Carlynton's Seniors Proudly Dedicate . . .

... the 1984-85 edition of "Reflections" to Mrs. Jane Stout.

Could there be a better way to begin each day than with a cheerful hello accompanied by a warm smile? This is the way Mrs. Stout greets students at Carlynton High School every day.

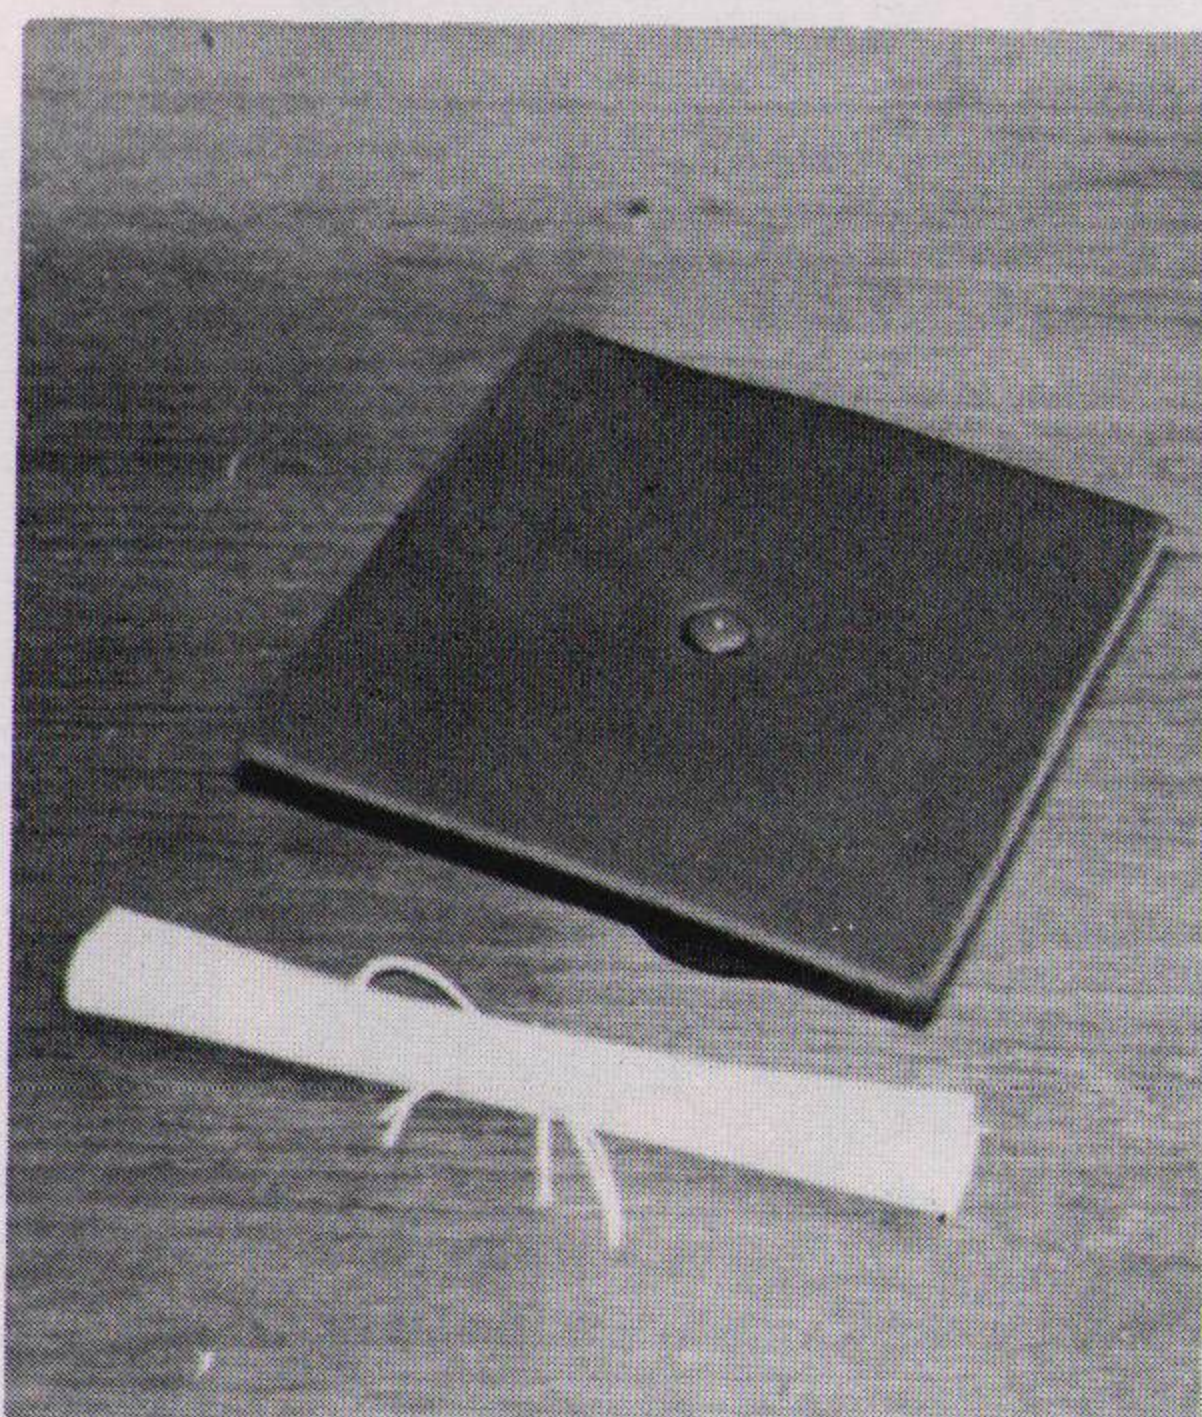

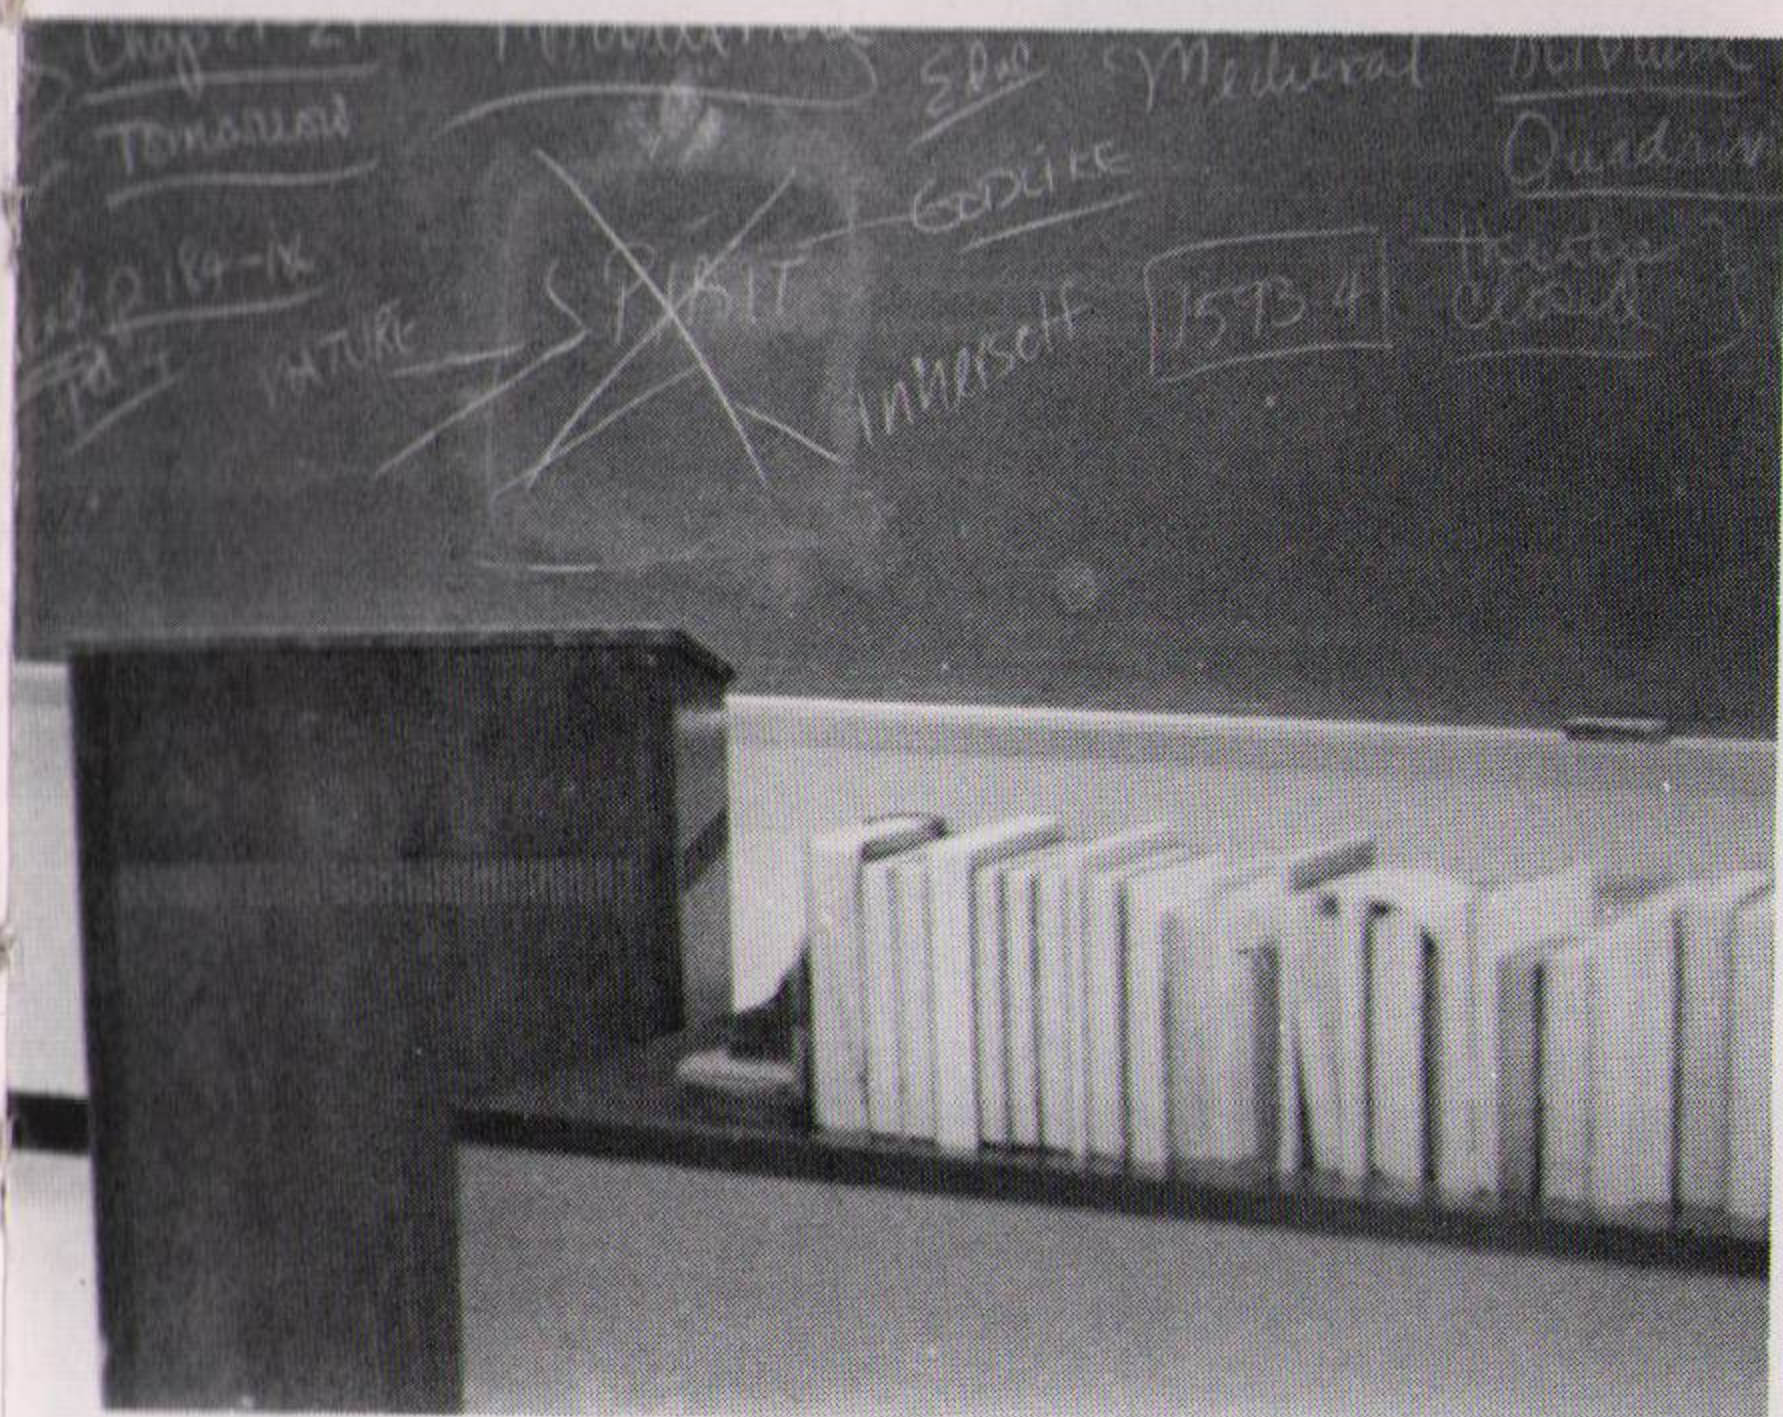

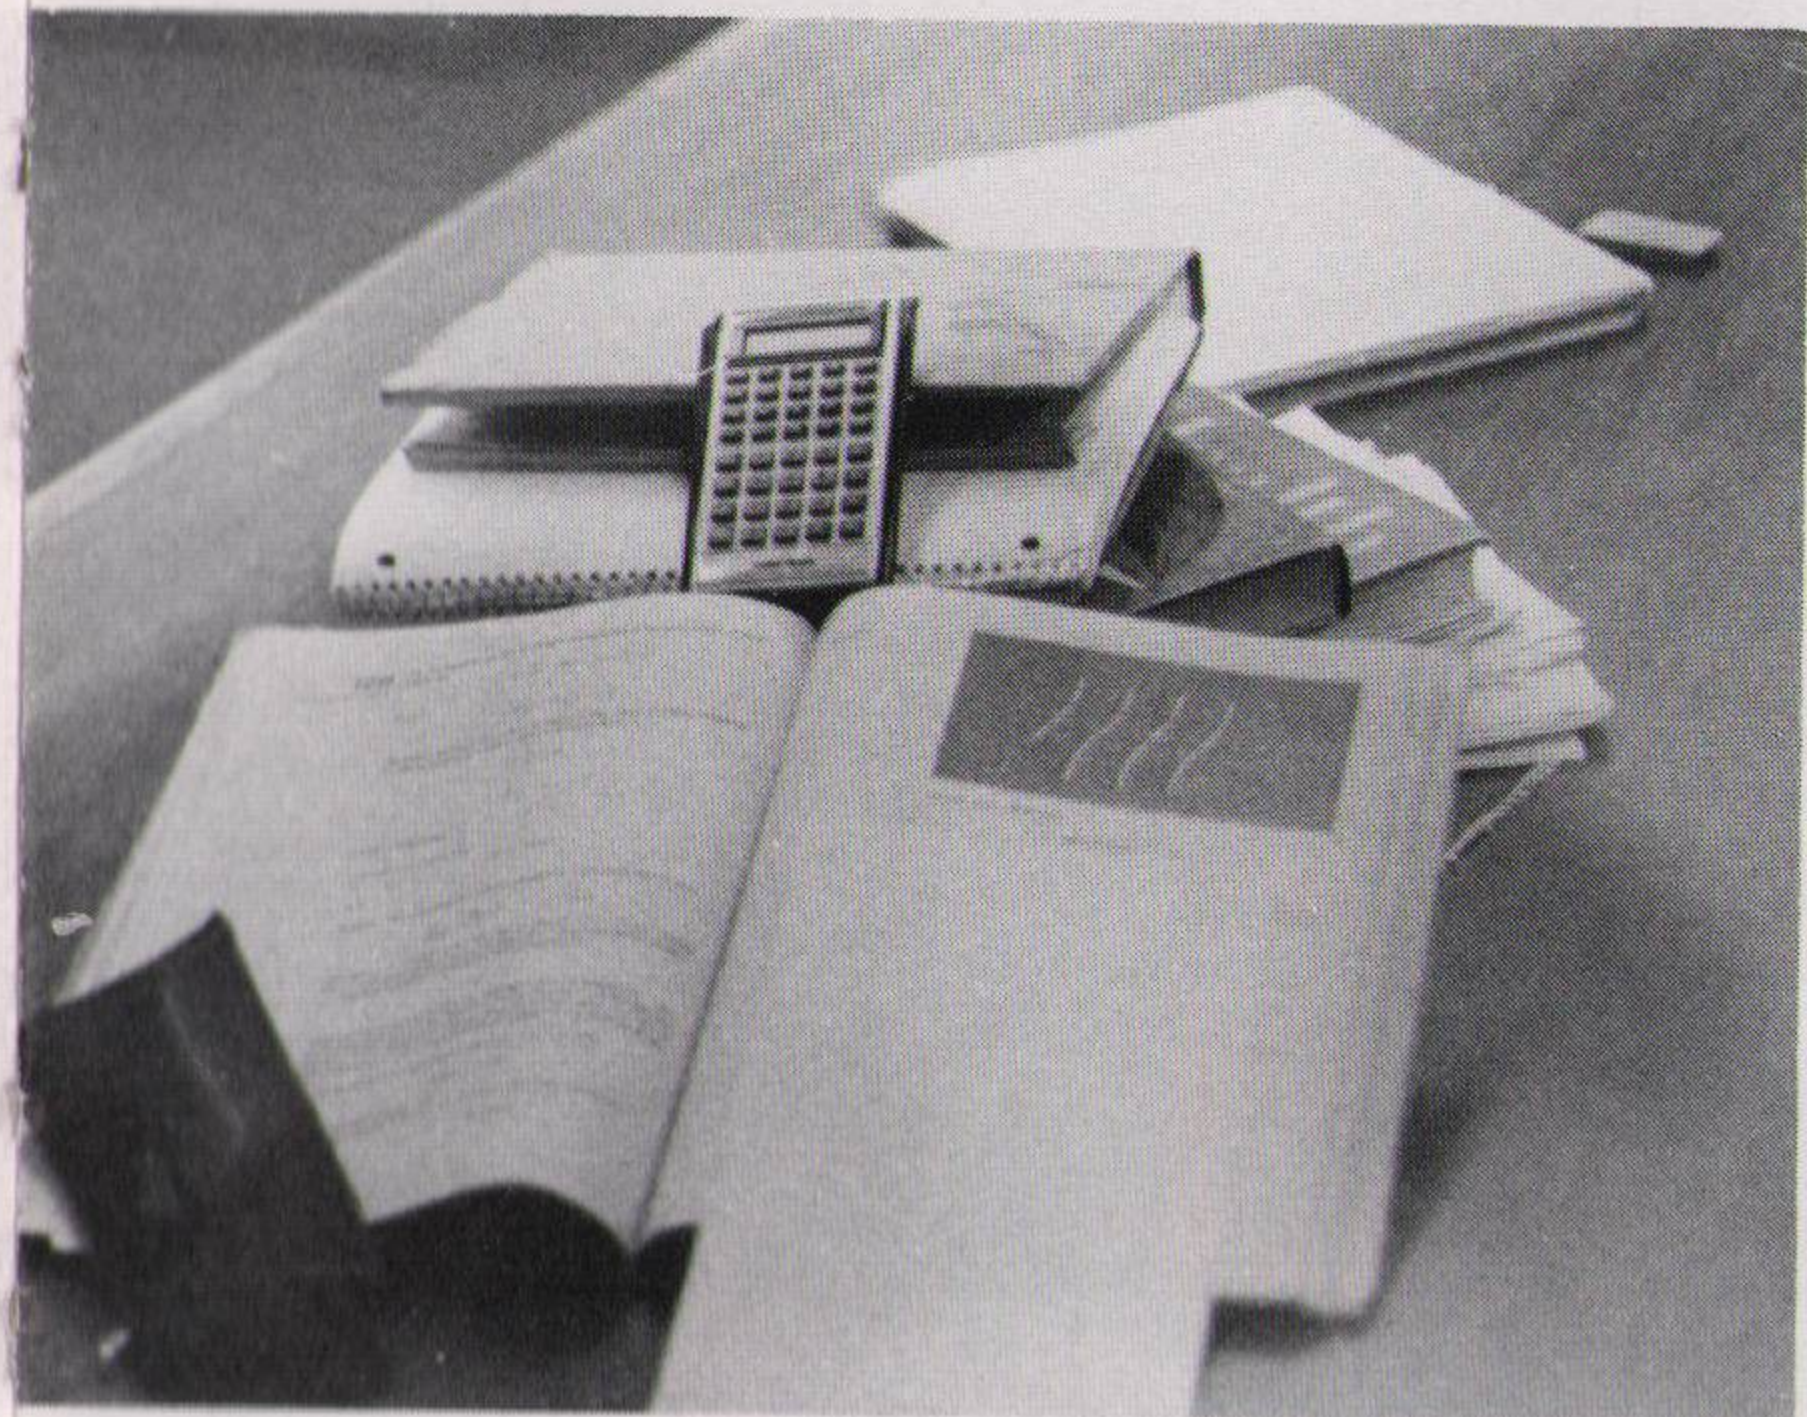

As a teacher in our Home Economics Department, Mrs. Stout is thoroughly enjoyed by her students. Many regard her highly as not only a teacher, but also as a cherished friend. She takes the time to listen to her students . . . she really understands. One senior summed up her personality in one phrase by saying, "She's just cool."

We, the Class of 85', thank her for all her dedication and service, but most of all for her friendship. Thank you Mrs. Stout, we love you.
The Senior Class of 1985

Reflections of . . . People We've Met and Things We've Done

A high school serves not only as an educational facility where strong academic standards are set, but also as a growing center where friendships are strengthened and individual personalities are developed. As students, we must traverse this path of education only to be faced with challenges from the outside world. Along this journey many facets of life become symbolic. The following symbols pictured to the left represent:

BOOKS — academic excellence strived for at Carlynton.

HANDS — friendships made and cherished.

PODIUM — teachers and administrators who have helped guide and teach us.

CAP/DIPLOMA — commencement; ending the journey of high school to start a new beginning.

SPORTS EQUIPMENT — the agony of defeat, the triumph of victory and the thrill of competition.

Within the 176 pages of the yearbook the Reflections staff would like to "reflect" the entire year so that in the future the past will remain unforgotten. Thus, the theme of the 1985 yearbook is unveiled and from here on will be remembered as: **REFLECTIONS** of . . . "People We've Met" and "Things We've Done".

Friends Forever

Reflecting on our years here at Carlynton our friendships will remain among the fondest of our memories. How could we have survived without them?

Think back to all the forgotten homework, money for lunch or sweats for gym after already racking up 12 demerits. Who came through? Our friends always shine on, sacrificing a little of themselves so we can get by.

... Remember those weekends ... Pizza Hut ... the games ... shopping at the mall ... cruising ... all of these shared with our friends ...

A unique bond forms in extra-curricular activities, such as the various sports teams, the band or the newspaper staff. There is no greater pride than that which exists in a group which strives and triumphs together. These, too, are our friends.

But above all, let's hear it for our "best friends!" How could words express the times we've shared ... our secrets and dreams!

