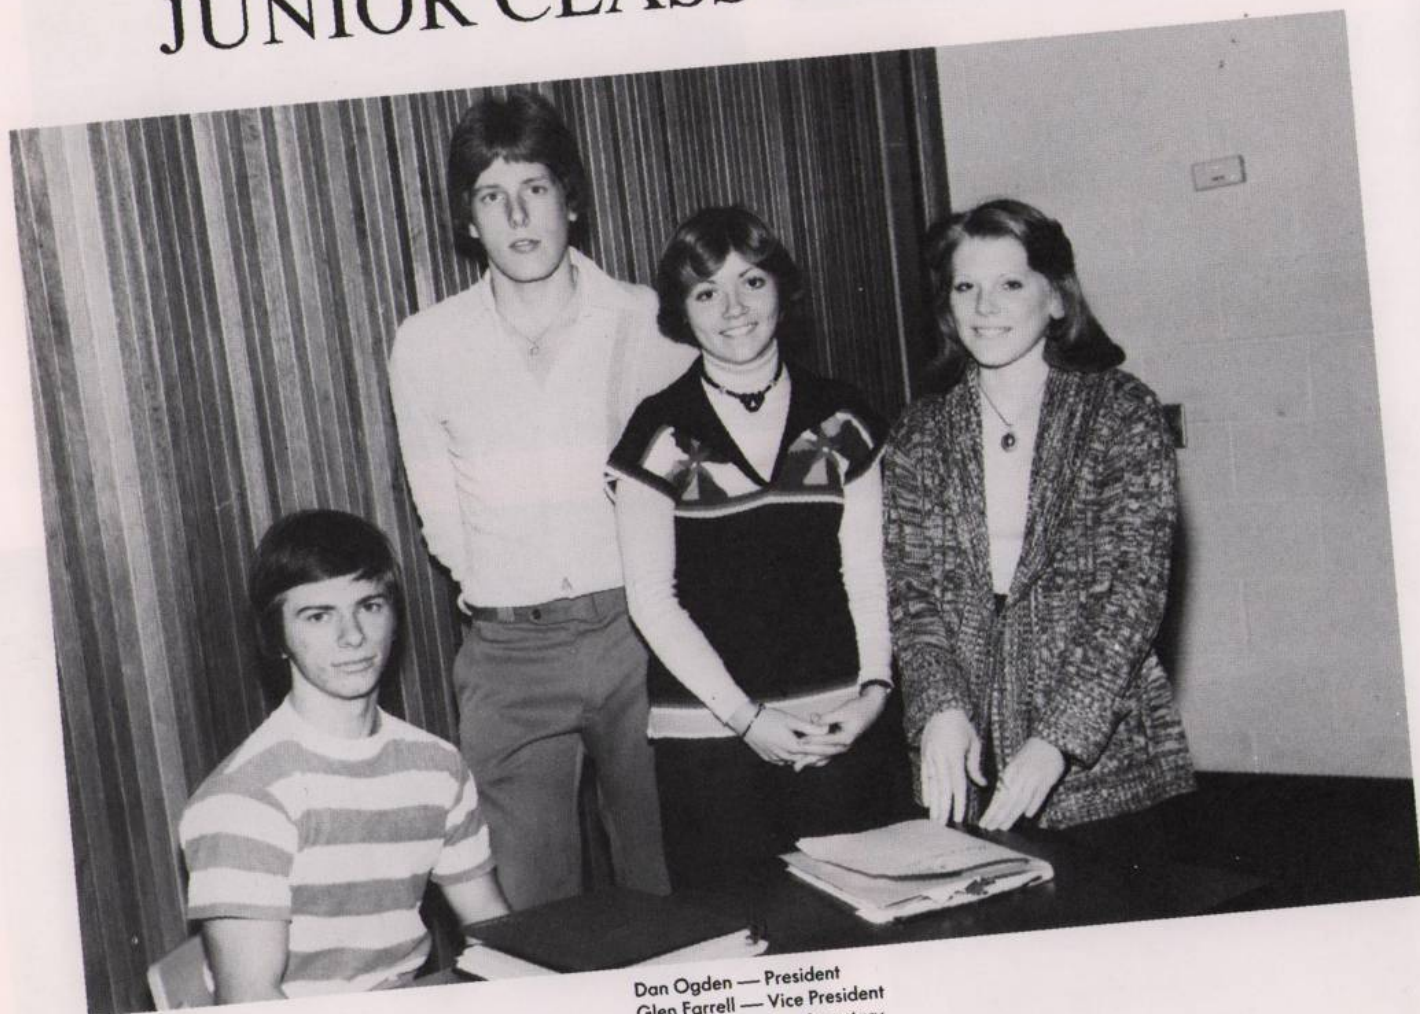

# HOMEROOM REPRESENTATIVES

The Junior Class began their school year with a new sponsor, Mr. Povlick. The Juniors then went on to elect Junior Class Officers: President — Dan Ogden, Vice-President — Glenn Farrell, Secretary — Tammy Moschel and Treasurer — Joan Kijowski. The first project the Junior Class sponsored was a very successful Homecoming program and Homecoming Dance. The Junior Class also held a mock Presidential election in November. In March came the terrific Elvis Presley dance. Next, came the plans for the Prom, held in May. Finally, the class chose class colors for the Senior Class of '78.

# SOPHOMORES SOPHOMORES SOPHOMORES

The SOPHOMORES of Carlynton High School had a fine year. Not only did we win the spirit stick at many pep rallies, but both our boy's and girl's J.V. basketball teams were successful. We'll always remember the running frantically for the dryers after swim class, and the peanut brittle in Chemistry. Looking forward to dances and hearing they'd been cancelled was disappointing, but all in all it was a very good year! After all, we are the class of "79".

