Senior Song

HERE'S TO THE NIGHT!

So denied

So I lied

Are you the now or never kind

In a day and a day love

I'm gonna be gone for good again

Are you willing to be had

Are you cool with just tonight

Here's a toast to all those who hear me all too well

Here's to the nights we felt alive

Here's to the tears you knew you'd cry

Here's to goodbye

Tomorrow's gonna come too soon

Put your name on the line

Along with place and time

Wanna stay not to go,

I wanna ditch the logical

Here's a toast to all those who hear me all too well

Here's to the nights we felt alive

Here's to the tears you knew you'd cry

Here's to goodbye

Tomorrow's gonna come too soon

All my time is frozen motion

Can't I stay an hour or two or more

Don't let me let you go

Here's a toast to all those who hear me all too well

Here's to the nights we felt alive

Here's to the tears you knew you'd cry

Here's to good bye

Tomorrow's gonna come too soon

Here's to the nights we felt alive

Here's to the tears you knew you'd cry

Here's to good bye

Tomorrow's gonna come too soon

Undefeated Section Champs

The Cougar Soccer squad exemplified the word "team" this year. With a mix of size and skill, the Cougars came together and provided our school with one of the most exciting seasons ever. With a 17-0-1 (10-0 section) record, the team won the Section Title and went undefeated in the regular season. Behind a new all alumni coaching staff including Larry Fingers, Evan Derenzo, and Jason Masko, the Cougars roared louder than ever before. With senior goalie Charlie Dagnal and junior sweeper Andrew Smith commanding the back, the defense was solid. Seniors Dean Dedola and Frank Granata, and junior Stephen Sywy, played great defense as well. Together they held opposing teams to only 14 goals all season and produced 9 shutouts. Through the mid-field, senior Ben Bagnato, sophomores John Crawshaw and Luddy Hanczar, and junior Eric Balent controlled the ball and distributed well. In the front, seniors Martin Pletz and Andy Veri and junior Joe Kossler led the goal scoring charge. Together the Cougars netted 86 goals. Many underclassmen also got a chance to play which will provide additional experience for next year's team.

JV & Varsity Volleyball

Whether it was practice, a game, or team bonding, there was plenty of excitement this season when it came to the Volleyball Team. With the addition of Miss Miller to the coaching staff, she and Mr. Palko had fresh ideas to challenge and improve the team. And although the season ended without a trip to the playoffs, it was a year filled with unforgettable experiences and memories for all the girls on the teams.

The Carlynton Varsity Tennis Team has been steadily improving over the past few years. The team practices hard, plays to win, and always supports each other's efforts. We are proud of our accomplishments and know that we play our best. We have had the pleasure of being coached under Coach Perrin. The team will always have fond memories of Coach Perrin's inspirational and famous "Perrinisma" such as, "Tennis is 50% mental and 50% physical but it's more mental than physical." Due to his retirement, he will not be here this year but his memory will live on in Carlynton History.

A loyal friend to us all.

Sing praise to Carlynton High.*

Congratulations

Courtney

To my littlest angel, words cannot express how proud of you I am and how very loved you are. You have the kindest heart of anyone I know, your loving and caring disposition is priceless. Your loving nature towards animals warms my heart. You selflessly volunteer your time with animals and ask nothing in return. To see a wagging tail, perky ears and someone happy to see you, this is what makes you happy. You have an unbeatable zest for life, unstoppable ambition and a never ending smile that you've had since the day you were born. I am truly blessed to have such a daughter.

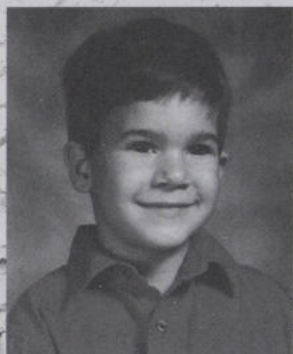

We love you,
Mom, Dad, Aubri, Candice, Brooke
and Boxer

Congratulations Allen!

We are very Proud
of YOU.

Love,
Mom, Dad, Lauren, & Jessica

Courtney Rose,

*It's only for a moment you are mine to hold
The plans that heaven has for you
Will all too soon unfold
So many different prayers I'll pray
For all that you might do
But most of all I'll want to know
You're walking in the truth
And If I never told you
I want you to know
As I watch you grow
I pray that God would fill your heart with dreams
And that faith gives you the courage
To dare to do great things
I'm here for you whatever this life brings
So let my love give you roots
And help you find your wings
It's not living if you don't reach for the sky
I'll have tears as you take off
But I'll cheer as you fly*

