HOMEcoming QUEEN
Bob Maimone, Laura Toney

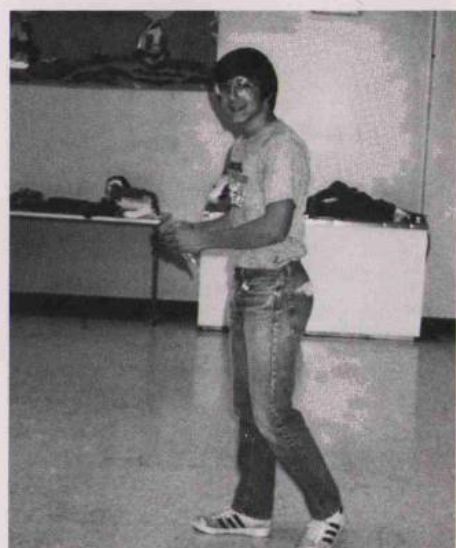

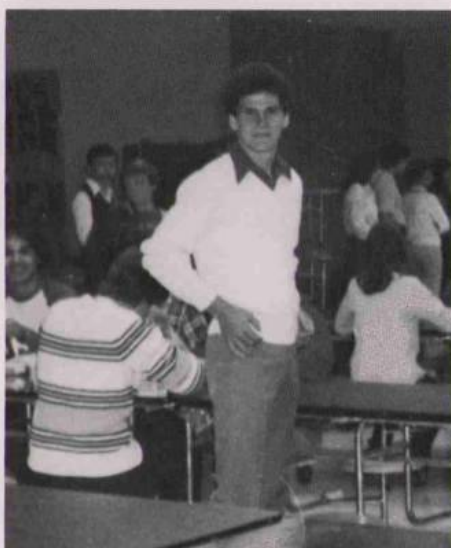

The Junior Class set the scene for the night we crowned our 1980-81 Homecoming Queen. It was a night filled with fireworks and pageantry. The five nominees and their escorts walked through an arch of pink and maroon flowers, and took their places to await the results. Maureen's voice captured the audience: "Fourth Runner-Up – Terry Bogats; Third Runner-Up – Margy Sams; Second Runner-Up – Cindy Kovac; First Runner-Up – Tammy Nelson; Homecoming Queen – LAURA TONEY."

SENIOR CLASS OFFICERS

Secretary — Lora Chasky, Vice President — John Kozlowski, President — James Reagan, Treasurer — Lois Veltum

To the Class of '81,

It has been my privilege to teach the class of '81 in many, many subjects for many years. Each year when you thought you were rid of me, there I was teaching different subjects when you returned in the fall. When you were sophomores adjusting to the first run, I was there to wake you at the end of the first period. And it was I who taught the young ladies not to spit on the walls, and it was I who led you in the cheering at the Pep Rallies. When you matured as juniors, I was there again waking you after the English classes, organizing the Pep Club and keeping your spirits up as we followed our teams everywhere. And, finally, you became seniors and I was still there waking you in different English classes and leading you in cheering at games and pep rallies. Our lives here at Carlynton have been so intertwined I feel that I should be graduating with you. I have never enjoyed teaching more than I have these past few years with the class of '81. You are a rare and special group of young men and women. I will not see your like again.

With affection,

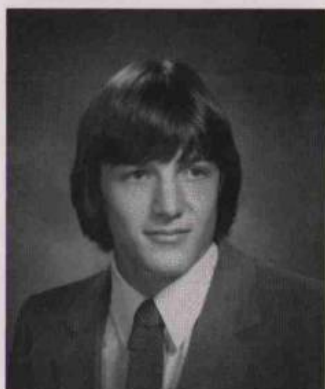

Fredrick M. McCullough

*Let me be a little kinder,
Let me be a little blinder
To the faults of those about me;
Let me be when I am weary
Just a little bit more cheery;
Let me serve a little better
Those that I am striving for.
Let me be a little meeker
With the brother who is weaker;

And being just to your fellow man.
It's figuring how, and learning why

And dreaming little and doing much

With what is finest in word and deed
It's being clean, and it's playing fair:

It's serving and striving through strain

Revenge, at last!

