FALL IN COUGAR COUNTRY

Fall in Cougar Country offers many changes beyond back-to-school. There's the arrival of colorful scenery, cooler temperatures, and autumn activities like apple picking, pumpkin patches and carving, and more! Reflecting on the change of season, some seniors shared their favorite things about fall in Cougar Country. Senior **Max Samangy** enjoys visiting the pumpkin patch. He said, "It's always a good time." Senior **Morgan Blaker** enjoys hiking in the fall: "I love to see the colors change." Senior **Lily Barber** shared her plans for fall: "Pass out candy, go to a haunted house, celebrate my sister's birthday, and possibly go to the pumpkin patch." Like many others of all ages, senior **Pammy Smith** enjoys trick or treating on Halloween: "It's so fun to get candy and dress up. Plus my little cousins come along and it's a great time!" Cougar Country in fall is full of possibilities.

COUGAR COUNTRY LIFE

"My grandpa loves bowling, so anytime he asks me to go with him I go. We compete to beat each other each and every time. We bond a lot when we go out and have created a lot of memories with each other through bowling."

- Nick Weimer, '24

Nick Weimer '24 converts a spare in a tense game.

"I started collecting records about a year and a half ago, and now I have a bookshelf full of them. I try to keep a balance between old and new, but I also collect soundtracks. Some of my favorite pieces are the ones I had to hunt down, like Channel Orange by Frank Ocean, and the Drive Soundtrack."

- Bailey Vetter, '24

Bailey Vetter '24 browses through records at Jerry's Record store.

"I first began cubing around 4th grade because I thought it would impress people. However, I now cube just to enjoy the hobby and push the limits of what I'm capable of. As of right now, my fastest time is 9.83 seconds, but I'm really looking forward to seeing how much faster I can solve the cube."

- Sean Hart, '24

Sean Hart '24 flips a completed cube.

CLOCKING IN

Georgie Gamble '23 works at Moonlit Burgers, a relatively new Dormont restaurant that is a strong supporter of the Carlynton community.

Ash Henderson '23 and Abbey Greiner '23 rise and grind behind the counter at Dunkin' Donuts in Crafton.

Morgan Staker '23 and Anna Hall '24 can be found at the bakery in the Heidelberg Shave—two of many Carlynton students and alumni who work there.

PLACES WE GO & THINGS WE DO

Many teens in Cougar Country pick up part-time jobs to make some cash and pass the free time. Who knew some of them would be working in places they loved as a kid?

"Honestly I love my job and my coworkers. I'd forever recommend working here!"
- Paige Gordon '23

"Usually, people think that working with kids comes to be a daunting challenge, but in my opinion, I really enjoy working with people and birthday parties."
- Elaine Zhang '23

GETTING AROUND

"Working at the Carnegie Borough "gave me something to do and allowed me to make money." - Dylan Sunderland '24

"I like working at Cinemark because I get to see movies for free and I go all of the time." - Garin O'Leary '23

