"A part of you has grown in me, together forever we shall be, never apart, maybe in distance, but not in the heart."
- Unknown

"Remember **each** moment happens **only once** and **CAN never be RETRIEVED AGAIN.**"
- Unknown

"A MEMORY IS WHAT IS LEFT WHEN SOMETHING HAPPENS, AND DOES NOT COMPLETELY UNHAPPEN."

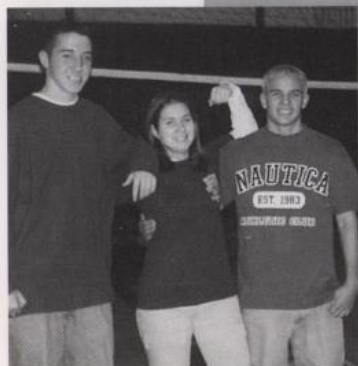

-EDWARD DE BONO

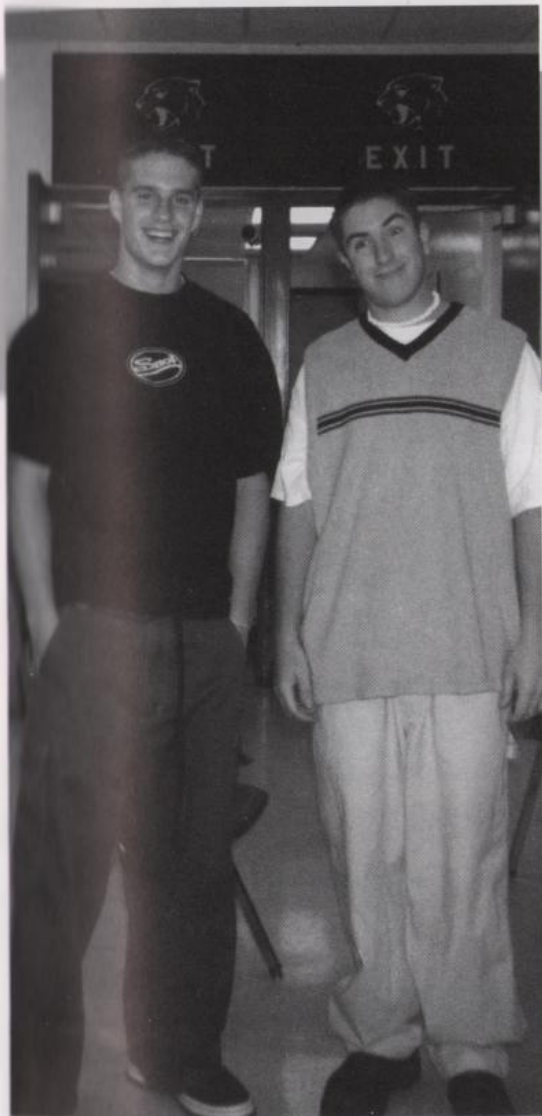

"Some **memories** are realities, and are **better** THAN any thing that **CAN EVER** happen to one **again.**"
- Willa Cather

"Never forget the time I spent with you. Please continue to be my friend, as you will always find me yours."

Milestones and Memories

As we approach the end of a century, it is time to look back and reflect on the memories we've created. Carlynton High School has played a major role in those memories over the past six years. For many of us this high school has become a second home. The friends we've made have become a second family. The memories we've created together will last forever.

This year also marks the 30th Anniversary of Carlynton High School. Not only does this year serve as our last year together, but it also serves as a milestone. So no matter if 2000 is your first or last year, fill it full of milestones and memories.

This Place Will Never be the Same

This Place Will Never be the Same

by: Kristen Burns

The time has come for us to be free
To soar with our wings where we belong
Building the future with hands of our own
We'll climb every mountain and learn to be strong
We'll begin from this end to achieve every goal
Saying goodbye to all that we've known
The winds of change will carry us far
To find a place to call our home
It seems that it was just yesterday
We stood with lunch boxes in our hands
Waiting for the big yellow bus
That was the day it all began
And those special people we call friends
They helped to make us who we are today
They made us laugh when we were down
Always knowing just what to say
These are the people we'll remember
We'll reach out now and smile together
And enjoy the time that is remaining
For these are the memories that last forever
Soon we'll be out chasing dreams
Finding out just who we are
We'll begin to use all we have learned
Now is the time to be a star
So use this day to live your life
Go out and find yourself a name
For when we're finally out of these doors
This place will never be the same

To the Class of 2000

April Kleer

How do you say goodbye to someone that you've known all of your life? How do you say goodbye to someone that you love? I guess the real question here is, how do you say goodbye to a friend? The one person in your life that knows you better than you know yourself. The person who you've confided in and trusted. The person who you've spent the past eleven years with.

They say that high school is the best years of your life. For some of us, that may be true. High school is, however, an experience. Look around you. Each one of us has made some sort of impact on one another. You may have shared your first kiss with the person on your right. Your first heartache with the person in the back. The memories that we've shared together are endless.

Now it is time to close the Carlynton chapter in our lives. In just a few short months we will be presented with the opportunity to write our own future. Some of us will go off to college, some will work, and others will start families of their own.

As I look out to all of you, I see a few teary-eyed faces. Some who just aren't ready to part. Believe me. I am one of these people too. The thought of walking across the field on graduation day, knowing that this will be the last time that we are all together is unimaginable. Just remember that you're not walking away from the end, you're walking into a whole new beginning. A place where the possibilities are endless. A time when you call the shots.

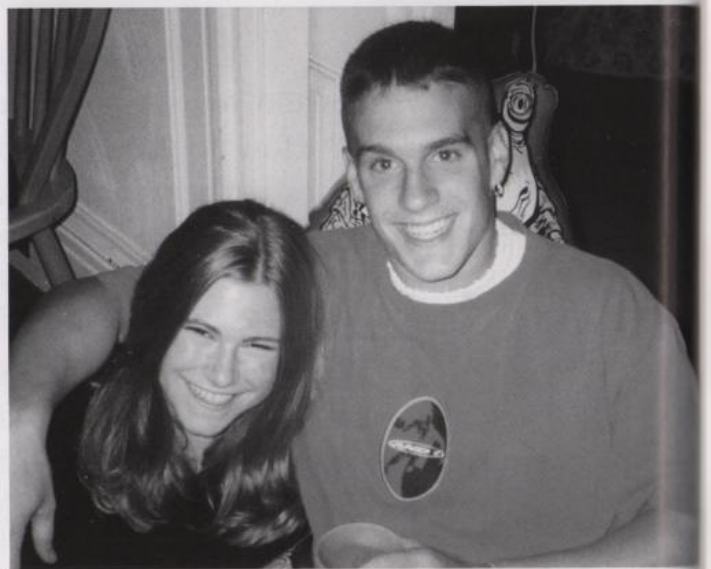

I wish everyone the best of luck in all that you do. Even though we may never see each other again, in my heart you will always remain. Thank you for the past eleven years.

Today I say goodbye to pep rallies and football games. To Homecomings, Proms, and to high school all together. Most of all, I say goodbye to the class of 2000. The most talked about class of Carlynton. The last graduating class of this century.

Today I say goodbye to my friends.

