Frequently Asked Questions:

Are there any restrictions on decor?	<i>We do not permit loose glitter, small confetti, or adhesive of any kind on any surface including but not limited to tape and 3M-type "removable" products. Otherwise, we encourage your creativity! Please discuss decorating ideas with Event & Technical Coordinator.</i>
Are candles permitted?	<i>Open flames and candles aren't permitted in our historic building. LED candles are a safe and lovely alternative.</i>
Are there any exclusives/can I choose my own caterer?	<i>You are welcome to select your own catering or choose to provide your own food and beverage. We do not require the use of any particular vendor.</i>
Can I serve alcohol?	<i>Supply your own beverages and direct your own bar staffing. With no required in-house bar package, that part of your budget stays with you. We just ask for prior approval; all alcohol stays indoors, and to sell alcohol you'll need your own liquor license (please provide a copy).</i>
What are the steps for reserving the space?	<i>We start with a tour and discuss event details. One tour is included; additional walkthroughs are \$50 each for up to a half hour, plus \$25 for each additional half hour. When you're ready, a signed contract, security deposit and a non-refundable contract deposit are due to reserve the room. Renters are also required to carry event liability insurance naming the library as additional insured. Additional details are outlined in your contract and invoice. We accept cash, credit, or check.</i>