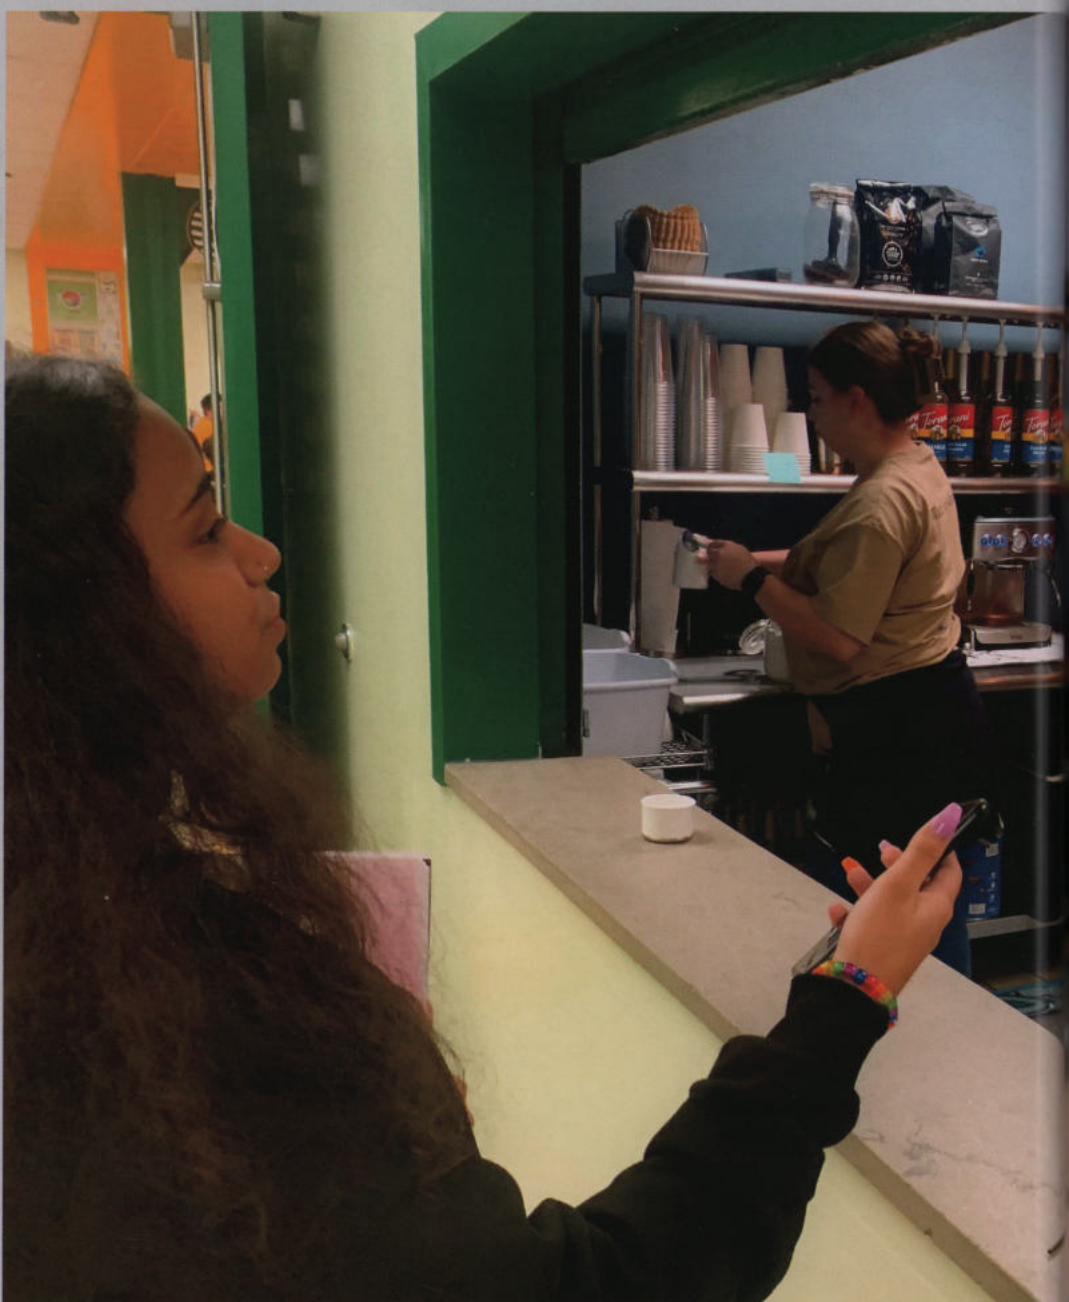

"I like working at McDonald's because it gives me something to look forward to after school." - Caden Crow '24

FALL INTO THE NEW SEASON

As the days get shorter, students spend their time wisely. A number of students are especially excited for the opening of the Cougar Café, an in-school coffee shop that is both supported and run by students.

"I like working at the Cougar Café because it feels like I'm helping out my school community. Getting through the day can be hard, and we offer students an affordable energy boost."
- Alyse Crown, '23

FALL FASHION

Following the new wave of comfy, thrifty fashion trends, Carlynton students always show up with a fresh fit.

"Sweaters in the fall are very comfortable and warm," of course.

"The Columbia Jacket was a thrift store find, and a good one at that."

Trendy Converse complete the fit, "especially my green pair."

"The earth tone Levi shoes. What more can I say?"

Júlia Zayats '24, Abbey Tomaszewski '24, Rachele Jacob '23, Sarah Duffy '25, Danielle Smith '25, Brianna Maust '24

As one of the newest members of the Cougarettes, Abbey was excited for her first Halloween parade. "I like dancing" in the Golden Cougar Marching Band because "it's fun."

- Abbey Tomaszewski, '24

Chuck Mullen '25 James Kerns '25

James Kerns and Chuck Mullen warm up before the Halloween parade. James chose to go all-out and dress as Michael Myers. His favorite aspect of the parade was "getting to wear costumes."

- James Kerns, '25

Lucy Vetter '26

"I liked the Bloomfield parade because we had a lot of time to kill before it started, so everyone was able to mess around before it did. I ate on the mega tenors." Usually, Lucy plays bells in the percussion section, so a switch-up proved to be an exciting surprise.

- Lucy Vetter, '26

DIA DE LOS MUERTOS

"Karmen" Morris

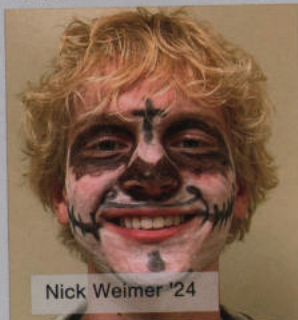

"I love learning new words in Spanish and using it in the real world, and the fun activities we do in class."

Ky Morris '24

"Juanito Felipito"

"I really like the atmosphere of Spanish Class. It's super fun and simple."

Nick Weimer '24

"Valeria" Levenson

"Spanish is a useful thing to know in the United States. It is also helpful with my Mexican relatives."

Lena Levenson '26

"Ravin" Sprague

"I enjoy learning and being able to speak with others around the world, like our pen pals."

Raven Sprague '24

HOMECOMING FESTIVITIES

"My favorite part of the Homecoming Pep Rally was when the seniors won the spirit stick."

- Wesley Maxwell, '23

The Senior Section at the Pep Rally

"I really liked the energy, cheering, and everyone's sense of spirit."

- Gabriella Sciulli, '27

Akaylia Brown '27 (left) & Gabriella Sciulli '27

"My absolute favorite part of the Homecoming Pep Rally was defeating the Court during the Hungry-Hippo game."

What made it even sweeter was that I was able to do it with my best friend Mr. Kozy! But yeah, definitely beating the kids was the highpoint of the day!"

EVERYBODY DO THE CUPID SHUFFLE

Homecoming is one of the most memorable moments in high school. This year's Homecoming Dance was held at the Pankov Room in Collier.

"My favorite part of homecoming was dancing with my friend Jaiden McClure."
- Denny Gorny, '23

"My favorite part of homecoming was everything."
- Tommy Hatcher, '23

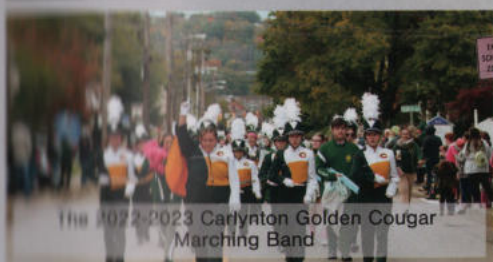

"My favorite part of homecoming was the dancing because it was a lot of fun."

WE ARE MAJOR

"I became a drum major to lead and deliver the best performance we can."

Bailey Vetter '24

"I became a drum major because I love being a role model to the younger kids."

Anna Hall '24

Before every home game, the Golden Cougars line up in order to draw the pregame "C" on the field. Here, freshman John Kleer stands at attention, awaiting the band's first performance of the game.

WE ARE THE SENIORS

From the band camp potluck to the after-halftime circle, the band has many coveted traditions. Read on to see what seniors had to say!

Pammy Smith

"My favorite tradition has been the circle and 'Let's Go Sto' after home games because it's a fun celebration of our hard work."

Elena Johnson

"My favorite tradition has been spinning in a circle after halftime, then yelling along to the 'Let's Go Sto' cadence because it's silly and fun."

Georgie Gamble

"I like circling up behind the stands after halftime and shouting 'when I say band, you say band.' It's a fun way to congratulate each other."