Nearing the Finish Line

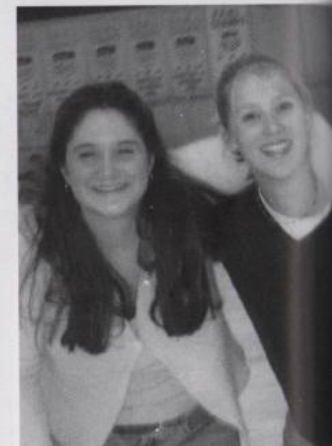

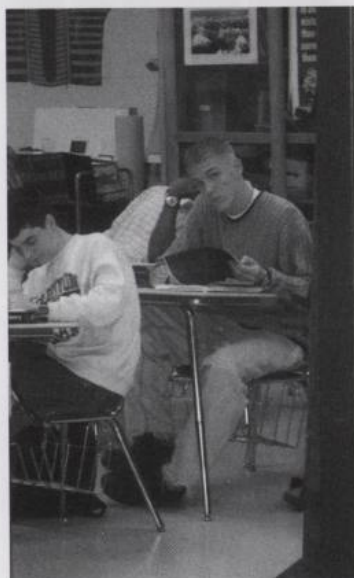

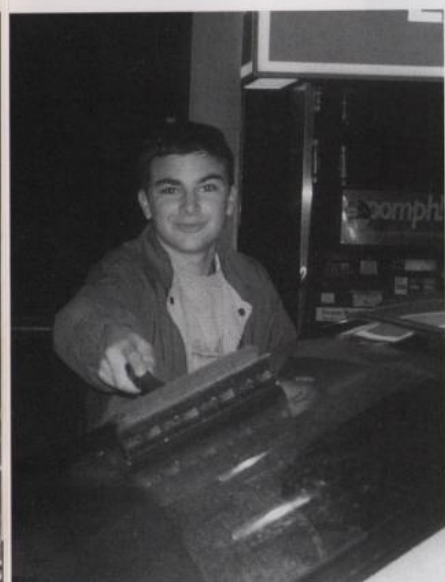

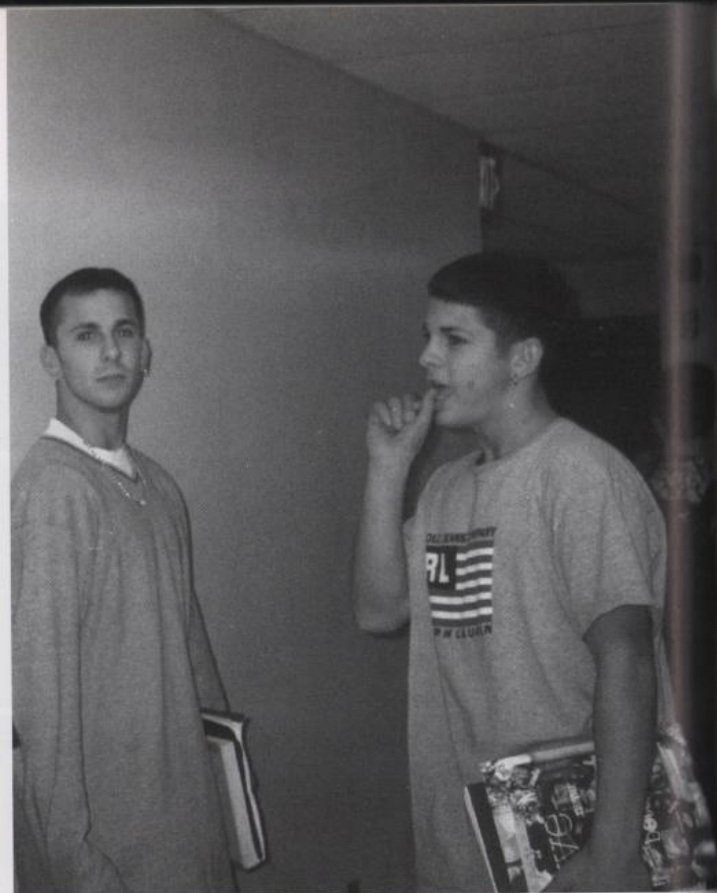

Junior year was one of changes, growing up, and making lasting friendships and memories. We've had our last "mug shots" for the yearbook, crammed for the SATs, and shown that juniors really do know how to party. We've cheered at every pep rally and sports event, for we are the class that never hides in the shad-

ows. We don't follow in the seniors' footsteps, but instead make our own path to the finish line. We are the Class of 2001--the class that will never get lost in the shuffle. We're on our way to being the best class ever, and even though this year presented many challenges, we put our differences aside and united as a class,

and more importantly as friends. We'll continue to make our presence known, always having the Time of Our Lives!

Our Sophomore year has finally arrived. We've been presented with new challenges as well as our share of Senior High fun such as Homecoming and Prom. Friendships are growing stronger, and goal-setting has become a priority. This is the year we find out who we really are and what we are capable of. Being known as the graduating class of 2002 excites us all. In

two short, fun-filled years, we will be saying goodbye to CHS and hello to a world of opportunities. Some may think that we will be intimidated by this. Guess what...we won't be!

Caught in the Middle

Ninth grade feels like our first year at Carlynton, all over again. We have new teachers, new subjects, such as foreign language classes, and a different lunch period. We are treated with more respect, both by teachers, and by the other students, who don't treat us like little kids. Teachers expect more of us, and grades really count in this first year of high school. We've made it through our freshmen days, and are looking forward to our sophomore year.

Fitting in at Last

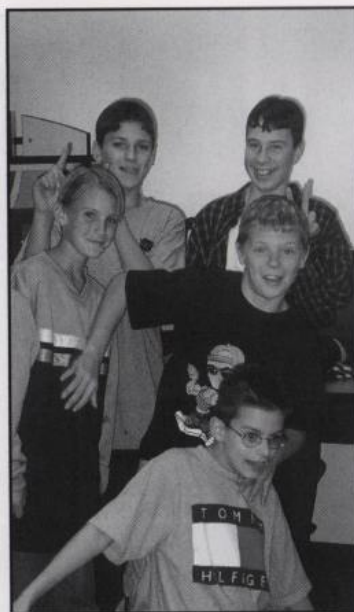

It is hard to believe that we have been wandering through the halls for one year already. We've found our way and know where to go considering all the halls look the same. Next year we will be out of the "Junior High" and into the "real high school." Aware that there is no third floor, we are the ones old enough to tell the lie. We have finally established a name

for ourselves, other than the "little seventh graders." Now we actually have seniority over someone! There certainly have been some memorable moments for all of us, but now we are looking towards the future. Watch out, because here comes the class of 2004!

A Brand New Start

We finally made it, this is the year we have all been waiting for. It is our first of six years at CHS! All the rumors that we heard in elementary school may have shaken us. However, for those who are lucky enough to have a brother, sister, or even a friend

who has been up here longer, knew not to believe anything. If you weren't a lucky one, you eventually learned not to listen to the seniors when they told you the famous "third floor" lie. Even though we sometimes get on their nerves, the older

students are kind enough to push us in the right direction - whether it is just to a class or to a better future.

--Katie Dunmyer

Meet The New

Mrs. Diane Mooney, our new assistant principal (replacing the retired Mr. Pollus), comes to Carlynton from position as principal of Holy Spirit School in Pittsburgh, which she held for six years. Prior to that, she was an assistant principal and a teacher in Lewiston, Maine, and a teacher at Shady Side Academy. She has also coached field hockey (14 years), softball (12 years), and gymnastics (10 years). Mrs. Mooney obtained a B.S. and an M.Ed. from Pitt and did post-Master degree work at the University of Maine.

Mrs. Mooney has two children and her husband is principal at Poff Elementary School in the Hampton Township School District. Mrs. Mooney stated that she likes the age range of the students at Carlynton and the fact that you can get to know quite a few students since the school population is relatively small.

Mrs. Mooney was gratified at the welcome and support of the district and the community, and impressed with the technological advances. "...what an advantage for the students," she said. Her goals are to "Share my talents, experience and insights with the Carlynton community and hope that the students will benefit from my input."

Ms. Laura Begg worked in the world of finance for 12 years before she decided to switch to teaching. Her areas are Problems of Democracy, Sociology and Economics. She received a B.S.B.A. in Accounting from John Carroll University, and later an M.B.A. in Finance and an M.S. Ed. in Secondary Education from Duquesne University. She taught a semester in Dublin, Ireland, and has also taught at Mt. Lebanon Senior High School.

When asked her impressions about Carlynton, Ms. Begg stated that the faculty has been helpful and friendly, and "...the students have responded well to my teaching styles and I am equally learning from them." She also noted the Carlynton students are very diverse. "I have learned the students have an interesting sense of humor that adds to the classroom environment." Her goal is "to incorporate critical thinking skills into my various courses."

Faces of Carlynton

Ms. Suzanne Urban arrived at Carlynton as the new Life Management Instructor after student-teaching briefly in London, England and then as a substitute in the West Mifflin and Steel Valley School Districts. She graduated from Indiana University of Pennsylvania and before that, West Mifflin Area High School.

She likes the size of Carlynton (not too large), the fact that "the students here are very friendly and well-behaved," and "all the friendly and helpful teachers and staff."