# FRESHMEN

The freshmen class first believed they were going to the High School when they made their Schedules in eighth grade. When September rolled around they couldn't help but believe it. Once here, everyone they asked for directions gave them a different answer. At first it wasn't only confusing, it was terrifying, but after awhile it all settled down to a routine. They started to get involved in school activities, such as football, basketball, cheerleading and clubs. The freshman year ended all too soon, but they still have three years to go at C.H.S.

# CARLYNTON CARTOONS

This could get sticky!!

Would you let your daughter date one of these?

I've created a monster.

I'll do anything for a grade.

Welcome to my NIGHTMARE.

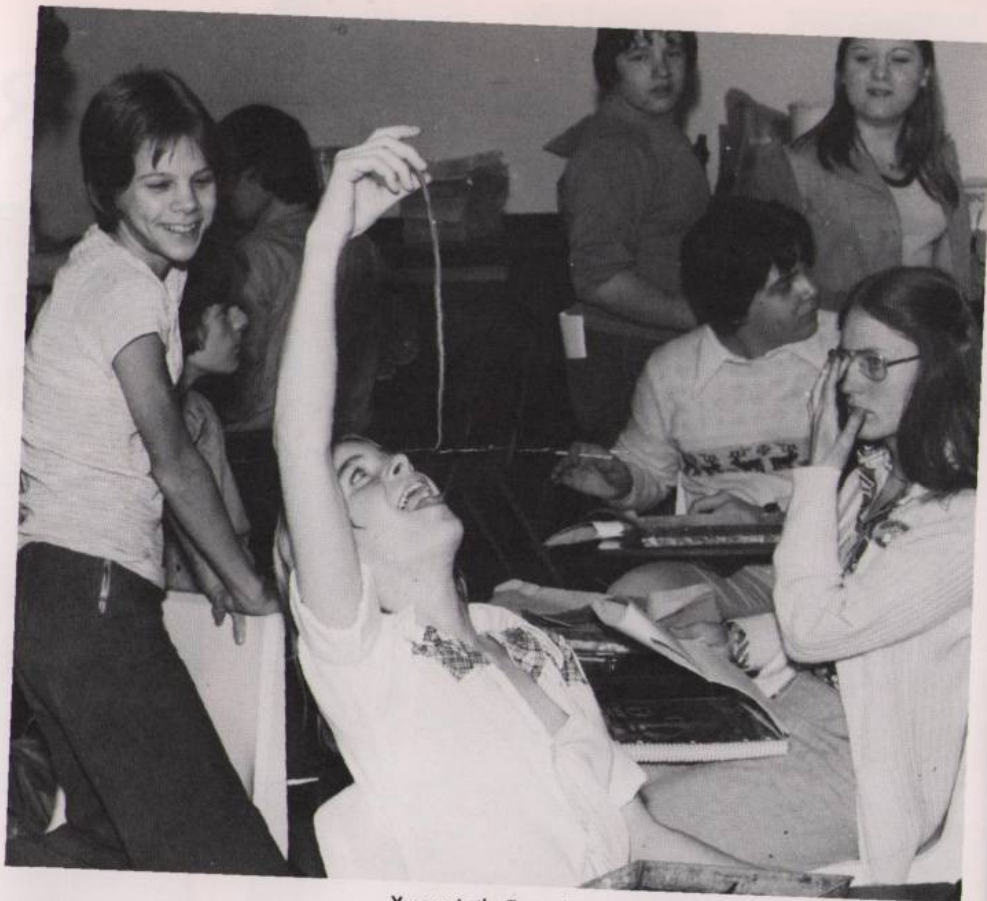

Solving the world's problems.

Creativity at its best?

Yummy in the Tummy!

That's right, go on Mr. Jones.

Sit on it!

Who said Seniors are always serious.

Let me draw you a map.

Shuffle off to Buffalo.

Hold the pickles, hold the lettuce.

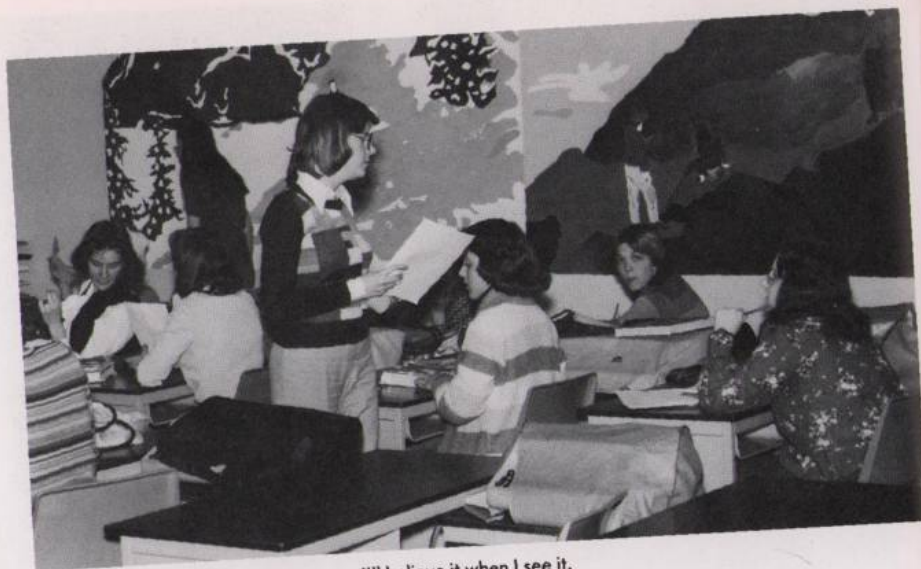

Sink or Swim

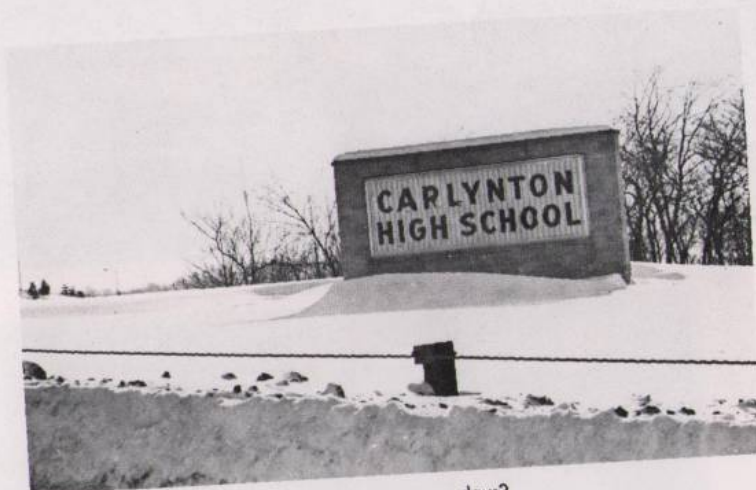

It wasn't me!