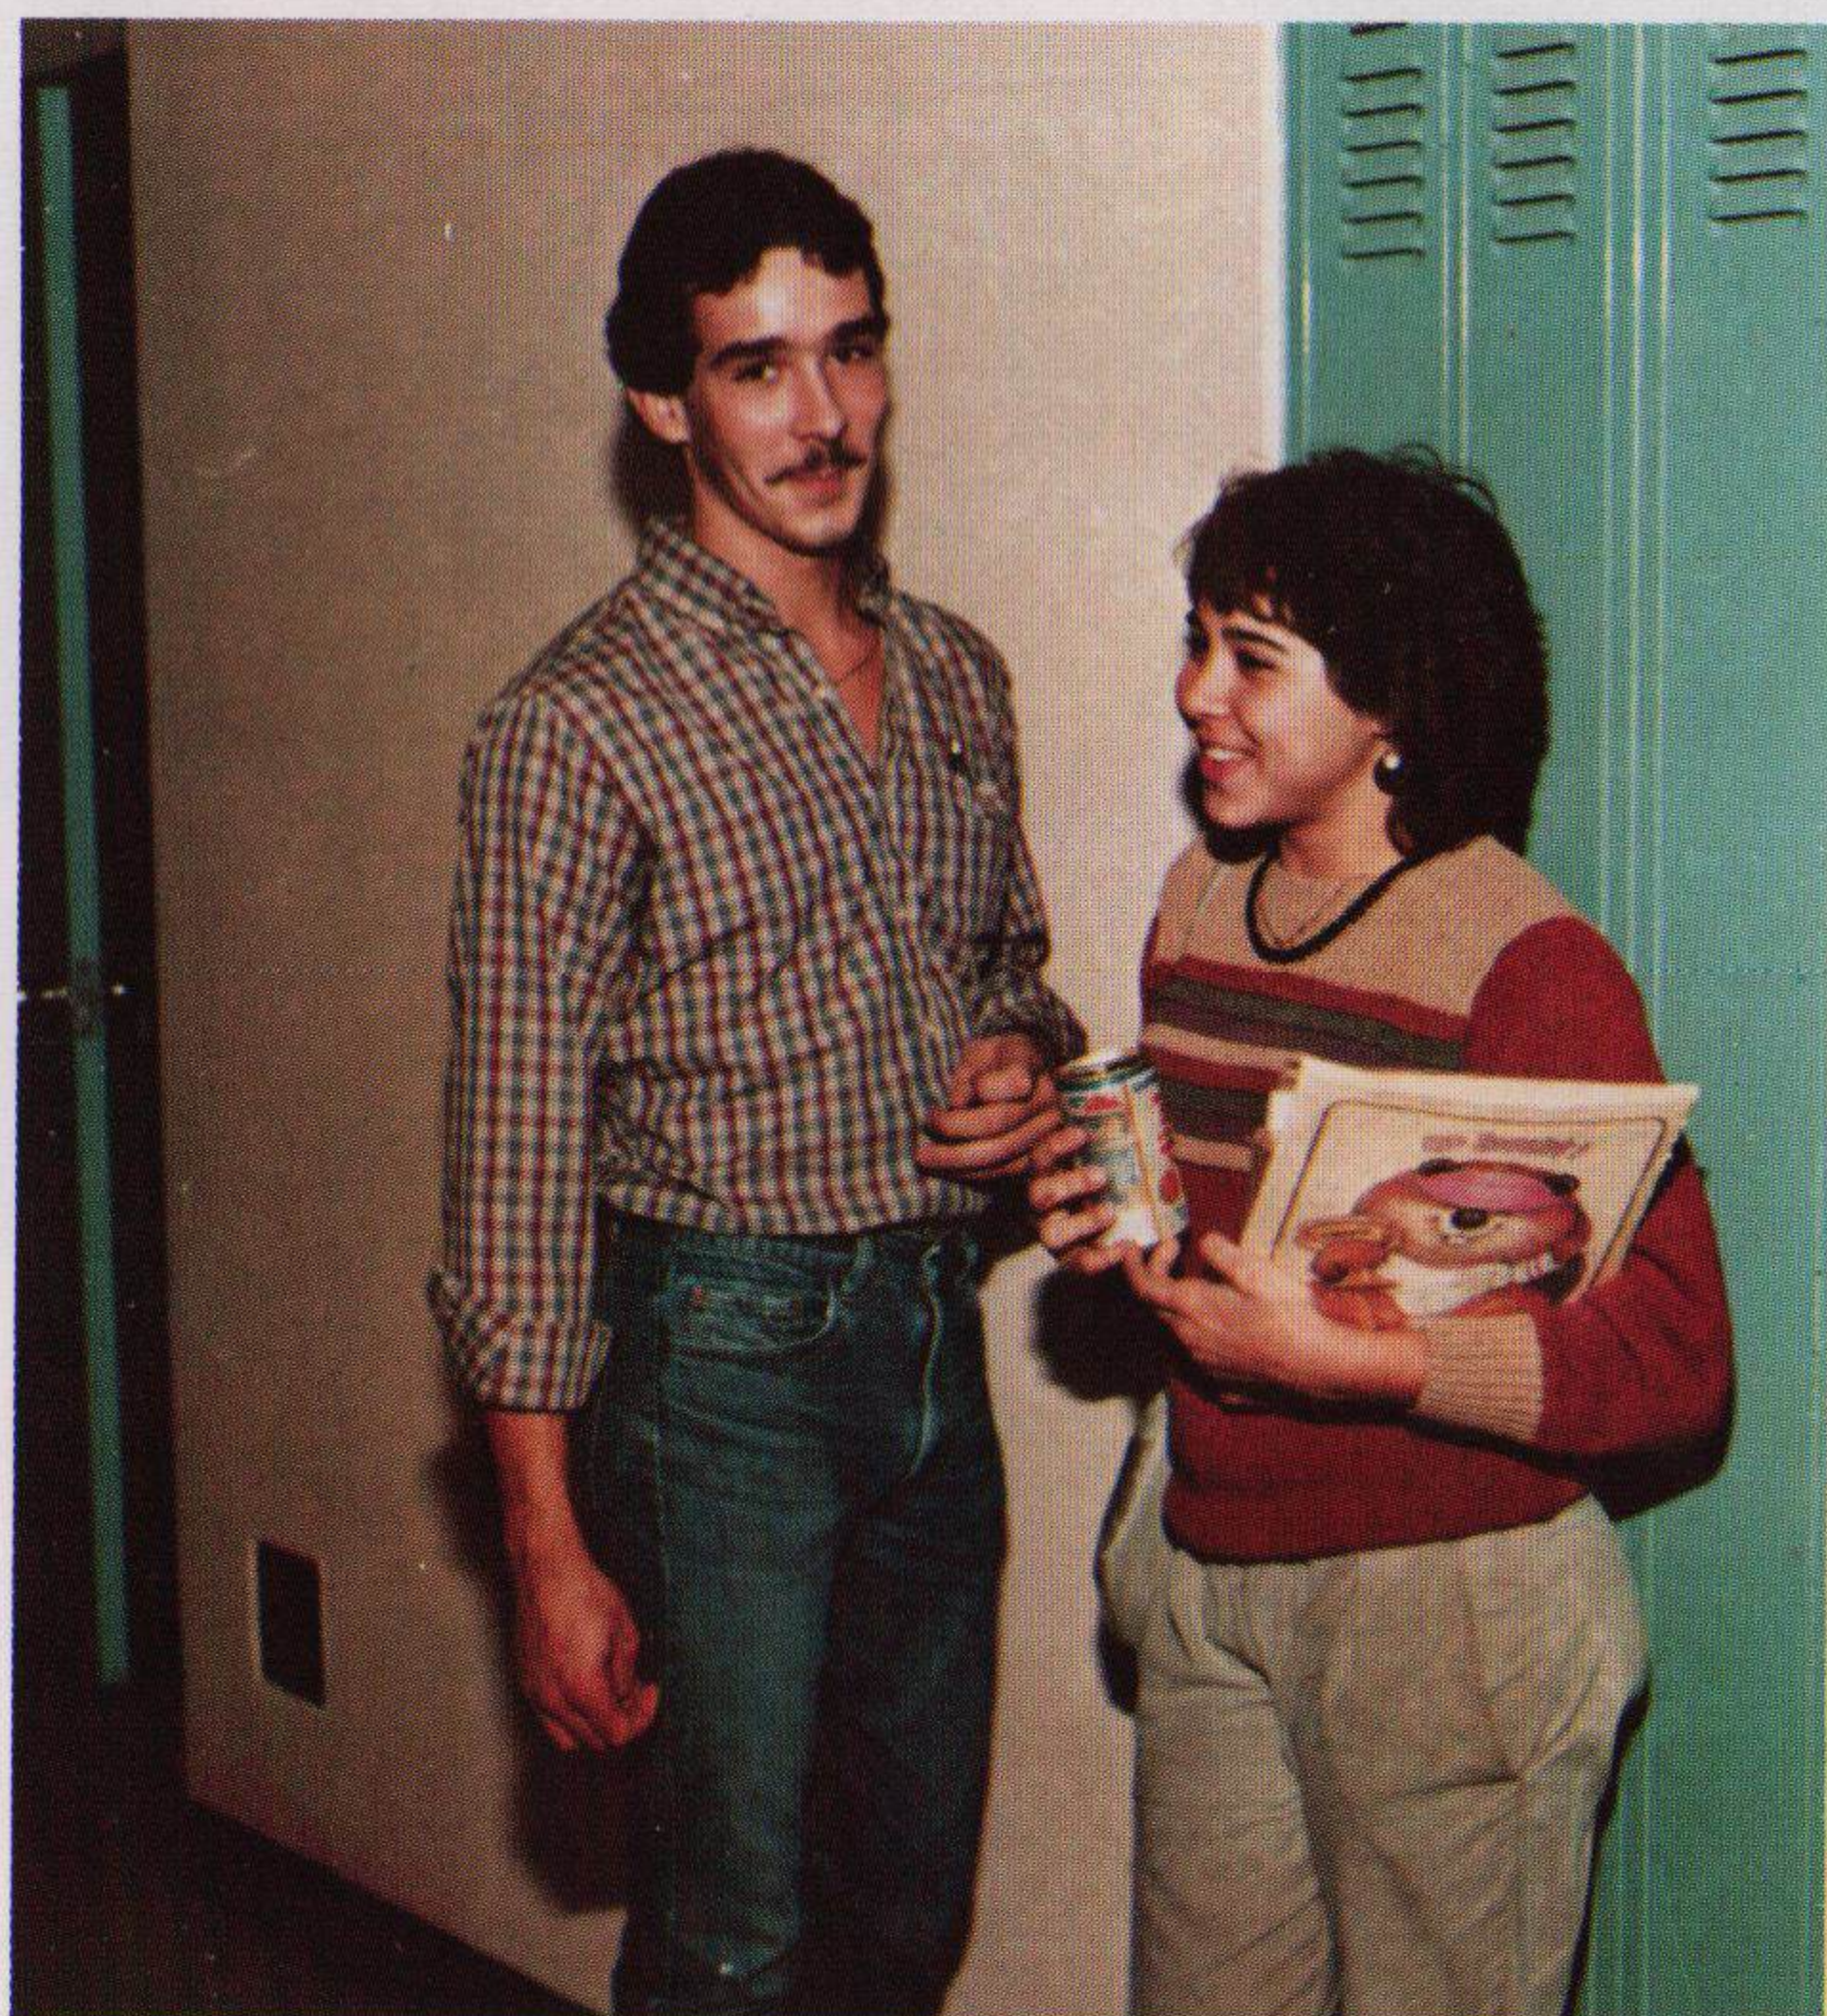

Friends are indeed a vital part in all our lives and we will not soon forget friendships made at CHS.

Sondra Fuchs & Manny Capriotti — the best of friends forever.

"Antman, Spock, Philba" — guys at the lunch table.

Doug Johnston & Cheri Kees — "We're inseparable!"

Loretta Manion, Michelle Sherwood, Sheryl Miller — the 3 D.E.N.O.T.S.

Paul McConaghy & Robbie Horak before practice — "What's up Holmes?"

These guys agree: Rush is #1 — John Puleo, John Turek, & Mike Polite.

"Let's hear it for the girls" — Erica Szabo, Amy Lokosky, Julie Scheel, Terri Thomas, & Lori Gump.

Seniors

After twelve years of struggles, learning and occasional boredom, the Class of '85 will be graduating. Throughout these years, our class has increased its potential for learning, expanded its talents, and developed strong individual personalities.

Reflecting back to our first day at Carlynton, we were seventh graders, scared and unsure of these new surroundings. Coming from different schools, we formed the Class of '85. During the six years at Carlynton we have accepted new environments and finally enjoyed one another's company. Memories of not only the friendships we have but also the faculty will never be forgotten. Among the members of the class, '85 is definitely the best.

Homecoming 1984 . . .

Our 1984-85 Homecoming Queen . . . Melissa Yustak.

A radiant pair . . . Missy Yustak & Eric Bilecky

The Stunning Semi-Finalists: Kathie Sitarik, Joady Blumer, Tracy Pratt, Lori Gump, Lorie O'Brien, Missy Haluszczak.

A Night to Remember

On October 12, 1984, teamed up against West Allegheny, our Cougars played a scoreless 1st half. The crowd was restless and anxious for the crowning of our homecoming queen. To begin our ceremony, Carol Raub (1983 Homecoming Queen) was recognized with her escort Joe Burgunder. Next, the six semi-finalists were announced: Joady Blumer, Lori Gump, Missy Haluszczak, Lorie O'Brien, Tracy Pratt, and Kathie Sitarik. With rising expectations, the crowd awaited the main event. The five finalists, escorts at their sides, strolled through the arch. Then the moment arrived . . .

"Fourth Runner-Up: Sondra Fuchs escorted by Brad Kueshner.

"Third Runner-Up: Andrea Ziolkowski escorted by Tim Ravenstahl.

"Second Runner-Up: Chrissy Clevenger escorted by Rich Kammermeier.

"With only two girls remaining the First Runner-Up is:

"Laura Scott escorted by Joe Gilpin."

Hands clapped and tears flowed as Missy Yustak was crowned Queen.

In both relief and disbelief, Missy hugged her escort, Eric Bilecky, and took her place on the top step. Congratulations are extended to all the finalists. This certainly was a night filled with moments to remember.

First Runner-Up with Escort: Laura Scott & Joe Gilpin.

Second Runner-Up with Escort: Chrissy Clevenger & Rich Kammermeier.

Third Runner-Up with Escort: Andrea Ziolkowski & Tim Ravenstahl.

Fourth Runner-Up with Escort: Sondra Fuchs & Brad Kueshner.

The 1984-85 Senior High Student Council has been a very successful organization, benefitting Carlynton and its student body. Keeping the entire Senior High happy is a tough job, but with planning and dedication, events turned out as planned. The following is just a minor list of the activities planned by the Student Council: Sadie Hawkins Dance, Boys' and Girls' Hush Day, Open House for the parents, the annual Student Council Covered Dish Dinner where teachers, administrators, and school board members gather and have a chance to talk in a relaxed atmosphere, Childrens Hospital Fund Raiser, Swim-a-Thon, and of course the annual blood drive. We are proud of these accomplishments, and feel this year was an exciting and memorable one.

A special thanks is extended to Mrs. Lusk, who helped out during the entire year.

Sr. Homeroom Reps: Mary Minahan, Lisa Damian, Mike Melia, Manny Capriotti, Chris Zubik

Seniors Select Superlatives

Most Attractive: *Mike Melia & Lorie O'Brien* seem to stand out in the halls here at Carlynton. Mike is regarded as the "best looking hunk" by the girls and Lorie is regarded as the "fairest of the class" by the guys. Well deserved Mike & Lorie.

Class Clowns: There seems to be no question that *Eric Schneider & Mary Minahan* fit this category. How could anyone forget Mary's quick wit & humor, or all of Eric's faces that make us laugh. Mary, keep those sarcastic remarks coming. Eric, will your hair ever be the same?

Most Likely to Succeed: When the names *Kathie Sitarik & Jim Patterson* are mentioned, their academic ability & their willingness to strive to succeed are noted. Jim plans to attend CMU, while Kathie plans to pursue a medical career.

Best Smiles: Have you ever noticed that *Larry Harkovich* smiles constantly? How could you resist the adorable smile of *Manny Capriotti* when you see her in the hall? Congratulations and may your tubes of Ultra-Brite never run dry.

Teacher's Pets: Have you ever had someone in your class who was always right? They never seem to do anything wrong & are appreciated by the teachers more than you? *Toni Sutton & Kevin Kunkel* are certainly molded with these characteristics. Way to go pets.

Most Friendly: The most congenial couple our class has to offer is *Sondra Fuchs & Joe Gilpin*. Their presence here at Carlynton makes our days a little bit brighter. Congratulations Joe & Sondra. May neither of you develop shy qualities.

Day Dreamers: *Rachel McCoy & Brad Kueshner* have been chosen as the Sr. Class Daydreamers. Attempting to have a conversation with them is a challenge. In defense, the chosen pair stated, "This doesn't mean we're inattentive, we just have other things to think about."

Most Athletic: Faster than a speeding 7th grader, able to leap over hurdles and books in a single bound, it's *Missy Yustak & Ed Egerton*, the "Most Athletic" pair Carlynton's Sr. Class has. Together they represent the true meaning of Cougar Pride.

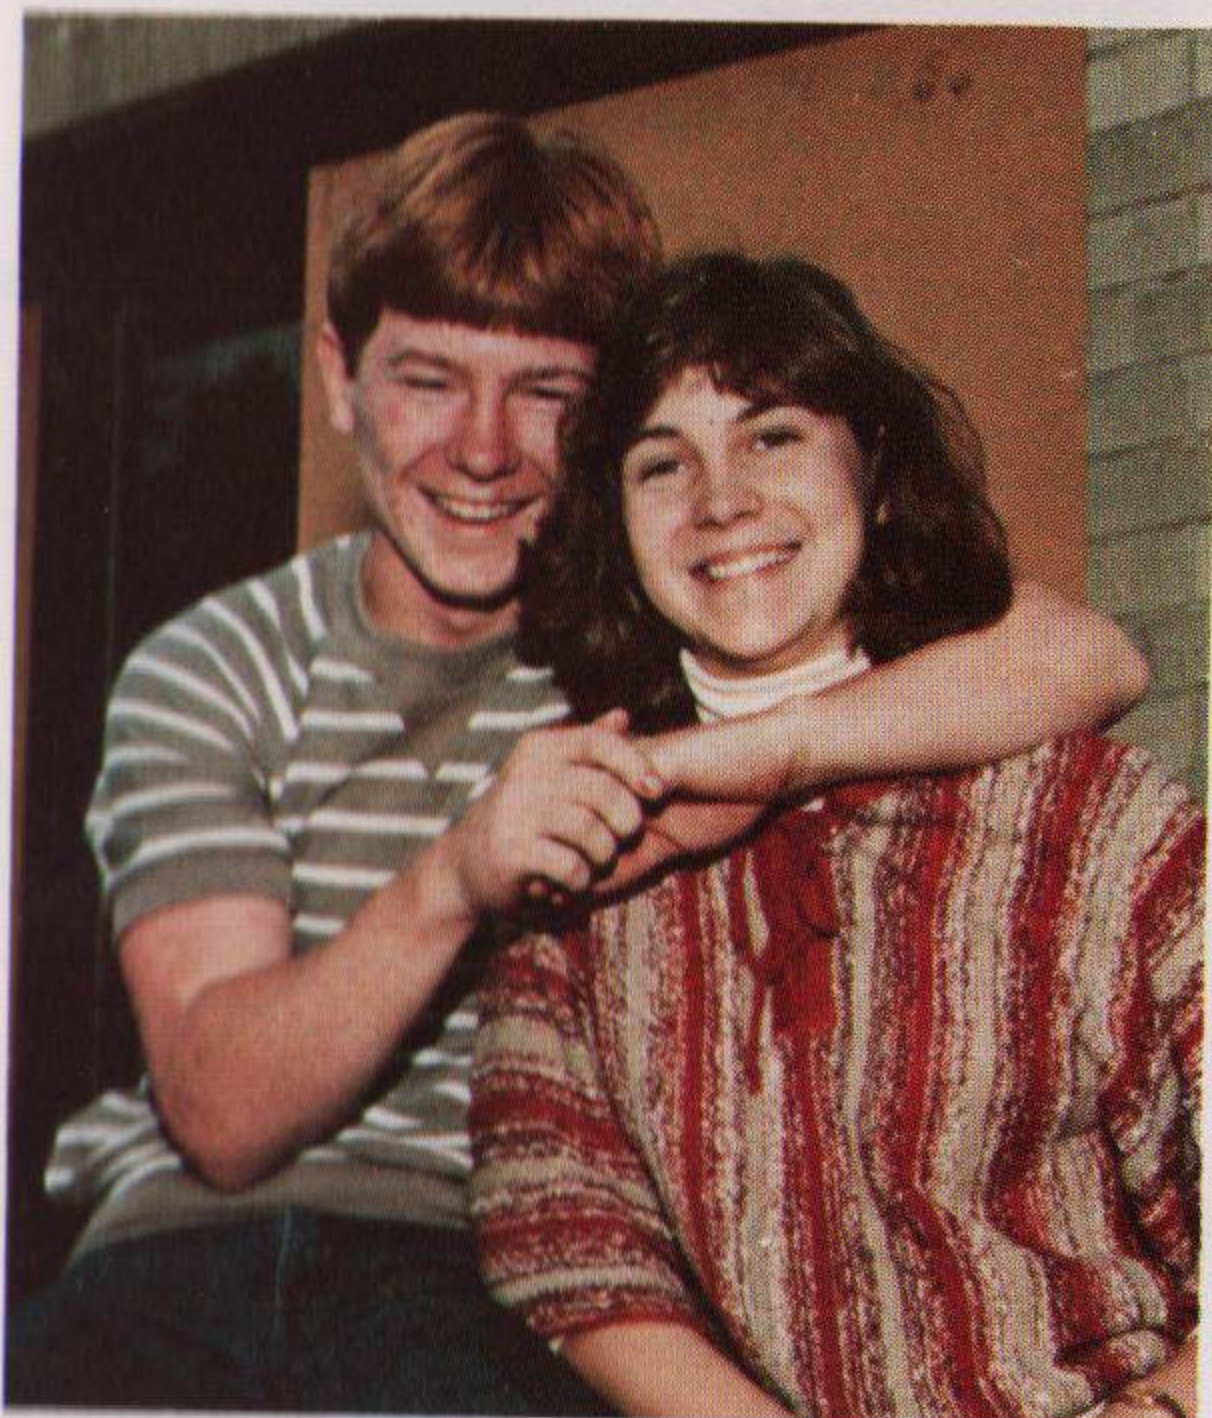

Best Figure & Physique: The assumption that *Andrea Ziolkowski & Ed Egerton* would win in this category proved true. Keeping in tune with the fitness craze sweeping America, these two "heavenly bodies" certainly do their exercises every day.