About teaching in general, Ms. Urban says, "I have always wanted to be a teacher, but it was my high school Family & Consumer Science teacher...who really influenced my decision." And about her Life Management classes, Ms. Urban says, "I love the subjects I am teaching. I enjoy teaching new things to 7th and 8th graders....I would like to see all students complete four rotations in the Life Management modules with success."

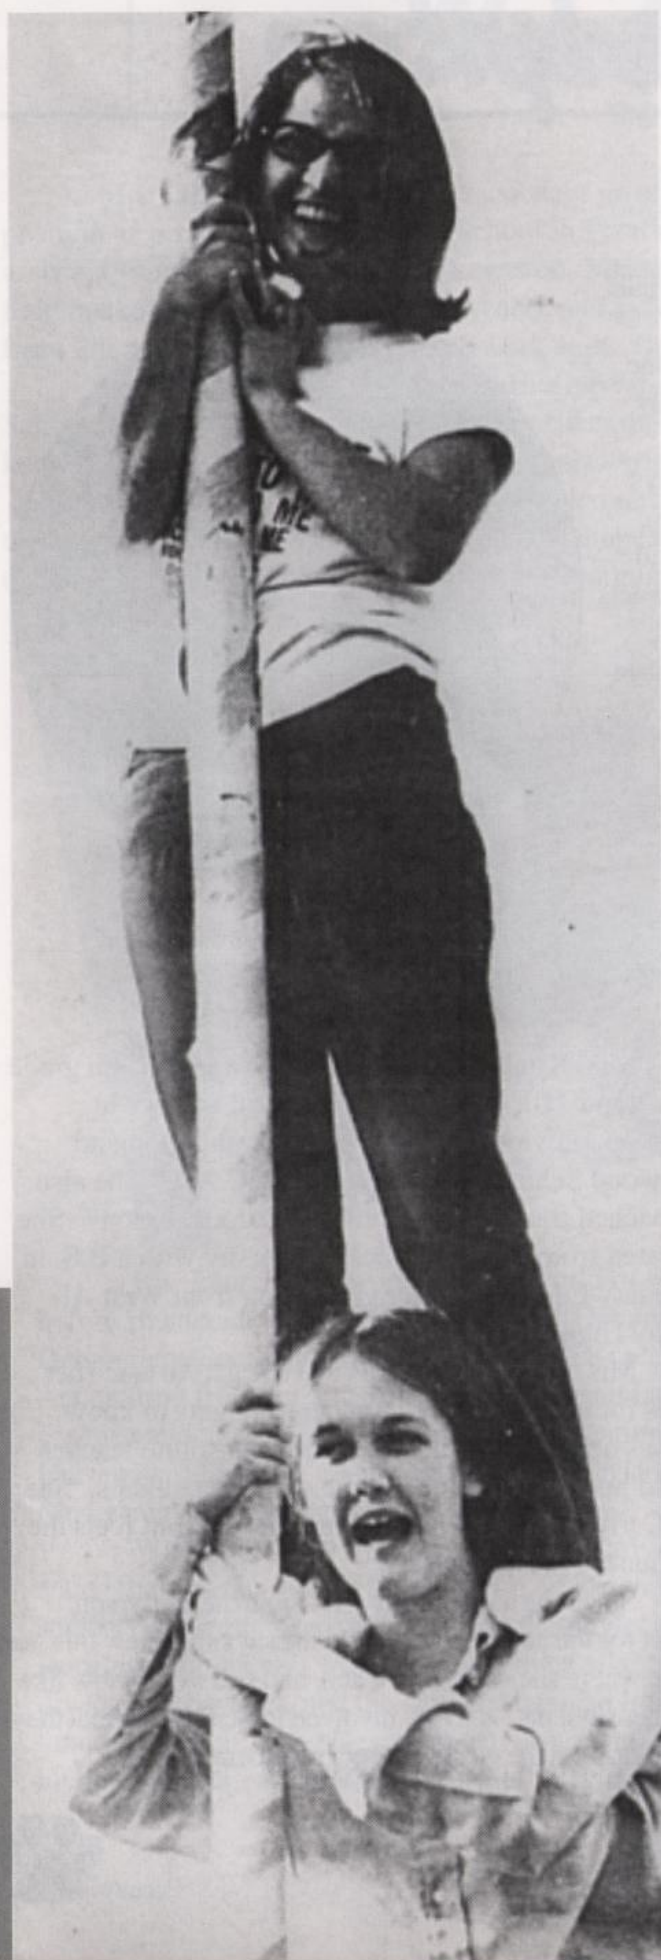

Mrs. Kimberly Stern, who now teaches 8th grade Science and 11th & 12th grade General Science at Carlynton, previously taught in the Washington and Brentwood School Districts, and at C.C.A.C. She also has coached track & field for the past four seasons. She graduated from Slippery Rock University with a B.S. in Secondary Education, after graduating from West Allegheny High School.

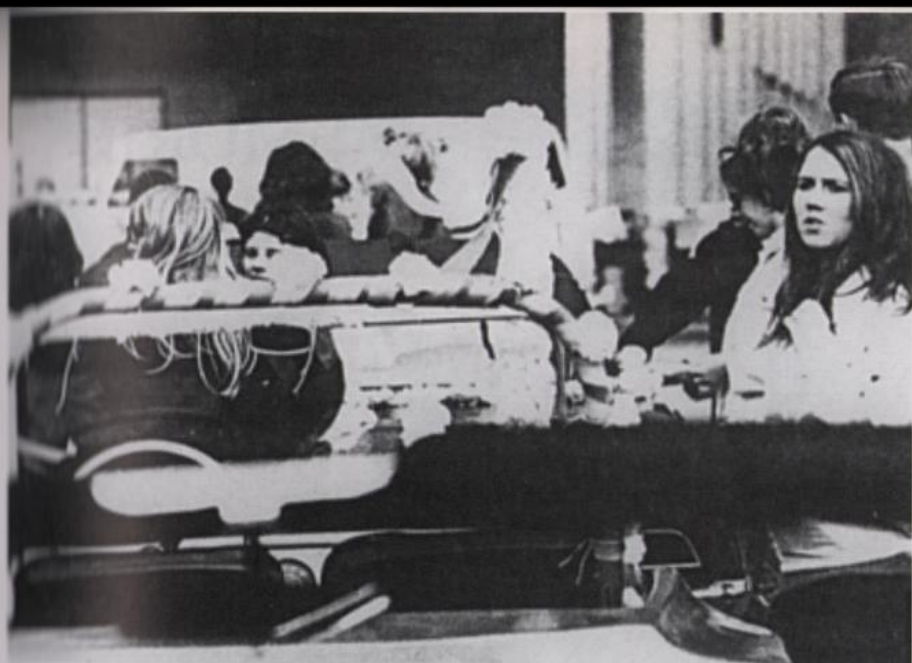

Mrs. Stern likes the fact that she gets to teach her classes for an entire year, and therefore gets to know them, as opposed to when she was a substitute teacher and did not have that much time with the students. She likes Carlynton and her teaching schedule, but feels the 10:17 lunch is a little too early.

Since she has been involved with the Carlynton District for the past several years, she says she knew this was a place where she wanted to teach, and she would now like to get her students "actively involved in Science (so that they can understand the world around them better)."

Festivities

Time of Your Life

Preparations for the 1999 Homecoming festivities began in the summer. Margaret Tassaró, Stephanie Walnoha, Teresa Torchia, and Jessica

McWilliams, the sophomore class officers, spent hours planning everything from the crowning to the dance. They made the whole weekend perfect for everyone, especially

the court members. The court and their escorts included: Kristen Burns & Matt Kellams
Alisha Desmet & Don Fingers
Susan Impavido & Eric Baird
Sonia Kalymon & Frank Schmitt
Gina Longo & Brian Goodman

Kim Mishkin & Austin Ray
Lindsay Sakai & Justin Zinger
Karissa Schepis & Brent Herrie
Jackie Smith & Jason Padula
Christina Torchia & Sean Smith
Rachel Zinger & Mike Walnoha
Miss Kristen Burns was crowned Carlynton's 1999 Homecoming Queen during halftime. The dance was held the following evening in the high school cafeteria.

Senior Night

Senior Night 2000!

