DEDICATION

The class of 1982 proudly dedicates REFLECTIONS to Mr. Paul Derrickson. He has been an asset to the educational system for the past 38 years. He started out at Michigan State University where he received his bachelor's degree. After graduating, he served in the Army for four years. Upon his return from the Army, he resumed his studies at Michigan State before beginning his teaching career in Harbor Springs, Michigan, in 1947. It was in the late '50's when Mr. Derrickson first started teaching in Crafton. He has been with us ever since, at one time coaching three sports without assistants and teaching four different subjects.

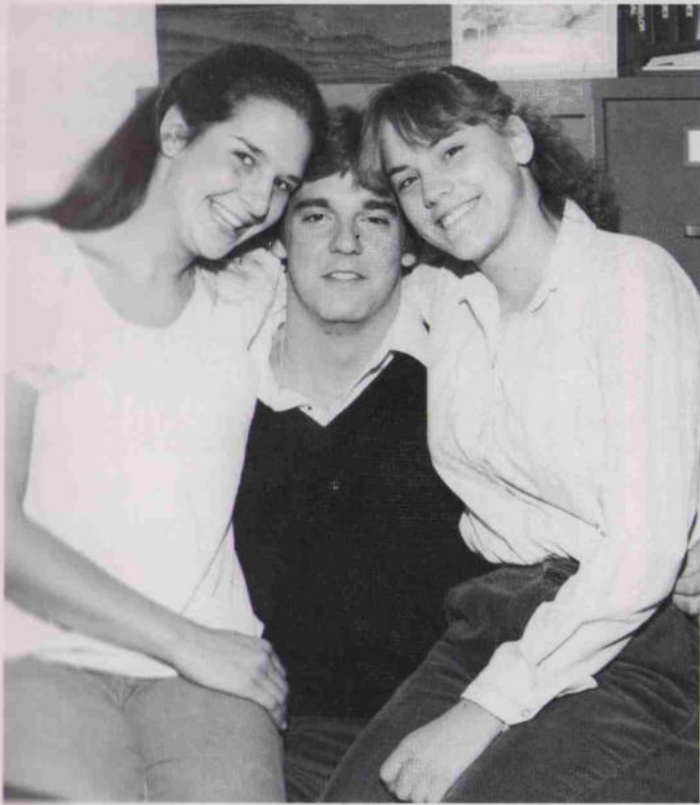

1981 and '82 marks his last year in education, but his guidance will long be felt by the thousands of students whose lives he touched.

We the seniors wish you much luck and happiness Mr. Derrickson.

SENIOR CLASS OFFICERS AND EXECUTIVE BOARD

The officers and executive board of the Senior Class are comprised of Seniors that have a deep sense of responsibility to their fellow classmates. They are responsible for Senior Night and Halloween Dress-Up Day, the Christmas Dance and graduation. They also help plan and coordinate the Jr.-Senior Prom. A special note of thanks is due all these people who helped make the Senior's Year something special.

HOMECOMING

After many weeks of hard work and dedication, the Junior Class decorated the field in dark and light blue, and made Homecoming a beautiful and memorable occasion. The festivities began at half-time, and all our excitement and anticipation built up to find out who our new queen would be . . . Fourth Runner-Up is Sue Torre . . . There is a tie for third place . . . They are Lori McCormick and Bridget Mullen . . . Second Runner-Up is Maureen Mucha . . . First Runner-Up is Deanne Knizner . . . and the 1981-82 Carlynton Homecoming Queen is Marne Massella. The Girl's Ensemble added the final touch by singing the song "Smile". It was surely a special night.

SENIOR NIGHT

October 30, 1981 — Our last home game. All too soon, we the seniors were being recognized. It seemed impossible to believe that one season was over and it was time for wintersports. All those who contributed to an outstanding football year played a special part during a pre-game ceremony. There were flowers and tears from parents, underclassmen and fans, not to mention a lot of emotion shared by the seniors.

