Dedication

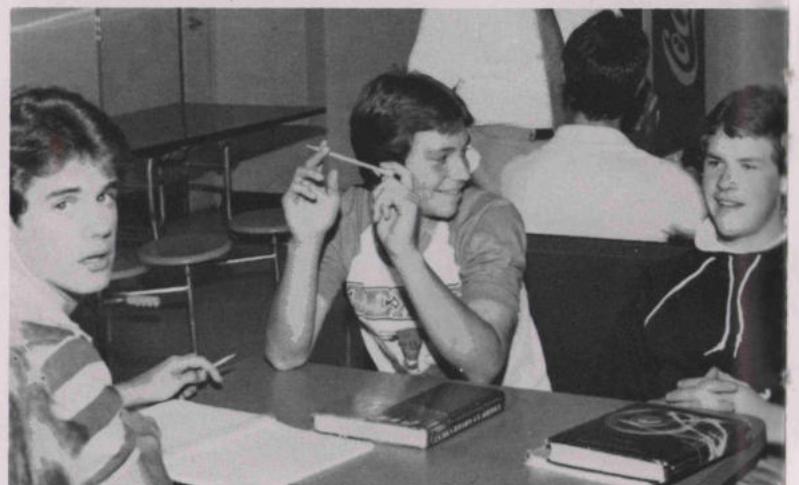

The Senior Class proudly dedicates **Reflections '84** to Mr. Peter Povlick, whose involvement with students reaches far beyond the classroom. As Junior Class Spon-

sor, he planned Homecoming and the prom. Pictured below is Mr. Povlick and the students meeting with Senator John Heinz on the Capitol steps during their three-day trip to Washington, D.C. Mr. Povlick, you are a memorable part of our high school years. Thank you — for everything.

For twelve years the Class of 1984 has been bound to school halls and classrooms from late August until early June. We are committed to schedules, bells, tests, homework, etc. Many students over the years have referred to this confinement as prison life. Picking up this cue, the yearbook staff has chosen **“Carlynton: Our Prison”** as its theme.

Our school year kicked off at 7:49 a.m., Wednesday, August 31. Remember riding that crowded bus and wishing it were still summer? Mr. Palonis, hereafter referred to as The Warden, greeted several returning inmates with a powerful handshake. When we got our new schedules in homeroom, we compared them to see which old friends would be in our new classes. We all chuckled at the lost 7th graders, but some of us, like Ed Zahn, directed them. Some prisoners were glad to be back. However, pictured left is Jim Bassano trying to escape.