This year over 60 students were honored at various senior nights. The senior athletes who participated in volleyball, girls' soccer, and boys' soccer had their own individual senior nights at the end of their seasons. On October 22 Carlynton honored the seniors of the marching band, football, cheerleading, and tennis. Over 40 students walked along with their parents down the fifty yard line while Mrs. Petronsky announced their achievements. For many of these young adults this would be the last time they would set foot on Honus Wagner Field. They have created many lasting and unforgettable memories. The senior class of 2000 will truly be missed by every sport and activity in which they participated.

Peer Helpers

"Lean On Me"

New experiences arise as more students join forces with existing Peer Helpers. Once again the incoming Peer Helpers piled into Linsly Outdoor Center for a high-intensity training weekend.

Peer mediation, counselling, and tutoring are only a few of the activities they took on this past school year. "Lean on Me" is the Peer Helpers' theme. These students served the student body and community through a variety of creative projects, such as B.A.B.E.S. (Beginning Alcohol Basics Education System), helping provide for needy families, serving at an AIDS Christmas dinner, among many other things. Most important, Peer Helpers make themselves available for the faculty and student body, here at Carlynton.

This group of ladies really knows how to relax!!

These 1999 Peer Helpers are glad to have completed their training.

Interact

Kind, courteous, and considerate are just a few adjectives used to describe the members of the Interact Club. Willing to lend a hand whenever needed, some 50 Carlynton students participated throughout the year in numerous activities. Some of them used their green thumbs for a few afternoons of gardening, making their neighborhoods more scenic, while others helped at South Park's Phantoms in the Park haunted house (to benefit the Make-a-Wish Foundation) as cast members. They also aided the Carlynton football mothers by volunteering to work the concession stand during home games. And of course they participated in the annual activities such as the pumpkin patch trip, Angel Tree, Toys for Tots, caroling, bell ringing for the Salvation Army, and winter clothes drives.

In addition to all of the above, they also sponsored a Walk-a-Thon to benefit a fellow student, Danny Naccarelli, in his battle against cancer. Each student raised donations for their efforts and during free periods walked the track, even through wind and snow. They raised \$6,000 and were more than happy to do something for a friend.

The Interact Club does so much throughout the year, and the members owe a debt of gratitude to Mrs. Orlovsky, club officers, and of course the Rotary Club.

The angel tree standing tall and proud benefited many needy children this past holiday season.

MARCHING BAND

This season over 100 musicians and auxiliary members embarked on an adventure that they would never forget. It began in the summer when these talented students survived two weeks of grueling, but enjoyable band camp. Over those two weeks the older students served as role models for the new members as well as developing long-lasting friendships. Even before the school year began, the band took a trip to Kennywood, where they enjoyed a fun-filled day and performed in the Fall Fantasy Parade at night. The band attended every football game and provided support for our team. Of course they also had their share of fun!! Throughout the season these dedicated members attended practice every week. Numerous band festivals, including West Allegheny and Brentwood, were also highlights of their season. The 23 band seniors were honored along with their parents on Senior Night. For many of these parents this year marked the end of four or five years of hard work and dedication to this unique group of students. Both the seniors and their parents will be missed. In February the band took a trip to New York City, where they attended performances as well as toured the city. This group has developed lifelong friendships and has created unforgettable memories.

Members of the chorus and girls' ensemble enjoy a night at King's, a regular Carlynton hangout, with a cool waitress.

Mr. Erickson, a tuba player for the Pittsburgh Symphony, made a special trip to Carlynton to perform and critique, as well as motivate, the Carlynton Concert Band.

The District 1 Choral Festival was held at Carlynton in January 2000. Participants included (from left to right) Jackie Smith, Tabitha Caine, Audrey Pernell, Sarah Rogers, Cara Walkowiak, Jason Padula, Bridget Herrmann, Justin Zinger, Rachel Zinger, Lindsay Matt, Jessica McWilliams, and Terri Vincent. Both Audrey and Tabitha advanced to the Regional Level. Cara and Bridget were selected as alternates. Audrey continued on to the State Festival.

Music Candids

The growing Carlynton Marching Band also had a successful 1999-2000 season. Jason Ryan and Jason Kozak pay close attention to the game.

Clarinetists Maichael Farmer, Elyse Easton, and Melissa Fennel listen intently to what Mr. Erickson has to say about careers in music.

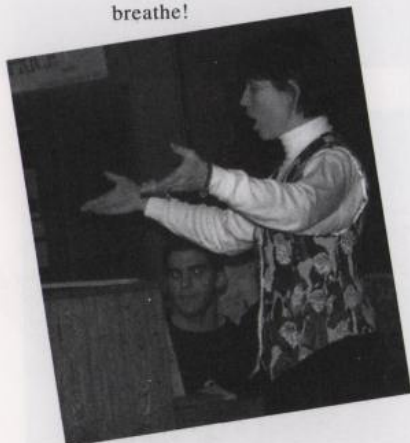

The band enjoyed a trip to New York City in February.

Girls' Ensemble

Throughout the year this audition-only group, consisting of 54 talented young women, strives to learn a number of difficult selections chosen by director Mrs. Mary Lear. Even though the size of each class varies from 2 to 22 members, when it comes time to perform they unite to create a beautiful blend. The ensemble started off the year by making a second appearance at Representative John Pippy's Senior Citizens' Extravaganza. The Girls' Ensemble then moved on to Christmas music to prepare for a variety of holiday performances. Those performances included Carnegie Light-Up Night, Station Square, The Grand Concourse, and a special holiday concert in which the concert band chorus also performed. In the spring the Girls' Ensemble and Chorus held another terrific concert, to acknowledge the graduating members, wowing the audiences yet again with their amazing voices. A special thanks goes out to their favorite accompanist, Mrs. Sandy Caine.

Shakespeare on Love

This year's play was different from anything done at Carlynton before. The cast members were met with the challenge of performing two of Shakespeare's best-known works, the tragedy "Romeo and Juliet" and the comedy "Much Ado About Nothing." These sixteen students rose to the challenge and according to director Rob James, "they have done an exceptional amount of work to present this production and should be very proud." He explains that "this show is designed to compare two of Mr. Shakespeare's love stories, the tragedy of Romeo and Juliet's failed attempt against the comic mechanizations that bring Beatrice and Benedick together." Not only did these students rise up to the challenge of Shakespeare's language, but they have also mastered performing in front of a very close audience. About 90 chairs were set up on one side of the stage with the first row being only about 5 feet from the actors. Senior cast member Lindsay Mendenhall will always remember "the wonderful memories and laughs shared by everyone during the production of my first and last play at Carlynton."

Ursula: Lindsay Mendenhall

Narrator: Emily Tokarczyk

Lady Capulet (April Kleer) is a little upset as her daughter Juliet (Jackie Smith) looks more fondly onto her nurse (Bridget Herrmann).

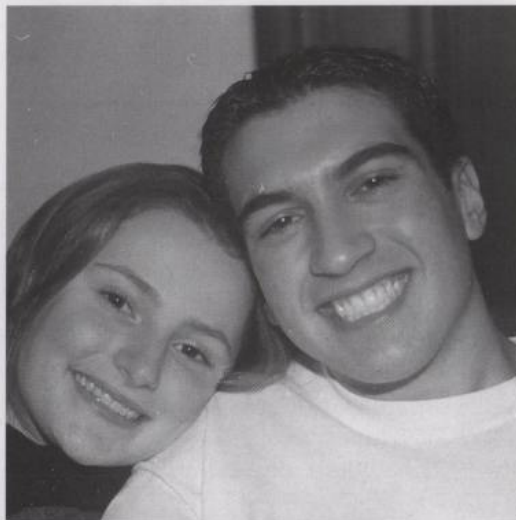

Audrey Pernel once again exhibits her incredible acting skills for the Carlynton audience.

Two studly actors, Brian McMahon and Justin Zinger, perform their version of the balcony scene.

Play pals Jackie Smith and Adam Mittner take a break from rehearsal. Look out Romeo, Mercutio's stealing your girl!

April Kleer gazes off into the distance as she prepares for another crowded performance.

Ursula (Lindsay Mendenhall), Hero (Nancy LaLanne), and Beatrice (Audrey Pernell) await the exciting news of the wedding between Hero and Claudio (Eugene Conniff).

Vincent and Jackie Smith have become close friends during the duration of the play.

Benedick (Jason Padula) and Beatrice (Audrey Pernell) read poems that they secretly wrote for each other.