ADMINISTRATION

Standing (left to right) Assistant Superintendents Mr. Paul Perhosky, Mr. Nicholas Swenn. Seated is Dr. Nicholas Fratto.

Secretaries: Seated — Mrs. Rachel Warnes. Standing — Mrs. Helen Novelli, Mrs. Irma Rodi.

Left to Right — Jr. High Principal — Mr. Dale Lutton. Senior High Principal — Mr. William Palonis.

Members of the Class of 1982:

Graduation from Carlynton High School is but another rung in the ladder of life. You will continue climbing this ladder, but from this point on each remaining rung will have a uniqueness, a singularity, that will be based upon the particular road that you choose in life.

You have accumulated much in the world of facts, knowledge, and experience within the past twelve years. You have shared these years educationally and socially with your classmates, but now each of you will begin to go your separate and distinct ways.

In your classrooms your teachers have given you a body of knowledge in the different disciplines. Now it is up to you to weigh, criticize, review, and to choose from that body of knowledge those concepts, thoughts, and ideas that will be beneficial to you in achieving your goal in life. There is a great difference between instruction and education. How wisely you make your choices and decisions now will be the proof that not only have you received "instruction" but also that you are in every sense of the word, "educated." Certainly the facts that you have acquired in all your subject areas are important, but they are of little use to you unless you have the ability to glean from them and to make use of what you have learned. Kahlil Gibran, a poet, philosopher, and artist from Lebanon, has said, "When you reach the end of what you should know, you will be at the beginning of what you should sense." This to me is the very essence of what education and life is all about.

Be strong in your convictions, fair and understanding in your relationships with others, and grateful to those who have played a role in the moulding of your life. Remain true to the ideals and values which have been instilled in you by your parents, faculty, and friends. Think for yourself, plan for yourself, decide for yourself, and achieve for yourself. Let all of your actions be tempered with humility, humbleness, and integrity.

With the deepest sincerity, I wish happiness and success to each one of you in whatever path you have chosen for your future.

Coach: Richard Sonson

The boy's basketball team who compiled a 19-7 regular season record will be graduating eight seniors. Good-luck to Coach "Digger" Sonson, "Put those balls in the rack," "YMCA's over." The eight graduating seniors are Rick Trombetta "41 points," Rosito Roa "Mr. Precision Layup," Jaimes Contreras "Where's my headband?", Tony Torchia, John Zajicek "I was in the bathroom," Todd VanSickle, Greg Campbell "I'm really 5'10", and Jim Bagnato "I'm going to play point guard for Purdue." Good-luck to next year's team, Rich Sonson, and Bill Fox and a final toast to Bob Ferguson, Forrest Smith, and Denny Sams.

WRESTLING

The 1981-82 Cougars coached by Mr. Yost and Mr. Popivchak are a young and inexperienced team that is improving daily.