Most Talented: *Laurie Nosal's & Hugh Tywman's* talents weren't forgotten as the Sr. Class voted them the "Most Talented" of their class. Laurie's music & dancing skills along with Hugh's artistic ability will keep us entertained far beyond our school days.

Best Dressed: The style of both *Jimmy Patterson & Laura Scott* reflect their super personalities as well as their taste in clothes. Undoubtedly, Jim's "preppy" look suits him well & Laura's "classy" style proves to be the best in Carlynton.

Class Flirts: Alone? Hurt? Need a hug? Well, just take a look in the halls and you'll be sure to find *Andrea Ziolkowski & Joe Gilpin* there. Yes, these two are always handy when a friendly hug could make your day. Thanks for taking the time to care.

Seniors Cut Loose on Oct. 31st

For six years, the Class of '85 anxiously awaited its turn to dress up for Halloween. The time finally came on October 31st, when the seniors arrived at school decked out in the extra-ordinary. Many of the underclassmen agreed that this year's seniors had the widest array of costumes. Lurking in the classrooms and hallways were ghosts, vampires, witches and devils. There were even guest appearances made by Laverne & Shirley, Ernie & Bert, and Raggedy Ann & Andy. As for the masked avengers and mischeivious creatures, the words of Abraham Lincoln are left to you. "You can fool some of the people all of the time and all of the people some of the time . . ." but you can't fool the Senior Class who will always know & remember you.

"... grizzly ghouls from every tomb,
Are closing in to seal your doom.
And though you fight to stay alive,
Your body starts to shiver.
For no mortal can resist,
The evil of the thriller."

(Mrs.) Ricky Smith shows off his latest style of etiquette.

Sandy Dorman ought to be in pictures.

Adorned in black, Susan Crotsley, Julie Scheel & Holly Brown are a tempting trio.

Janet Holloman & Joe Gilpin: warm fuzzies.

Power vs. Beauty — Senior Pep Rally

Three Cheers for Our Seniors! On Friday, November 2, 1984, our Senior Pep rally was kicked off by our "muscular" Cougar football players. They initiated enthusiasm with their warm-up routine and a few cunning plays. Then the "Cougarettes", led by captains Ricky Smith and Joe Gilpin, performed a "flawless" routine! The crowd was truly in a rowdy spirit especially when captains Rich Kammermeier and

Todd Petrie led the "Varsity Cheerleaders" in a rousing victory cheer. Remember those "goofy gifts" given to the football players and Matt Greiner's skill in break dancing? Will anyone ever forget Hugh Twyman's and Eric Schneider's hysterical rendition of a majorette routine? What an exceptional way of leading into Senior Night!

"Here we come!" — Missy Haluszczak.

"1, 2, 3 . . . PRIDE!"

Voluptuous Twirling Beauties — Hugh & Eric.

"Follow me, I'm the leader." — Eddie Egerton.

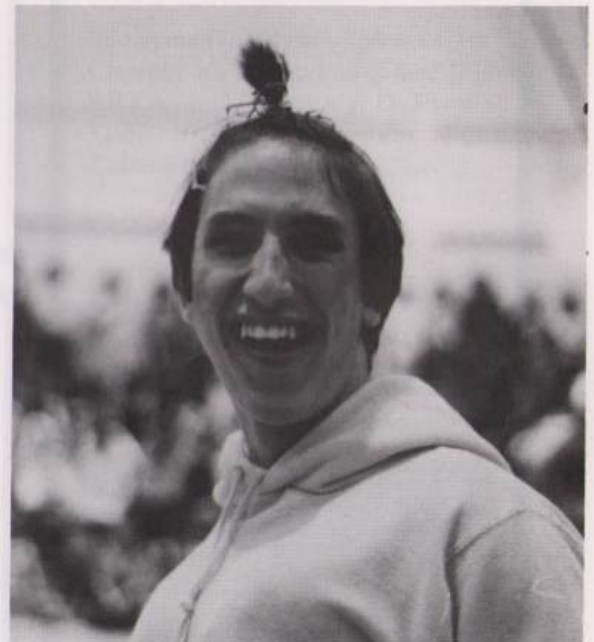

Getting ready to perform — "The Carlynton Cougarettes"

Chrissy Clevenger, "What are you looking at?"

"Go team go!" — Shannon Veedock & Joe Martin.

Jim Christ displays the new look in punk!

"Encore, encore!" — Missy Yustak & Mary Minahan.

A Night of Honors

The Senior Night proceedings took place at the Honus Wagner Field. All the summer camps, tedious drills and long hours became worthwhile on this night. Band, Cougarette, Majorette, Silk, Cheerleading and Football seniors were honored for their years of dedication to CHS in their activities. We held our heads higher than ever . . .

WE ACHIEVE, WE HAVE PRIDE, WE'RE THE CLASS OF 1985!

"Oh, tender years, won't you wash away my tears? How I wish you were near. Please don't go, tender years." Eddie and the Cruisers

In Memoriam

Kimberly Ann Kincaid

1965-1984

An excerpt from a poem to Carolyn from Kim:

Friends are more than words can say
Friends can help you along the way
Friends are people you learn to cherish
and have them trust you
Friends are people you'll need forever
If everyone had a friend like you,
they would be as proud as I am too.

In loving memory

Underclassmen

The *Sophomore Class* plays an important role in Carlynton High. Also known as the Junior Varsity (J.V.) in sports, they serve as a backbone to the future success of our varsity teams.

A majority of the sophomores are in the Academic Tract. Some typical schedules include Algebra II, Biology, English, American Cultures II, and a 2nd year of a foreign language. Foods, Typing and Child Development top the list of their favorite electives.

Most sophomores feel that in order to attain their career goals, a college or business school is necessary after C.H.S. They hope to develop helpful attitudes, ideas and values to face the future.

The *Class of '86* has many valued qualities. The one most valued is pride. Members of this class entered CHS as frightened, confused seventh-graders, but now they have grown into confident young adults. They established values which enabled them to grow close with respect for one another.

The class of '86 has also set high goals. Whether it be achieving various academic scores or becoming skilled athletes, the Juniors go for what they desire . . . and achieve it!

Overall, they hope to set precedents for underclassmen and be remembered as a class of leadership and pride!

Good Luck in all your endeavors, Juniors!

Reflections of ... Faculty & Administration

85

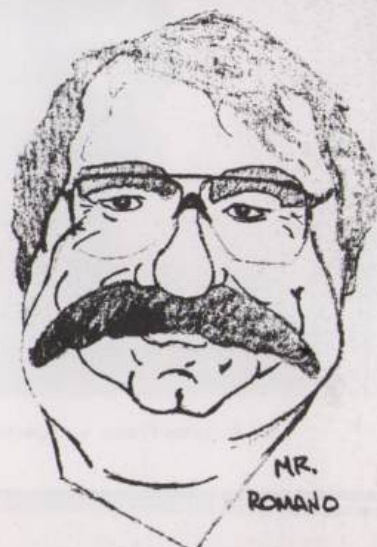

My warmest congratulations to you, the members of the Carlynton High School Graduating Class of 1985, for having successfully achieved this educational plateau in your lives. I am most proud of you and the way in which you have conducted yourselves as Seniors. You have shown moderation and good taste in all of your activities and you have set a fine example for the underclassmen.

I am certain that as students at Carlynton, you have been made aware of some of the "objectives" of education. Within these objectives you will often find such words as literate, articulate, informed, curious, able to see relationships. If you are prudent, you will continue to pursue and to seek the values inherent in these objectives. Read so that you may find the great value that is stored in the printed pages; be articulate so that you may clearly communicate your ideas to others; keep informed so that you will know the things you should know; always be curious so that you can learn more things, and by knowing, be able to select wisely. Learn to understand not only with your eyes and ears, but also with your heart and mind.

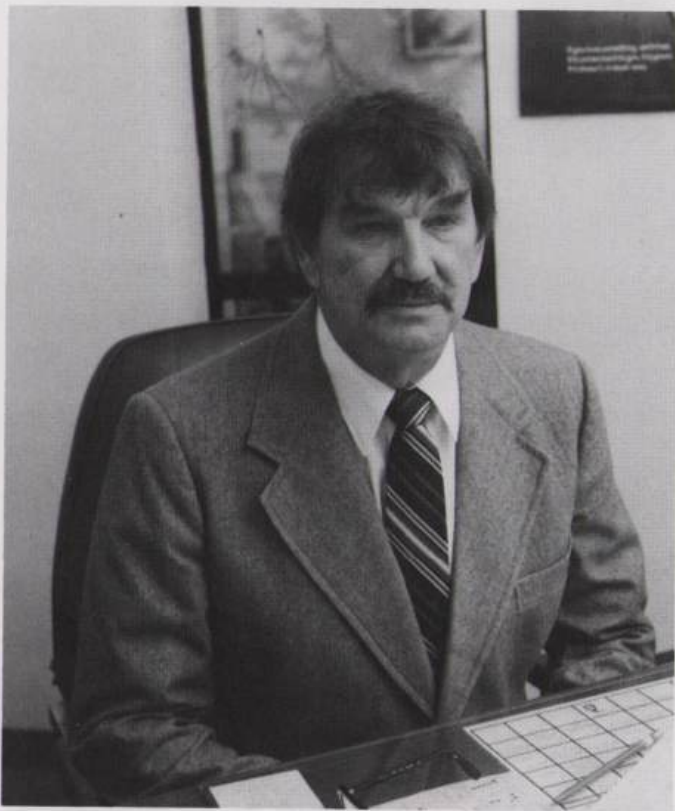

I hope that all of you will return to Carlynton High School in the years to come to renew old acquaintances and to share with us the happiness of the successes I know you will achieve.

Good Luck and God Bless You

Sports

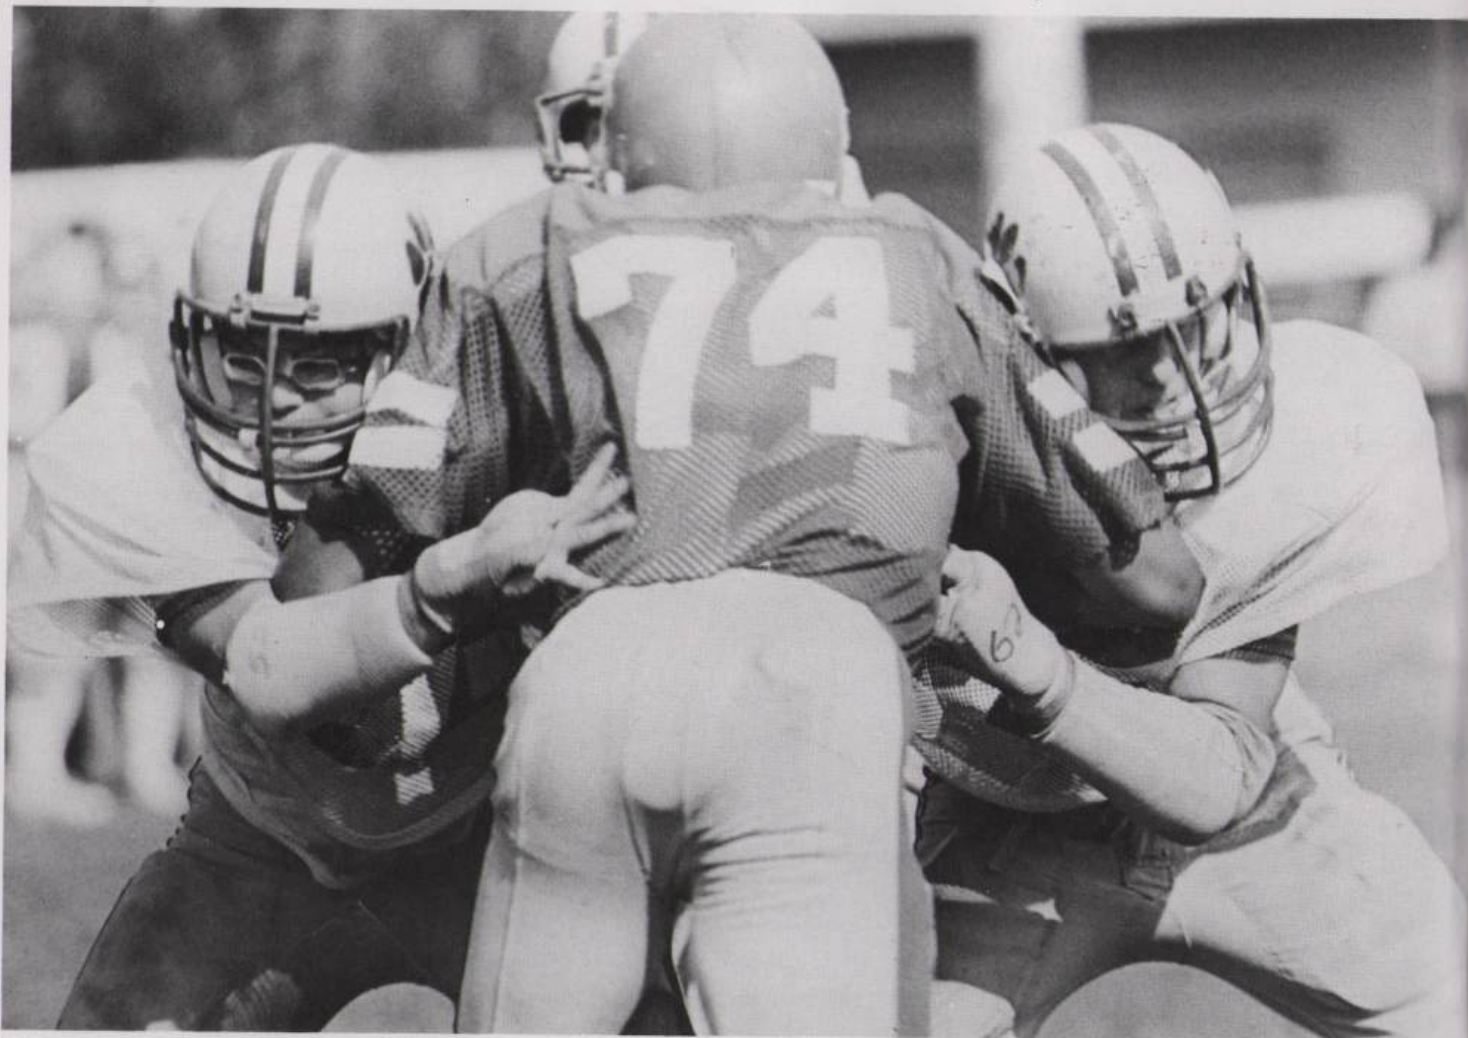

Carlynton High School feels proud to have Mr. Joseph Popivchak heading the Athletic Department. He has been a dedicated Athletic Director for three years, and has refined the Athletic Department. In addition to his duties as A.D., Mr. Popivchak teaches math for 7th, 9th and 10th grade. He graduated from California University of Pa., with degrees in Secondary Education and Mathematics. In college, he wrestled for the Vulcans, weighing in at 177 lbs. Apart from his athletic and educational duties, Mr. Popivchak coaches both Jr. High and Elementary Wrestling. Thanks Mr. Popivchak! Your efforts have established a vital department.