"Good News"

What do you get when you take 50 talented cast members, directors, producers, beautiful costumes, an orchestra, and a technical crew? "Good News" of course! This year's spring musical, "Good News" delivers just that.

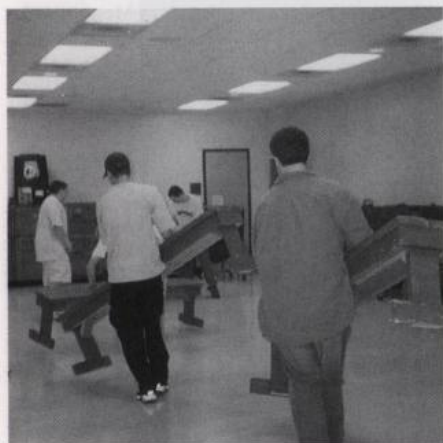

The musical opens with the students at Tait College anticipating the big game against Colton. Unfortunately, Tait's star player, Tom Marlowe, failed his astronomy test, making him ineligible to play. Coach Johnson insists that Professor Kenyon failed Tom to get back at him for their failed relationship during college. Pat, Tom's girlfriend, convinces her cousin, Connie, to tutor Tom. Tom and Connie eventually fall in love. Babe, the school flapper, is infatuated with Bobby, a puny football player. Bobby is reluctant because Babe's old boyfriend Beef has threatened to beat him up.

Will Tom pass his make-up test? Will Babe and Bobby fall in love? Will Tom ever have a relationship with Connie, without Pat interfering? Will Coach Johnson and Professor Kenyon rekindle an old flame?

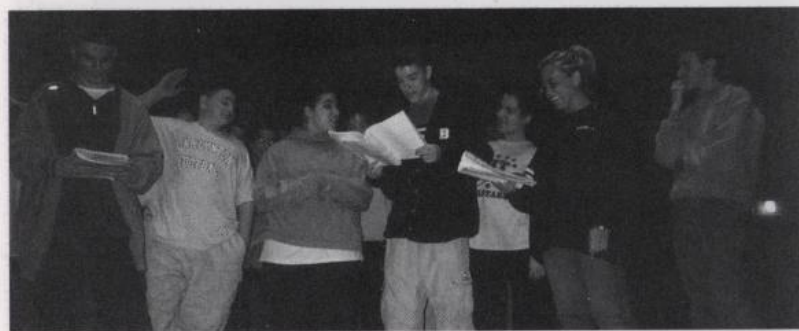

These questions are all answered during the lively performances of this exciting 1920s musical.

P.S. See more "Good News" in the supplement!!

-April Kleer

The directors and producers are a crucial part of the success of the Carlynton musicals.

And the musical fun goes on & on...

"Down on your heels, up on your toes, stay at school, learn how it goes. That's the way to do it Varsity Drag."

Are you "sure" or "unsure?"

Mrs. McMahon and Mrs. Sakai are two of the dedicated parents. Looks like they're getting a lot of work done!!

Best Friends

"Friends Forever" you promised.
 "Together 'til the end."
 We did everything with each other.
 You were my best friend.

When I was sad, you were by my side.
 When I was scared, you felt my fear.
 You were my best support --
 If I needed you, you were there.

You were the greatest friend,
 You always knew what to say.
 You made everything seem so much better.
 As long as we had each other,
 Everything would be okay.

But somewhere along the line,
 We slowly came apart.
 I was here, you were there,
 It tore a hole in my heart.

Things were changing.
 Our cheerful music reversed its tune.
 It was like salt without pepper,
 A sun without its moon.

Suddenly we were miles apart,
 Two different people, with nothing the same.
 It was as if we hadn't ever been friends.
 Although we knew deep in our hearts,
 Neither of us was to blame.

You had made many new friends,
 And luckily so had I.
 But that didn't change the hurt,
 The loss of our friendship made me cry.
 As we grow older, things must change.
 But they don't have to end.
 Even though it is different now,
 You will always be my one true...
 BEST FRIEND

Dear Junior,

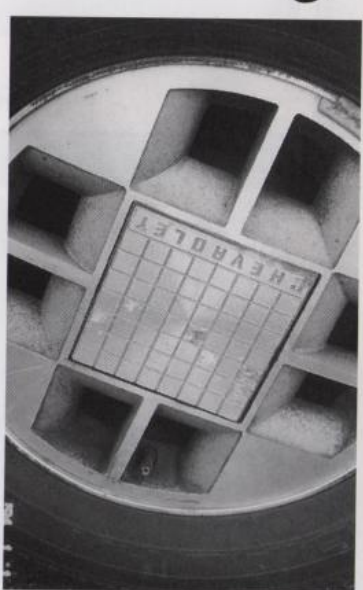

Well, actually, I guess I can now call you senior. In the next few months, you will now start to realize what I meant when I said "The year went too fast." Your memories and friends will mean more to you than ever before. It is hard to believe that we spend so many years waiting to graduate so that we can leave Carlynton behind. However, once it is almost over, it is hard to say goodbye. Cherish your next year here and do not take your friendships for granted. Soon the football games, parties, eight-period days, and Proms will come to an end. Another word of advice is to not hold grudges next year. Ask yourself how you want to be remembered. Spend time with as many people as you can. You may never see some of these people again after graduation day. Also, do not slack off on anything - school work, college applications, etc. You don't want to feel left out when everyone else is being accepted. Lastly and most importantly, have tons of fun. These are some of the best years of your life. Good luck to you always.

Love,
A Senior

All Eyes On You!

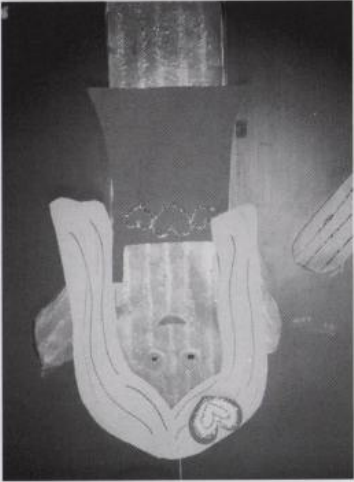

(+ a rooster and a cactus) are in need of some special recognition due to their great efforts in the school and community.

Brent Herring

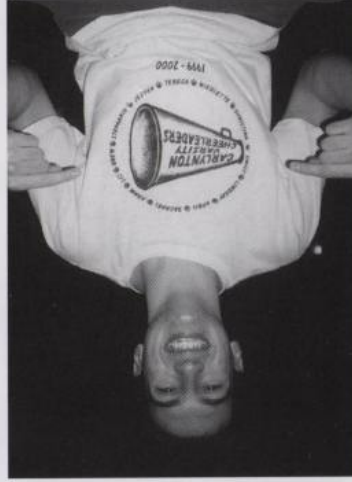

Brent has participated in sports such as swimming and soccer since ninth grade. Managing to letter in swimming grades 10 through 12 and soccer grades 9 through 12, he has proved to be a valuable asset to the school's athletic department. He is involved in other activities such as the Volleyball Club, Interact Club, and GATE -- all the while staying on top of his classes and keeping scholarly grades.

Paella & Bruce

Paella the Cactus & Bruce the Rooster (not pictured) are the Spanish 4 & French 3 mascots. Providing inspiration to the students, they are displayed on the boards, and the students have them join in holiday celebrations by properly decorating them. The masterminds of these great inventions are April Kleer & Andy McDermott, who would like to say thanks for the honorable mention and hope that future Spanish & French students will treat them with the respect they deserve!

Adam Mittner

Adam carries the title of First Male Cheerleader at Carlynton High School. He successfully completed and passed try-outs, and as if that weren't enough, he even went to cheerleading camp with the squad! He certainly showed everyone he had what it takes when cheering and lifting at the games and matches. Adam became a super new addition to the group and a great friend to the other cheerleaders.

Way to Go!

Brad Bell & His Band

Brad Bell & his buddies have put together a group called "Base 84," from Brad's dad, who said "You play in a basement and our address is 84--Base 84!" They play punk, alternative & rock, and now play parties & dances at places such as the Max, the Peach Pit & the After Dark. The band has its own website: <http://www.youwanabemc.org>, and plan on cutting a record by the end of the year with Sophomore Records.