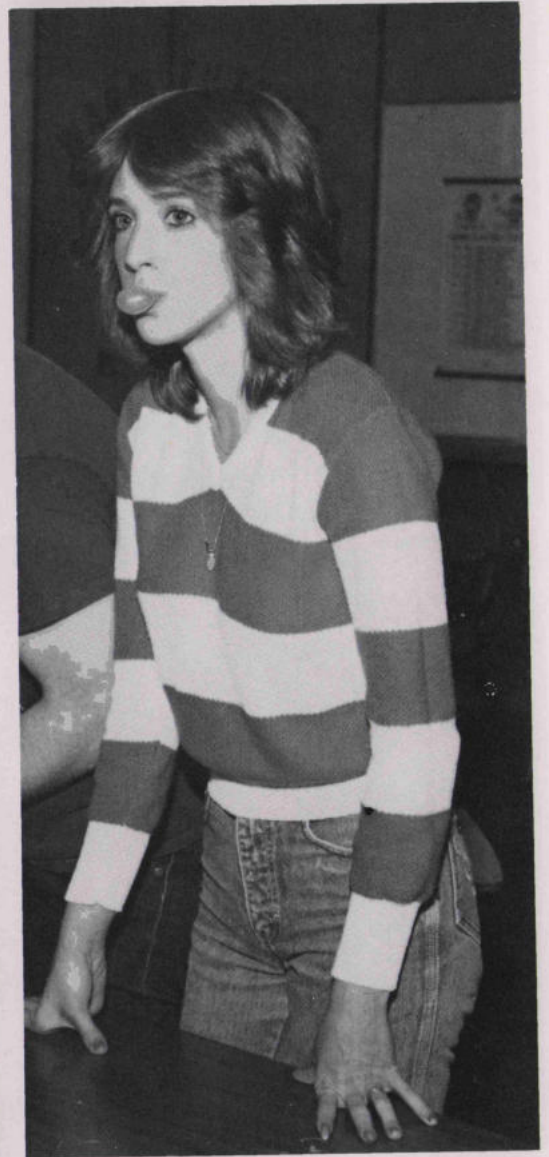

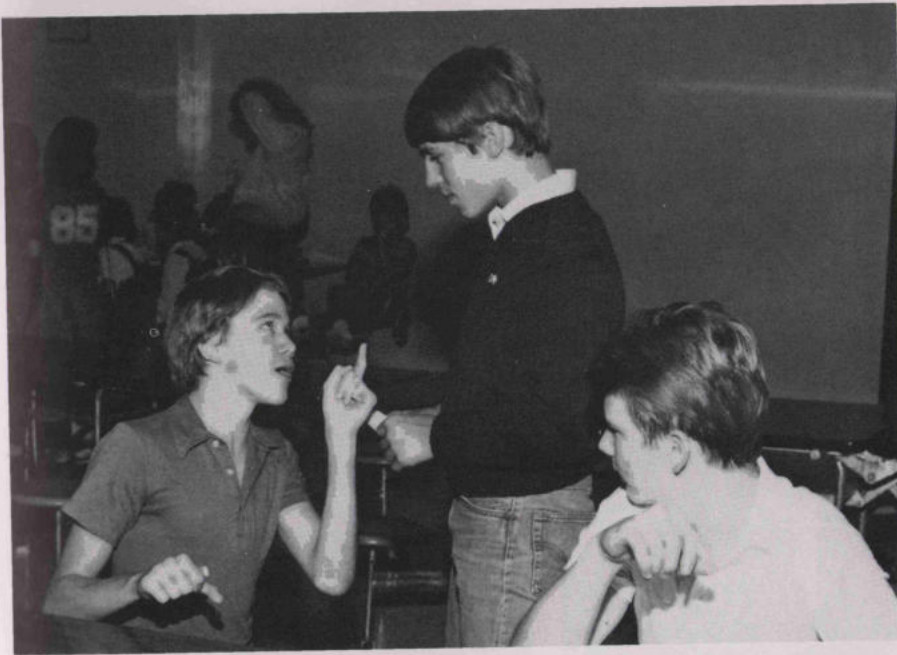

Ready To Be Set Free

Carlynton's Seniors of '84 are finally up for parole. They have spent a sentence of twelve years of imprisonment within the walls of Carlynton. This institution was devised to reform them and train them in various areas of academics. During their imprisonment they have developed many qualities, including those of leadership, creativity, and determination. Inmates were entertained by their own singers, dancers, musicians, and actors. The prison also provided recreational sports which allowed those athletically inclined prisoners the opportunity to participate in and encourage prison spirit. Through the training and close relationships formed between inmates and guards, the Class of '84 has been well prepared to successfully go out into the world and be beneficial members of society.

Getting Back Into The Routine

After the first day, daily routines develop and friendships rekindle. Students get to know their teachers better, as in the group pictured with Mr. Bricklemeyer in the chem lab. Old friends meet in the cafeteria to exchange gossip. However, some find themselves studying and taking tests. Already, many look forward to breaks during lunch and study halls to escape the watchful eyes of the prison guards.

May I Help You?

This phrase is common to most of Carlynton's working inmates. Besides homework, participating in high school sports and clubs, talking on the phone, attending parties and concerts, buying albums, listening to the radio, and spending money, many students squeeze in time to work after school and on weekends. In addition to the valuable business experience these jobs provide, students save money for future plans, while others spend it on clothes, food, sporting events, concerts, and personal items.

Some of the popular working places are McDonald's, Chuckie Cheese, and Rax. Others include Sgro's, Chi-Chi's, Tower of Pizza, Shop-N-Save, Hardees, The Big-T, and Sol Neft.

A Learning Experience

Although prison life for some may be dreary and unproductive, that is not the case at Carlynton. Here the prisoners are well instructed in academic, business, or technical areas, by friendly instructors who help the inmates to grow and develop in areas of interest that provide the prisoners with a good base for further education after parole. The classroom also helps to teach the prisoners responsibility and discipline which are important in preparation for the outside world. So although the prisoners may complain at times, they know that the classroom is a beneficial learning experience.

Homecoming

It was a night to remember . . . October 7, 1983. The Honus Wagner Field was brightly decorated in pink and maroon, the senior colors. Excitement was in the air.

Finally it was halftime, the time everyone awaited. As each of the five finalists approached the arch, a brief description was given about her life and future goals. The moment arrived. Who will be our new queen??? The band softly played "Lady" as the runners-up were called.

Free For A Day

Rock on! (Van Halen eat your heart out.)

Traditionally on Halloween, Carlynton's halls are filled with heavenly angels, hellish devils, circus clowns, and miserable creatures. Lurking around corners, one could find thirsty vampires, frightening ghosts, gruesome monsters, or cackling witches. Special guest appearances were made by Marilyn Monroe, Laurel and Hardy, Santa Claus, Mr. Rodgers, and Kiss. Bright lipstick, caked make-up, and sagging nylons were worn by many he-men. But most of all, the overwhelming number of Seniors that participated, filled the corridors with pride on Senior Halloween by donning costumes.

Hungry?

What a cat!

Sexy legs.

Go Cougars!

What planet are they from???

Aren't they lovely?

Where are the rest of the harem?

The cream of the crop

We are a lucky pair.

"I wonder if Mr. Dobrnick has trouble with this class?"

Senior Pep Rally

On the day of our last Pep Rally, we were full of the excitement of culminating our senior football season. This was our day to parade around and "strut our stuff." The "cute" cheerleaders led the chants as everyone got fired up. Next the "football players" danced to "Flashdance." Then came the poems and gifts. No one will ever forget the look on Dana's face when he received his gift, a can of beans. Finally, the Cougarettes did their routine without missing a step. Our Senior Pep Rally was a day that will stay in our hearts for a long, long time.

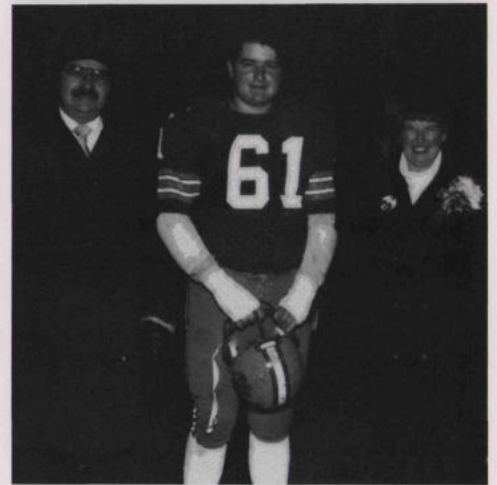

Senior Night

Although the freezing rain drenched all Carlynton Cougar fans, it hardly dampened the high spirits on Senior Night. The field was appropriately decorated by the Senior Class. The wet but numerous decorations added to the anxiety felt by all of the senior football players, cheerleaders, majorettes, Cougarettes, flag team members, and parents who were proudly recognized prior to the Sto-Rox game. The incessant rain prevented the Cougars from scoring in the first half. During half-time, the seniors in every band division displayed their special talents for the final time

of the 1983-84 football season. Despite the hard efforts of the Cougars, the team lost by the score of 15-0. Tears of sadness and melancholy, camouflaged in the constant rain, trickled down some cheeks, but the dismal weather couldn't ruin the pride shared by all seniors present on their Special Night.