Mention athletics to any Carlynton Coach, and you're sure to hear the phrase "Cougar Pride". Basically, that's the philosophy behind sports at Carlynton. Striving to give 100% is one quality found within every team.

We're proud of the 1984-85 Girls Tennis Team! Their season record was 10 wins and 2 losses, placing them in second place in Section X. This qualified the team to participate in the W.P.I.A.L. Playoffs. The best record for singles was Anna Lee with a record of 11-1. Coming in second was Stacey Swenn with a record of 8-4. Missy Yustak and Sandy Dorman, who played 2nd doubles, had a record of 9-3. Sima Patel and Laura Ellsworth also played doubles and had a record of 8-2. There is no doubt this year's team was the best Girls' Tennis Team in the history of C.H.S. Congratulations girls!

Cougar Pride is Alive!

This years basketball team was very young and inexperienced due to a loss of 7 starting players from last year's season. Though this was a major setback, the team pulled together and played with intensity. Coach Sonson and Coach Fox were pleased with the hard work put into practice and the enthusiasm generated by the team. The coaches have high hopes for the Junior players who will "supply the nucleus for next years ball club."

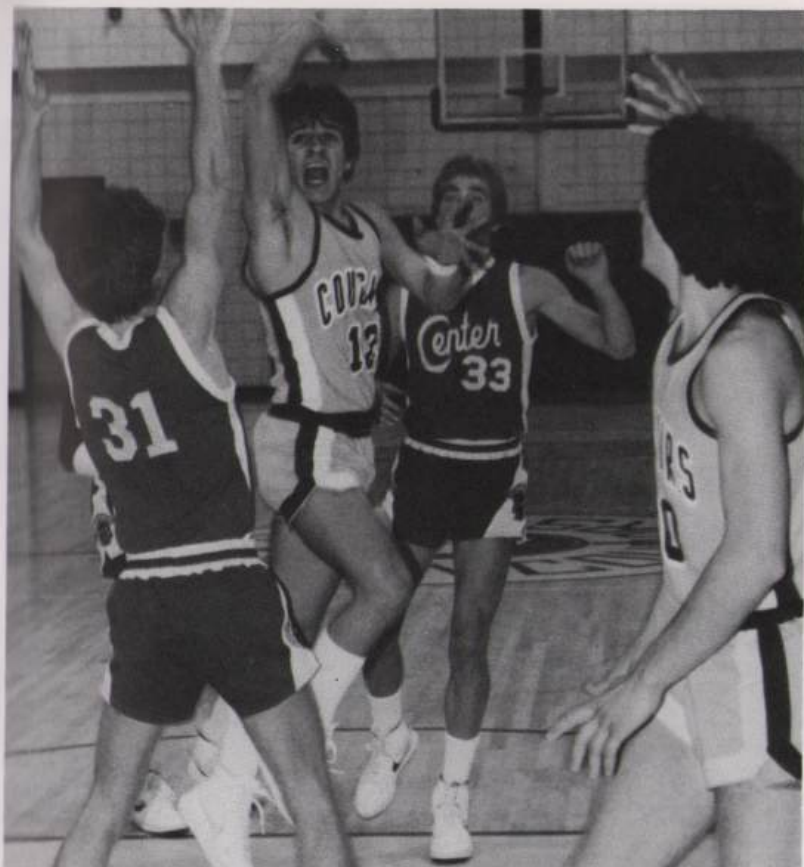

The top notch players include Seniors: Eddie Egerton, John Daniels, Eric Bilecky, Matt Stevans, and Dave Handerman. Juniors: Mike Galon, Jody Zajicek, Craig Dunn, Paul McKenna, Dan Torcia, and Joe Zaletsky. Also in action are Sophomores Phil Butler and Jimmy Bogden.

"A Typical Day at Practice" starts when the wrestlers run out onto the mats and warm-up with stretches and various drills. Following the warm-up they begin their practice with such things as "favorite take downs", "favorite moves off the bottom", and "Favorite pinning combinations". Rigorous practices demand continuous conditioning and live wrestling. After practice the boys know that they put in a days work! Other days are set aside for teaching. These practices are not as draining but the wrestlers learn new moves which they can use in their matches.

The coaches at Carlynton are not just coaches to the wrestlers. They're more like a combination of coach, teacher, and parent. They really care about the wrestlers. Along with teaching wrestling, they teach the team about self respect, confidence, discipline, and PRIDE!! The team is like a family. They help each other out and boost each other's confidence.

Cougar Pride!

Hey, hey, hey, let's hear it for the Cheerleaders! This year's squad, consisting of 12 girls, was big on promoting spirit for the Cougar teams. No matter where or who we played, the cheerleaders and mascots broke the spirits of the opposing teams. Keeping Cougar Pride and spirit alive was the goal for this year's squad. We will never forget all the memories we shared:

Reflections of ... Student Life

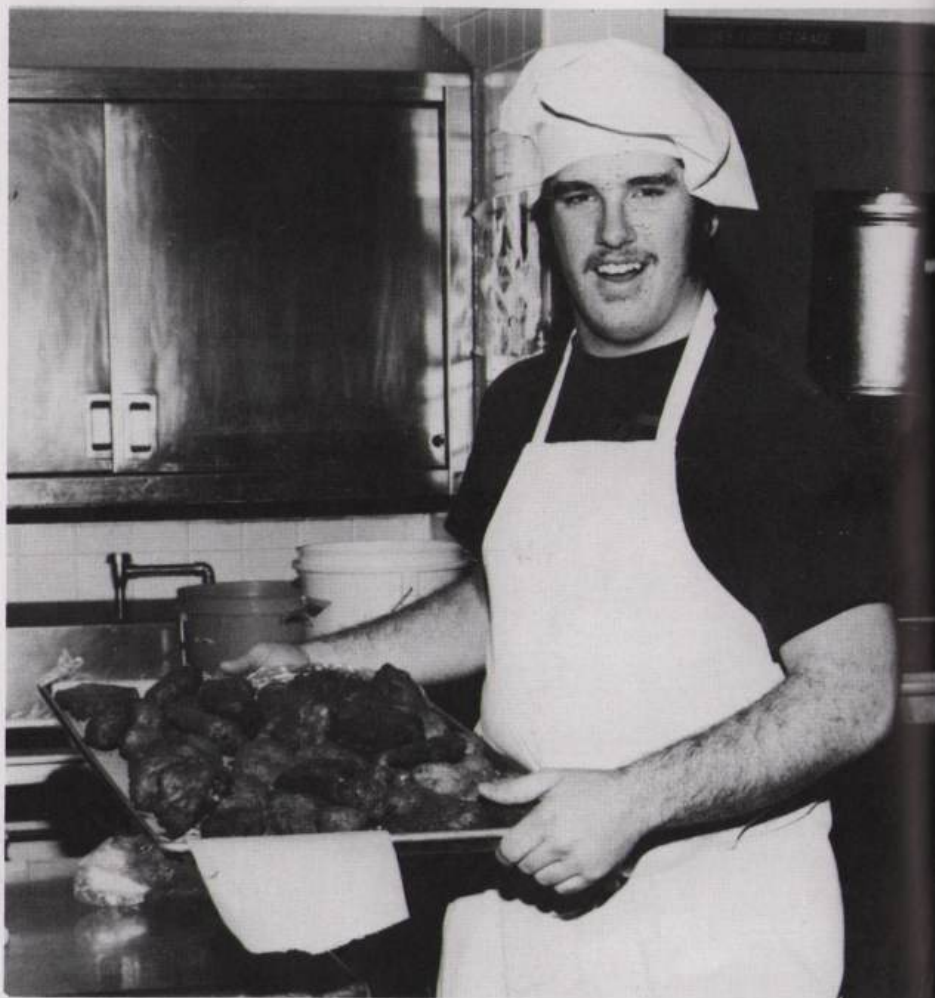

Going to classes, homework, clubs and other extra-curricular activities is important to our student life. For instance, the band practices many long hours to perfect their performances which can be seen throughout the year at Cougar games, concerts, festivals and parades. Clubs provide an outlet for students with varied interests, and create a sense of responsibility for members. Each year the clubs hold fund-raisers to provide equipment and activities during the year. These are but a few of the many activities which enhance Our Student Life.

The Child Development program is a semester course open to all Senior High students. Through discussing topics, using a text and actually conducting a nursery school, these students learn about the stages of a child's life and how a child thinks. The 1984 nursery school had an enrollment of 15 children. The students were required to prepare objective lesson plans and also provide fun for the children through song and dance. Special relationships formed between the students and the Children — which made it extremely hard to say good-bye. This year's Nursery School was a successful endeavor!

The Mock Wedding 1985

Kevin, you look a little nervous!

I wish they were mine!

Smile, Rich, it's your wedding day!

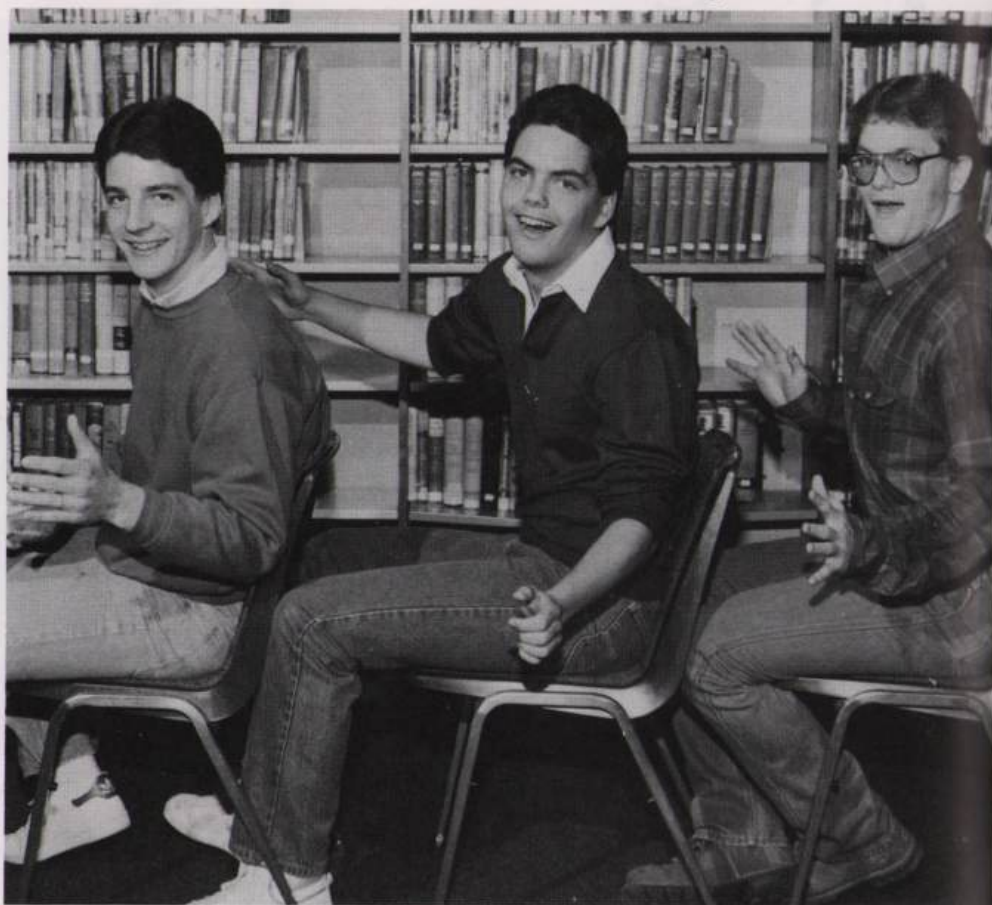

A double wedding was held on January 17, 1985, in Carlynton Cathedral. Diane Ziccardi was wed to Kevin Kunkel and Nancy Nowicki to Richard Crown. Priest Tim Ravenstal spoke of how a marriage is the uniting of "Two to Become One".

The mock wedding is the finale of the semester course Human Relations which is available to all Seniors. The course covers units on maturity, philosophy, and responsibility. When the nervous groom, Kevin Kunkel, was asked how he felt before the wedding he exclaimed, "I was terrified!" It's obvious the mock wedding is true-to-life experience . . . and a learning experience at that!

National Honor Society

The National Honor Society was founded in 1921 by the National Association of Secondary-School Principals to promote academic excellence. To become a member of the Society a student must have more than good grades. He must also have a strong showing in the qualities for which it stands: scholarship, leadership, citizenship, service and character. Students who exhibit these qualities throughout their schooling are invited to join the Society in the spring of their Junior year. Since its introduction, the National Honor Society has grown to over 6,000 local chapters nation-wide and its members are looked upon as the future leaders of the nation. Our National Honor Society has 14 active members. In December, the Society took part in WQED's volunteer pledge drive. The society also provided service to our community by helping out at Carnegie Library's book sale. Within our high school, Society members sacrificed their studyhalls in order to tutor students in need. They're truly a group of dedicated, honorable students.

Girls' Ensemble: Row 1: Amy Goodman, Rita Keil, Carol Dodd, Dawn Cray. Row 2: Julie McNally, Debbie Winsor, Stacy Baker, Beth Docherty. Row 3: Colleen Handerhan, Megan Finnerty, Laura Davis.