Passing away the time

"Our boys will shine tonight"

Always keep your
words soft and sweet —

In September 1977 we came to the high school, scared but excited. We were the babies of the school. It took us awhile to learn new names and new procedures but slowly we were becoming Carlynton kids instead of Carnegie, Crafton, or Rosslyn Farms kids. We had left the security of Middle School: our boundaries had changed!

As tenth graders we gained a bit of status. We weren't the youngest anymore and we wondered if we had been as immature as the new freshmen seemed to us from our lofty position as sophomores. We began to stretch a bit. We joined clubs, made varsity teams — our influence was being felt. We knew all the teachers' now whether by reputation or first-hand experience.

In eleventh grade our boundaries changed again. Many of us passed our drivers' test and access to a car gave us a sense of new-found freedom. In school an array of electives meant that the number of required courses diminished. We chose electives to test out new career and college direction.

In 1980 the mystique of being a SENIOR became reality — we were the seniors. As the year progressed, there was a new poignancy to life at Carlynton. What had seemed an unending progression through school became a realization that this is really our last year. We leave with a lump in the throat, our memories intact, and our understanding that our years here will help us deal with the limitless boundaries that lie ahead.

FACULTY

ADMINISTRATION

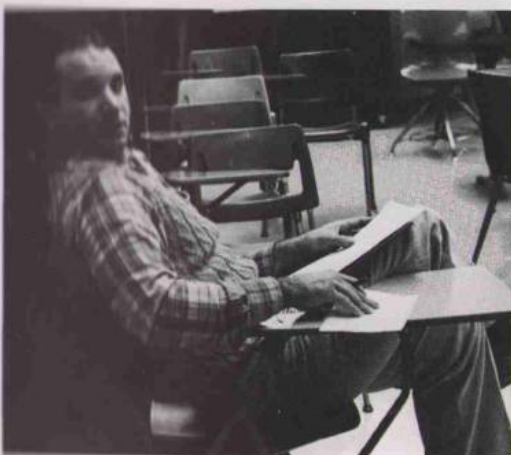

To the Graduates of 1981,

I greet and congratulate you, not at the conclusion of your senior year, but now, a dogeared page of distance in time. A time when old yellowed photos mean fond memories; a time when yearbooks are seldom read but most appreciated; a time when "pep rally" is what must be done to get up in the morning. And so it is now that I congratulate the class of '81, not for graduating from high school, but for bringing your lives forward to an uncertain future with the same brightness and enthusiasm with which you walked the halls.

No one said it was going to be easy. No one said it was going to be fun. But here you are already at yesterday's tomorrow, still bright, still enthused, and ready. Ready to say "It might not be easy"; ready to say "It won't be all fun" but above all, with a determined smile, you're ready to say "Let's give it a try."

SPORTS

Senior Class "81"

As with any class there are positives and there are negatives. As senior sponsor I have seen a class with a great amount of energy. Only a few people actually appreciate the hard work and time involved in activities that make "their" class one of the best. Meetings, phone calls, conferences, and more meetings are so necessary for proms, Christmas dances, and graduation exercises.

What I guess I'm trying to say is that this class doesn't have the greatest external win-lost record, but they are all hard workers — a necessary ingredient for the real winner.

Congratulations 81; you will always be a part of this school.

The Carlynton's Boys' Basketball Team, coached by Rich Sonson and Bill Fox, ended the season with an overall record of 21 wins and 4 losses, and a section record of 11 wins and one loss. For the first time in Carlynton's history the Cougars qualified for the W.P.I.A.L. playoffs. The team set a new school record by winning ten games in a row. Carlynton also won their first Christmas Tournament by beating Mars and Charleroi. The individual school records that were broken were set by Aaron Mickens who scored 47 points in a single game and Frank Ambrozic with 30 rebounds in a single game. Aaron Mickens finished the season as Carlynton's leading scorer with 467 points, an average of 18.6 per game. The leading rebounder was Tony Torchia. Rick Trombetta led in assists. Rosito Roa played a very important part with his great quickness. John Zajicek's outstanding shooting and Vince Capuzzi's strength were also key factors. The remainder of the varsity players contributed to the team. It was a great season; Pizza Hut enjoyed our winning celebrations too!