The 1983 Cougar Football Team, led by seventeen seniors, compiled a fine eight win, two loss record. The Cougars defeated Burgettstown and Shenango in exhibition games, and Turtle Creek, South Park, South Allegheny, West Mifflin South, Northgate, and Wilkinsburg in conference games.

A highly honored team, this year's squad was recognized for many individual achievements. Forrest Smith, Mark Sutton, Denny Sams, and Kirk Pendergast won All Conference honors. *The Press* and *Post Gazette* named Forrest Smith to their "AA" All Star teams and to the *Press South Fabulous 22 Squad*. Paul Sieber was listed in the *Press* "Brain" Squad.

The inmates at Carlynton thank the football team and their coaching staff, Mr. Yost, Mr. Ferrone, Mr. Sonson, Mr. George, and Mr. Trombetta, for an exciting season

The boy's varsity basketball team ended its season with a 17-10 record. The six graduating seniors are "Chubbs", Captain Ronnie Trombetta, and Captain Dana "The Great Dane" Zajicek — with 1000 plus points in his career, Denny Sams, alias "Captain Caveman," and Forrest Smith, whose great strength played as a key factor, Greg Gazella commonly handing out pins and needles, along with Dave Pfeffer who added glamour to the team. The remaining varsity players deserve a round of applause for their great performance. It was a great season. Good Luck to next year's team, and thanks to coaches Rich Sonson and William Fox.

This year's Girl's Basketball Team, coached by Mr. Tomasic, consisted mainly of young and inexperienced girls who played a very competitive schedule. In spite of these factors, the girls played better than their record would indicate. With the loss of only one senior, Dana Hertzler, the team is looking forward to a large returning group of lettermen next year. This year's team was led by Captain Missy Yustak, junior, Robin Jordan, and sophomores Jeanine Bogdan, Tina Walsh, Beth Twyman, Colleen Marches, and Becky Gilligan. All in all, the team is anticipating a successful season next year.

Senior: Dana Hertzler

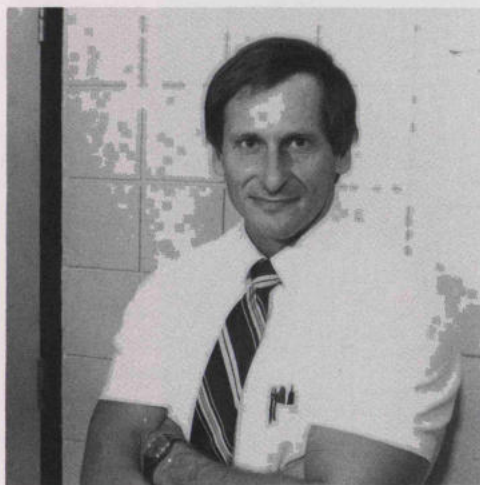

Vogt Tennis A Success

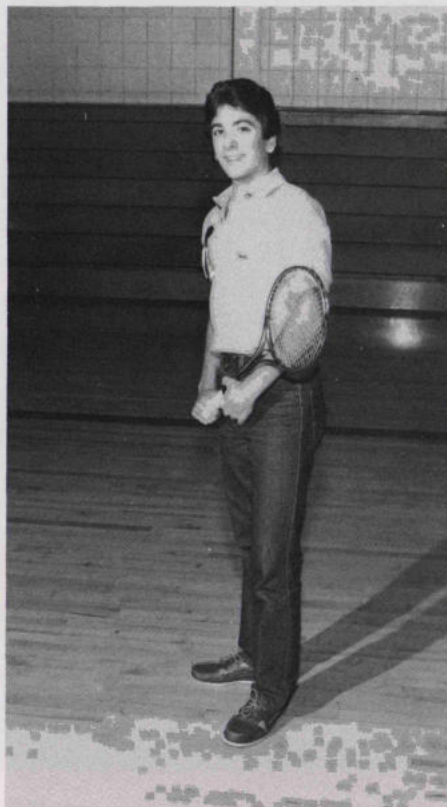

The boy's tennis team is typical of past successful Cougar teams, for they are hopeful of making the playoffs once again. This year's team is led by Seniors Tom Moretti and Harry Ostaffe. The coach, Mr. Vogt, has confidence in this squad and expects some strong tennis from his players.

Tennis

The improved girl's tennis team registered a 5 win, 7 loss record this year, largely due to fine performances by seniors Kathy Kay and Rainy Laux. Kathy played first singles throughout the year and finished fourth in singles at the WPIAL tournaments. Rainy also went on to WPIAL where she and Kathy finished fourth in doubles. Rainy played second singles throughout the season.

Pictured below are the underclassmen practicing hard for their returning season.

The '84 Cougar Baseball Team may be the best Carlynton has ever had. Coached by Mr. Sonson, who has had twelve winning seasons in thirteen, the team faces tough competition with their best strength being an experienced pitching staff. Greg Gazella (with two no-hitters and two one-hitters in 1983) returns with John Walsh (two two-hitters in '83). The team also has power and speed. The seniors on the team are Harold Bishop, Ron Trombetta, John Walsh, Greg Gazella, Brian Taylor, Dave Kertes, Micky Massella, Pat Sweetall, and Dom Nicoletta. They, along with several Juniors and Sophomores, face an eighteen-game schedule following a tough exhibition season. We're proud of the powerful Cougar Team.