I'll believe it when I see it.

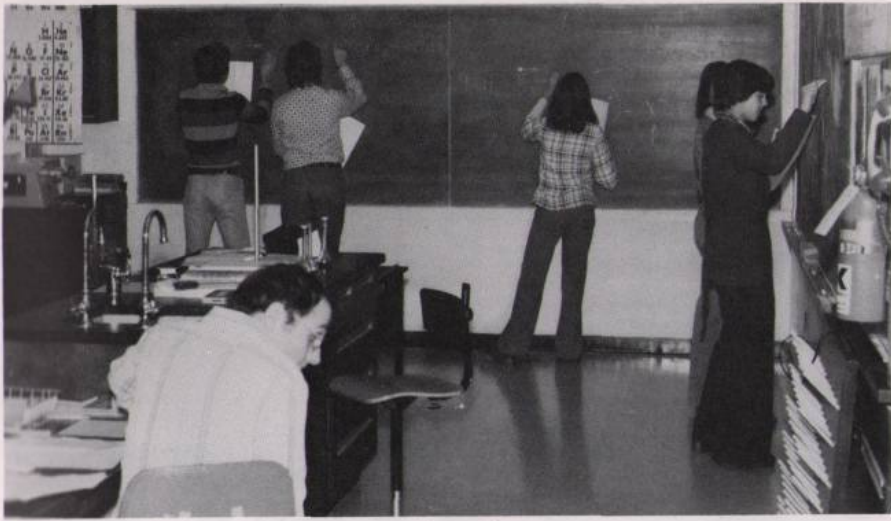

Remember our snow days?

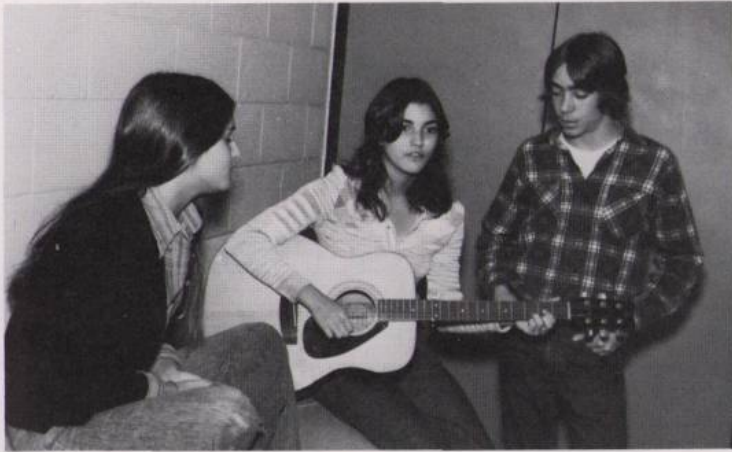

Hey! What's happening?