GIRLS' VARSITY BASKETBALL

We have had the most successful year in girls' basketball at Carlynton High School in the school's history. The *most victories* have been recorded along with the first tournament victory — the Christmas tournament. A record game high of 85 points was also recorded. This was accomplished with the emergence of two seniors, Sharon Walls and Charlotte Walker. Their tenacious persistence was evident all season. We also feel that Sue Torre, Amy Shantz, Debbie Dodd, Donna Veltum, and Sharon Barbisch are all ready for total Varsity play. Key sophomores include Becky Kochin, Monica Yustak, Karen Hoyson, Patty Debold and Kim Mitowski. We have a good nucleus for next year's team. We are always looking for hustle and desire, and think we have it with all of our girls and staff.

The Cougar grapplers also captured the runner-up spot in the Three Rivers Conference and the team championship in the Fort Cherry Invitational. The Cougars competed in the W.P.I.A.L. Team Championship Series and the Individual Championship Tournaments. Cross-country began the last two weeks in August and the season lasted through the fall. The team of 1980 was close, and many memories of the good times were made. It was hard work, but it was fun. Even though the team was small, we didn't do too badly. The team finished 2nd at the Tri-Rivers Cross Country meet, and individually, for the girls, Lois Veltum finished first, and for the boys, Tom Nowak, finished second. Good luck to Seniors: Brian Winsor, Sharon Walls, and Lois Veltum.

GIRLS' TENNIS

The 1980 girls had a very young tennis team with no girl having more than one year of varsity experience. However, there will be four letter winners returning for the 1981 season. These girls along with some returning freshmen and new recruits will try to improve on their 2-10 record.

The final record of 9 wins, 1 loss was satisfactory. VARSITY CHEERLEADERS

This great memory all started with try-outs last February. We wasted no time. After try-outs we got right to work preparing for Golden Eagle Camp. Our bodies still ache from all those summer practices. Winning the big megaphone and the blue ribbons made it all worth our time. The one thing that will vividly stick in our minds forever: "Is there anything coming from the north, wait a minute and I'll see." Football season started and so did all the excitement. Of course, don't forget our first pep rally and the Student Body's great enthusiasm, and our skit, "Cougar Training Camp." Moving right along to Senior Recognition Night. What a night that was! Separating into two separate squads didn't change any of us, we still remained best of friends. The wrestling cheerleaders with their I.C. Cougars and section win. The basketball cheerleaders with, "Hit them with your best shot," and "I LOVE IT!" It's been a season full of ups and downs, tears and laughter, complaints, and fights, painting millions of signs, and memories that we wouldn't trade for anything in the world.

COUGAR MASCOTS

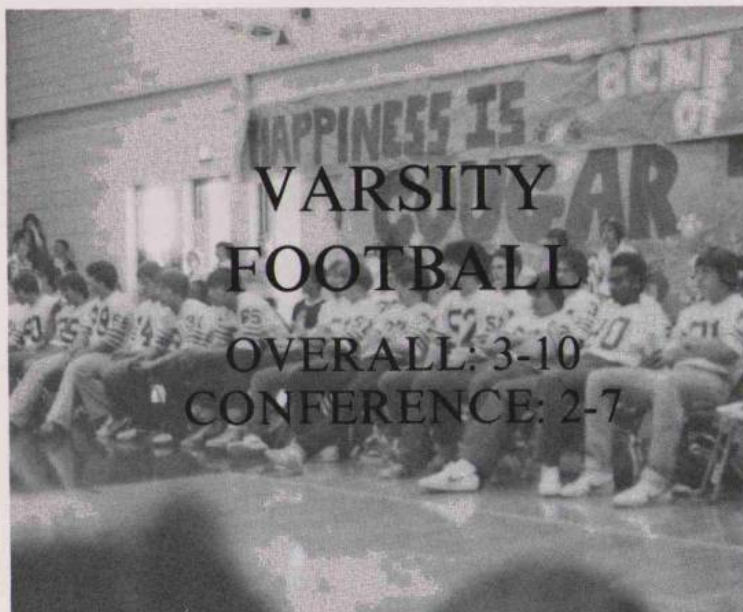

What did seniors Roseann, Janet, Holly, and Sue have in common? They all were Carlynton High School Cougar Mascots. Sponsored by Mrs. Peg Sonson the mascots worked harmoniously with the cheerleaders to promote pride, and rev-up the crowd attending the football games. Because of their efforts, pep rallies were more bearable. The Mascot motto is "Always smile, smile, smile and never cry, (except on Senior Night)."