The Girls' Ensemble is a select group of talented girls who enjoy spending time outside of school to join together and sing. Mrs. Gunn directs this vocal group which performs throughout the year. This year the ensemble participated in the Christmas concert and at the Courthouse.

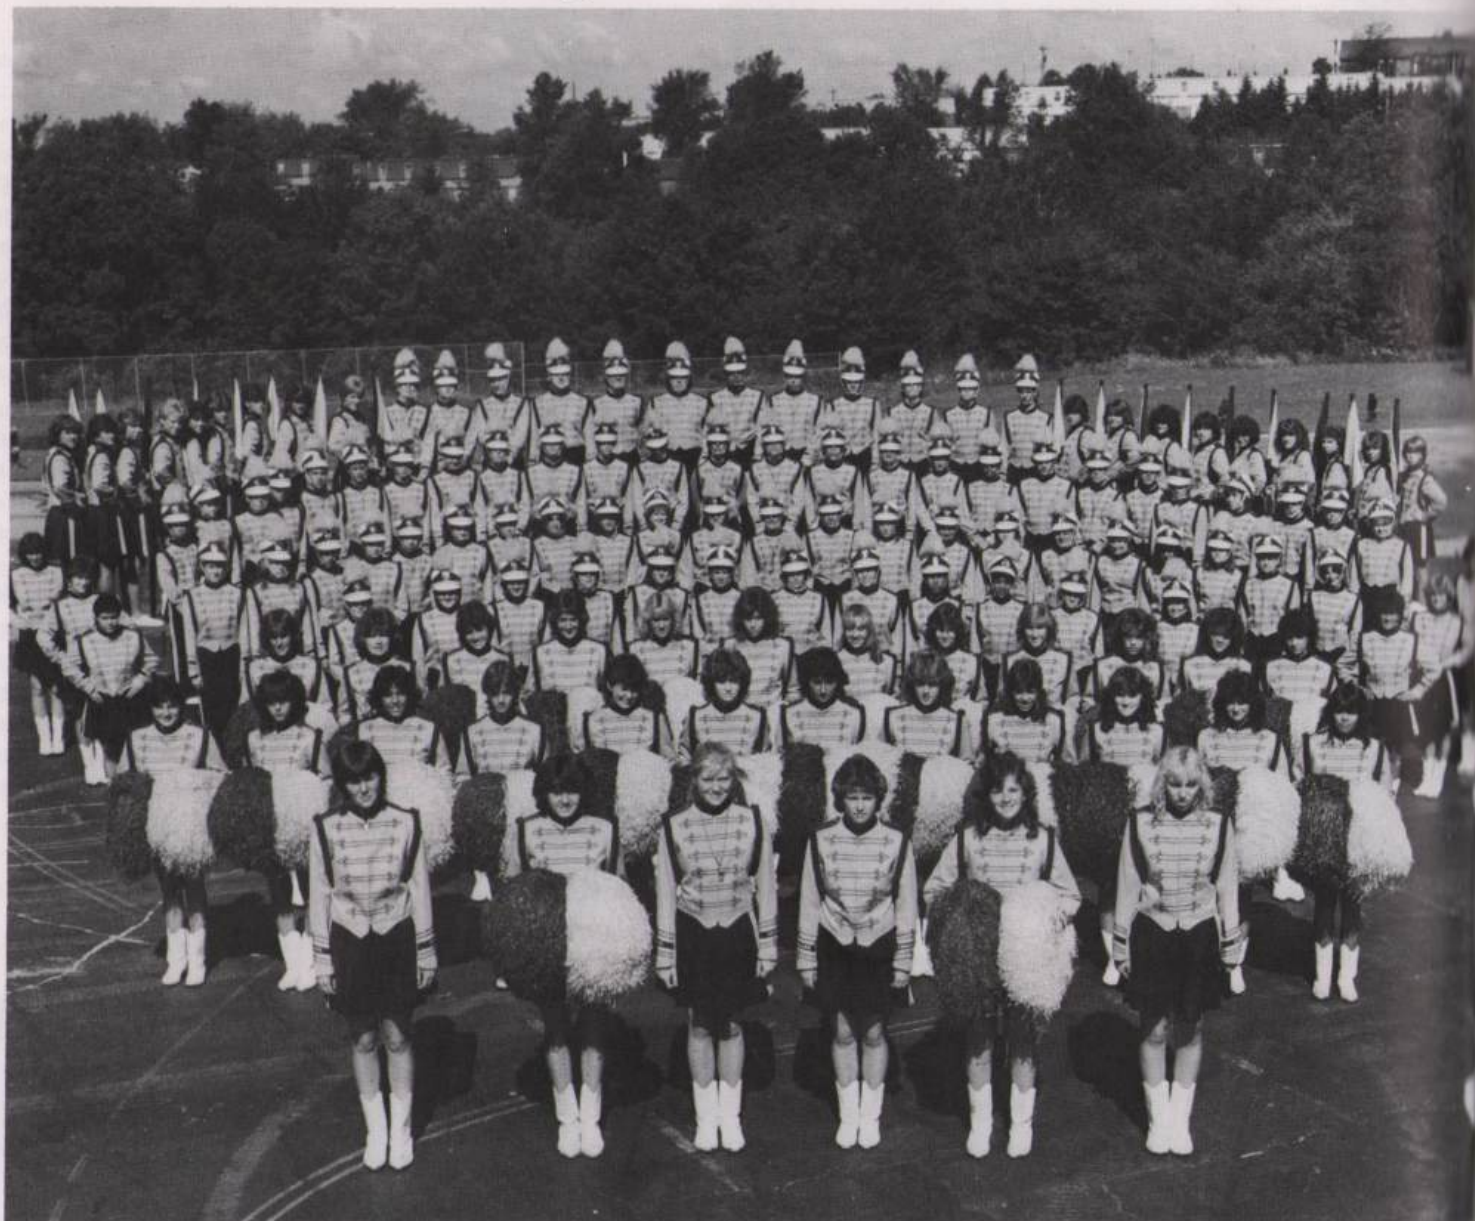

Under the direction of Mrs. Mary Gunn, the Senior High Chorus began as a small group, but grew rapidly. After the election of officers in the fall; President — Julia Scheel, Vice President — Chapin Cimino, Secretary — Julia McNally, the chorus began preparing for their Christmas Concert "Where is the Star". Also, the chorus group performed at the Courthouse in downtown Pittsburgh. The chorus had a fun year and once again presented a Spring Concert!

NATIONAL ASSOCIATION OF UNIFORM MANUFACTURERS & DISTRIBUTORS
December 21, 1984

Mr. Gary Gunn
Carlynton High School
425 King's Highway
Corryville, Pennsylvania 17326

Dear Mr. Gunn:

Congratulations! We are most pleased to inform you that Carlynton High School Band has been selected the Northwest Region winner of the 1984/85 BEST DRESSED BAND SMALL ENSEMBLE, sponsored by the National Association of Uniform Manufacturers and Distributors.

This year we were honored to have John Phillip House, III as a member of the panel of judges, as well as Robert Taylor, Executive Director, Clothing Manufacturers Association, and Pat Johnson, Jr., Manager, New York Customs and Customs Tailors Division of the Department of Clothing and Textile Marketing Administration. They reviewed entries from across the country selecting one regional winner from each of the five geographic regions, one Grand National winner, and eleven Outstanding Achievement Award recipients.

Enclosed is a press release which was released at the North American Band Directors' Association Convention on November 12, 1984, and sent to radio publications and nationally oriented news media. As of the time this we will be releasing a more comprehensive story on your winning band's uniforms to your local newspaper, radio and television stations. To do this, though, we require your cooperation. Would you kindly send us, at your earliest convenience, details on the band's uniforms (i.e., style, color combination, accessories and anything else you think is important).

Additionally, you may be happy to learn that the winning uniforms of the 1984/85 BEST DRESSED BAND SMALL ENSEMBLE will be shown in a fashion show that will be held during the opening session of NAUMD's 25th Annual Convention on February 17, 1985 in San Diego, California. We are hoping that this segment of the fashion show will stimulate further national publicity for your school's band.

We will be contacting you concerning arrangements for the presentation of your award. Once again, congratulations. Thank you for participating in this competition, and for all your efforts in presenting such an outstanding winning band.

Happy New Year.

Sincerely,

Blanca Kettis

"C.H.S. Cougars! Hey we're #1!" The Carlynton Cougar Marching Band underwent many new changes this year. For instance, the annual Band Camp was held at the High School this year and each squad had a separate instructor. The most important change of all was the purchase of brand new uniforms.

Band members work extremely hard in August and after school to prepare for their shows. What a group of entertainers! The band is a catalyst of enthusiasm at pep rallies and football games, and also performs in many festivals and parades. The Cougar Band performed in an area field competition in Connelville, took second in the Clarion Fall Leaf Parade and placed with a perfect score at the Bloomfield Parade.

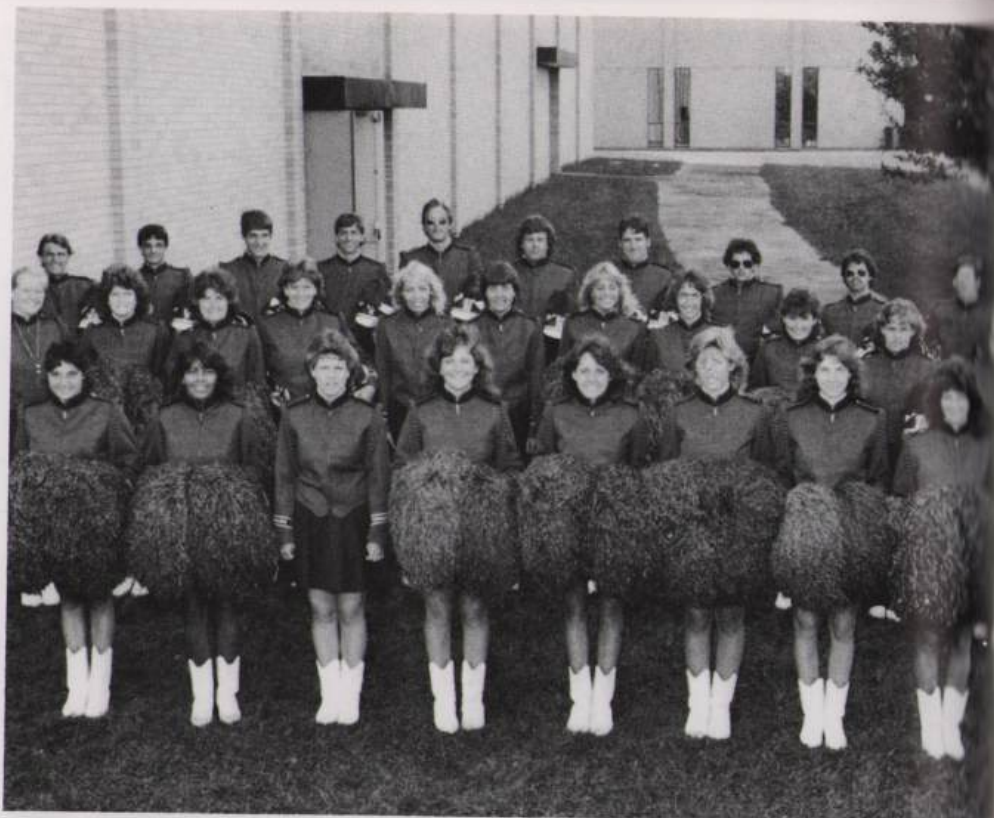

Happy Tenth, Mr. Gunn!

Congratulations Valen & The Class of '85

The Majorettes at C.H.S. instructed by Debbie Parker, had a great year! It was not just that first game, but every football game we felt those pre-performance butterflies and chills.

Hearing the audience's applause made us feel exceptional. This year has ended . . . our uniforms are put away . . . our boots and batons are in the closets . . . but we will always remember the fun!

Hey Muchachos! Mexico Trip May, 1984

Adios Pittsburgh! Excitement filled the air as the Cougar Band departed from the Greater Pittsburgh Airport. After our long plane trip, we arrived in Mexico City and were greeted by our Mexican guides. We experienced many new customs characteristic of the Mexican culture. Did you know it isn't respectable to wear shorts in Mexico City? One of our greatest experiences was our ascent to the top of the Temple of the Sun God. Who could forget our adventures at the Market? "Fifty pesos! Cheap, cheap!" The greatest honor of all was our performance at the Colegio School. The Mexican children stormed us for autographs and if we were movie stars! The C.H.S. Band was honored first place in the Performing Art's Abroad International Competition. In Mexico, we established new friendships, appreciated a new culture and carried our Pride back to the red, white and blue U.S.A.!

"Anticipation!"

Having a ball in Mexico City! — Lynn Ostaffe, Shannon Schuster, Leslie Moore & Beth Demar.

Sondra shares with a new friend.

Jammin' for our hosts.

A great performance!

SADIE HAWKINS DANCE

The Guy's Night Out

It's a hootin', hollerin hoe down! Sponsored by the Student Council, the Sadie Hawkins Dance was a huge success. Over fifty couples attended the dance to behold our cafeteria filled with pumpkins, hay, streamers and balloons. The Pittsburgh Mobile Disc Jockey supplied the music. Vic Polk took pictures of the couples and there was even a hitching post for those who wanted to wed! Special thanks are extended to Mrs. Lusk for all her help and dedication.

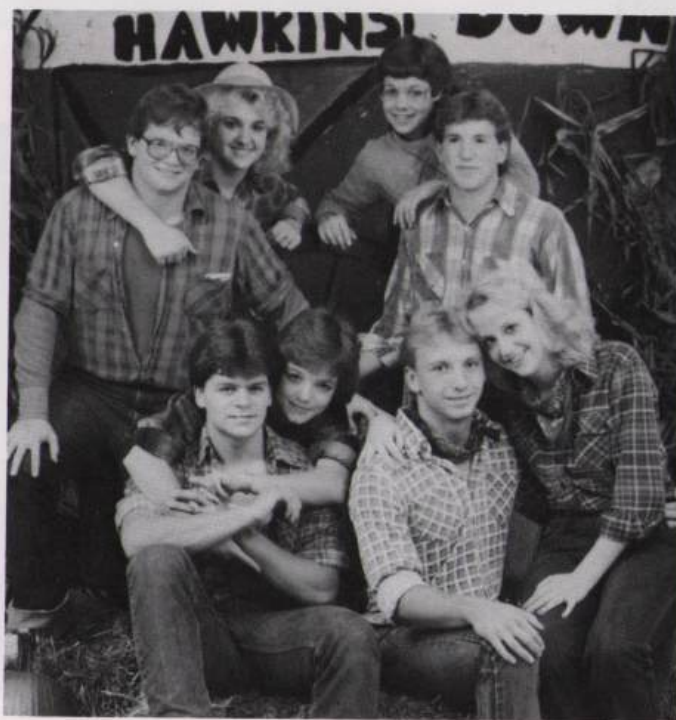

Beth & John get down!

A happy clan!