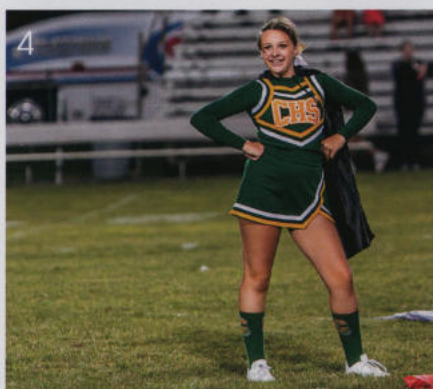

Rachele Jack

"The potluck lunch (my favorite) because, after the long days of band camp, it brings everyone together."

WE ARE GOLDEN

1. Charles Mullen '25 plays the tenors during the show.
2. Daniel Badger '23 readies his cape for halftime.
3. Alex Paiquetur '24 marches of the field.
4. Audrey Matt '26 poses for the end of "Superman."
5. Austin Gamble '27 plays to the stands while marching.
6. Colin Dugan '23 awaits the whistles from the drum majors.
7. Victoria McIntyre '23 and the Brass & Woodwinds section stand at attention in the pregame tunnel.

Sounds of the Season

This year's halftime show was entitled "Marvel vs. DC," named after the two notable comic book producers. The band focused on the movies; however, playing selections ranged from Marvel's The Avengers to DC's Batman. To make this year's show even more special, the band decided to let the audience vote on the victor, resulting in the band playing an extra song from the winning company. All in all, the band performed "The Avengers," the "Superman Theme," "The Batman Theme" from the 80's, as well as the "Captain America March."

NEW TO THE TEAM

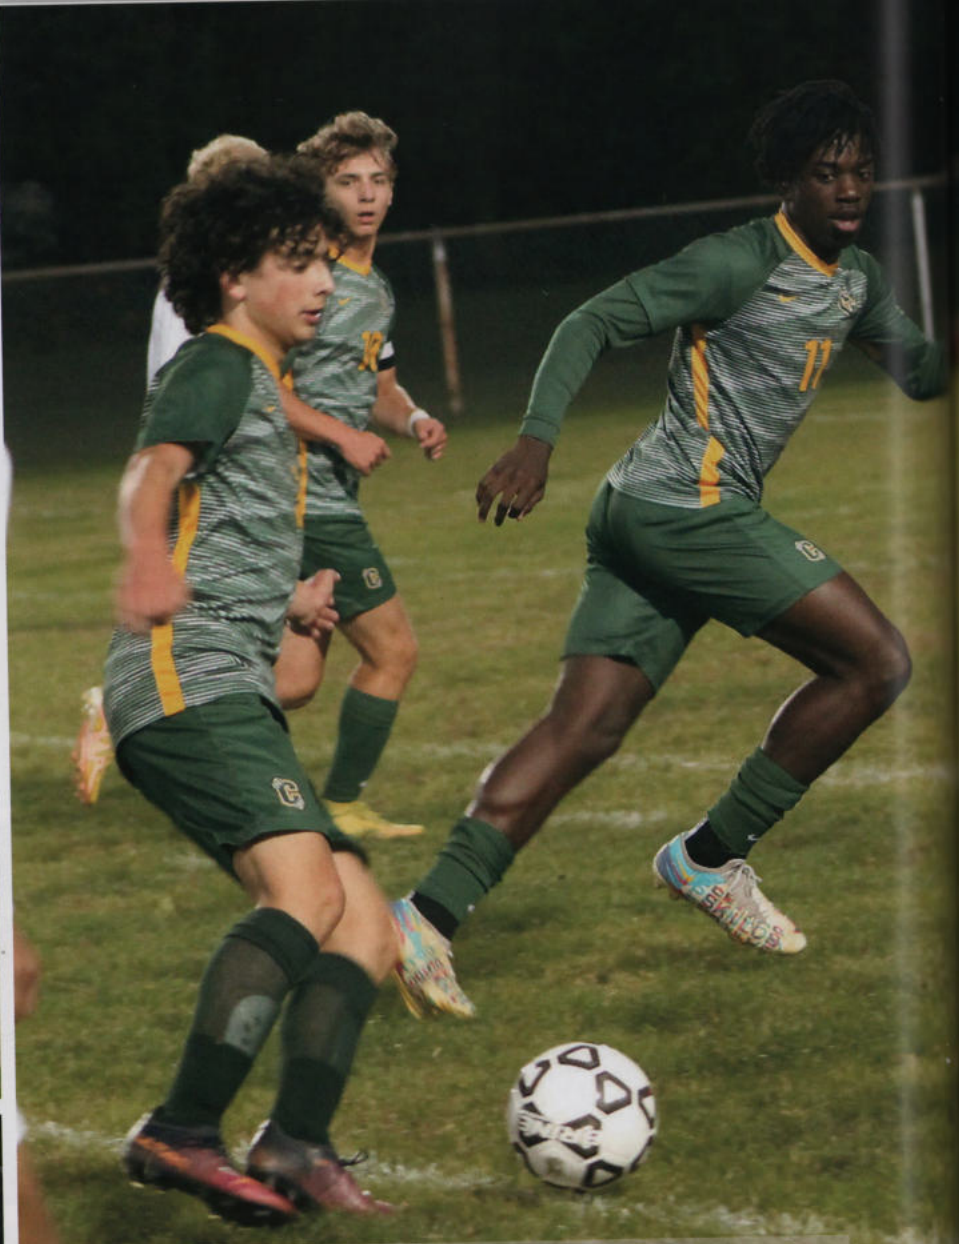

Pouya Khalil Ahmad (23)

Senior Pouya Khalil Ahmad was a great addition to the team. Throughout the season he brought a lot of energy and excitement.

Dylan Sunderland (24)

"Soccer was a new sport for me and I didn't know what to expect. Everyone on the team was welcoming and helpful."

Mateo Carrasco ('25) prepares to send a pass to Ryan Lewis ('25). Mateo and Ryan, along with senior Simon Schriver, were all named All-Conference, while senior Max Samangy was an Honorable Mention selection. Ryan was also named to the Class A All-WPIAL team, and named the Conference Player of the Year.

WE ARE THE CAPTAINS

Max Samangy

Senior Max Samangy provided positivity for his team. When asked about how his season went as a captain he stated, "Our team this year only consisted of three seniors, making us a very young team. Knowing this, Simon and I strive to make our team a winning team. We ended this season 11-5 and made playoffs."

30

Simon Schriver

Senior Simon Schriver shared how being a senior shaped his style of play and mentality. "I went from being a underclassman who simply played his role on the field to (leading) by example. I began to take my demeanor much more seriously to show the younger guys how we act, as well as keep my play consistently excellent to show them what we expect of them once they're on the field."