Sarah Mondine

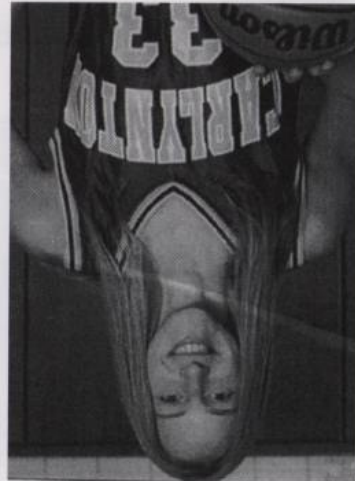

Sarah is the Exec. Asst. for Production and Program for CausenX, which is a branch program of Campus Life. It is a professional sound, lighting, video & staging company that allows teenagers to be put into a professional business setting with real adult responsibility. Sarah has initiated & conducted conferences for the past two years on her own. In her free time, she participates in the Drama Team, dancing, youth group, volleyball, softball, SADD,

These three girls have been pursuing their careers since the 10th grade by attending Parkway Voc-tech. Dawn is attending the school for Travel Agent, while Sheena goes for Health Assistance, and Jessica is taking Business Management. They are being recognized for making and remaining on the Director's List all year long. Great job girls! You're sure to go far!

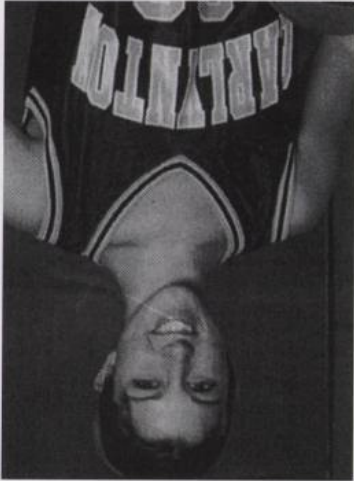

Dawn Fingers, Sheena Burgun, and Jessica Grega

This jivin' junior has held a place on the Varsity Girls' Basketball team since her freshman year. A true asset to the team, she was named the Tribune Review/Fox 53 Sportsstar of the week & WTAE Operation High School Sports Athlete of the Week. She was Treasure Coast Hall of Fame Classic MVP & on the Great Chevy Shootout All-Tourney Team. Kacy is the 2nd leading scorer in CHS history with over 1600 pts. We're all looking forward to next year!

Kacy O'Brien

This super sophomore is a key player on the Varsity Girls' Basketball Team. She was named the Post-Gazette Athlete of the Week this season. She was also part of the Great Chevy Shootout All-Tourney Team & Treasure Chest Hall of Fame Classic. Kristen currently has 134 3-pointers, which is not only a school record, but the best (girl) in the WPAL and enough to get her ranked 4th in the entire country! And she is only a sophomore. . . . more good things are sure to come.

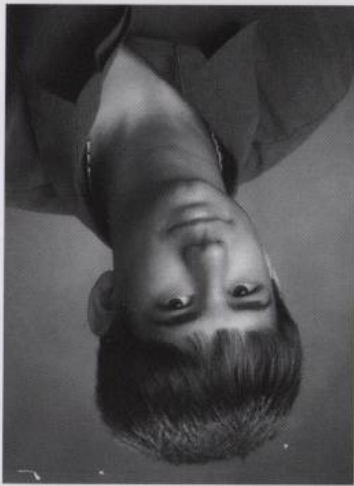

Kristen Bonner

Audrey has spent her whole life singing, but two years ago she began studying in depth. She has participated in three PMEA District Chorus festivals & she loves to experience choral singing at a different level. For two years she has also made the Regional festivals, and was chosen to go to the State festival this year, which is a great honor for her and Carlynnton. She also went to Governor's School last summer in photography. Next year Audrey goes to Swarthmore College to study music & theater. She says "Do what you love and love what you do."

Audrey Pernell

"Just some skater kid" is hardly the way to describe Aaron. He has competed at numerous levels of competition and countless tournaments. He has won awards and trophies in them and is a Ranked Skater. Aaron is doing his Senior exit project on in-line skating, also. Starting out with loitering around the parks and elementary school, he has progressed to this. Way to go!

Junior Mary Brown and Eighth-grader Greg Petronsky are both proud participants of the evening's festivities

NATIONAL HONOR SOCIETY & NATIONAL JR. HONOR SOCIETY

Membership in the National Honor Society and National Jr. Honor Society is based on outstanding scholarship, character, leadership, service, and citizenship. Once candidates are inducted they must participate in projects and maintain a 92% grade point average to remain in the society. Under the direction of Mrs. Kiser and Mrs. Eddy, the Honor Society and Junior Honor Society participate in a variety of fundraisers and community service projects throughout the year. This year both societies have been involved with the "Walk for Danny," Project Bundle Up, Daffodil Days, flower planting for the Western Pennsylvania Conservancy, and the Teacher-Staff Recognition Luncheon. The National Honor Society Officers include President April Kleer, Vice-President Christina Torchia, Secretary Kimberly Mishkin, and Treasurer Jennifer Talotta. The officers for the National Junior Honor Society are President Nancy LaLanne, Vice-President Jaclyn Schlott, Secretary Jenna Butts, and Treasurer Brendan Nelson.

Although Physics and Chemistry may not be for everyone, the Carlynton Science Department offers many other less difficult courses for the majority of students, including Life and Physical Science, Earth & Space, and Biology 9 and 10. Since everyone must take at least three Science credits to graduate, it's good that there is such a variety from which to choose, including the electives of Meteorology/Oceanography and Science Trends.

The Math Department Really Adds Up!

From simple Basic Algebra to the most advanced Calculus, the Math Department at Carlynton works together as a team to get those numbers and principles into our heads. Whether students plan on designing a rocket or just balancing their checkbooks, there is a Math course offered to help them do just that and more. Three credits of Math are required for graduation, but students are encouraged to take more, depending on their career path direction. Students who plan to go on to college should definitely take Algebra and Geometry, and those anticipating a career in Science, Engineering or Mathematics should take at least Pre-Calculus.

Emphasizing Careers

Parkway West A.V.T.S. provides Carlynton Students in grades 10, 11, and 12 the opportunity to study all sorts of occupations, from clerical to technical to health related, and more. Carlynton sends approximately 60-70 students per year to the morning session at Parkway. The skills they learn there are providing them with the prospect of immediate employment or advanced placement in many area colleges and technical schools when they graduate. They also receive related academic assistance, career counseling, and job placement support.

C.H.S.-ers named to the Director's List of Honor Students (thru the first semester): Donavin Booher, Sheena Burgun, Dawn Fingers, Grayham Grega, Jessica Grega, Priscilla King, Megan Kizina, Davon Orsi, Christal Slade, Latrisha Slade, and Erin Steiner.

Varsity Cheerleading

Pride, spirit, determination, and strength are just a few words to describe the 1999-2000 Varsity Cheerleading Squad. We work year round to entertain the crowd and pump up the not-so- excited student body.

This year we have a new addition to the squad...a guy! Adam Mittner made the year very interesting and we have hopes to recruit even more buff boys next year!

The Varsity Cheerleaders are like a second family to each other. Spending so much time together, we develop unforgettable friendships and memories and learn to work as a team. This has helped us reach many of our goals this year. Over the summer we received a bid to compete nationally in Williamsburg, and we also earned a fifth place trophy at a Kennywood Competition in which over 100 squads competed. So, next time you are at a game, take a look at the athletes on the sidelines. You will then agree that 1999-2000 squad is number one, second to none!!

Junior High Cheerleaders

Experience. That is the first word that comes to mind to describe this year's Junior High Cheerleading Squad. With nine freshmen, the younger girls could always rely on them for help and advice. However, the number of eighth graders did not fall too much short of the dominating freshmen. This group of girls prepared all year to lead the pack of 2000-2001. There were also two incoming seventh graders to the squad who are just beginning their CHS cheerleading experience.

Overall, the Junior High Cheerleaders had a fun and exciting year. They keep busy by cheering year-round for Junior High Football, and 7th, 8th, and 9th Boys' Basketball teams. Spending all of this time together, they created memories that will last a lifetime. Good luck and thanks to the freshmen going to the Varsity squad next year. You will be greatly missed!!