Prisoners Swim for Release

The great amount of dedication and hardwork put into the 1983-84 season may not have resulted in all 1st places, but it did result in mentally and physically strengthening the team for a better season next year. The boys have been plagued with a small number of participants but look forward to next season with 15 upcoming freshmen. We won't forget: secret friends, fishes, crying PIANO Lessons!, falling Y.E., "Don't forget your jewelery", "O.K. Coach!", shaving cream, Mean Jean, smelly locker rooms, and the cold pool over Christmas. We wish to congratulate the girl's Medley Relay team, Michelle, Beth, Missy, and Amy, for qualifying for W.P.I.A.L.'s, and Michelle and Missy for qualifying in individual events. Congratulations to the Seniors, Renee, Michelle, Mary Jane, Ed, and Dave. We will miss them next year.

Cross Country

Cross-Country, a 3 mile running competition on hilly terrain, hosted its home meets in Settler's Cabin Park. Unable to win because of an incomplete team, many individual goals were achieved. For example, Vicky Schneider placed first in the Annual Tri-Rivers Cross-Country meet held at South Park and 13th overall in W.P.I.A.L. held at Hartwood Acres. Pleased by the results and improvements of each runner, Coach Miss Ripple is also happy of the efforts of the returned Boy's Cross-Country Team.

Softball

The Carlynton Girl's Softball Team of 1984 should have a season of interest. It will be the 2nd season under Head Coach Terry George and his assistant Lou Trombetta. This will be the first year for the team to compete in Class AA. In 1983 we played AAA schools and had a 4-8 record. We have 100 letter-winners returning from the '83 season that have competed at that level, and this should help improve the quality of our play. However, we will be a young team overall. There will be only two Seniors returning — Carol Mulholland and Captain Dana Hertzler. We will be looking for leadership from Dana, for she is coming off a good Jr. season with a .278 batting average, seven stolen bases, and five RBI's. Also returning from good seasons are Jrs. Sandy Dorman, Paula Bogats, Debbie Rhoadler, Julie Walsh, Dawn McCormick and Sophomore Tina Walsh. In spite of being shallow at a few positions, we look for a solid attitude from our underclassmen! It will simply be a year of young athletes working hard together to achieve the same goal . . . A winning Season to be Remembered and Love.

The 1983-84 Carlynton Cougar Wrestling Team, coached by Bill Yost and Joe Popivchak, posted a 14-3 overall record and an undefeated 9-0 section record. The Cougars won the Section X team championship and reached the semifinals of the W.P.I.A.L. team championship. The team finished the season ranked third in the W.P.I.A.L. "AA". Lead by senior captains Mark Sutton and Dave McConaghy, along with fellow seniors Paul Sieber, Joe Burgunder, and Bryan Taylor, the Cougars had one of the most successful dual meet records in the school's history. Junior members include Lou Egerton, Joe Gilpin, Paul McConaghy, Rich Moehring, Ricky Smith, John Williams, and Mike Farrell. The sophomore members are Chris Uram, Jim McConaghy, Bob Hunter, Jim Ragland, Matt Cooper, and Gabe Gemma.

"Introducing the 1983-84 Award-winning Varsity Cheerleaders . . ."

A super year, a super squad, and SUPER FRIENDS! The memories we've made will never be forgotten. We started practicing last spring for summer camp, and it paid off. At Eastern Cheerleading Camp we placed first in the cheer competitions and first in the pom-pom routine. We won a trophy for "Best All-around Squad", not to mention 12 blue ribbons, 1 red ribbon and a spirit stick. We also placed second in the Allegheny County Cheerleading Competition; only 3 points away from 1st place. At least we out-scored you-know-who!

It's nice to look back and see what successes we've experienced, but it's even nicer to look back and realize that we had special friendships with each other. And, more importantly, we had fun. A few things we'll never forget are sunburn, sore muscles, bee stings, and leg rashes . . . mad cleptomaniac with sun poisoning . . . the candid camera crew with Linette . . . the girls with the sexy poise . . . taking all of Mary Kay's clothes . . . April's "ET"

The seniors want to thank the Juniors for making the past two years unforgettable. "We're awesome, we know it." We love you, and we'll really miss you. Good-luck to the Varsity squad of 1984-85.

A special thank-you to "Dolly" Smith and "Foxy" Granata for all their help, encouragement, and love.

Student Council's Bonfire was held on November 3rd, the night before Senior Night. Cougar Pride dominated over unseasonably cold weather and rain, and at seven o'clock on the Charles Stockum Field, our spirit was ignited. More than one hundred students, teachers, and parents came to toast the coaches and our team for having such a super season. Mr. Gunn and the Golden Cougar Marching Band supplied a truly spirited atmosphere by playing our fight songs, the bunny hop, and of course, the Alma Mater. The Student Council thanks the Crafton Firemen for volunteering their time to make our bonfire a safe and successful one. We would also like to thank Mrs. Clay for the wood, Dennis Hennemuth for delivering the wood, and Mrs. Lusk for coordinating the entire activity.

Let's Get Fired Up!

Prison Council

The 1983-84 Senior High Student Council has had a successful year benefiting Carlynton and its student body.

Our first activity was the bonfire, followed by Open House and our Sadies Hawkins Dance. In December we kept busy with Children's Hospital Fund Raising and the Swim-a-thon. We also co-sponsored the Christmas dance with the Senior

Class. After Christmas Vacation the Student Council presented "The Post-Holiday Blues Week" starting with boy's and girl's Hush Day, then moving to Formal Day, Clash Day, and finally T-Shirt and Tennis Shoe Day. Special concerns for the school as a whole included morning announcements and more heat.