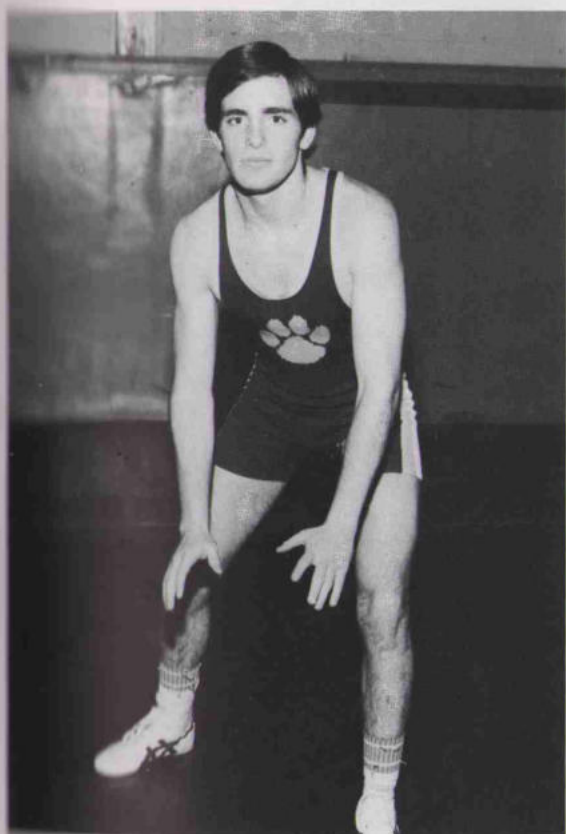

With a small squad of fifteen wrestlers, the Cougars have worked long and hard, competing in the toughest section in AA as well as wrestling several AAA schools. The Cougars are led by seniors Tom O'Leary, Charlie Stewart, and Frank DeAugustine. Juniors Mike Christman, Jeff Haag, Dan O'Keefe, Don Schaffer, Tony Schepis, and Dennis Solt have all been regulars in the Cougar line-up. Sophomores Joe Burgunder, Dave McGonaghy, Paul Sieber, Brian Taylor, and Mark Sutton as well as freshman Paul McConaghy make the future look bright for the Cougars.

Cross-country is a fall sport that is enjoyed by both boys and girls. The meets are held at Settler's Cabin Park, after school. This year course records were broken by Seniors Lisa Dunn and Tom Nowak. They also had the honors to compete at Penn State University at the state meet. Lisa was the first girl from our school ever to compete at that level.

BOY'S TRACK

Sitting (l to r) David Nosal, Joe Mercurio, and Tim Yetsick. Standing (l to r) Tom Nowak, Fred Weissert, Dean Steidl, and Todd Van Sickle.

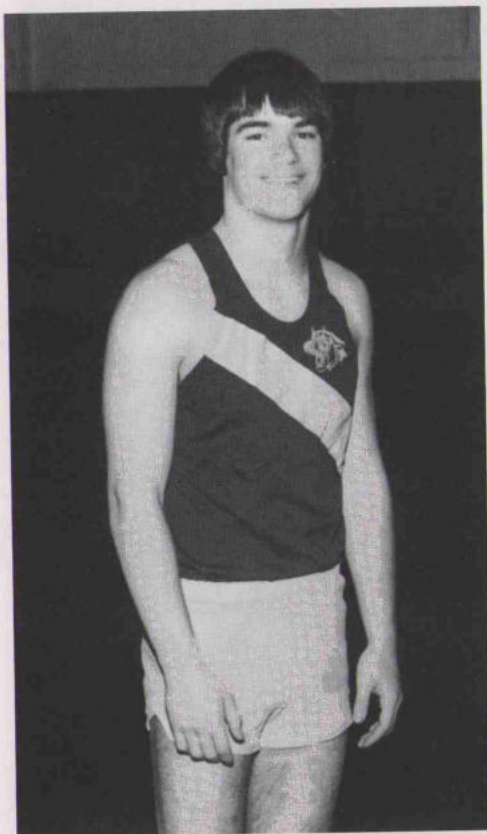

Our runners faced some of the top teams in Western Pennsylvania. They fell short in some of their goals mainly because of some of their reoccurring injuries. The workouts got harder, and they moved from inside (running the halls) to doing speed work down on the track. These work-outs separated the people with a true track heart. Under the new coaching staff the track team is expected to do quite well this year. Expected this year is a strong throwing field led by Tim Yetsick, Brian Cross, Jerry Weisser, and Matt Adler. And this year the track is led by Glen Sullivan, Todd VanSickle, Bob Snyder, and Jaimes Contreras.

This year's team has matured from last year's. They have a lot of team spirit and they work well together. Good Luck to next year's team! Good luck to the seniors!

Girls track is a very popular spring sport. Many girls dedicate themselves to keep up the "winning tradition" of Carlynton. The team is well respected in the W.P.I.A.L. not only for the team effort, but also for the individual accomplishments. This year's seniors are some of the award winners. Dawn Stover, Amy Schantz, and Sue Torre competed at the state meet last year in the 400 meter relay and placed seventh. Also at the "state" competition level was Amy Schantz for throwing the javelin, and, of course, Sue Torre, who placed 3rd in the 200 m, was state champ in the 100 meter. Our underclassmen also play a very important role in the success of our team. Many of them competed at the W.P.I.A.L. finals and are looking forward to reaching further goals. The girls enjoy the competition, but they also find pleasure in the friendship they make and the "cougar pride" that they radiate.