ACTIVITIES

Dear Seniors of 1981,

As I sit alone quietly reflecting on your class, I see a kaleidoscope of faces, feelings and images that move in and out creating the memories that we have shared over the years. As the kaleidoscope moves a beautiful combination of colors into focus, I see your faces — some frowning, others questioning, but most of them laughing. I think of the lyrics to a meaningful song —

"But where are the clowns?
Quick, send in the clowns
Don't bother, they're here."

As I continue moving the kaleidoscope, I see your smiling faces again, sharing all the special moments you are experiencing this year as the class of 1981. I don't need to list all those special moments, you know them, and will hold them forever in the future, perhaps at your twenty year reunion. Can you possibly imagine that reunion? It will be 2001, my friends.

Thinking of you one more time, I try to move the kaleidoscope one final time, but the colors are not as vivid or clear, because our paths are beginning to move in separate directions. Have I done enough as your teacher and friend? Oh, I know I've given you knowledge, but have I given you enough? Have I given you the strength, confidence, and power that you will need to face your future? But, most of all, have I given you enough love?

Take what we have given to you and give it to others. Share your knowledge, talent, strength and love, and build a beautiful world, my friends. God bless you and keep you safe in His hands until we meet again, my dear, sweet clowns . . .

"... And where are the clowns?
There ought to be clowns . . .
Well, maybe next year . . ."

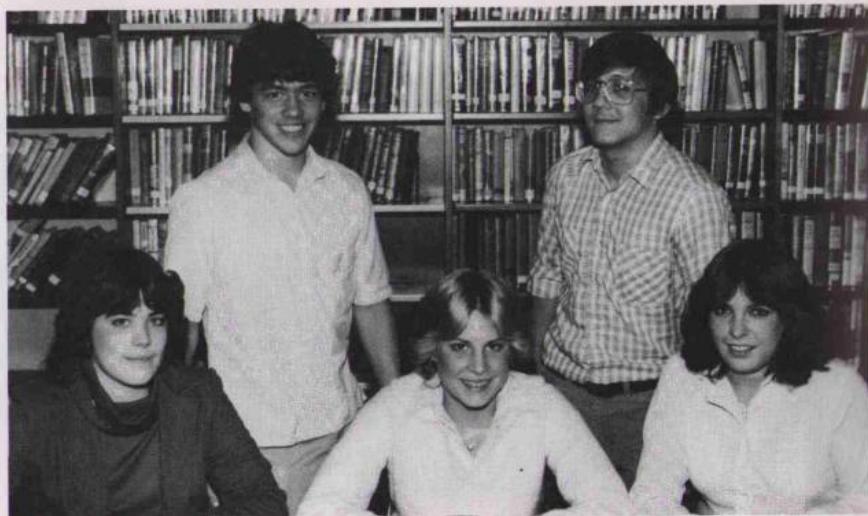

Love,

Naomi R. Daugherty

STUDENT COUNCIL

Student Government helps establish a system of communication between administration, faculty, and students. Through their efforts, we enjoyed the movie, *"Robin and His Seven Hoods."* The Children's Hospital fund drive proved to be a huge success. Along the same lines, the Blood Drive was initiated in late February to help the Blood Bank. With Mrs. Lusk as their sponsor, Student Council helped all Carlynton Students.

The yearbook staff, sponsored by Mrs. Patty Burns, is proud to present "Reflections '81." No one could imagine the time and patience put into this book, but to see it all completed makes all the work worth while. Seniors, we hope you enjoy this book, because it represents your last year as a "High School Student." Through words and pictures we have tried to capture memories of the good times at C.H.S.