Mrs. Lusk and The Committee.

A fun-lovin' group!

Christmas Dance '84

A charming couple — Jim Patterson and Kim Yarnot.

Chaperones — Mr. Torcasi & Mrs. Apple.

Kathie and Dawn with WKUL.

Andrea touches her dream come true — "PRINCE!"

Watching "Prince" dance.

Snowflakes, streamers, mistletoe, a beautiful Christmas tree and wonderful people made the 1984 Christmas Dance a success. The Senior Class Executive Board sponsored and organized the dance. WKUL supplied the music plus a few other surprises. A highlight of the evening occurred when "Prince" appeared and sang for everyone. Thanks are extended to those who attended and especially Mr. Torcasi.

A past reflection . . . "Tonight"

Our Junior prom was well planned and anxiously awaited. The elegantly dressed couples arrived at the Greentree Marriot on May 23, 1984. Our theme was "Tonight We Celebrate Our Love." This celebrated love was not only love between the couples who attended; friends celebrated their love together, also. We dined on a delicious meal of fillet mignon followed by an evening of dancing, and more dancing. Special thanks are extended to Mr. Povlick and the other chaperones for making our celebration so memorable!

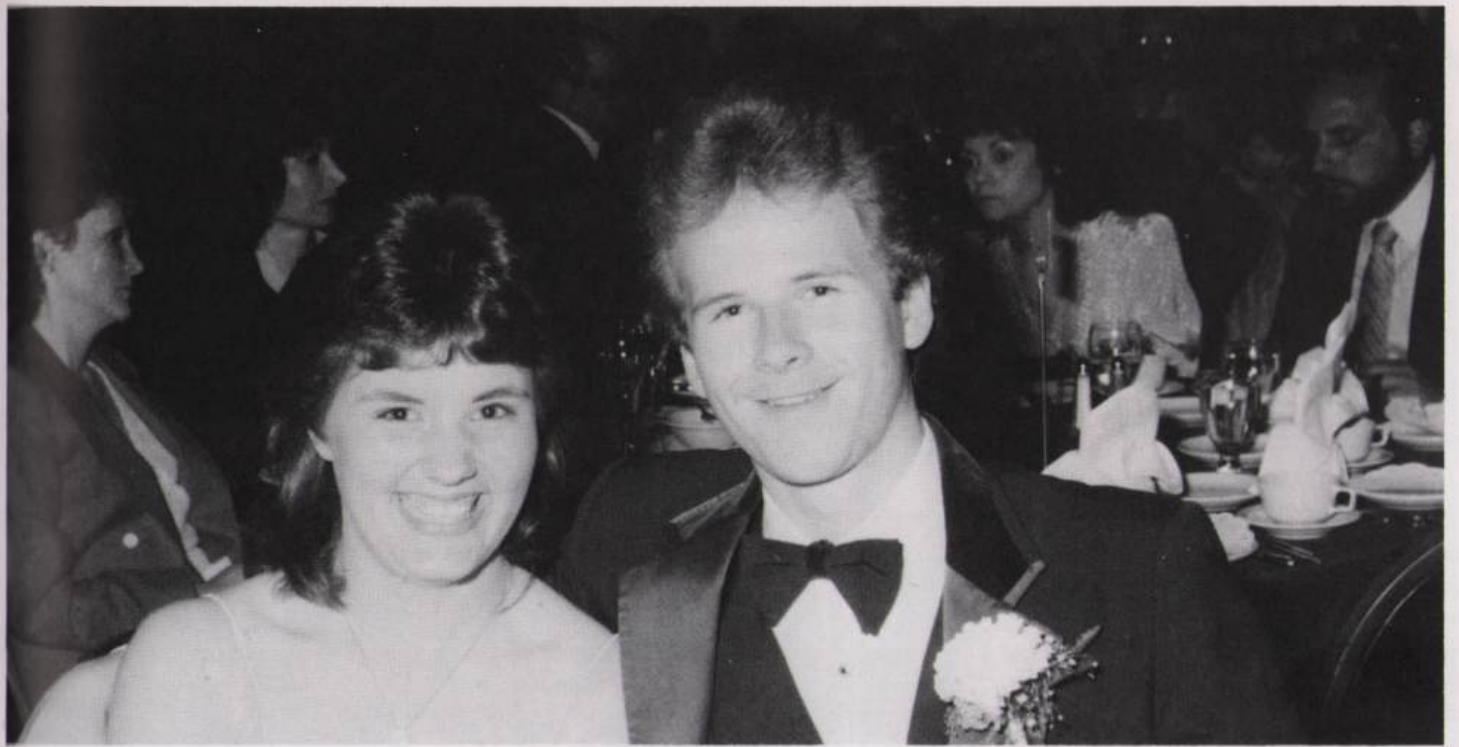

Sitting Pretty — Jody Zajicek, Missy Yustak, Chris Zubik, & Dale Kinest.

"Where are you?" — Kim Yarnot

They're in love — Matt Greiner & Maureen Nelson.

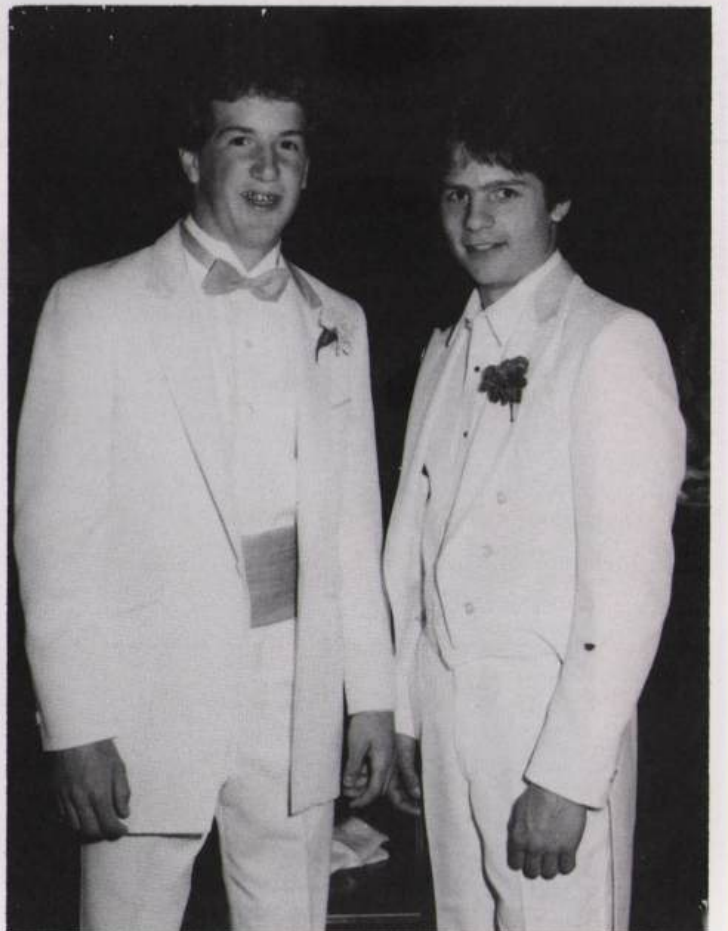

Robin and Mark at their best!

"Loving Couples"

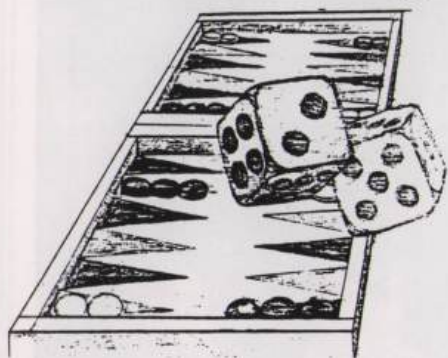

Tons of fun for everyone!

Smashing duo — Brad Kueshner & Rich Kammermeier.

All the Right Moves . . .

The 1984-85 Backgammon Club, sponsored by Mrs. Pitzer, set out to have fun while, at the same time, learned the rules and strategies of the game. During each club session, the members competed against each other. A "round robin" tournament was scheduled so that a "champion-backgammoner" determined. Members of the club chose to join mainly for the sheer enjoyment of playing the game, and they enjoyed every club day to the fullest!

Row 1: Lisa Damian, Margaret Counihan. Row 2: Mrs. Pitzer, John Gibbons, Patty Laepple, Roberta Crew

"I won!" — Seniors Lisa Darvan and Margaret Counihan.

The Stock Market Club, sponsored by Mr. Cappozoli, attempts to further educate students about the functions and operations of the stock market. The club is centered around the Stock Market Game, which is sponsored by the University of Pittsburgh and the Pittsburgh Post-Gazette. Individuals, or a group of individuals, form a team. This year the club had six teams. Each team is fictitiously given \$100,000 with which they may "purchase" stock. Forms completed by students were turned in to Mr. Cappozoli, and sent to Pitt where they were fed into a computer. The results were compared to those of other schools. The duration of the game was ten weeks, twice a year; once in the fall and again in the spring. The winner is the team which best invests funds, manages to turn a profit, break even, or as in the case for Carlynton's winner — Fred Weisser, not lose as much as the other teams do. The club officers include: President — Steve Brown, Vice President — Scott Fielder, Secretary — Kelly Lawton and Treasurer — Bill Campbell.

Even though the Drama Club got a late start this past year, the club was active under the direction of Mr. Torcasi. On December 17th, the officers were chosen: President — Megan Finnerty, Vice President — Tina Walsh, Secretary — Amy Lokosky, and Treasurer — Jackie Geinzer. The main objective of the Drama Club is to increase the theatrical knowledge of the club members and to allow participation in a stage production. The Drama Club brings out the "ham" in all who participate. Break-a-leg, future actors!

The FBLA is a national student organization for secondary students enrolled in business education programs. The F.B.L.A. helps students prepare for entry in a business occupation. The club, sponsored by Mrs. Apple and Miss Battistone, looked forward to a successful year. This year's officers were: President — Sheryl Miller, Vice President — Linette Wilkeson, Secretary — Chris Bowman, Treasurer — Pam Bushmire.

The F.B.L.A. raised funds by selling candles, fuzzies and candy cane messages. The club also planned fund raisers such as bake sales and selling valentine messages. Club members were challenged at a regional competition at Robert Morris in March where they competed honorably in various competitive events.

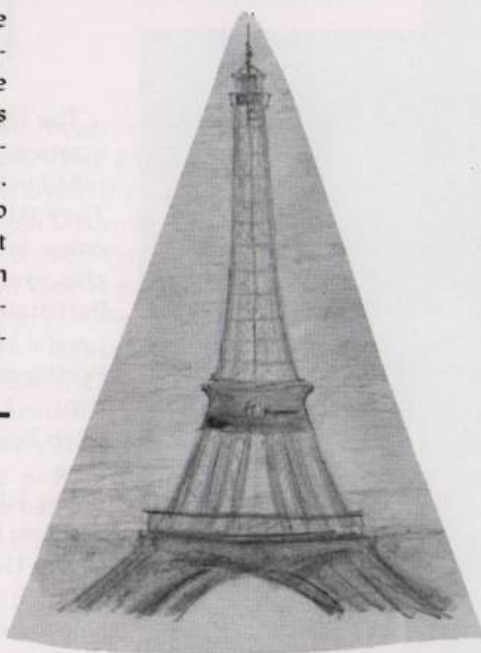

OH LA LA!

French Club

Bonjour, mes amies! The energetic French club had a busy year. At the first club meeting, the following officers were chosen; Sondra Fuchs — President, Lori Gump — Vice President, Missy Haluszczak — Secretary, and Laura Ellsworth — Treasurer. In October, the club enjoyed a traditional continental breakfast of croissants and French bread. To celebrate the Christmas season, members, dressed as Santa's elves, wrapped gifts and traditional French santons, sang carols (en français, of course!) at the elementary schools. The club also prepared homemade pastries for the "Patisserie" which was in honor of National Foreign Language Week. The French Club aims to educate students about French culture and, in the meantime, to promote good times. Au revoir!

French Students Venture to Europe

Valen Sunny at the Grand Colosseum.

The fifteen days we spent in Europe were truly exciting and challenging. A half-world away, we experienced London on a doubledecker bus, Paris on top of the Eiffel Tower, Lucerne on Easter Sunday and Florence and Rome through their Italian festivities. With each new city, we learned about different ways of life and the centuries of history behind those fabulous places. Memories remain of those glorious days . . . imprinted forever in our hearts.

The 1984-85 German Club, sponsored by Miss Spitznagle, was better than ever due to the enthusiasm in the group. President Laura Santmyer, Vice President Amy Kozy, Secretary Sandra Pysh and Treasurer Drew Carothers, were productive leaders. This past Christmas, the German Club gave a musical presentation at both the Crafton and Carnegie Elementary Schools. Also, they kept busy making arrangements for visiting German students who arrived during Easter. The club raised funds by holding bake sales and candy sales. It's almost tradition that the club visit the local German restaurants; "Otto's" and "Little Barvaria".

The 1984-85 Photo Club was sponsored by Mr. Berceli. The Students in this club learned how to use photographic equipment and, at the club meetings, students brought in pictures which were already taken and learned the steps of dark room processes. The photo executives were: President — Sean Steding, Vice President — Kathy Harshaw, and Secretary — Tina Santilli. The Photo Club bought a 700 Minolta camera with a wide angle flash! Selling 'coupon power' books, their main source of fund raising, helped the club buy all sorts of camera equipment. Mr. Berceli arranged mini field trips for a select number of students. These trips included a visit to local studios. In the spring, Mr. Berceli took the club outside for a shooting session of the surrounding scenery.

"Rotate" — Power Volleyball Club

The Power Volleyball Club under the supervision of Miss Ripple, provided a fun and enjoyable club period for both girls and boys. The club is divided into four teams and the two winners then play each other to see who's the best. All in all — the club is very popular and there is only one reason for its existence — to have a good time and participate in some healthy competition.

Once again the Spanish Club, sponsored by Mr. Romano, has brought together many new and old faces. On December 17, 1984, the club celebrated Christmas with a pinata filled with candy, gum and lolipops. Members were blindfolded and determined to break the pinata open. After only two attempts, it was broken and candy was scattered everywhere! This year the club decided to sell Lifesaver Lolipops and sponsored a few bake sales. The money the club cleared was invested in a luncheon at Tequila Junction, located in Station Square. The club has been to this Mexican restaurant many times in the past and has always been pleased. The Spanish Club is definitely a festive group! Ole!

Poetry, "Tip of the Tail", and the Golden Paw are but a few areas of interest in *The Cougar Times* newspaper. Under the editorship of Valerie Pockets and her assistant editor, Lara Santmeyer, the newspaper provides students with a chance to voice their opinions as well as receive information about school events. The energetic staff met twice a month and worked together to produce an informative and fun paper which was enjoyed by many. The staff would like to welcome more participation by the student body in the years to come in order to make *The Cougar Times* even more popular.