BOY'S TENNIS

The boy's tennis team will be making a bid for three straight section titles in the 1982 season. The team won section X titles in 1980 with a 12-0 record and again in 1981 with a 11-1 record. Over the past three seasons the boys on this year's team have contributed to a record of 34 wins and 2 losses for Marlinton Tennis.

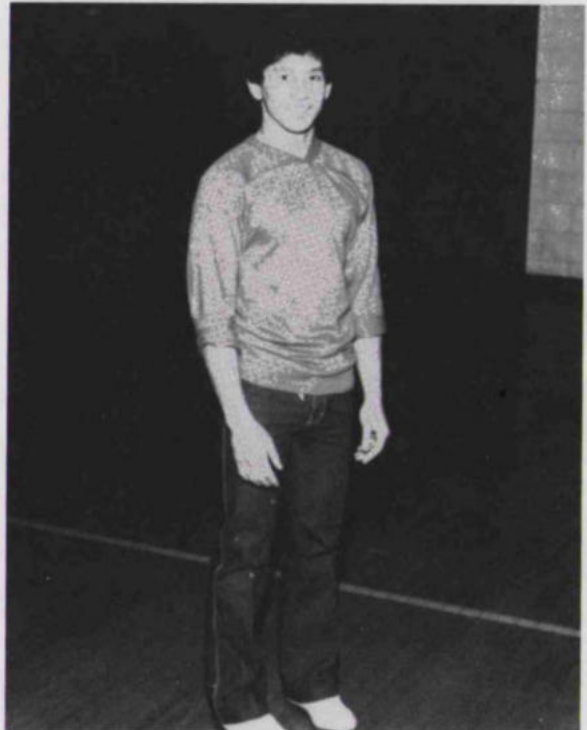

This year's team will be led by seniors Rosito Roa and Carlos Metz, and by junior Ruel Hinog. The team will be looking for a lot of help from some promising underclassmen.

The girl's tennis team improved their section record to 5 wins and 7 losses this season after going 2 and 10 the previous year. All the girls improved their level of tennis this season accounting for the close matches and better section record.

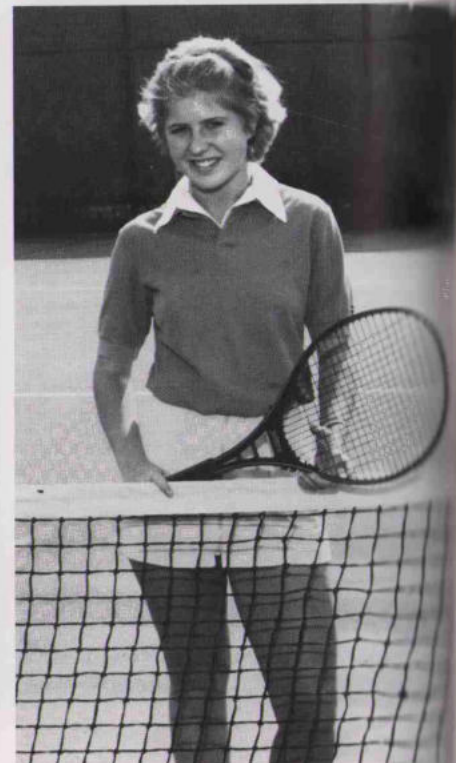

Next year the team will miss seniors Donna Veltum, Maureen Melia, and Roberta Snyder and will depend on Monica Yustak, Mary Hecht, Rainy Laux and Kathy Kay to again improve the team record.