*Love you with all our hearts,
Dad, Mom, Sammi & Kyle*

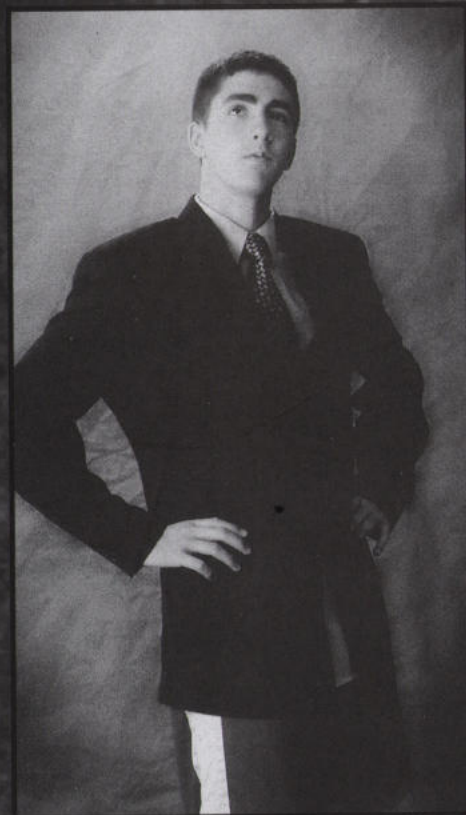

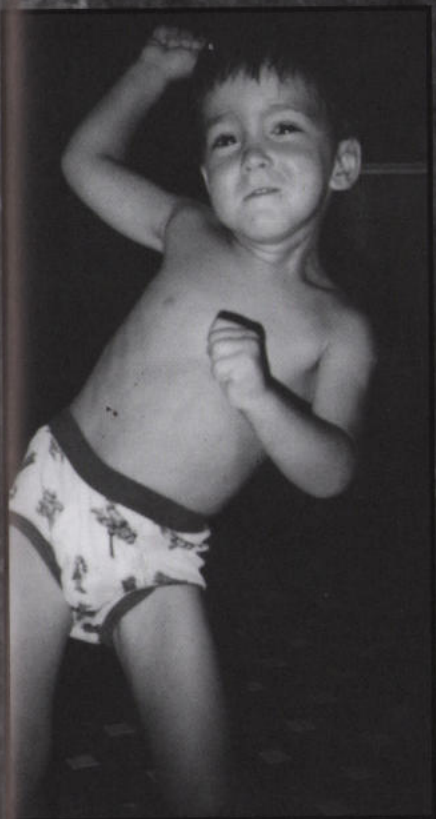

(excerpts from the song: **Find Your Wings** written by Mark Harris)

Andy,

Some things never change....You have always been quick to strike a pose! But more importantly you've always been quick with a smile and a laugh and able to laugh at yourself as well. Your kindness to others, your loyalty to friends and your love of family have always been important to you. As you mature, we continue to see that depth of sensitivity with a top layer of fun. It's a wonderful combination.

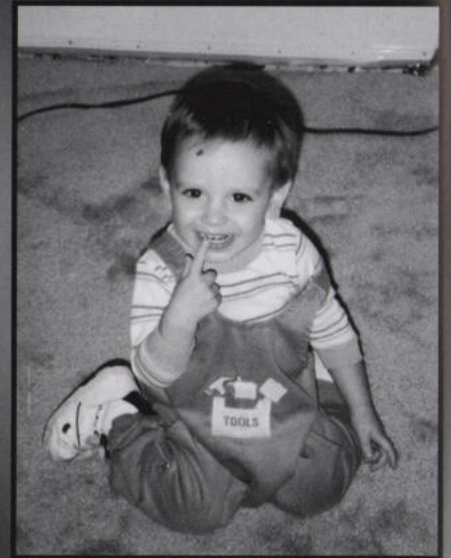

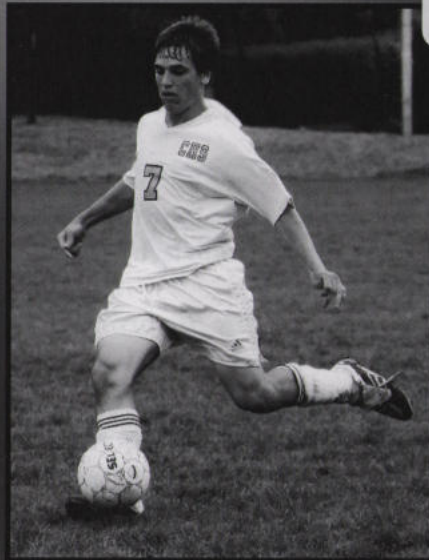

We are so proud of you and we love you very much.

Dear Meggie,

It seems just like yesterday that you were playing
dress-up and having tea parties with your dolls.
The years have gone by so quickly since the first
day of pre-school and now here you are,
graduating and preparing for your future. You
are such a sweet, giving and caring person who
has such a special passion for life, that it shines in
everything you do. Follow your dreams, the sky's
the limit.

We love you!
Mom, Dad and Stephanie

Dear Allison,

Until you were three you were quiet and shy
You hated loud noises and bright lights in the sky.

When you were four or five, the talking began
"Captain, I don't have the power!" permeated the land.

Number one in the class through hard work you have earned
Duke or Johns Hopkins provide more to be learned.

You have set your sites high and we know you'll achieve
You have great things to do, so go cure that disease!

We are so proud of you!!! Love Mom, Dad, Liz & Kathy

DEAN,

Dear Soon to be Seniors,

It is finally your turn to be in the spotlight. No longer are you the underdogs, you will rule the school, but don't let that go to your head too much. Think of this as a guide for a successful senior year. Take notes because this is the last time you'll hear from us.

To begin, don't go into your senior year as a slacker.

Colleges you apply to will probably request your transcripts midyear. Plus if you go into senior year with senioritis before it even starts, you'll be in for a long year.

Trust us!

Also, don't make mountains out of molehills. Keep in mind that that soon enough these "dilemmas" will be trivial. Dwelling on frivolous situations will drag out the year. What kind of senior would want that to occur?

Furthermore, focus on the great experiences. Make every moment count; disregard anything that could taint the satisfaction of your senior year. Live it up; before you know it you will be handed your diploma.

We hope to leave you with these instructions for a successful senior year.

Good luck from the Best,

The Class of 2007