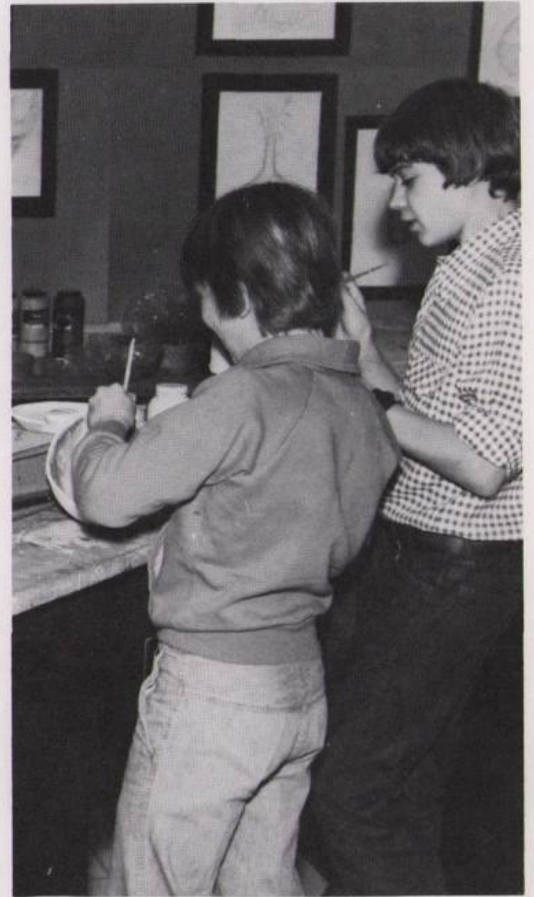

Another explosion

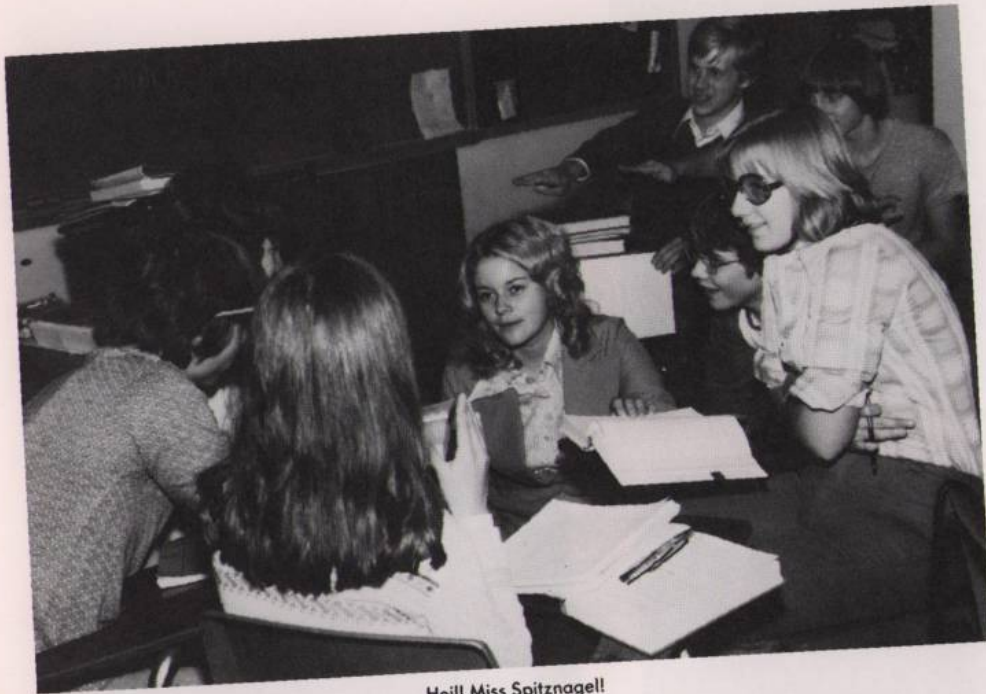

Name that tune.

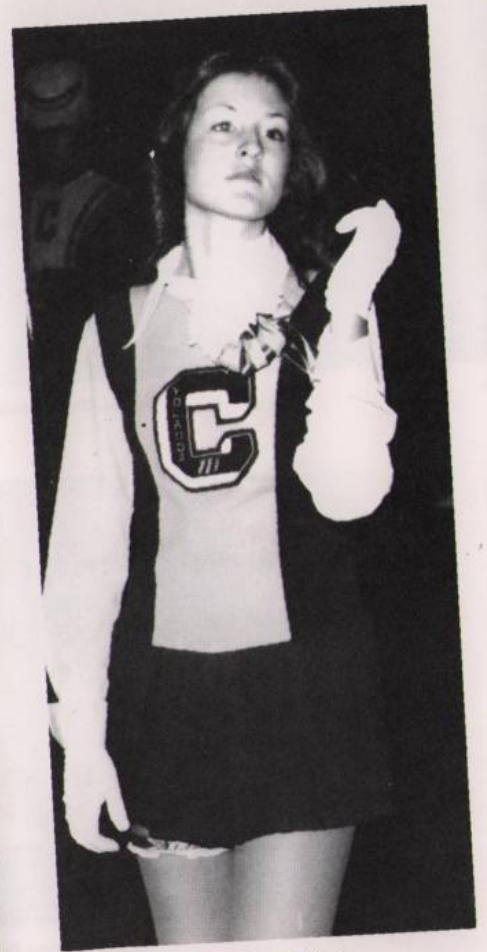

Color my world.

76 trombones in the big parade.

Heil! Miss Spitznagel!

Puppet on a string.

I hate to study.

Well, I'm just as cute without it.

ASDF — JKL;

Who said your Senior year was the easiest?

Help, I've lost my contact.

Who said anything about marriage?

Where's the action?

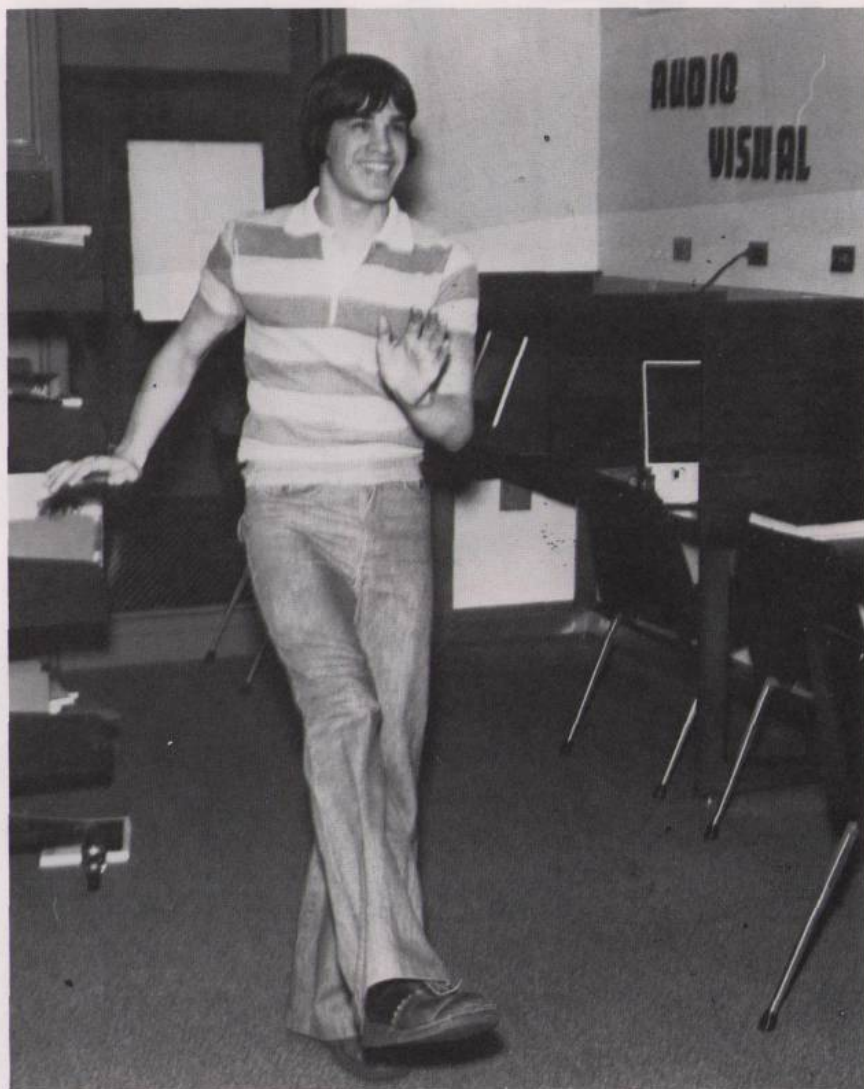

Sing your heart out.