BOY'S SWIMMING

The boy's swim team had a mediocre season this year ending with a 3-3 section record. The season, although not very successful, was a lot of fun. Remember all the back rubs from the girl's swim team, Steve? And the presence of the ever famous beaker! Chris and Mark would have never made it to W.P.I.A.L.'s without their extra added help. Of course, always remember the Poodles.

Good luck to all the graduating Birdmen.

COUGAR MASCOTS

"Friends are too special to lose."

Having been Cougar Mascots we've come to realize this. We've had times we will never forget. The weekend we spent reliving the "Wizard of Oz" . . . Follow the Green and Gold road somewhere over the rainbow . . . All those HARD practices over the summer . . . Promoting school, enthusiasm, and pride during pep rallies and football games . . . This 1981-82 year began with fund-raisers and high hopes for camp. Early morning practices began with "Wake Up America Show, this is Bob Star saying rise and shine." Mr. August opened a few eyes too. We spent all of our time preparing for camp, now we wonder . . . WHY?? The highlights of camp were the cock roaches, the third floor of retarded people, and sneaking out at 5:00 a.m. The best part of camp was leaving early.

When we got home, football games were next on the agenda. It was a time for signs, cheers, chants, and practice . . . practice . . . practice. But, through all the sweat and bengay, we managed to still be friends. The games were great but the excitement was at its peak at West Mifflin South when the band was behind us all the way! The season went fast and the time came to split up the squad. It was a sad feeling but it all worked out fine.

We shared a lot of smiles and tears through the year but we all remained great friends. There's one thing we all agree on — "All my life I wanna be a N-C-A (clap) CHEERLEADER!!!"

L.M., J.M., E.H., R.S., and A.F., do you remember driving to Montour (a few days early) and ending up at the development center? Well, Student Council finally got together with its representatives and organized the Almost Anything Goes. Who can forget seeing Dave Kunkel riding a tricycle with slippers on. It was a close score, but the Juniors won. Our main goal for this year was our annual drive for Childrens Hospital. We raised a total of \$1816.13 We had a great year! The best of luck to the Class of "83!"

Compiling a lasting memory of an entire year is a difficult and challenging task, but we hope that in the years to come this yearbook will meet the needs of conjuring up our high school years. At the beginning of the school year we were faced with a tremendous amount of work, but through dedication and cooperation, we have completed a book which is especially meaningful to us. A great deal of time and effort goes into the making of a yearbook, but the final product makes it all worthwhile.

We would like to wish next year's staff the best of luck and also congratulate the class of 1982. Most of all we would like to thank Mrs. Rebecca Petronsky for all her help and guidance, for as B.A. would say . . . "You're SUPER!"

The *Cougar Times* staff works hard to produce an informative newspaper. With the help of Mr. Butter, Ms. Deep, and Miss Spitznagel we learn much about writing articles, evaluating the importance of materials, and arranging printing, and selling a newspaper. We publish approximately one edition a month. We wish, of course, that there were more students participating with the *Cougar Times*, so that we could better cover both school and community activities. On behalf of the *Cougar Times*, we would like to wish all the best to the graduating class of nineteen hundred and eighty two. Keep writing!

NATIONAL HONOR SOCIETY

Since 1921, membership in the National Honor Society has been a mark of achievement. It signifies high standards of scholarship, service, leadership, character and citizenship. Unfortunately, last year the Outdoors Club did not meet until very late in the year. Therefore, it was difficult to organize activities. However, they did have a car wash and raised enough money to go caving at Laurel Caverns.

This year our club plans to have several bake sales and perhaps some other car washes in order to raise enough money to go on various trips. Future plans include caving, back packing, picnics and perhaps horse-back riding.

We all have plenty of memories from the past to look back on for the rest of our lives.

COMPUTER CLUB

The computer club's goal for 1981-82 is to develop computer programming skills. Mr. Bricklemeyer and Mr. Andresky plan to conduct lessons on writing computer programs in BASIC during club meetings. Assignments will be "tested" on the school Apple computer. Hopefully the students will write programs suitable for presentation at the annual Computer Fair.