On February 22, teachers, administrators, and School Board members gathered together for the annual Student Council Covered Dish Dinner, a great opportunity for all groups to get to know each other in a relaxed atmosphere.

Some Student Council activities planned for the spring are our annual

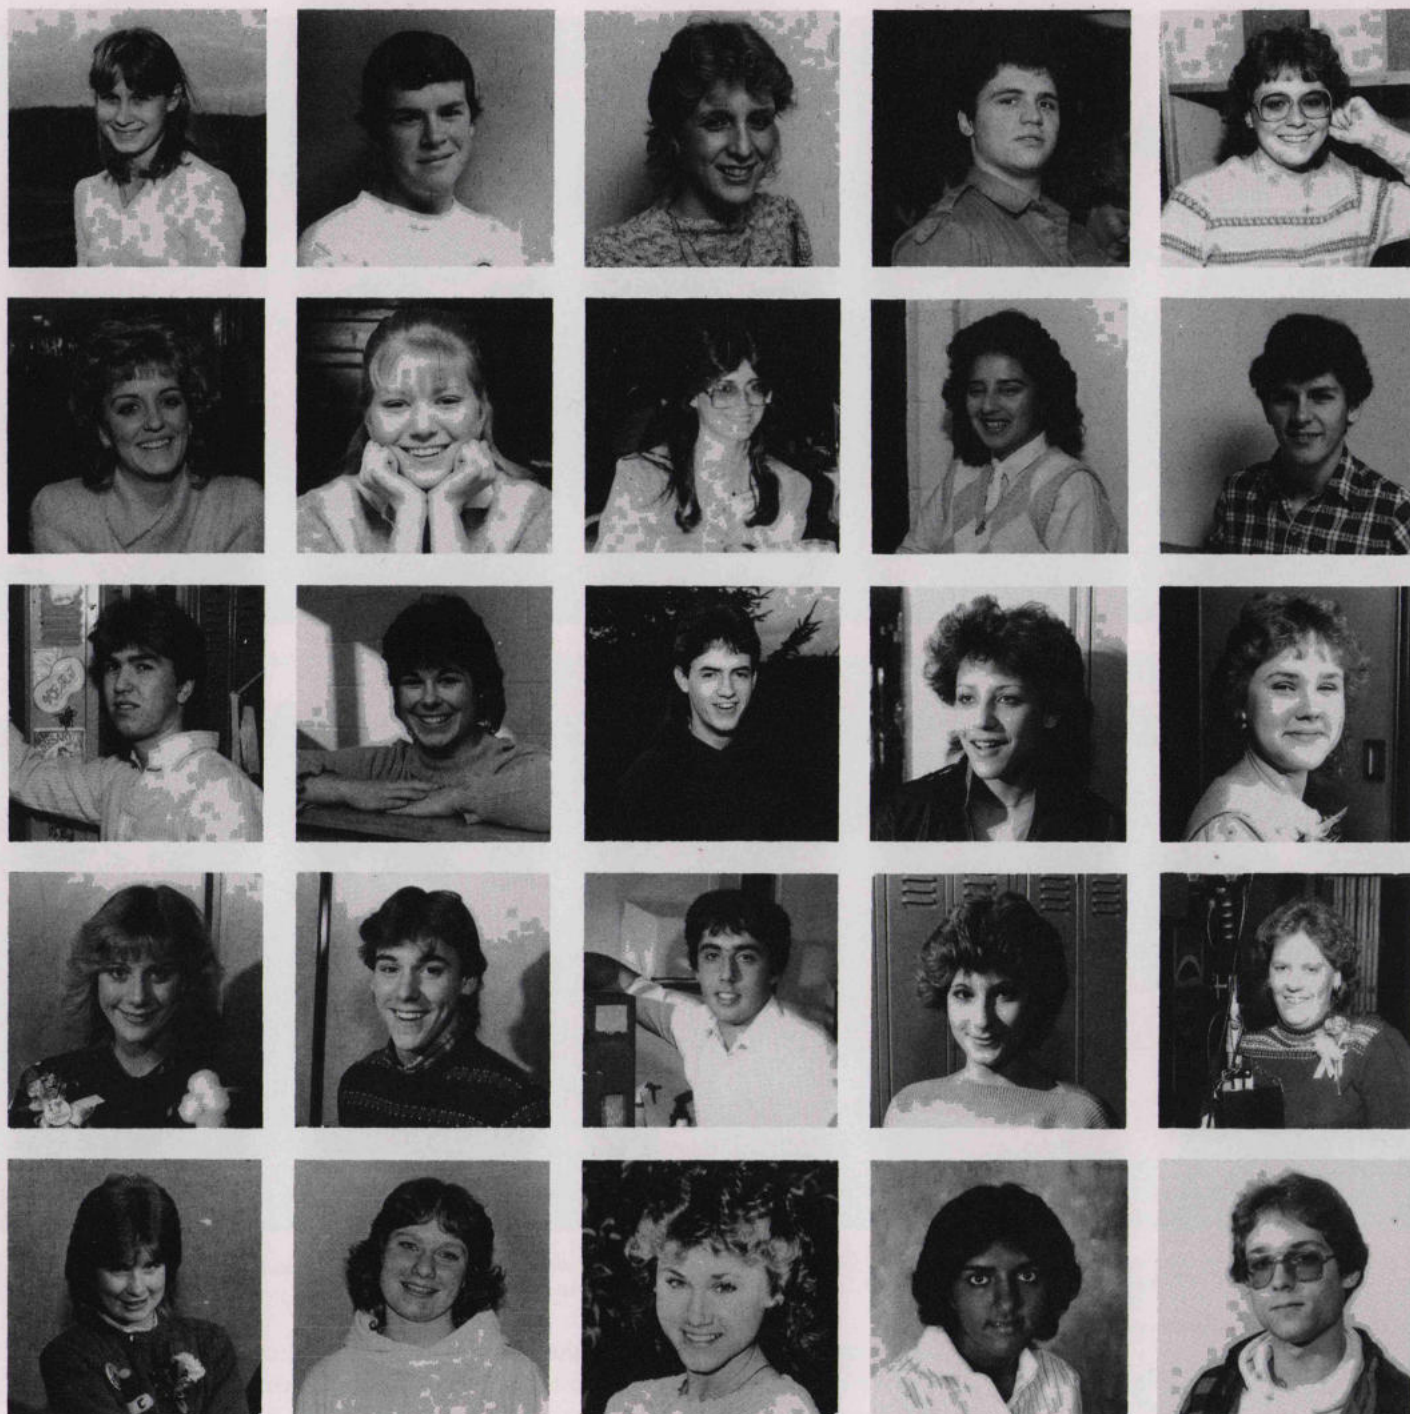

blood drive, "activities day", a St. Patrick's Day Dance, and possibly, an "Almost Anything Goes".

We are proud of our achievements, and we hope we've helped to make this year special.

We would like to thank Mrs. Lusk for all the work she's done for us, for always being supportive, and for teaching us to grow and be dedicated workers. But more importantly, she has taught us that, "We can do it", and that we can have fun getting it done.

We Love Ya!

The Senior High Student Council

Dear Students,

Although the 1984 edition of **Reflections** has undergone many changes, I hope you feel that they are changes for the better. Compiling high school memories became even more difficult for this year's staff due to a new publishing company, which entailed new rules for layout, design, and copy. In addition to preparing the contents of the book, the staff has become involved in many fund raisers: selling ads, carnation sales, one liner sales, M&M sales, and (pictured right) our carwashes. I would like to thank those staff members who offered their time and services in getting the job done and extend my appreciation to the many others who volunteered to help, including Chaz Goedert who designed our cover. And finally, thanks to you, Carlynton, for allowing me the opportunity to learn about yearbooks, people, and myself.