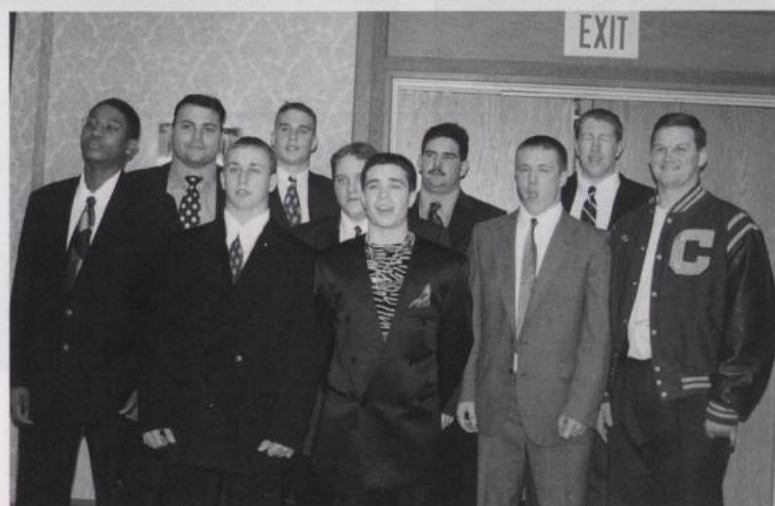

Varsity Football

With nine seniors on the team, and then some injured, the Carlynton Varsity Football team experienced a rebuilding season during Coach Mike Crown's first year. Despite their won/loss record, the Cougars had given it their all. Much of their support came from fans, band members, and cheerleaders who endured any weather to fill the stands. One particularly bright spot occurred at the end of the year when Senior Dan LaGamba made the All-Section Team as a defensive tackle.

Golf

The Golf team had a very productive season, under the tutelage of Coach Rich Sonson, finishing with an 11-4 record. Junior Angelo Sestili was medaled the most times, by far, and tied with Senior Eric Baird for the best score--a 37. Freshman Jon Fielder had a hole in one at South Hills Country Club. It was in a match against Brentwood, which Carlynton won, 235-264.

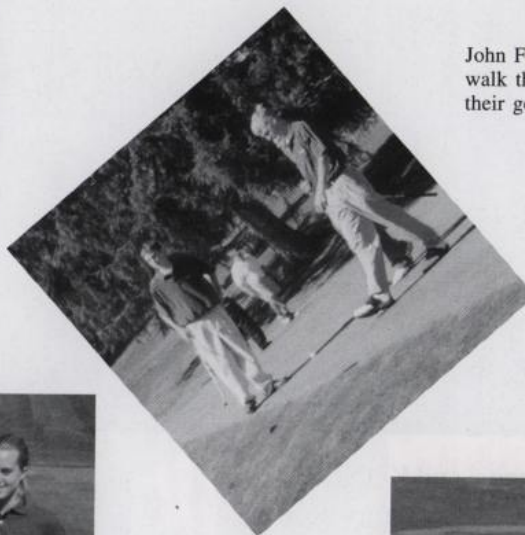

Angelo Sestili and Sophomore Brad Bell qualified for the *WPIAL Boys' Individual Semifinals Golf Championships*, with Junior Rich Stacy as a alternate. Mary Brown, a junior, made a good showing in the *WPIAL Girls' Individual Golf Tournament Finals*. With only one senior, the Golf Team is poised for an even better season in 2000.

The Lady Cougars

Despite a rather discouraging beginning to the Lady Cougars' season, they pulled together and managed to make it an exciting ending. New coaches Jay Burbee and Lee Costa helped the team turn the season around and bring in some valuable victories. Seniors Dawn Fingers, Julie Meacci, Kristen Dunmeyer, Jamie Gielarowski and Patrice Langford led the starting lineup, but there is a nucleus of underclasswoman to step up and fill the gaps for next season. Good luck to all returning players and newcomers in the future!

BOYS' VARSITY SOCCER

1999 was a great year for Carlynton's Boys' Varsity Soccer team! With both coaches and ten returning starters, the team had experience for the upcoming season. Each player felt that the section, WPIAL, and even the state title was in reach. Starting in goal was sophomore Terri Dlugos, one of the best goalies in the WPIAL. Last season, as a freshmen, Terri let up 44 goals. This year, as a sophomore, Terri had eleven shut-outs and has only allowed 13 goals in 20 games, three of which were scored on penalty kicks. That's an extremely impressive improvement. The defense, also believed to be among the best in the WPIAL, kept shots on Terri to a minimum. Consisting of senior co-captain Brent Herring, senior co-captain Evan Derenzo, junior Steven Yaworski, and sophomore Reid Lentz, these four defensemen are also known for going up the field and contributing to the offense. The midfield consisted of five returning starters. On the outside were senior Ben Skvarca and junior Chad Kolarcik, who led the Cougars in goal scoring this year. Playing the inside midfield were senior co-captain Matt Kellams and juniors Ryan Fingers and Sean McQuillan. The midfield played a major role in generating the offense and putting the ball in the net. Alternating up front in the striker position were sophomores Ryan Mangis, Brian Scott, and Andy Skvarca.

Coaches Gary Webber and Gary Tissue led the cougars into a great season, and what would have been a section championship if it weren't for a disappointing loss to Sewickley Academy late in the season. Despite the loss, the Cougars still finished 2nd in their section and proceeded to the playoffs. The Cougars' opponent in their first round playoff game was Neshannock. The boys played a grueling 110 minutes of scoreless play, but then lost in the shootout 3-4. Their run for a WPIAL championship was over.

Although the season didn't meet the athletes' expectations, they have plenty of good memories to look back on: the 65-yard goal scored by Ryan Mangis and the game-winning goal scored against Avonworth by Brent Herring with one minute remaining. But, the Cougars agree that the most spectacular highlight of the season was making the playoffs.

The 1999 Carlynton Cougars had a tremendous season and should be proud of their accomplishments. With a record of 14-3-3 they have left a mark on CHS that won't soon be forgotten.

Junior High Soccer

Although we may have gotten off to a rocky start the, Junior High soccer team ended the season as a great learning experience. With the assistance of our coaches we learned a whole new definition of teamwork. Together we played on the field better, while making the game more enjoyable. Lots of luck goes out to this year's eighth graders for the Varsity team next year.

Girls' Tennis

Led by Seniors Jen Cantley, Lindsay Matt, Lindsay Mendenhall, and Tasha Vincent, the Girls' Tennis Team had a pretty successful season; winning more matches than losing, and certainly enjoying themselves in the process. Coach Henry Vogt agreed with the great progress he saw as the season went on.

Juniors Kacy O'Brien and Mary Esch distinguished themselves at #1 and #2 singles, respectively, throughout the season. They will, along with Juniors Emily Aleski, Eileen Engan, Chelsea Falcioni, and Sophomore Jenna Kolb, be important members of next year's 2000 team. With the addition of some younger players, next year should make for an improved record.

GIRLS' VOLLEYBALL

This year the Carlynton Lady Cougars' Volleyball team consisted of 25 players, 14 of them seniors. This is the fourth running season for the team and a few of the seniors are saying goodbye to four years of hard work and dedication to the Lady Cougars. Coaches Mrs. Patsko and Mrs. Berlinger helped coach their teams to several victories. Congratulations to Mrs. Patsko for her own special victory! Good luck to the Lady Cougars next year. The seniors will miss you. The three words that I would use to sum up this year's volleyball season: I LOVED IT!

A Special Season

Fast, furious and victorious are just some of the adjectives that describe the Lady Cougars' start this year . . . as well as the middle and end of the season, too. Ranked at or close to the top of Class AA all year, the team proved the pundits right by compiling a very impressive 23-1 record going into the playoffs.

The girls were led by junior Kacy O'Brien, sophomore Kristen Bonner, and senior Jeanine Kossler, along with sophomore Jen Smith and junior Tara Wilmus, but all contributed much to the team's overall success. Besides winning the Section, the team was the runner-up in Class AA, and despite losing Kacy to a serious injury, made it to the 2nd round of the PIAA playoffs. Jeanine is the only senior, so the team should come back strong with a healthy Kacy leading a solid core of returning players.