Garin O'Leary

Senior Garin O'Leary looked back on her years of varsity soccer experience with nostalgia and gratitude. She stated "The girls soccer team had a hard couple years but I'm just happy we had a team and I'm proud of them for sticking through it."

Favorite Tunes

"Californication"

As she is running, freshman Ava Pancake's favorite is "Californication" by the Red Hot Chili Peppers.

"Novacane, Novacane"

Before her meet, freshman Riley Sunderland's go-to hype song is "Novacane" by Frank Ocean.

"Don't Blame Me"

When sophomore Grace Prepelka runs, the beat of "Don't Blame Me" by Taylor Swift helps keep her pace.

Members of the Girls Volleyball team, including Anyiah Beatty '23 (#2), celebrate after scoring a point during a home match.

WE ARE VOLLEYBALL

After a remarkable season, varsity players Olivia Thompson '25, Jordynn Carter '25, Joann Hussain '24, Anyiah Beatty '23, Kendall Stark '23, & Tanner Kephart '23 were named Class 1A Section 3 All-Stars.

WE ARE THE SENIORS

Anyiah Beatty #2

"My favorite memory of volleyball is playing in the summer league. I got to spend time with my friends."

Tanner Kephart #16

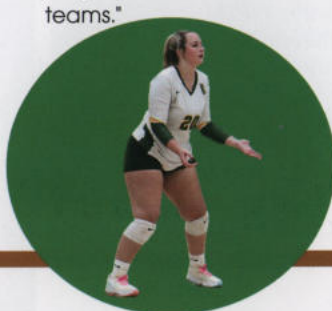

"I loved home games and having the student section cheer for us after every point we earned."

Kendall Stark #20

"My favorite memory from this season was going to tournaments. We got to play a bunch of different teams."

Taylor Zaletski #22

"Away games were so much fun. I loved spending time with my teammates on the bus."

WE ARE TENNIS

"Tennis is one of my favorite sports because of the individual and team aspect of it. I loved being able to work together with friends and also play alone depending on the match."

Sarah Duffy '25

"I really like tennis as a sport because your improvement is very visible and it's very fun playing with my friends on the team."

Ava Pancake '26

Andrew Pancake '23 tees off on the first hole at Chartiers Country Club. Carlynton co-ops with Canevin, which brings students from both schools together. "We all bond over both being small schools. We hang out at other games where Carlynton faces Canevin."

WE ARE THE SENIORS

"My senior season for golf was very successful. Throughout the season I played the best I could in every match and was never disappointed with the way I played. My real success came in the post season. I made it to the WPIAL Championships for individuals. Sadly, I didn't make it to States but still I am very proud with the way I played this season and I am grateful that Canevin gave me the opportunity to play for them," Max Samangy '23 said while reflecting on his senior golf season.

"Golf in my opinion is the toughest sport because of how mentally challenging it is. This season didn't go exactly how I wanted it to go, but I was proud of myself, my team, and had a blast playing. Golf is a sport I hope to play for the rest of my life and was so happy to be able to play it in high school," Andrew Pancake '23 said when asked about his senior golf season.

WE ARE ON PAR

6. Grace Prepelka '25 prepares to receive a serve.
7. Andrew Pancake '23 (left) & Max Samangy '23 represent Carlynton in the Carlynton-Canevin co-op golf team.
8. Gabe Di Pietro '24, Jake Moldovan '24 & Canevin golfer Tyler Maddox enjoy the clear weather after the rain.
9. Max Samangy '23 gazes down the course after teeing off.

Golf & Tennis: How They Compare

- "They both can be individual sports if you play tennis singles, and are both combined with Bishop Canevin [as a co-op]." - Ava Pancake '25

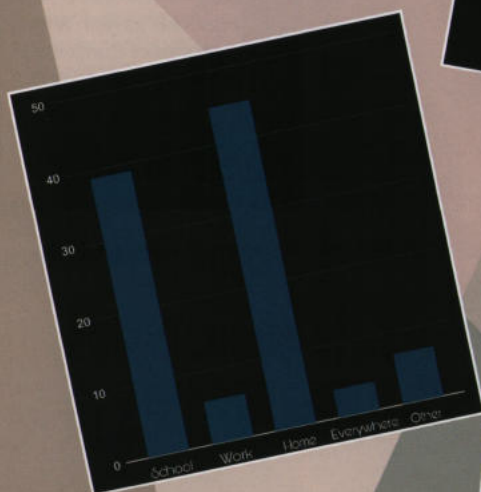

- "Tennis and golf are similar because they are both quiet sports. They both require a high amount of focus so there isn't any cheering during gameplay." - Grace Prepelka '25

WINTER IN COUGAR COUNTRY

The winter season in Cougar Country is one of the most memorable times of the year. Students love building snowmen, drinking hot chocolate, watching snow fall, giving gifts, and celebrating other festive traditions. Freshman **Lucy Vetter** shared that one of her favorite winter sights is "seeing the snow fall down onto the trees." Sophomore **Anthony Burkhart** said his favorite activity in the winter is snow tubing "because it's an adrenaline rushing experience." Cougar Country also offers the option to participate in the tradition of the "12 Days" Spirit Week countdown inside the building. **Sheyla Tuapante '24** said that "Santa & His Elves" was her favorite day of the countdown this year because "it was funny to see people dress up." Alternatively, sophomore **Ghalya Alzoebi '25** said "Pajama Day" was her favorite spirit day "because it's cozy." Indoors or outdoors, winter in Cougar Country brings plenty to enjoy.

COUGAR CULTURE

"I like playing the bandura (pictured) because it helps me connect to my roots. Playing folk music with the bandura and other traditional Ukrainian instruments also makes me appreciate and connect with my culture and heritage more."

- Julia Zayats, '24

"Vimto is a drink in the Middle East. It's like grape juice." Also pictured is Knafe, a holiday dessert. As pictured, these popular cultural foods are often paired and enjoyed together.

- Bushra Alhaddar, '24

"In the winter, many people wear a type of comfortable head scarf called farwa." Farwa is a common accessory in many Middle Eastern countries, and comes in handy during the cold Pittsburgh weather.