Sincerely,

Mary Ann Hecht

Yearbook Staff

Cougar Times Staff

The Cougar Times has undergone many changes this year, including additional pages, student pictures, and more articles. The goals of the staff are to better inform the student body, to recognize as many people, activities, and awards as possible, and to maintain the high standards set by last year's staff. These goals have been achieved through the efforts of a larger staff under the supervision and guidance of its sponsor, Miss Deep. Mr. Bricklemeyer assisted the staff with the typing of the articles using word processing. By using this method, the editors improved not only their typing skills, but also their knowledge of computers.

National Honor Society

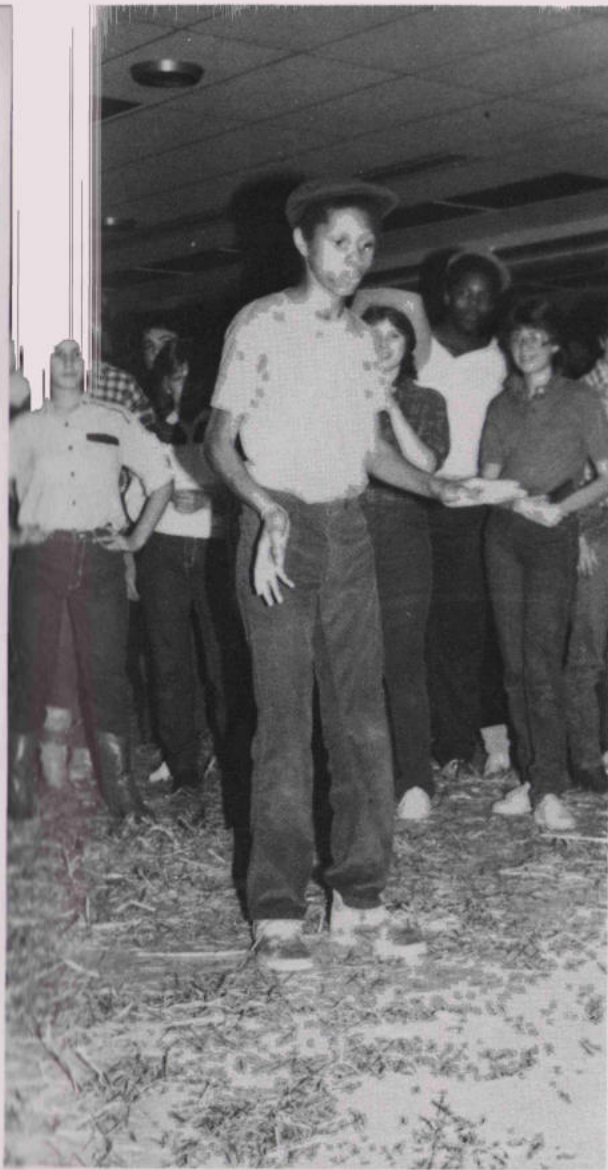

The National Honor Society is an academic group of students who have shown their mark of achievement in character, service, leadership, and scholarship. Upon the advice of Mrs. Lucille Lusk, the group's advisor, members volunteered their services for the Committee to Restore the Civil War Room at Carnegie Library. Students of the N.H.S. also acted as guides during Open House. One other important activity that the group participates in is the induction of new members, which is held in the spring. It's not only an honor to be tapped into this organization, but also it is a privilege to serve through it both the school and community.

Get out your straw hats and flannel shirts . . . It's a hoedown! "Girls ask that special guy . . ."