COUGAR TIMES

DECEMBER CARLYNTON Jr / Sr HIGH Issue #3 10c

CLASS OF 2077?

by Lela Lescalette

On November 27th, Carlynton High School students who take child development began their six week pre-school observation course. The class is taught by Mrs. Smith for those in 10th, 11th, or 12th grade who wishes to take the course. The class invited 15 children who range in ages from 2 to 4. For four days a week the students care for these pre-schoolers and help them learn about themselves.

Each week, two students plan activities, including painting, singing, and sometimes preparing their own snacks, such as making peanut butter crackers.

A few comments from the students are: "They're brats!", "They are so cute," and "Sometimes I think they are deaf." But overall the students enjoy the excitement of these wild little people.

And a reminder to all: These children are future leaders of our country.

CARLYNTON KILLER

by Scott Fielder

Have you ever been so sad at Ms. Scheide that you wanted to hire a paintbrush to rough her head? Did you ever just want to rip Mr. Romano's heart out? Or just plain attack Mrs. Noraco? Well now you can, ... may have done so already, courtesy of Teyman Productions. Recently, Hugh Teyman, voted most talented by the senior class, has begun production on a film, which he titles, "The Creatures from Carlynton". The plot: One day, unknown to students and staff, toxic waste somehow gets into the cafeteria lunch. Although this makes the food much tastier, it turns the students into zombies. The zombies, consequently, have a craving for human flesh and the only normal humans left in the school are the teachers, Matt Greiner, and Heathy Pendergast.

Producer / director / writer / cameraman / editor, Teyman says that he's working on a loose schedule, and probably won't finish production until the next semester. Hugh was reluctant to reveal up-coming scenes, but did say that he hopes to do something with Mr. Pavitt and the yearbook staff. Most recent victims were Mr. Suberwicz and Mr. Balistonne.

The only problem facing producer Teyman is financing. Production thus far has cost about \$100.00, which was paid entirely by him.

Another feature of the film is a possible soundtrack, featuring songs by Pink Floyd and David Silverman. Hugh also says that the film will have a surprise ending. When will you get to see this gorefest? Well, Hugh is hoping to get permission to show it at the Senior assembly at the year's end.

You say he's wondering why anybody would go to the expense and trouble of making such a film. But Hugh says that he hopes to gain experience editing film, and that it's fun, too. In terms of the future, Hugh hopes to attend Point Park College for four years, majoring in Film Making and then to attend film schools in Hollywood. With Teyman's talent and ideas, his aspirations are within arm's reach. Hugh and his film may soon be ready for Hollywood, but will Hollywood be ready to face "The Creatures from Carlynton"?

Administration, Faculty and Students:

As the 1985 "Reflections" yearbook draws to a close, we would like to extend our heartfelt thanks to *ALL* those who have shared in our great endeavor. In accepting the challenge of recording 176 pages of the 1984-85 school year, we found quite a task. However, with our dedicated staff and the many others who have contributed, we functioned as a team. With seven months of diligent work behind us, we confidently and proudly state, "We did it!"

Special thanks are given to Dave Handerman (Artwork), Bill Sago (Photo Development), Mr. Berceli (Photography) and especially Mrs. Linda Smith, our sponsor, who always stood by us and believed in us. We love you, Mrs. Smith!

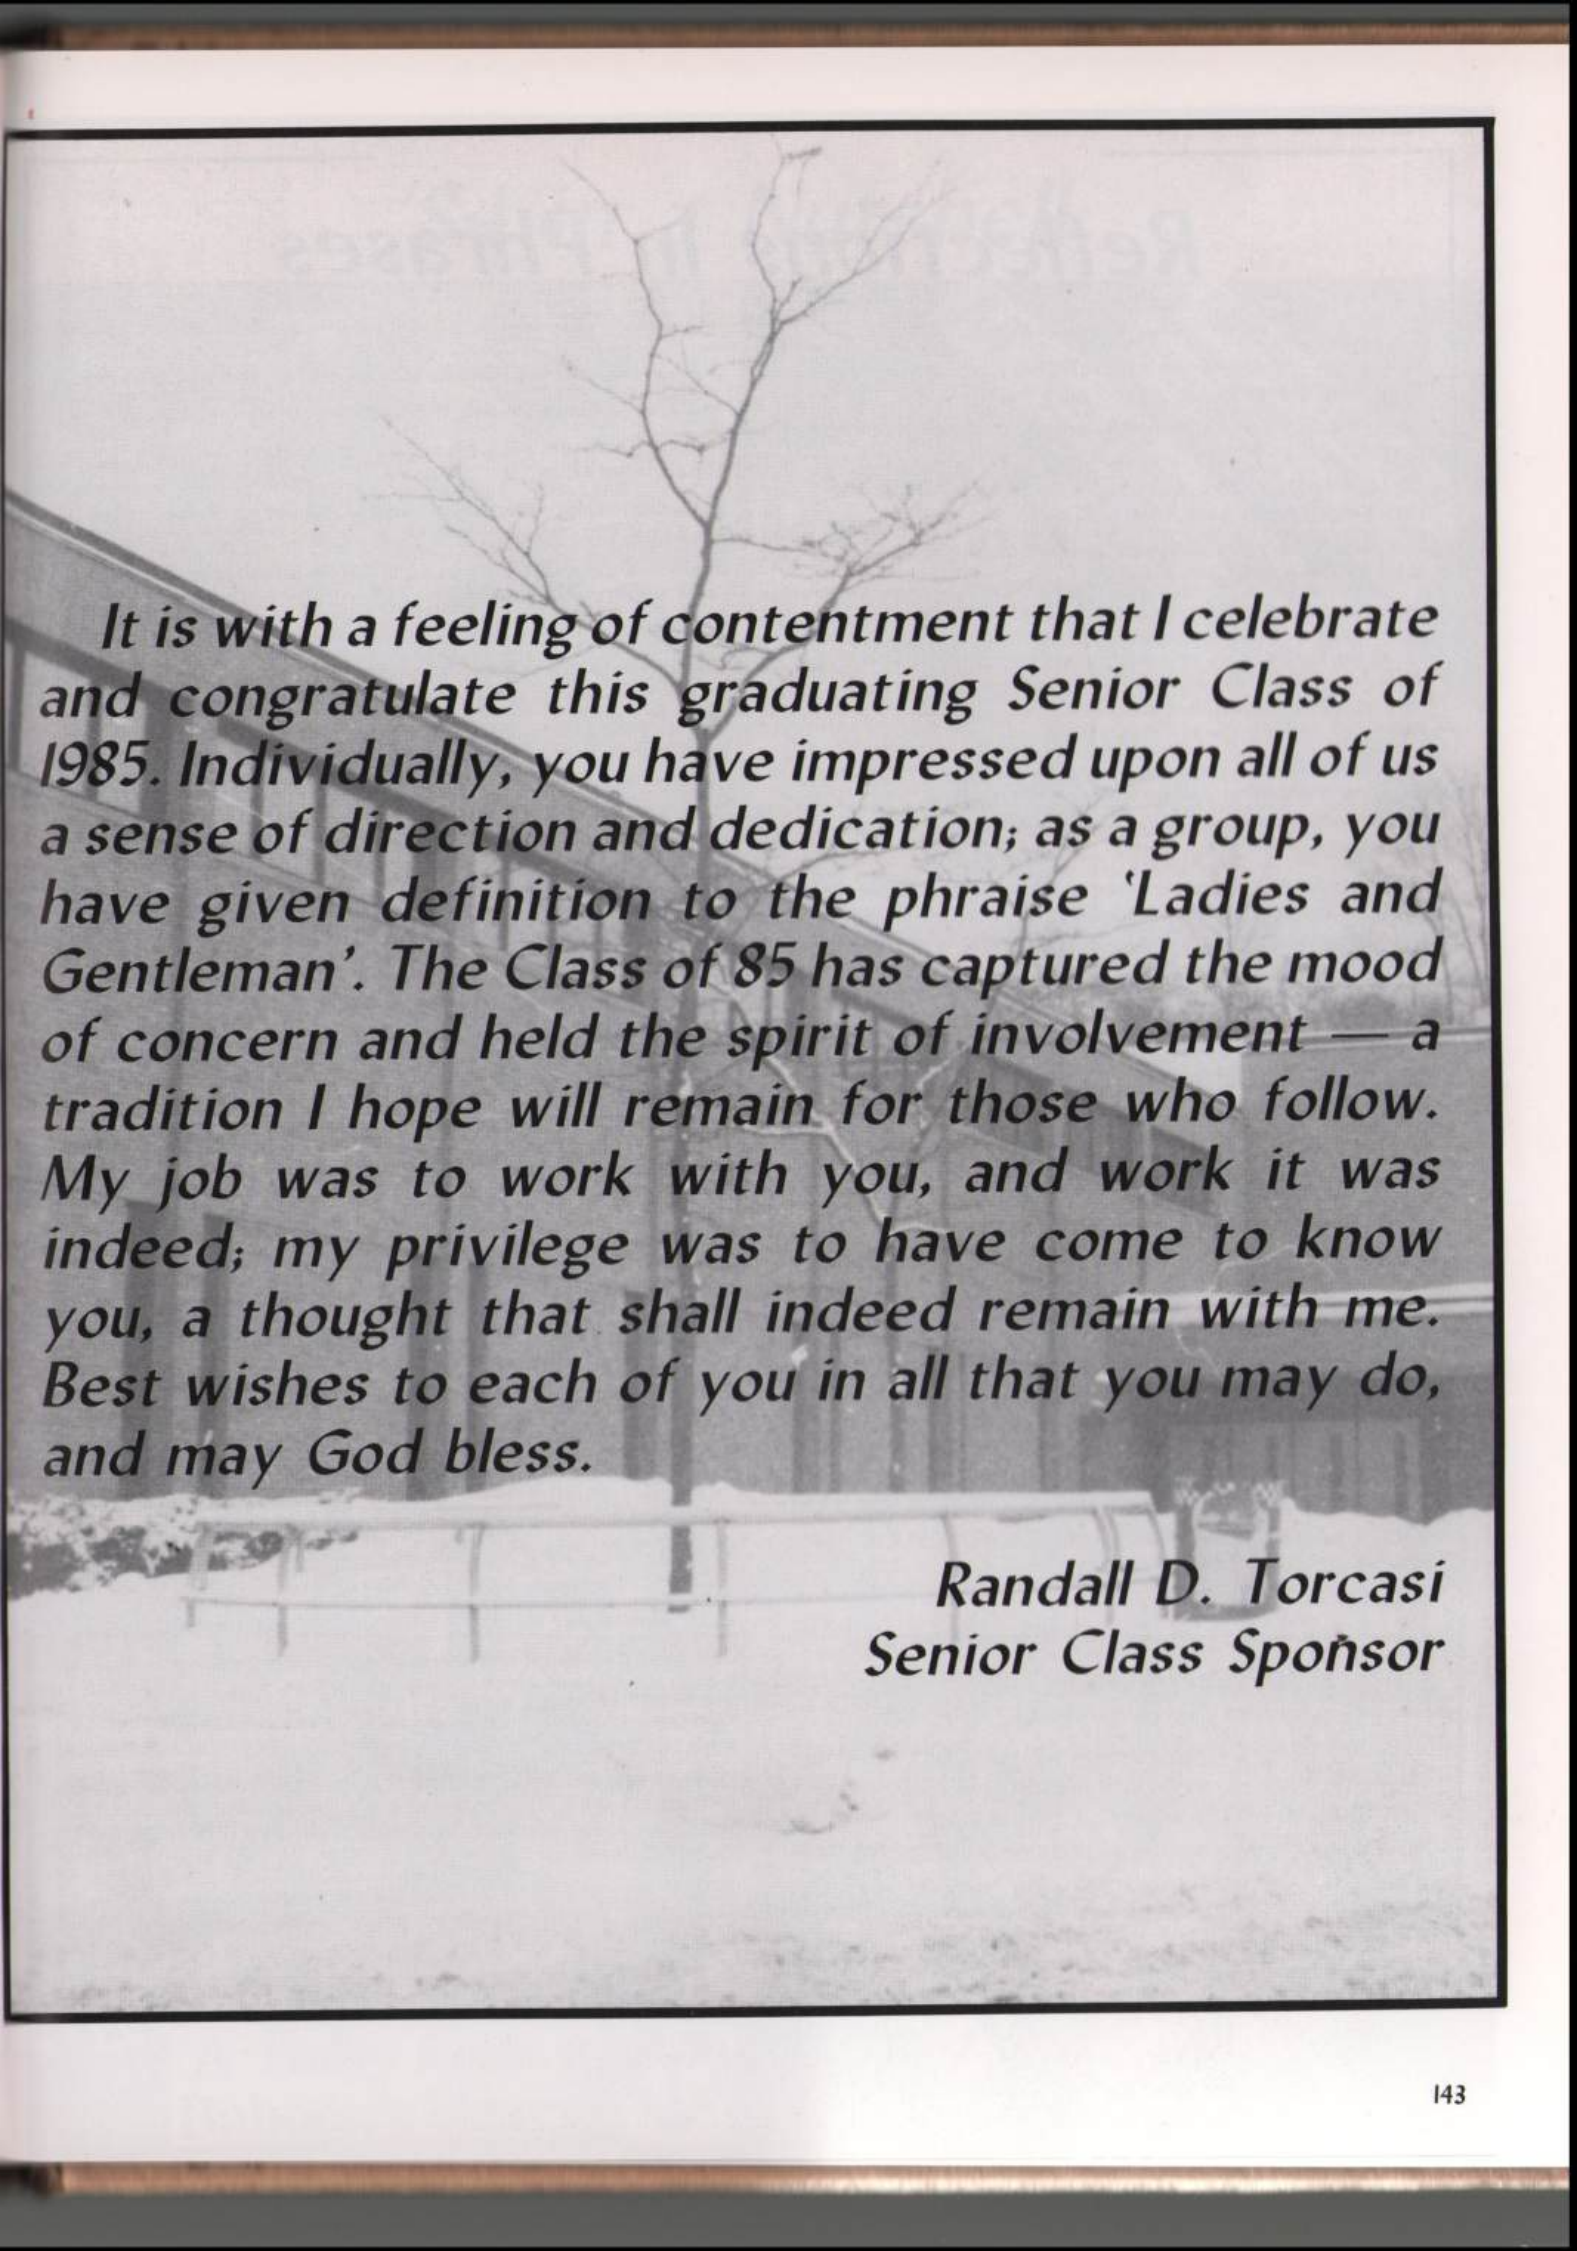

"Reflectively" Yours,

Lori Gump & Toni Sutton

"Reflections editors"

The parents and teachers of Lori Gump and Toni Sutton must have done something extremely right.

God bless you. Lori & Toni. Go get it all! Mrs. S.

It is with a feeling of contentment that I celebrate and congratulate this graduating Senior Class of 1985. Individually, you have impressed upon all of us a sense of direction and dedication; as a group, you have given definition to the phrase 'Ladies and Gentleman'. The Class of 85 has captured the mood of concern and held the spirit of involvement — a tradition I hope will remain for those who follow. My job was to work with you, and work it was indeed; my privilege was to have come to know you, a thought that shall indeed remain with me. Best wishes to each of you in all that you may do, and may God bless.