Individual honors included: Coach Mike McConnell: Section 3 "Coach of the Year"; Kacy: "Most Valuable Player" in the Section; Kacy & Kristen: Section 1st Team; Jeanine & Jen: Section Honorable Mention; and Kristen & Kacy are members of the "Fab 5 West," Pg. Post-Gazette. Also, Kristen is now ranked as the top girl in the entire WPIAL and 4th in the country in 3-pointers--a total of 134 to date.

The team members would like to thank everyone who gave them such great support this year.

VARSITY AND JV BOYS' BASKETBALL

2-MINUTE FURY

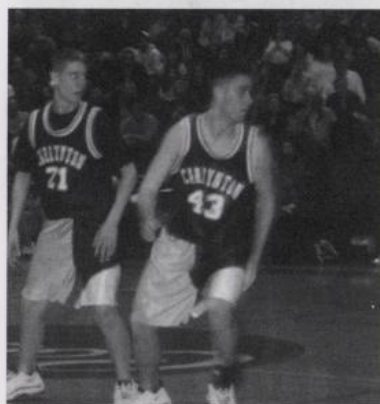

THE VARSITY AND JV BASKETBALL TEAMS DEFINITELY CAME THROUGH WITH MANY SURPRISES THIS SEASON. THE BEGINNING OF THE SEASON STARTED OUT KINDA ROUGH FOR THE TEAM, BUT THEY CAME THROUGH AT THE END AND GOT A SPOT IN THE PLAYOFFS. THE GUYS NEVER HAD A GAME THIS YEAR WHERE THE FANS WERE NOT AT THE EDGE OF THEIR SEATS. IT WAS A GREAT SEASON FOR THE PLAYERS, COACHES, AND CHS SUPPORTERS.

LARRY McDANIEL MADE THE ALL-SECTION TEAM AND MICKEY BRAITHWAITE MADE HONORABLE MENTION.

INTO THE NET

Whoever said "Less Is More" must have had these teams in mind. Both the girls and boys put a lot of hard work and dedication into their seasons and it certainly paid off for them. While keeping their goals in mind, the teams had fun, and that's what it's really all about. Lots of luck for the years to come!

Varsity Swimming

The Varsity Swim team surely outdid themselves this season. It was a record-breaking, hard-working time for the swimmers, but with dedication they made it through the morning practices, weekend practices, and afterschool practices! Maybe that's why it was such a great season . . . and it definitely had to be because of the constant urging and support of their coaches. In any case, while achieving high scores at meets, breaking sixteen-year-old school records, and then qualifying for WPIALs (where the boys came in 4th), the team swam their fins off! Creating more crowds than our football games, they also were the first senior swimmers to have the band and cheerleaders at their senior night! The boys went on to Penn State for PIAAs, and as of this writing, Brent Herring and Nick Schoen have a good shot at YMCA nationals. It was a super season -- thanks guys! Lots of luck to next year's fish!

Andrew Jurczak and Nick Schoen (left and Franz) are here to pump you up.

Aren't they cute... Seniors Melissa Gregory and Brent Herring are wishing each other a little "luck" before the next event.

CHS Bowling

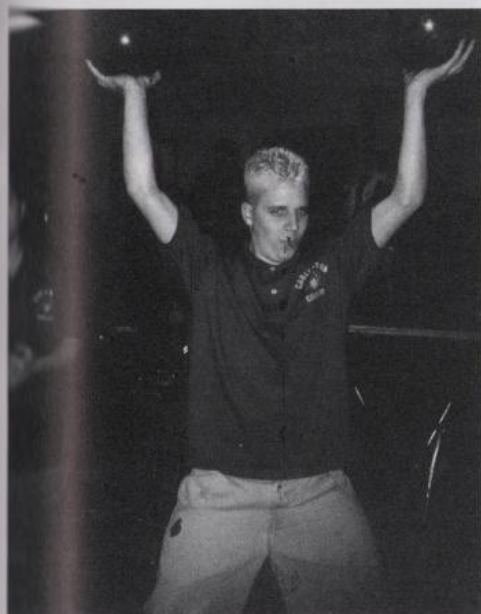

The 1999-2000 bowling season is the sixth year for the Carlynton bowling team. Through the past years the group has improved in their skills and brought newcomers to join in on the excitement. Many seniors left the team behind this year and will be missed next season, but the bowling program at CHS looks forward to many more wins and much more fun in the years to come.

Above: Jason Ryan, Brian McMahon & Steve Logsdon;

Dear Robert,
AT LAST!!

After what has been the most difficult
12 years of school ever for one individual.
You have endured and persevered
to reach the cherished goal.
YOUR GRADUATION DAY.

You will be remembered by
many for your past school experiences
and others to come should hear of and
know of these experiences.
**BUT FOR NOW, AS YOU MOVE ON IN
YOUR LIFE, MAY ALL OF YOUR FUTURE
PLANS COME TRUE.
KEEP YOUR MIND AND THOUGHTS

It seems that only yesterday,
 We looked upon those huge blue eyes
 And called you Lissie Girl.
 But even though,
 You have grown in many ways,
 (No longer "Lissie Girl" but "Lou")
 Some things have never changed at all.
 You have always brightened our days with your wit and charm,
 You astound us with your maturity and sensibility.
 And we reflect upon your accomplishments in amazement.
 You indeed are the best daughter and worthy of all that life can bring.
 May success and happiness be yours always.

Brittany, seventeen years ago you were such a beautiful little girl
learning how to walk;

You are now a beautiful young woman learning how to follow your
dreams and reach for the stars . . .

Today, you may not know all that the world has to offer, but I
know that the world will be a better place because of what you
have to offer it.

Today, you may not know which path you should follow, but I
know that you will listen to your heart, for it will never lie.

Today, you may question what you have already accomplished,
but I know you will never doubt what you can do.

As all of your tomorrows open themselves to you, never forget
how proud I am of you and how much I love you—Yesterday,
today, and always.

Christina Torchia, My first-born Granddaughter

Granddaughter! What a beautiful title for the child of my child.

I have so many special memories of you tucked away, deep in my heart and soul. From the time you were born on that warm day in May until this, your very special Graduation Day. It seems like only yesterday that you were anticipating the arrival of Santa Claus, the Easter Bunny and the Tooth Fairy. Tomorrow's anticipation will be a more realistic one as you enter into the world that is filled with opportunity for a talented, intelligent, caring, and loving young lady like you. I remember a day when I arrived home from work feeling very tired. I pressed the bottom on my phone message recorder and heard your sweet little voice saying "Hello Grandma Shirley, I love you!" Just thinking of that day still brings tears to my eyes. I still have all the little greeting cards, notes, and drawings that you sent to me and will cherish them forever. I also have many, many pictures of you growing up and this is one of my favorites.

Congratulations and Caps-Off to a dedicated student, and wishing you success in abundance as a collegian.

With much Love and Pride, Grandma Shirley

To Rachel and Justin Zinger:

From toddler to adult - the time sure flew -
You were always special - that we knew.
At a young age, the attention you had
Was because you were cute and not so bad!

The twinkle in your eyes and winning ways
Made us smile through night and days!
When you were small - we knew you'd be
A source of pride to our whole family!

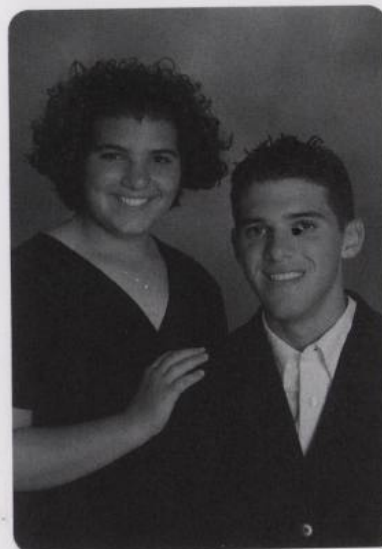

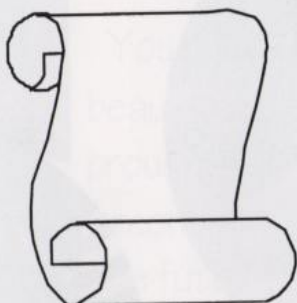

You've doubled everything through the years
You've brought us joy, love, and happy tears!
We've watched you earn respect and esteem
Happily your lives have been like a dream!

Justin and Rachel, you sure have grown
You've turned out just as we have known -
We're so proud and grateful for all you've done
You are a terrific daughter and son!

Love always,

Mom and Dad