- Pouya Khalil Ahmad, '23

The January sun shines on St. Peter & St. Paul Ukrainian Orthodox Church, one of many Ukrainian churches in the Carlynton School District. Since the conflict in that region began, locals have been showing their support for Ukrainians through flags, stickers, phone cases, and more.

AROUND THE WORLD

"We eat pozole, tamales, and postre de fruta for any time of year or on a special day like Dia de los Muertos or Cinco de Mayo."

- Cyany Mohammed '27

"In winter we enjoy tea and biscuits. We also make Kleicha, Iraqi date cookies."

- Yara Mohammed '25

"We do bombas Puertorriquenas. Basically every family member takes an instrument and someone starts a song and the next keeps going with a different song."

- Keylanis Rodriguez-Soto '24

"In my country there is no snow, so we play in the water and eat ice cream, or drinks like atol de elote."

- Genesis Saiguero

OUR ROOTS RUN DEEP

The Carlynton Jr./Sr. High School has representation from over 9 unique languages and 12 countries in its student body, each with its own culture and story.

All of these cultures come together under the robust local cultures of Carlynton, Rosslyn Farms, Carnegie, Crafton, and Pittsburgh.

Mannix Lemmon '23 shows off the many Penguins jerseys in his Pittsburgh sports collection, which also includes hoodies and shoes.

Within Cougar Country, there's a strong local Pittsburgh culture, ranging from eating fries on sandwiches, rooting for the Steelers, saying "yinz," or riding all of the roller coasters at Kennywood. Pictured left, Carlynton students show their Pittsburgh pride.

LEAVING THEIR PRINT

On December 16th, all students got together for the last hour of school to support their community in a Day of Giving. Activities included: blanket tying, organizing donations, e-cards for St. Jude & Children's Hospital, and much more.

Twelve days before Christmas break, students showed school spirit by dressing up each day following the list created by the Student Government:

- Day 1: Red & Green
- Day 2: Country Christmas
- Day 3: Christmas Vacation
- Day 4: PJ Day
- Day 5: Dress Like a Tree
- Day 6: Holiday Hat
- Day 7: Two Turtle Doves
- Day 8: Ugly Sweater
- Day 9: Happy Hanukkah
- Day 10: Santa & His Elves
- Day 11: Ski Day
- Day 12: Christmas Movies

COUGAR FLURRIES

"Cheering in the gym for basketball games has been so fun and exciting. The best part is getting to cheer alongside some of my friends. Also, it is so cool and funny seeing the student section get so excited for the cougar rumble and the t-shirt tosses."

- Kaycee Litterini, '25 (middle)

"This basketball season has been pretty good and memorable. Looking back on the season, we grew our skills and chemistry a lot."

My favorite part of the season was playing Jeanette because we played so well together as a team, we meshed very well, and ended up beating a really good team."

- Kyla Morris, '24 (#22)

"The swim team this year was great and very fun to be apart of. I am glad that my senior year on the swim team went how it did. My favorite part about the the season was winning against all the hard match ups we had and making the WPIAL cuts."

WE ARE CREATIVE

"Performing in my last play was very bittersweet. The fall play has been a huge part of my high school experience, and playing the Judge was a super fun part, but it did make me sad that my time participating in the Carlynton Fall Play was coming to a close."
- Elena Johnson, '23

Elena Johnson '23 (left) as the judge in "Sandbag Stage Left" while Alyse Crown '23 takes the stand.

"My last play was bittersweet because I was sad when the last show was over, but I was also very proud of myself for getting the role I wanted and the rest of the cast for putting together such a great show. The thing I will remember most is how well everyone in the cast worked together. We all built great relationships with each other and it really showed with our chemistry on stage. It wouldn't be the same without any one person."
- Georgie Gamble, '23

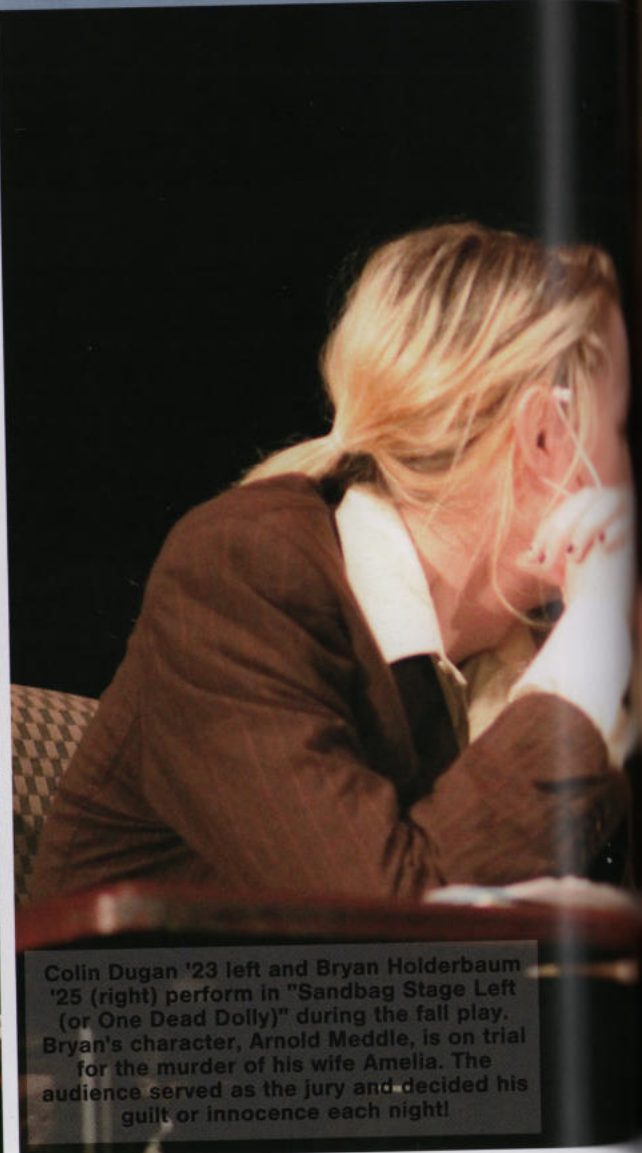

Georgie Gamble '23

"I felt nostalgic about my last band concert. I think about it and observe how far I have come in my music career. I will always remember my fire cadenza and the pride I felt after I successfully finished my solo and it went so well!"