Should I put it in the basket?

Hello

If you think this is good, wait till you see the rest.

I can't help it, the typewriter just won't type.

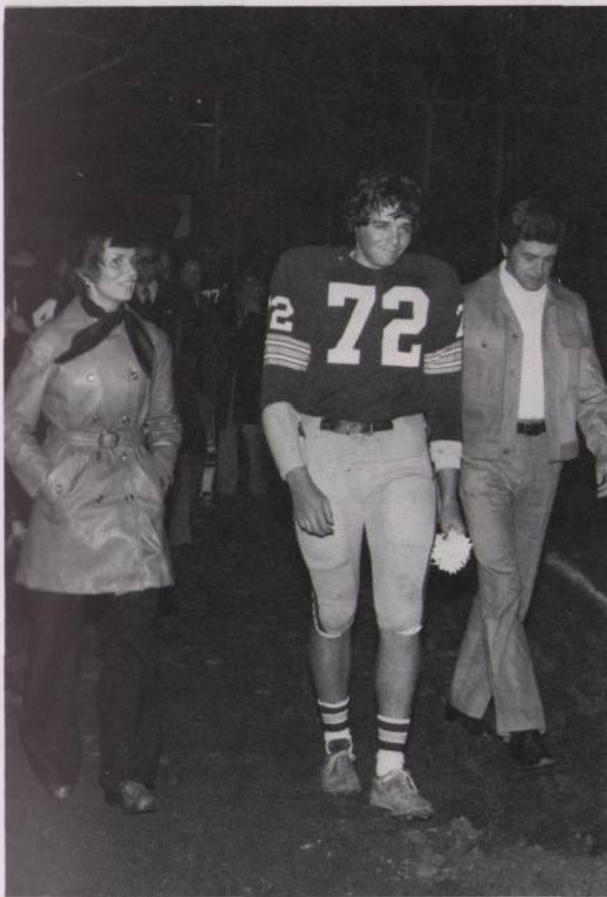

This can contains all the ingredients necessary to start a revolution!

Parlez-vous Francais?

You ain't seen nothing yet!

Life is simply a mirror image.

"You could be a celebration. You could be a whole parade . . . Even if it was the 999th of July, even if it was August, even if it was way down at the bottom of November, even if it was no place in particular in January." We think the Carlynton High School faculty is special.

In the Battle of Life it is not the critic that counts, not the man that points out how the strong man stumbled, or where the doer of the deed could have done better.

The credit belongs to the man who is actually in the arena; whose face is marred by dust and blood and sweat; who strives valiantly; who errs and comes short again and again because there is no effort without error and short coming; who does actually strive to do the deeds; who knows the great enthusiasm, the great devotion, spends himself in a worthy cause; who at the best knows in the end the triumph of high achievement; and who at the worst, if he fails, at the least while daring greatly, so that his place shall never be with those cold limited souls who have never tasted neither victory nor defeat . . .

"The Credit Belongs to the Man Who is in The Arena."

The Cougars began practice early in August this year with a new head coach, Mr. Yost. The young team started their season with a loss to Fort Cherry and to Burgettstown. Then things fell into place with three big wins over Quaker Valley, West Allegheny, and Peters Township. Next on the schedule, a tough loss to Northgate, followed by two wins. The Cougars defeated South Park, the last home game of the year. Congratulations on a great season, and a special thanks to all our coaches.

# CROSS COUNTRY

This has been the first year for Girl's Cross Country. Both the boys and girls team were successfully coached by Miss Ripple. The two mile course for the girls and three mile course for the boys can be found through the woods near Settler's Cabin. Both had a winning season of six and four. Let's hand it to the girls for a great beginning in Girl's Cross-Country.

# CROSS COUNTRY

This year's boy's cross-country team worked hard for seven and five record. They started the season with victories against East Allegheny and West Mifflin South, but had some difficulty with Sto-Rox, Char Valley, Peter Township, South Park, and Montour. They returned to a winning streak and defeated Burgetstown, Fort Cherry, Keystone Oaks, Cannon-Mac, and Serra Catholic. At the end of the season, the team traveled to Fort Cherry for the Black Hills Conference. It was there that Jim placed second and also received a gold medal!

# BOYS SWIM TEAM

Coaches: Ron Goehring, Pam Purcell.

Many people wondered if there was going to be a boys swim team this year, but two new coaches solved the problem. The "winter vacation" made it impossible for the boys to practice and several meets had to be cancelled. The team will remember the snow ball battles and cliff diving while the coaches weren't looking. Tying for first place at the Keystone Oaks relay, six managers and their cookies and the snowman who went diving made for a good year. Farewell to the six seniors and good luck next year. Thank you to our terrific coaches for a 6-6 record.

# GIRLS SWIM TEAM

This year, the Girls Swim Team took a different turn. Mr. Vogt was to be the coach. The girls were told that throwing pull-bouys in the pool was not ladylike but neither was doing push-ups against the wall. The team will never forget the water polo games, illegal dunks, playing leap frog, and clogging up the drain. There were always a few girls who false started or fell off the blocks. We'll never forget our great assistant coach and her antics, our dedicated managers, and most of all, the great times we had during the season.

The Cougar wrestling team was off to a slow start this year, but with great effort pulled out a good season. The practices and "making weight" began in early November. The Cougars took a tough third place at Fort Cherry with three individual champs: Bob Wade, Grant Uram, and Bo Muraco. Three matches had to be cancelled due to bad weather this winter. Several tough losses temporarily dampened Cougar spirit but the wrestlers bounced back to great wins against Chartiers Valley and "arch enemy" Shaler.

