the Act

Girls get in the act ... It seems like we've been practicing forever ... Miss Ripple, no matter how hard I try I can't do my lay-ups ... but I didn't move at all with the ball ... or did I? ... Watch those hands, Stef! ... determination ... and experience lead to ... victory! ... Yea, for Patty's medal! ... more practice ... improvement ... victory ... the will to win increases ... we try harder and harder all the time ... losing to McGuffey brings heart-break ... last game ... chance for second place in the section if we can beat Sto-Rox ... the spirit is high ... Sink it, Jank!! ... The game is close ... Look at the rim ... 10 seconds to make a foul shot ... Don't look so shocked Sue, it really went in ... Victory!!! ... After the game Miss Ripple goes for a swim in the pool ... The season's finished ... Miss Ripple's party ... Maybe next year we'll be No. 1.

In the olden days

Wearing a ring on the forefinger signified
a haughty spirit;
On the middle finger, prudence and dignity;
On the "ring" finger, love;
On the little finger, a masterful spirit.
Today, on any finger, your Balfour class ring
symbolizes moments and memories shared with
your classmates. Treasure them always.
