Student Life

Carlynton High School is what you want it to be . . .
Here we can ready ourselves for the future by . . .
learning from each other . . .

creating new ideas . . .

guiding our thoughts . . .

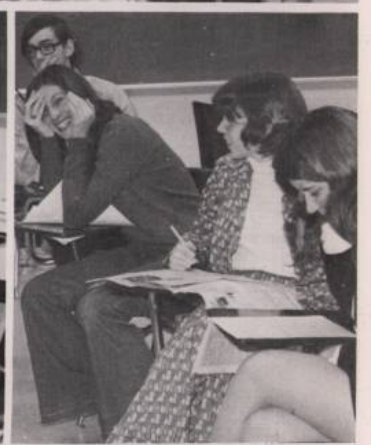

toward a certain goal . . .

finally we achieve . . .

Of course we all have a little extra time . . .

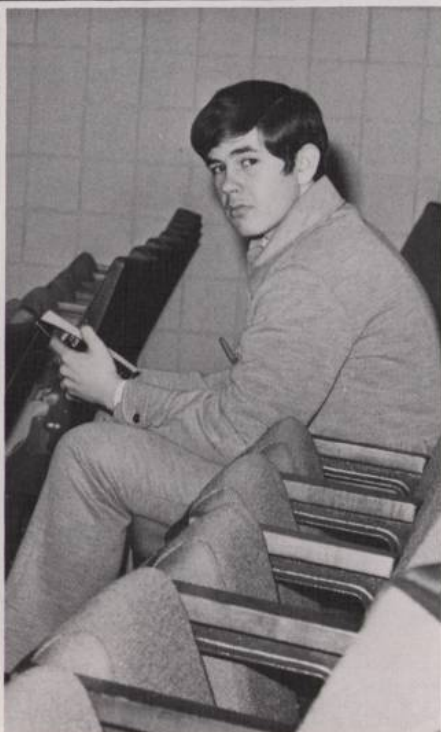

for just kicking around . . .

being alone . . .

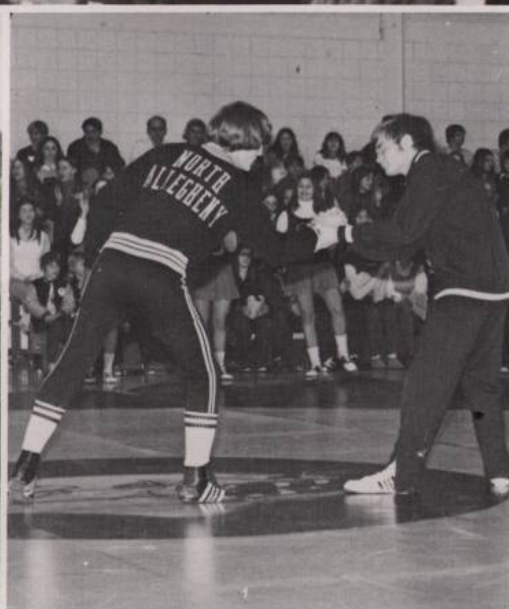

or together . . .

or when the spirit moves us . . .