Our cafeteria was appropriately decorated with corn stalks, (even though they were wet), streamers, pumpkins, and hay. The Pittsburgh, Mobile Disc Jockey supplied the music. We had apple cider, chocolate chip cookies, and popcorn, popcorn, and more popcorn. People "gettin' hitched, bobbing for apples," and of course, dancing.

The Student Council had fun preparing for this dance, but it was hard work.

Many thanks to all those who made this dance a success. And a special thank-you to Mrs. Lusk. We couldn't have done it without you.

One of the main attractions that the Human Relations course offers here at Carlynton is the Mock Wedding Ceremony. This year's ceremonies united couples Mark Sutton with Jan Flynn and Ed Zahn with Mary Hecht. In preparation for the wedding, students learned the responsibilities, costs, and procedures for the making of a wedding.

Special thanks to Mrs. Smith and the bridal consultants for their quick and efficient organizing.

Who do you have this time Sheryl? . . . little sister, big sister . . . secret friend . . . Senior Night . . . tears . . . laughter . . . gifts . . . twirling fire . . . flowers. A Promising Christmas

King: Ronnie Trombetta and Escort: Laurie Michalec

"To be or not to be . . ." that was the question many students were asking about the Senior Class/Student Council Christmas Dance. Because of an over-crowded school schedual (sports, concerts, etc.) our dance was moved around like checkers on a checkerboard until it finally landed on December 21, 1983, in the Carnegie Elementary School cafeteria.

Upon entering the dance each couple received a candycane favor and an ornament with their names on to put on the tree. Then they walked through the decorated arch, under the mistletoe, and onto the dance floor decorated with tinsel, streamers, garland and candle light. The music was supplied by Disc Jockeys from the Sound Spectrum.

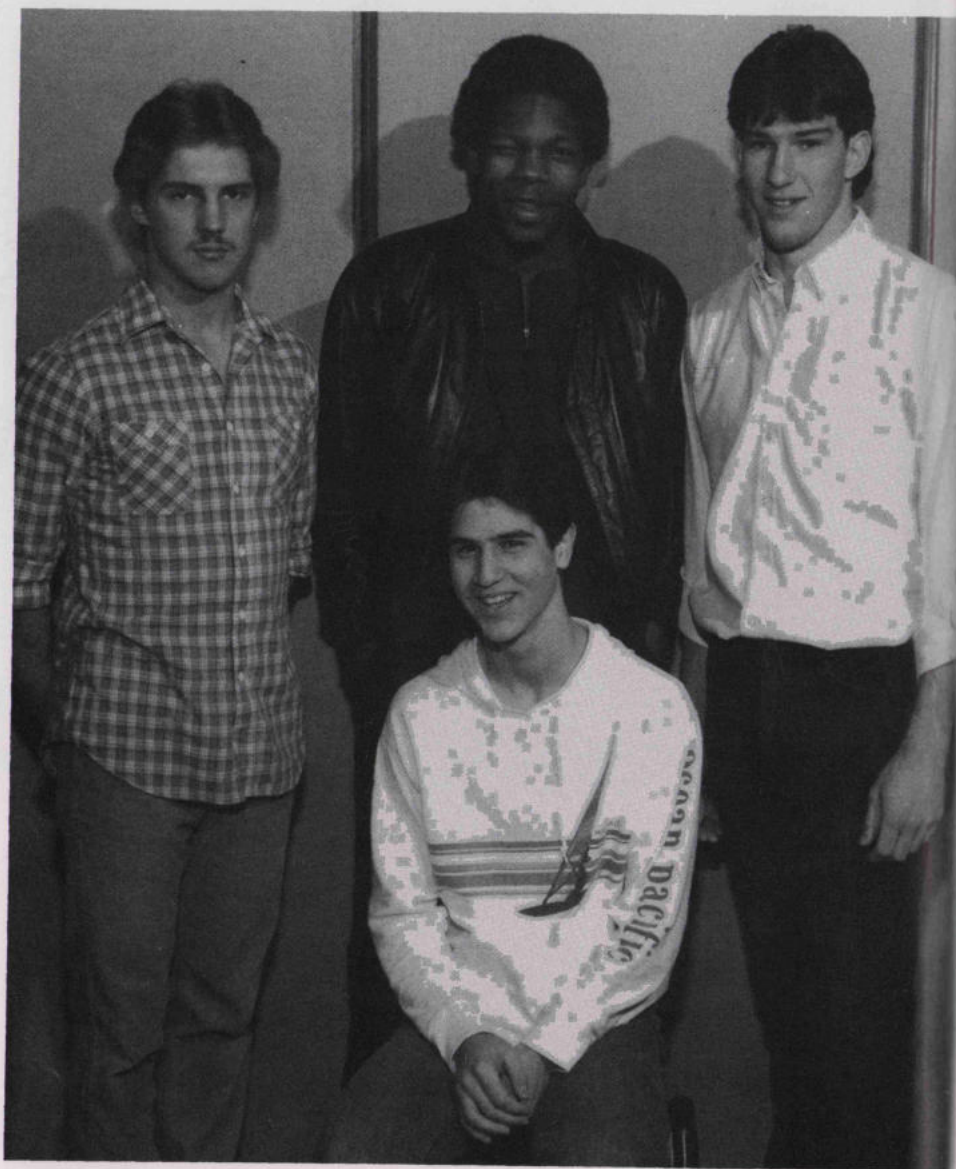

The highlight of the evening was the crowning of our Snow King — Ronnie Trombetta.

Many thanks to Mrs. McWilliams and Mrs. Lusk for all their truely hard work in making our dance a very special one.

PROM TIMES

Love's Baby Sc

"To everything, there is a season and a time for every purpose:

A time to cry, a time to laugh;

A time to grieve, and a time to dance

..."