POWER-VOLLEYBALL CLUB

This club consists of boys and girls in grades ten through twelve. It is designed to encourage the development of various volleyball skills — power-serving, dig, setting-up, and "team" play. Four teams compete against each other. Hopefully all involved will become "skilled" and enjoy the game just a little more!

The French Club of the 1981-82 school year, consists of forty-five members. In October we attended the Foreign Language Fair at Allegheny College. The French III and IV class performed a skit, which was Snow White and the Seven Punks.

We worked on another skit for the Buhl Planetarium's Foreign Language Festival in February. It was a satire of "The John Davidson Show."

This year we had a skating party that was held at the Bridgeville Skating Rink.

We took part in four different Red Cross Service Projects. In late March, our school cafeteria was changed into a French bakery, when we held our French Patisserie. The final activity was our annual dinner at an authentic French restaurant.

GERMAN CLUB

The German Club began its meetings in December with plans of upcoming events and the election of officers. The officers for the German Club are: President — Chuck Hosler, Vice-President — Dean Steindel, Treasurer — Marty Yarnot, and Secretary — Carol Mulholland. The events discussed at the first meeting were Christmas Caroling through the halls of the high school, and making potato pancakes after school. We are also planning to sell GummeBarens. The club is also planning a possible trip to the Buhl Planetarium in February.

This year the Spanish Club, which consists of 36 members, is sponsored by Señor Romano. As in previous years, the club is planning to raise money for the annual trip to the Mexican restaurant, Tequila Junction. Tequila Junction is located in Station Square in the South Side. The club members are able to get an authentic sampling of Mexican food.

The club is under the leadership of President: Celia Hackwelder, Vice President: Lee Galicic, Treasurer: Kathy Farrell, and Secretary: Holly Kaslewicz. Gracias Señor Romano for all your support.

STOCKMARKET CLUB

The Stock Market Club is composed of students who participated in the Stock Market Game. The game's objective is to play the stock market using a hypothetical \$100,000 starting sum to acquire the greatest monetary gains. Played by over 500 teams in the Pittsburgh area, the game is sponsored by the University of Pittsburgh, Virginia Commonwealth University, and Parker-Hunter stock brokerage firm.

Two ten week sessions were conducted during the year. Such stock market strategies as short sell, margin buying and short cover are utilized by the student investors. Steve Brown (Grade 8) and Lisa Damian (Grade 9) were Carlynton's winners in the first session. Their prizes included a day long visit to a downtown Pittsburgh stock exchange firm, and a guest speaking engagement at the Carnegie Rotary Club luncheon meeting in January.

1st Row — Diana Nosal, Holly Kaslewicz, Jennifer Moehring, Kathy Farrell. 2nd Row — Brad Ellis, Lisa Damian, Megan Melia, Mark Ravenstahl, Jaimes Contreras.

MOTORCYCLE CLUB

The Motorcycle Club is something new in Carlyton High School. The club was just formed this year with a small group of 10 bikers. Mr. Popivchak is the head biker and has many ideas for area biking. No definite plans were made for this year, but the school holds great hope for the Motorcycle Club in the future years at Carlynton.

1st Row — Jeff Galicic, Howard Kalstle, Mike Altieri, Chris Francis. 2nd Row — John Vogel, Bonnie Regan, Pat Weikel. 3rd Row — Mr. Popivchak, Jim Bassano, Danny Zombeck, Ron Baker.

ART CLUB

This was the first year for Carlynton's Art Club. The response to the club was enthusiastic with twenty-two charter members. The club offers time for members to work on individually chosen projects. Many members have not been able to fit art classes into their everyday schedules and are working in the art room for the first time. The club raised money through the sale of pins and other handmade items designed by members. The funds raised by the club were used to develop a field program which will enable members to explore Pgh's art resources, such as the Bialle gallery, various art schools, Falling Water, the Starving Artists' community, the Artists in Action program, etc.