Musical Melodies

A lot is happening under the "scenes." Here's what students in the spring musical, "The Little Mermaid," said about their roles:

44

Jimmy Kerns '25 (Prince Eric)

"What I like most (about my role) is that it's the lead and I honestly didn't think I would get it."

Dakota Kuttler '24 (Ensemble)

"I like my role because for it being my first time in a show, it's not too much to where I get frightened but it's not too little to where I feel like I'm just there and it makes me happy."

Zoie Rolly '24 (Ariel)

"With my role, I love how curious and adventurous Ariel is. She is excited for new journeys and the smallest things excite her. She knows what she wants, and she will do anything to achieve it."

Jayla Rwigyema (Geri)

"What I like most about my role is how I get to act as a full figure by Prince Eric's side. I have no particular reason why someone who likes to help is off stage."

A NOT SO SILENT NIGHT AFTER ALL

Concert Band. Percussion Ensemble. Show Choir. Pep Band. With all these offerings, a walk down the music hall fills your ears with melodic sounds. Upstairs, the visual arts classes like Ceramics & Sculpture, Creativity & Innovation, Drawing & Painting, and Graphic Design engage the eyes. The Fall Play and Spring Musical celebrate performance. There are many types of students here at Carlynton, but the arts are for everyone.

Looking Ahead

What are juniors looking forward to as they move into their senior year?

"Mostly sports: basketball and cross country. I'll do both again. (What I like best about them is) being on the teams and talking to people, it's fun and better than sitting at home."

Ethan Howerter '24

"I'm excited to sit outside (for lunch) because it's a special thing for seniors."

Julia Zayats '24

"Probably to see the growth of everyone throughout the years and to graduate."

Aden Forslund '24

"I'm looking forward to having a majority of elective classes, so I can explore my hobbies more thoroughly."

Brandilynn Cissell '24

"I'm looking forward to a more laid-back year and laid-back classes next year."

Caden Crow '24

"(I'm looking forward to) enjoying more senior exclusive activities and less classes."

Sheyla Tuapante '24

"The privileges the senior get, like the Halloween dress up day and being able to sit outside during lunch."

Path to Cougar Country

How did faculty find
their way to
Carlynton?

"I got hired as a football coach and substitute teacher in 2005. It was also the first year I started coaching track."

Mr. Milsom

"I taught many years at a private school but public schools have it better. In 1991 I came here and liked the kids better because they are so down to earth."

Mr. Palonis

"Kristen Butler, the HR hiring manager sent me an email. I researched Carlynton. It was fifteen minutes from my house. I applied, had two interviews, and got the job."

Ms. Filus

"I worked for an engineering company for a few years and then I went back to school to get my teaching degree. Then, I was teaching at Mt. Lebo with my buddy [when] I found out there was an opening at Carlynton and applied."

Mr. Trombetta

"I saw a fabulous opportunity to inspire students to learn a language and who want to experience the culture of Spanish speaking countries. I also firmly believe in the qualities of community, character, and excellence."

Senora Rusinko

"After graduation from college I was teaching at an elementary school as a sub for a year but it wasn't a full time job so I was looking for openings and I saw one for Carlynton as a gym teacher."

WE ARE FOCUSED

Freshman wrestler Isaiah Wall (top) and senior bowler Gracie Winston (bottom) compete in sports where focus is key to successful competition. Before a match, Isaiah said, "I like to listen to music to calm my mind." Before bowling, Gracie said, "I get focused by trying to not overthink and just enjoy the moment with my friends. I try to stay in a good mood."

Senior Chase Brandebura handles his opponent at a home match, securing a victory. Other successes this year for Chase included placing first at the Allegheny County Tournament in the 172-lb weight class.

WE ARE GETTING STRIKES

Where did you get your bowling shoes?

Ian Robb, '25

"My mom bought me mine from Amazon."

Ava Pancake, '26

"I use the rentals from the lanes and personally I always think they are fire."

Mateo Carrasco, '25

"I got mine from the Red White and Blue in Bellevue. That's the best thrift store."

Shelby Palmer, '25

"My grandfather bought me my shoes when he bought me my new house."

GIRLS TO THE MAT

This season, for the first time, girls joined the varsity wrestling team. Senior Elaine Zhang and freshmen Ava Pancake, Riley Sunderland, and Mckenzi Tomaszewski all suited up. They prepared to face off against opponents, and by doing so, helped the team score more points by receiving forfeit wins. "I think it's a great thing that they were willing to step up to help out the team to the best of their abilities," said senior Chase Brandebura.

Meet the Players

Senior Jada Adams, a 5'3 guard, has been playing for 10 years. She has been a valuable member on varsity for 4 years. Her biggest accomplishment is leading her team to multiple victories in the season.

1-2-3 TOGETHER!!

Starting 5'3 point guard senior Naima Turner started her career in 7th grade. After 4 years of playing on varsity, Turner has committed to play at Virginia Wesleyan University.

Jaiden McClure '23, the starting center, motions to his teammate to pass him the ball while he has an open shot to advance the score.

Naima Turner #5

"I picked #5 because in elementary school, five was the easiest number to multiply by."

Skyla Brown #23

"I wanted #23 because Michael Jordan was an inspiration to me when I was little."

When asked what the importance of their jersey number is, the players answered...

JUNIOR COUNTRY

WE ARE CONQUERERS

What has been your biggest challenge this season, and how did you overcome it?

Sarah Loney '26

"My biggest challenge was doing the 500 m freestyle every meet, but it got easier as I practiced."

Riley Stoughton '26

"My first time swimming the 500 m freestyle was difficult, but after doing it some more, it wasn't as bad."

Daniel Badger '23

"Probably perfecting my flip turn. I had to practice diligently to master it."

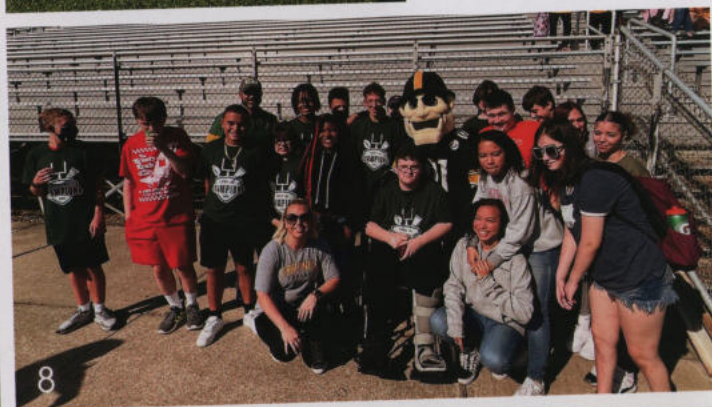

Paris Lee '26

"Getting faster was my goal, but I kept at it and dropped a minute off my 500 m freestyle."