A Dedication

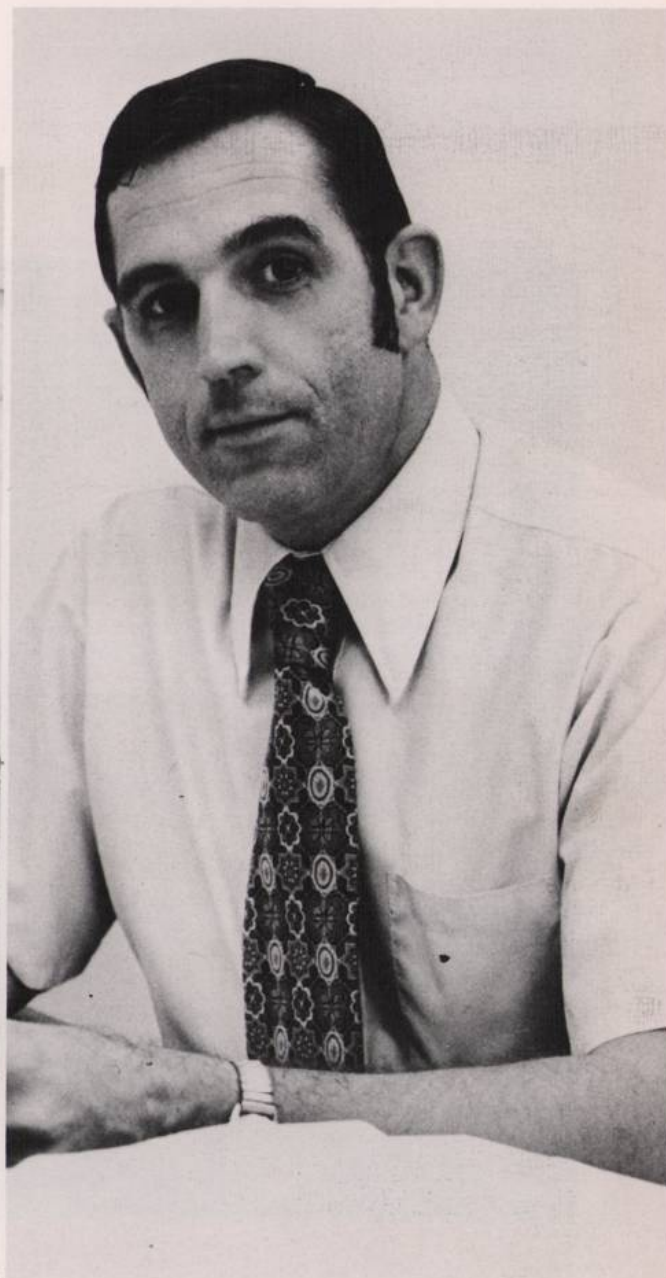

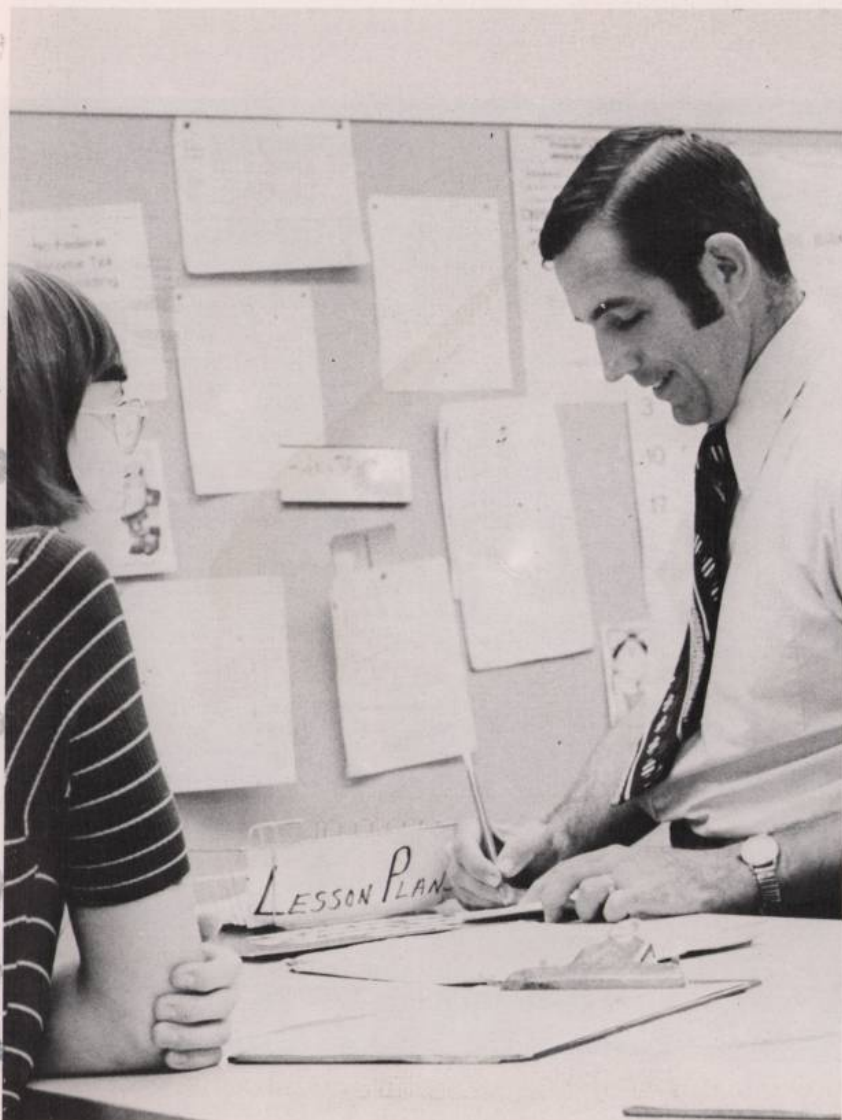

becoming one — Carlynton High School.

A Dedication . . .

The Reflection Staff would like to pay special tribute to a man who has always had the student's best interest in mind. For his concern, dedication, and support for the Carlynton student body, we dedicate this, the 1972-73 Reflection to our Principal, Mr. Keisling.

Swimming Kicking

Swimming is a popular sport in our school. The swimming team practices every day after school. The team is made up of boys and girls. They are all very good swimmers. They practice different strokes like freestyle, breaststroke, and butterfly. They also practice kicking. Kicking is very important in swimming. It helps you move forward in the water. The team has a coach who teaches them how to swim. They also have a pool where they practice. The pool is very big and has many lanes. The team is very proud of their school and their sport. They hope to win a lot of races and become champions.

Whispering wind came uninvited
 Looking for somewhere else to go
 Here is a Lamp I've left unlighted
 Aren't you someone I should know?
 Memory's flame is soon ignited
 Lighting my lamp with amber glow
 Quietly friends are reunited
 Singing a song of long ago

Younger than always time descended
Bringing me brand new seeds to sow
Now that they've been a long time
planted
What must I do to help them grow?

If it had been as I intended
I wouldn't have the peace I know
Loving the people I've befriended
And singing a song of long ago

As it began so I will end it
Singing a song of long ago
Loving the people I've befriended
And singing a song of long ago.

Carole King