It has been a general thought that Chorus is an easy credit, non-working class, but anyone who has taken it knows Mrs. Gunn always makes something worthwhile. Over the past two years the Choral department at Carlynton has risen to a point of excellence, consisting of: The Girl's Ensemble, "blank" the car stalled! and who's the jock who sings like Liza Minnelli! The mixed Ensemble caroled their way into people's hearts at Christmas while Mary Kay and Kim kicked the heads of the Snowmen! The Christmas concert was a smash, but we hope Carlynton's first real musical wins big. So Mrs. Gunn can really teach with a "bang." Thanks for everything, turkey, we love ya.

BAND OFFICERS

Fall has left us. The excitement of past parades, festivals, and football games are all fond memories of 1981.

The New Year came. For the Carlynton Band, 1982 had brought a new outlook in musical performances and activities.

The most obvious change would be that they had gone from a marching unit into a concert band. Yes, they cast their white bucks aside, hung up their green and gold uniforms, and put away their fuzzy high hats. Every member made the change from being the spectator in the football stands to the one who is now being watched.

The change from a marching band to a concert band allowed them to develop more of a blend, tone, and technique with the rest of the band. The concert band is noted for playing a variety of selections ranging anywhere from a famous medley of tunes to a popular theme from a Broadway musical.

From all the musicians in the concert band approximately 40 members were selected to perform for what is known as the Symphonic Band. The Symphonic Band adheres only to classical pieces, unlike the concert band. *The Barber of Seville*, *Light Calvary*, and *1812 Overture* are good examples of what they have done.

Out of the Symphonic Band, approximately 18 of the best musicians were chosen for the Stage Band. Through the Stage Band, musicians are left to experiment with various jazz works, section blending, acquiring a style, and improved solos.

As you see the band has been kept busy throughout the scholastic year. These bands mentioned could not have been possible or anywhere near as interesting as they are without the help and dedication of the band director, Mr. Gary Gunn.

Seated: Paula Haluszczak and Dave O'Toole. Standing (l to r): Chris Unger, Lynn McIntyre, Renee Rossi, Laurie Nagle and Jon Stubbs.

A large graphic of a triangle composed of the words "STUDENT LIFE" repeated many times, with a central vertical line. The words are arranged in a grid-like pattern, with the words "STUDENT" and "LIFE" alternating in a way that creates a sense of depth and perspective. The central vertical line is made of a series of small, repeating geometric shapes that resemble a stylized "N" or a series of parallel lines. The overall effect is a complex, layered composition that suggests a journey or a path through a dense forest of text.

I hope you make it through the U.S.A.F. and become General K. This year was the greatest with you! Good-luck and love always. — 99

R.T., C.B., J.O., R.R., B.M. — all in nine months!!

Dave N. — The Loser! Where are you taking me to dinner? Thanks for the memories. Uno forever. — Love, "the Champ"

Look Barb, I wrote you a one-liner!

J.H. — Experiences and Another World, two things I'll never forget!

J.K. — Aren't the best guys from Mars and the moon? R.P. and J.S.

G.A.G. — Remember Monday night phone calls, a, b, c, "D" . . . , did you fall off any chairs lately? Sorry I debauched you! — Mitchie

A friend makes the skies seem bluer, the flowers brighter and more colorful, the sunsets and sunrises more arresting, the whole universe more intriguing.

No matter how cold or hostile the outside world may become, the friend remains like home, bringing us the security of the known, the warmth of caring, and the glow of welcome.

A friend is one with whom we can be ourselves without fear of reprimand, with whom we can let it all hang out, before whom we would not even dream of throwing up a facade.

One who takes the vacuum created by lingering loneliness or the disinterest and apathy of others and fills it up with company, thoughtfulness and caring — that's a friend.

A friend gives without hesitation and without expecting anything in return, really living out the adage that it is better to give than to receive.

Someone who accepts us as we are, for what we are and despite what we have or don't have, never saying or doing behind our back a thing which they wouldn't say or do to our face, is a friend.