APPLES TO APPLES

In 2020, senior Lyeneil Ward and two other students were eating apples at lunch in the school cafeteria when they had the idea to grow apple trees. Taking the seeds from their apple cores, they planted them. "I sealed the seeds in a paper bag and let them sprout. Then we nursed the tree until it grew," Lyeneil explained. The sprouts grew and the students checked in on them daily—and then the Covid-19 pandemic lockdown closed the school. During the shutdown, since-retired staff member Mr. Frank Zebrasky took care of the trees at his house; after the return to school, one sprout was still flourishing and has since continued to grow in the greenhouse: Lyeneil's. As of February 2023, Lyeneil's tree has produced one apple.

LEARNING MORE

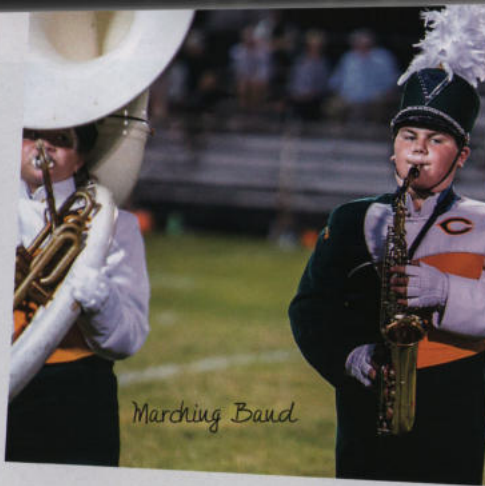

While most of the learning at Carlynton takes place in traditional classrooms, students also have opportunities to further their knowledge through experimentation. Students in grades seven through twelve can look forward to diving into lab projects in places like the greenhouse and Chemistry Lab, which are pictured on the right. Besides the obvious benefit of getting outside the normal classroom, students also enjoy the hands-on experiences that only labs can provide. "The labs we have done helped me learn greatly, as they gave me a more hands-on experience in the topics we learn," explained senior AP Biology student Lance Henderson, "They force you to teach yourself the concepts of biology through experimentation . . . [painting] a brighter picture of what we are learning." Biology and life science classes aren't the only classes with labs, as chemistry students also find themselves in lab quite a bit. For College in High School Chemistry students Alex Paiquetur '24 and Leah Zielinski '24, experiments provide a new understanding that is different from that of lectures. Alex said that his "knowledge of chemistry expanded" because the "classes are very engaging." Leah echoed his sentiment, as she described that "labs give me hands-on experience and an engaging way to learn material. You have to understand how labs work to carry them out, so there's a more certain method to learn it."

THE FUTURE OF COUGAR COUNTRY

Moving up to middle school is scary for many reasons: a new building, a new schedule, more homework, and on top of that, the reality of growing up. Although adapting to a new school may be hard for students, there are multiple activities that help ease anxiety, forge friendships, and spark fun. Despite having many events, most Carlynton middle schoolers heavily favor activity night and the pep-rally. While interviewing **Emma Arnold**, 7th grader, she states that her favorite event so far was the pep-rally for the homecoming game. When asked why, she replied, "I think it's nice to see everyone together and getting excited." 7th grader **Ethan Jones** also favored the pep-rally because "I got to be a part of it and sit next to my friends." 8th grader **Traivon Josey** shared his favorite event of the year so far: "When we were able to go to the swimming pool or gym to have fun." 7th grader **Emilie Babish** also said her favorite event was the middle school activity night. "It was pretty fun. I went to the gym and we played a variety of games."

A FEW OF OUR FAVORITE THINGS

What activity or event did junior high students most enjoy this year?

On December 16th, junior high students had the choice to go swimming, play in the gym, or watch a movie during the last hour of the day. "I picked swimming and it was my favorite because I got to hang out with my friends."

- Raige Spaulding, '27

"My favorite event has been the pep rally for the homecoming game. I think it's nice to see everyone together and getting loud--as well as the hungry-hungry hippos game."

- Emma Arnold, '27

"Every time I go to a basketball game or football game."

- Aaliyah Webster, '28

WE ARE UP & COMING

Making a Splash! During the December holiday activity period, some middle school students opted to enjoy the pool. Seventh grader Ethan Lee (bottom right, black shirt) enjoys himself among the happy swimmers and spraying water.

Shianne Pelescak, Grace Turko, Peyton Pilarski, Ava Barber, Alexa Adamski, Emilie Babish, Aaliyah Webster, and Alivia Adamski enjoy "Hallo-WIN" Craft Day.

Junior High Student Council members

Justin Williams & Saniyah Scott test their bridge in WIN class.

Junior high students participated in a "Hallo-WIN Craft Day" in October. This was just one of the many functions that the Junior High Student Council hosted this year. Other events included the sale of Boo-Grams, the Holiday Movie Night, the Swim/Gym Game Night, and a planned Spring Dance.

Members of the Junior High Student Council are traditionally voted into their positions by their peers. This year's eighth grade representatives were Charlie Coulter, Jackson Keeney, and Xavier O'Leary. Seventh grade representatives were Dalanney Tate, Alivia Adamski, and Alexa Adamski. The JHSC is advised by Mrs. Garland.

Junior High students participated in a new course this year called WIN, where they engaged in various projects. One project involved researching both local and national bridges. Then, students designed their own bridges that could support one Hot Wheels car. On the left is "Mustard Bridge," constructed by Justin Williams and Saniyah Scott for Mr. Stagl's class, which successfully bore the weight of a car.

GETTING ARTSY

Marlyah Keen

"I like getting to work with my friends in different grades; learning about music with Mrs. Emanuelson is a lot of fun."

Emma Saks

"I like the arts and crafts and being with all my friends."

Milo Warner

"Singing is something I enjoy. It's fun and I like being able to spend time with my friends."

Denyliz Rodriguez-Soto

"My favorite thing about art is the creativity and painting."

Advice From Varsity

For next year's rising freshmen, senior high athletes offered the up-and-coming Cougars some advice on how to achieve success at the next level. For football, sophomore Jimmy Kerns advised the 8th graders to have courage: "Don't be scared to get hit."