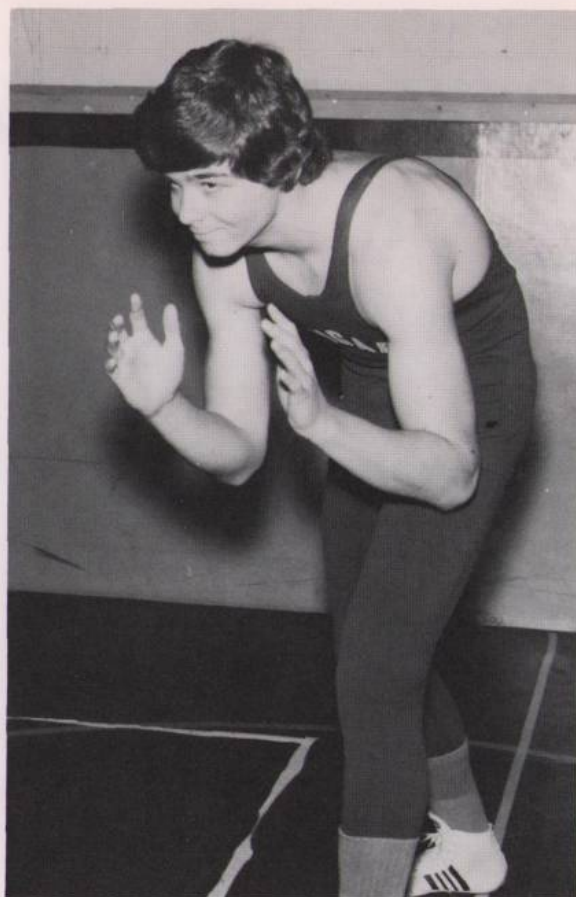

Coaches: Mr. Yost, Mr. Muraco.

# BOYS BASKETBALL

Coach Camarco's Carlynton Basketball team struggled through a 5 win and 15 loss season. The boys won their first two games against Moon and West Allegheny but seemed to lose the winning touch thereafter.

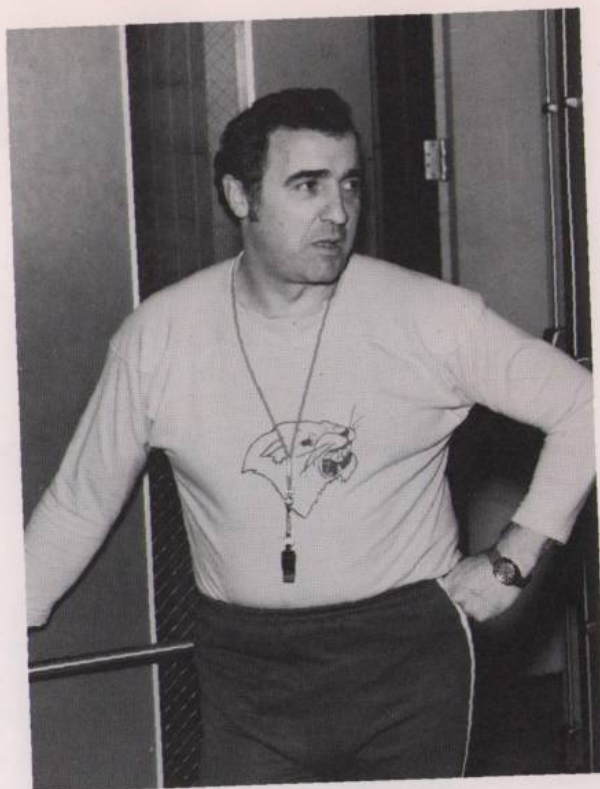

Probably the biggest heartbreaker was the night the Cougars played undefeated Northgate off the floor only to lose a 69-66 game.

The high spots were the two section wins over Canon-Mac and Peters Twp and the second place finish in the Brentwood Tournament.

Our five seniors, Kevin Pilarski, Icky Sams, Pete Rutledge, Bill Saber, and Jon Mendolia showed all of the school alot of tough and exciting basketball and closed out their year with a victory against Peters Township.

Jim Fiori, Glenn Farrell, Jim Holt, Kevin Rimmell, Mark Schmidt, Bob Valentine, Paul Sarsfield all juniors, and sophomores Ray Ferguson, Mark Kovac, Ken Kueshner, Ron Killen, and Tom Byers show great future promise.

Good try, Boys!

# FEMALE HOOPSTERS

The 1976-77 Girls Basketball Team began their practice in November. Practices were held after school alternating days with the boys. Several games had to be cancelled because of the "winter vacation." All games were filled with both anxiety and excitement. Coach Valalik was proud of the girls because he felt they put forth a super effort at every game. Congratulations to Mindy for being high scorer. Farewell to the great Seniors, we'll miss you. Good Luck next year.

# TRACK

Push-ups, sit-ups, springs, and roadwork helped to train our boys this year. Helping the boys were coach, Mr. Tomasic, and second year assistant coach, Mr. Muraco. They defended Carlynton's pride on our track and at several tournaments — the Montour Invationals and the Black Hills Championships. The boys put forth super effort in every event and at every meet. The coaches worked long and hard with the boys to give Carlynton a track team of which to be proud.

This year, practice for the Boy's Tennis Team started in March. Hard practice sessions prepared them for the season ahead. Five seniors worked hard to make their last year the best. # GIRLS TENNIS TEAM

Dedication and hard work became the motto of the Girls Tennis Team as they entered another season. Practice began in the summer and everyone worked hard despite the hot weather. The only thing they tried to get away with was not running laps around the tennis court. Funny how quickly nine girls could do five laps when the coach wasn't looking! With practice over, the first game began and competition was at its peak. During the season the girls put up with hot weather, rain, cold weather, and Laurie falling off the spider. Finally new uniforms arrived, just in time for the last few games and sections. The season ended with a party and Julianne received a rock for her efforts. It was a great year for all. The team wishes to say thanks to a great coach who put up with many antics.