SNOWFLAKE FANTASY

Christmas is a special time at Carlynton. The annual Christmas dance, sponsored by the Senior Class, is a highlight of the holidays. The cafeteria was transformed into a "Snowflake Fantasy." Music was provided by Church Street. Santa (Mr. V) dropped in during the evening and treated us to some juicy gossip. John Kozlowski was crowned Snow King, and Michael Ebbert, Dale Mikus, Kurt Muenz, and Bob Viviano were included in his court.

The newspaper kept us up to date on sports, romances, and school activities. The staff worked hard to produce our newspaper, which was sold in the cafeteria at lunchtime as well as sent to other schools in the area.

"Hey King Dinny — How about a little fun-fun?"

Frozen in time, the mortals stare as Luella gets blamed for another mistake.

Make-up, an essential part of every production, is carefully applied to Rachel Larimer.

"Stir the brew, stir the brew."

"We are the Kings of the World — we get roasted, fried, broiled!"

"Yeh, well I didn't mean a perfect woman in the form of granite or concrete."

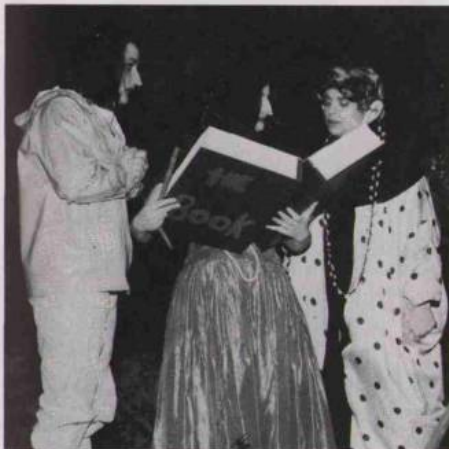

"Look Dinny, your son, the future of the world."

The mortals stand in rags since time has stopped and 100 years have passed.

"You wanna wait and walk me home?"

"According to *The Book*, his name is Dinny Jones."

Lynda Mullen artistically applies Lori McCormick's make-up as Mona Salmen shows approval.

"All Hail King Dinny!"

"You won, sir, your horse came in first, second, and third."

"I didn't say anything."

"I'll miss Dinny, so much."

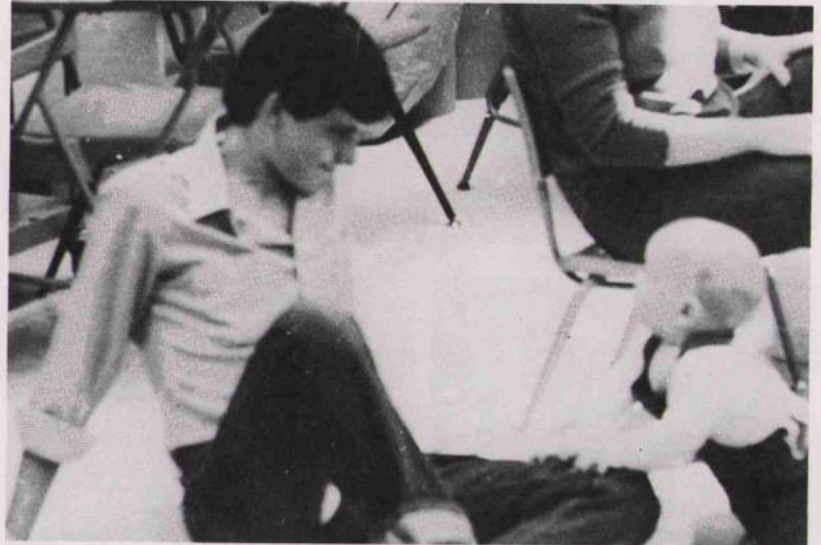

"Nah, I didn't see nothin' in neither of them." Dinny and the Witches 16

INTERNATIONAL THESPIAN SOCIETY

Founded in 1929, the International Thespian Society is an educational organization which aims to establish and advance standards of excellence in all phases of theatre arts, and which aims to create an active and intelligent interest in theatre arts in secondary arts.

The focus of the Society has always been on the student: his/her achievement, his/her involvement and the betterment of his/her education in theatre arts. Thespian membership is granted for the performance of meritorious work in theatre arts which meets the general guidelines of the Society.