It seems now that our time together was so very brief. We have shared much — joy and sorrow together — realizing, perhaps, that our greatest joy can also be our greatest sorrow.

I shared it all with you. I knew your joy and your pain, and often your dreams were my dreams. Our laughter and our silence were mirrored in each other, for I was a reflection of you. As I loved life and everything we did together throughout high school, I loved you, too. I don't need to name all our favorite places, all the happy times, all the individual memories, because you were there with me, sharing it. Those special moments are locked within my memory, like a treasure chest of precious jewels. I'll always keep it safe in the memories of my youth.

We kissed the joy as it passed by us; we lived our high school days to the fullest; and we gave each other the precious jewels of friendship and love.

We have laughed and danced and cried together, but now it is time to say, "Farewell, my friend." There will be other places and other people in the road of life ahead. But in my life — I'll love you more.

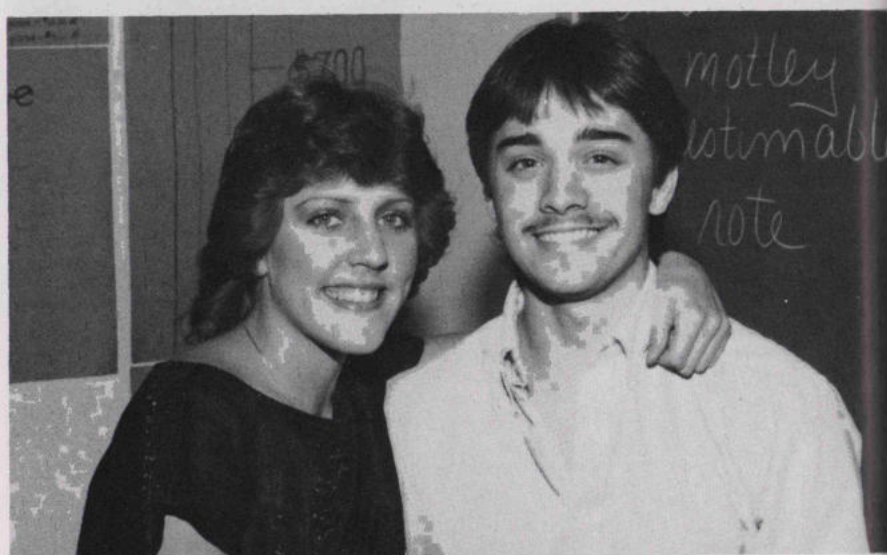

"... A time to speak and a time to be quiet ..."

"You and I"

Juniors and Seniors celebrated the conclusion of the school year at the Prom "You and I" held at the Pittsburgh Hilton Hotel on May 27, 1983. It was a special night, for a constant crowd filled the dance floor not only for the hits of Rush and Journey, but also for the specialty songs "The Twist" and the "Hokie Pokie". The D.J. from "Pittsburgh Mobile Sound" played special requests and song dedications to the pleasure of all. Highlights of the evening include Dana and Greg "gettin' down," looking for Steve Perry, and crowning Barb Connelly as Prom Queen.

Those who attended thank Mr. Povlick, Mrs. McWilliams, and all the class officers for making the evening such a memorable one.

Scandal In The Prison

Crime is everywhere, even in prison! On September 14, 1983, Mrs. Smith's own flour baby was the first of a long line of flour babies to vanish without a trace. Then the ransom note came, explaining the strange happenings. The babies were kidnapped due to a term assignment in Human Relations, another course taught by Mrs. Smith. The ransom note demanded the assignment be changed, or the flour babies would be turned into cookies! Kidnapping is a serious offense, but in this bazaar case of "the missing flour babies" no harm was done.

The Pink Day of the year is a day when the school is decorated with pink. We wear pink and have a pink day. It is a day to be pink.

Prisoners Punk Out

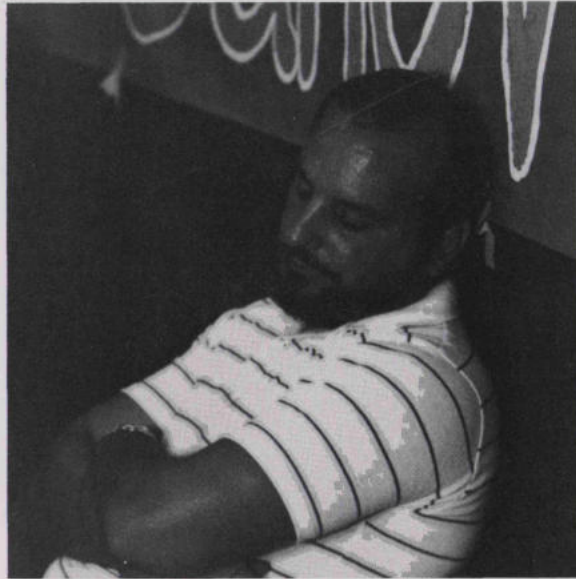

The Punk Day sponsored by Student Council was a big hit, as shown in the accompanying photographs. Carlynton was turned into a home for mirrored space cadets. We would like to thank the Student Council for the planning and the Senior class for its participation. Good Job.

Pardon

On this sixth day of June, I hereby declare, as Warden of Carlynton Prison, to waive the Senior Prisoners' sentences of this Correctional and Educational Institution, on the grounds that they must learn to function and survive in a normal society. While serving a minimum of twelve years for their public offenses, many have learned various skills through the availability of our rehabilitative facilities, such as our academic, vocational, general, and athletic programs. The released inmates are to be known and remembered as the Class of 1984. In accordance with the law, each will receive a release form to testify his freedom, here-to-for called a Diploma.