# BASEBALL TAKES A SWING

This year's team came back from a 15-16 record. The team was put into a new and more difficult section. We will never forget Mike's Cassey at the bat, Chattanooga Choochoo, and Glenn's base running. Much hard work and effort from the team made this year one of the best. We would like to thank a great coach, Mr. Sonson.

Our J.V. Squad started the year off with a tough schedule of summer practices. It seemed that every other minute someone was quitting! They never really practiced at practices, but they sure did eat a lot — one girl constantly eating fresh cream donuts from the bakery and ice cream from the Dairy Queen. Not only did they hold practices in the summer, but worked hard raising money for their jackets. When the school year started the J.V. squad was known for squabbles. They argued about everything possible . . . even about who would rather cheer than swim. Game schedules were very hectic and it seemed there was just never enough time to do all that had to be done. They argued, cried, cheered, and had fun together, and will remember it all.

Everybody asking, what's next, which way, and could you please open the gate? Everybody's here so everybody cheer! . . . Friends we were and friends we shall always be . . .

## GOLF TEAM GETS INTO THE SWING OF THINGS

This was the first year for an organized golf team at Carlynton. The team established itself with the help of the coach, Mr. Powell, and assistant coach, Mr. Gearing. After learning the basics, the team began to score by beating Sto-Rox twice and continued their play to the Black Hills Conference and the WPIAL Tournament.

With Shirley's homerun, Mindy's stolen bases, and Karen's line drives the softball team flourished with new beginnings. During try-outs the coach, Miss Spitznagel, had her hands full with the girls as well as bandages. With the help of the team's managers, Dale Merritts and Colleen Unger, the girls put some hustle in their muscle.

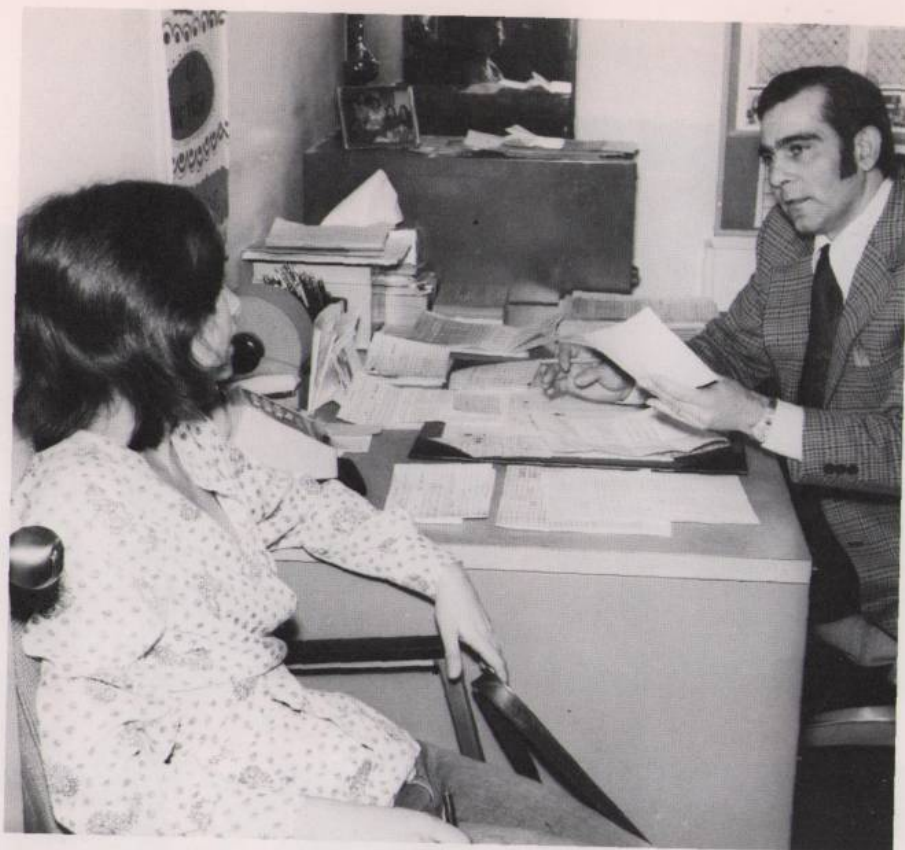

# ACTIVITIES

# STUDENT COUNCIL

The purpose and philosophy behind Student Council is to give the entire student population proper representation in all school affairs.

According to Carlynton's Constitution, the Student Council shall consist of the following: a president, vice-president, treasurer, secretary, assistant secretary, and one representative for each individual homeroom.

The officers are elected by the freshman, sophomore, and junior classes during the preceding school term.

After the new school year has begun, the representatives are elected by one of the four classes in which they belong. The officers then assign them homeroom duties.

Under this system, the best possible representation is achieved, because the most qualified people of the student body may be elected rather than each homeroom choosing its own representative.

Wade Smith — Vice- President, Keith Sparbanie — President, Cathy Stadler — Secretary, Gary Daniels — Treasurer.

Student Council is often thought to be a fund-raising club, when actually it is a governmental body.

All club activities must first be approved by Mr. Keisling and then by Student Council. This helps to prevent two different club activities from clashing. In other words, the students decide when a certain activity shall occur.

During the 1976-77 school year, Student Council once again opened a Student Store, under the direction of Mrs. Apple and the Business Department.

The Annual Fall Festival was transformed into a "Winter Carnival and Variety Show" which had to be cancelled due to our "winter vacation."

On December 17, they sponsored Carlynton's first rock concert starring "Pittsburgh's Number One Rock and Show Band", the incredible DARK HORSE. Also on the bill were two other fine bands, ALIAS MINK and FLIGHT.

Although a few dollars were lost on the deal, the investment was worth every cent. The audience was large enough to have a great time and small enough to control.

Student Council also made plans to build park benches for the campus, get a milk shake maker for the cafeteria, a pop machine, and tried to raise money for charity in memory of Lesley Metz, a great friend we all lost in our Freshman year.