Members of the Carlynton troupe have participated in this year's two major productions, *Dinny and the Witches* and *The Winners, the Losers*, in addition to the one-acts, *It's Sad So Sad When an Elf Goes Bad*, and *The Window*.

Two Thespians, Michael Burns and Roseann James, participated in an apprentice program this year with the Pittsburgh Public Theatre.

PHOTO-GRAPHY CLUB

The Photography Club proves the wisdom of the Chinese proverb which says "One picture is worth a thousand words." By selling "Entertainment 81" books the photo club raises money to buy cameras and other necessities for the Graphic Arts department. A field trip was taken to Herbrick and Held, a printing firm. Mr. Lou Bercelli is the sponsor of this club.

FUTURE BUSINESS LEADERS OF AMERICA

The F.B.L.A. (Future Business Leaders of America) of Carlynton High School is a club oriented to the business student. The purpose of the club is to familiarize the student with the various professions and careers available in the field of business. The students are also provided with more insight to professionalism and leadership through the various talks and demonstrations presented by guest speakers. As a result of a variety of fund raising projects, money is raised in order to take field trips to visit business schools and business organizations.

In the future, the club hopes to become more involved on a regional level where the students will be interacting with the schools in the surrounding area.

The club's officers are: President — Angie Torchia, Vice-President — Anita Caivano, Secretary — Diana Nosal, Treasurer — Ashima Gahkar. The club is sponsored by Miss Helen Solomchak.

The main concern of the French Club is to foster a deeper understanding and appreciation for French culture. Through the years the club members have participated in many cultural activities: performing in French skits at Slippery Rock College, Allegheny College, and Buhl Planetarium; listening to guest speakers at club meetings; having a guided tour through the French Impressionist collection at Sarah Scaiffe Art Gallery; taking National French Test at the University of Pittsburgh; writing to pen pals; traveling to Quebec, Montreal, Paris and Rome; developing and performing a Christmas program for the elementary schools; selling French pastries; visiting The French Bread Factory; dining in French restaurants in our area; attending concerts of French performers; learning French songs; and watching feature length films of French Classics.

This year the club members have received new pen pals, performed at Buhl Planetarium Foreign Language Festival and sold candy bars (in lieu of our Patisseries) to replenish our anemic treasury. The funds will be used to rent a feature length French movie and to help pay for the annual dinner at a French restaurant.

The Outdoors Club got a late start last year, but was still able to come through with a very successful car wash as a fund raiser and then proceeded to have a great time caving at Laurel Caverns. This year's car wash was just as successful although it failed to net enough money for the club's planned MT. EVEREST EXPEDITION. Unfortunately, the MT. EVEREST EXPEDITION was pushed back until next year. This year the Club planned lots of adventurous outings, including a white water rafting trip to Ohiopyle, with no casualties, we hope. This club is sponsored by Mr. Peter Povlick.

CAREERS CLUB

Celebrate

What's your excuse
to celebrate at the Red Bull Inn?
Sure birthdays, anniversaries and graduations are
great reasons

to celebrate. But why wait for a special occasion,
when it's so

easy to find an excuse to celebrate at the Red Bull
Inn?

If you're going on vacation, that's a good reason to
celebrate.

Maybe your boss is going on vacation — an even
better excuse.

Celebrate a victory for the home team. You get the
idea.

You supply the excuse to celebrate. Then we'll supply
a comfortable
casual atmosphere. We'll also supply a delicious
dinner at a

reasonable price — served with a smile.

Because anytime is a great time to celebrate at the
Red Bull Inn.

Although I am writing this note in a small amount of space, the time, dedication, and efforts of these people would definitely fill more than this book could hold.

Through times of laughter and joy, tears and frustrations, we organized this memorable yearbook. I would like to take this opportunity to show my appreciation and thankfulness to Bob Albright of Taylor Publishing Company, Strem-Varden Studio, the faculty, office personnel, the yearbook staff, my mother, and a special thanks to our advisor, Mrs. Burns, Joseph Kirby, Robert McGrogan, and Michael Burns.