All in all, the students received what they worked for in a fine, smoothly-run school year that we'll never forget.

# REFLECTIONS

The 1977 Reflections staff started the year off right by winning a First Place Award at the Seven Springs Seminar. Using that as encouragement we surged ahead using all of our energies. Every staff joined together and worked as a unit. Through all of the laughter and tears much hard work was completed. We began to feel as if it were an unending job. The deadlines seemed to come before we were ready and staying late soon became a daily routine. All the members of the staff anxiously awaited the arrival of the yearbook. The staff hopes the students of C.H.S. are happy with the finished product.

# COUGAR TIMES

The school newspaper underwent a few changes this year. Attempts were made to get the students involved via their own writings and contests. The staff put forth many long hours to help overcome difficulties such as the extended "vacation" due to the gas shortage. Many people learned the meaning of responsibility and much new talent was uncovered. The COUGAR TIMES survived through all the difficulties. Our sponsors, Mr. Torcasi and Mr. Berceli, gave much of their time to help us add a new perspective to the TIMES.

# GOLDEN COUGAR MARCHING BAND

Band Camp started two weeks before school with teaching the freshmen to march, 90° weather and scorched feet. Camp was at the high school for the first time, posing a problem — no place to go.

Robert's half chewed Camels, Bob Boyd for head drummer, "Band Rams", new romances, Snoot as freshmen representative, more difficult music, and our officers Timmy, Debbie, Nancy, and Grace pulled us all together to finish camp with a successful First Annual Half Time Show.

Now came the time to start planning for a trip to Mexico and fund raising with the seemingly endless raffles, shows, bumper stickers, hoagie sales, tag day, inventory, and a prayer from Father Tom Smith.

The work at band camp was not in vain. The band was invited to the Keystone Oaks, Baldwin, and Steel Valley band festivals, receiving awards and trophies for fine performances. A wet Bloomfield Parade, a cold Santa Claus Parade and, of course, a moonlit march to the country club for a surprise birthday party will never be forgotten.

The usual football season made the dreams of band camp come true — singing and cheering on the bus led by the Juniors, watching the game through the bus windows, night practices, a wet Homecoming, mums for the girls on Senior Night, and frostbite at McGuffey.

With very vivid memories of marching season, concert season, Thursday night practices, subzero weather, snowball battles on breaks, and pep talks, the band set the mood in preparation for an excellent concert to be performed in Mexico.

Good luck band, from the seniors. We'll miss you and thank you to Mr. Gunn.

It was an unforgettable year beginning with the tryout song, **THEME FROM THE ROCKFORD FILES**, followed with a celebration at the Ponderosa of all the two year members. How many Cougarettes can you fit into a photograph booth? Waiting for our new uniforms. This year band camp was held at the high school for the first time and hopefully the last time. What was position 57 anyhow? Bean how? The memorable hospitality of Pennsbury Village will never be forgotten. **CHESTER**, as a finale? I'd give it a 40, it doesn't have a beat and you can't dance to it!" Who could forget the first game we used streamers! Waiting for our uniforms!! Cougarettes as cheerleaders and majorettes at the Senior pep rally — never again. The Carlynton Top 4 — **S.W.A.T.**, **FEELINGS**, **I WRITE THE SONGS**, and **GREENSLEEVES**. It was unforgettable and it all went by much too fast. But everytime we hear one of those songs, one of those special songs, we'll look back on the football field again. The Cougarettes would also like to take this opportunity to thank a very special lady who gave encouragement, understanding, precious time, and much more — herself. We wouldn't have done it without you — Miss Solomchak. The Senior Cougarettes would like to thank all the underclassmen for making their last year so beautiful.

# SENIORS PERFORM IN YOU CAN'T TAKE IT WITH YOU

This year, December 9th and 10th, the Senior Class of Carlynton High presented **YOU CAN'T TAKE IT WITH YOU**. Auditions for the cast were held in October with a great deal of the usual stagefright and nerves. After all the deliberations and problems, rehearsals began.

Things started off fairly well. There was always the confusion over which act was rehearsing 8th, did you have your lines memorized, and the real nitty-gritty of getting scenes together, props organized and costumes ready. The cast was getting its act together and you could see the characters taking shape.

Finally, opening night. But you couldn't let stagefright, the audience, or the flu stop you, — **The Show Must Go On!** But opening night had its special jitters — a slightly confused entrance, a door bell a little too soon, or too late. Funny how you never realized the real humor until you heard the audience laughing. Lastly you hear the real message behind it all — you **REALLY** can't take it with you. That was something to think about after the laughter was gone. But one surprise was left — a standing ovation, the first night. This was a "first" in Carlynton and something that made **YOU CAN'T TAKE IT WITH YOU** a truly memorable Senior Class Play.

# WELCOME TO THE MONKEY HOUSE

On April 9th and 10th, 1976, the Junior Class presented WELCOME TO THE MONKEY HOUSE. First came those nerve-wracking tryouts, then weeks of rehearsals. Everyone made it through those weeks even though Uncle Sam and the window fell apart. It took Robbie forever to learn to dance, Kim was worried about not getting her chair and cues were off. Naturally, opening night everyone was nervous. Fortunately, both nights were a great success thanks to a great director — Mrs. Sinkula.

"Probably the last place left on Earth where it won't matter if big brother is watching is the Monkey House."

The Bowling Club is sponsored by Mr. Derrickson. Students spend their time trying to win and be the number one team. As the weeks go by, everyone's average should improve, but sometimes that's a little difficult. The best score a bowler can have — a 300 game. If you like strikes, spares, splits, or just having a ball, then the bowling club is right up your alley!

Our Alma Mater ever,  
Your colors green and gold,  
The symbol of your strength in  
the Cougar's cunning bold.  
With truth and learning in your  
halls,  
A loyal friend to us all,  
Oh, memories live of days gone by  
Sing praise to Carlynton High.