Senior Tommy Hatcher pointed out the importance of preparation: "Make sure you show up to practice." For those aspiring to cheer at the varsity level, freshman Khyleigh Yancey said, "Avoid drama. Remember to live in the moment when you cheer. Enjoy loving what you do." Freshman Audrey

Matt also offered some practical suggestions: "Make sure you're always ready to cheer—pay attention what is going on around you. Games go really fast and you don't want to miss a cheer. And don't talk out!"

WE ARE LIFTED BY OTHERS

Maurice Segnonou

"Coach James inspires me because we have the same energy and he's my favorite basketball player."

Greta Schriver

"My friend Ashley (Mulligan) inspires me to play. I see her hard work ethic and she always tries to improve. I want to be like that."

Tyler Heinrich

"My uncle (Mr. Trombetta) inspires me because since I started (playing basketball), he has always been there and helped me grow to be a better player."

Ashley Mulligan

"Coach Darren (inspires me) because he always pushes me every game and practice to be the best I could."

Who inspires you
to play
basketball?

WE ARE JUNIOR VOLLEYBALL

The A team huddles together during a timeout to talk about their strategy to win the game.

Peyton Pilarski '28 bumps the ball to the setter to set up the kill for the game winning point.

Dalanney Tate '28, Peyton Pilarski '28, Alivia Adamski '28, & Ava Barber '28 (L to R) listen closely as their coach praises them for winning the set.

Grace Turko '28 watches attentively as she prepares to receive a serve from the other team.

Greta Schriver '28 watches closely as she prepares to block the ball.

Milina Eitel '28 sets the ball to her teammates during warm ups.

Ava Barber '28 winds up to serve the ball.

WE ARE LEARNING THE WAY

What was the most important lesson you learned or skill you developed during the season?

82

Catherine Hites #16

"I learned this season how to be a part of a team. The coaches really connect everything because they are so uplifting."

Emilie Babish #6

"I learned that teamwork is one of the most important things while playing a sport and communication is a big thing as well."

Sophia O'Brien #2

"The most important thing I learned is to always work with the team and to always try your best."

Allie Glass #2

"I learned how important communication is when working with a team and playing volleyball."

SPRING IN COUGAR COUNTRY

Spring in Cougar Country comes with many emotions. With warmer evenings, students enjoy late night walks with best friends and pick-up basketball games at local parks. While unpredictable weather brings frequent outfit changes from shorts and short sleeve shirts back to sweatpants and baggy hoodies, students anticipate spring's delights. Senior **Gavin Corrado** shared that his favorite spring sight is seeing the vibrant pink tree in his yard blossom. Freshman **Luke Palmer** stated that he looks forward to track and field as he hopes to eventually break some of the school records for multiple throwing events. Senior **Mikayla Walker** said some of her big plans for spring include moving to Florida for a little while. Sophomore **Cameron Seitz** looks forward to hanging out with his friends everyday as the school year comes to an end.

WE ARE JOB-READY

"I love working with computers and software. Technology in general is changing rapidly, my teacher Mr. Okorn says that new innovations come out almost every day in this day and age. So having knowledge in an expanding field will profit in the future."

- Mahavishnu Dutta, '24

"[I'm in Computer Networking & Cyber Security] because it's a field where I can see myself being successful and happy."

- Benjamin Engel, '26

When asked what makes Parkway great, junior Nate Gibson said, "the time you get to yourself in class/in school."

- Nate Gibson, '24

"My favorite thing about Parkway is meeting new people."

- Lemya Turner, '26

"The instructors [are the best thing about Parkway]. They make learning and engaging straightforward, easy, and creative."

- Breonna Werner, '24

"I like working on cars because it's hands on. I've been working on them for like two years now. For someone considering Parkway, I'd say just do it!"

- Nai'er Davenport, '23

"I take auto body because it interests me and I like to fix things."

GETTING HANDS ON

Vishnupriya Dutta '24 Cyber Security & IT Networking

These students were asked what interested them in taking Parkway and why? Here's what they had to say:

"My interest started when there was a field trip in 8th grade. The course that I went to visit really interested me."

Alice Peck '26 Health Occupation Tech

"What interested me was that you can get a scholarship for what program you do."

Nemoya Raikes '26 Health Occupation Tech

"I was interested because they said that I could get the information I need when I go to college so I could have a better understanding and I could get a job when I graduate."

Genevieve Mori '24 Graphic Design

"It interested me that I could learn more about what I want to expand my knowledge in. That something will help me out in my future career."

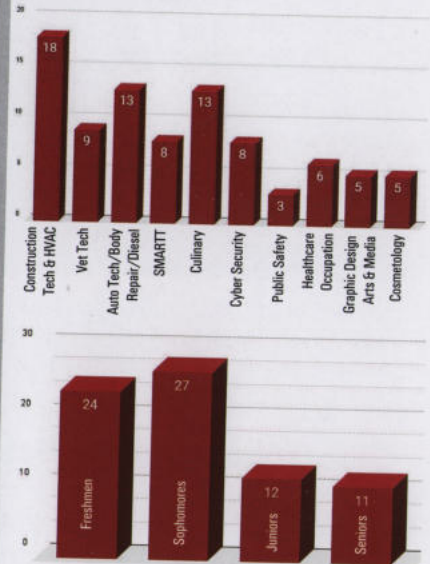

LEARNING A TRADE

A number of Carlynton students participate in the Parkway program, which offers them essential career training. After a morning at CHS, they board a bus that transports them to vocational training at Parkway Career and Technology Center.

Here's a look at the Parkway programs and enrollment:

Milled Majed '25 practices guiding patients from a hospital bed.

Jasmine McGuire '25 sands down a piece of a car in her Auto Body program class.

Evan Zielinski '26 focuses on fixing electrical wires.

Laila Hatcher '26 combs the mannequin's hair.

Ireland Lopez '24 styles the hair on the mannequin.

WE ARE DRIVERS

"My father has always had a motorcycle and him, my brother, and I all think they are pretty cool, so when I was old enough I bought one of my own."

Shelby Palmer '23

How Did You Get Your Ride?

I got my truck from my grandpa when he passed it down to me."

Dylan Sunderland '24

"This car was given to me after I got my permit, so I could learn how to drive."

Ella Snyder '24

"My parents gave me this truck as a birthday present."

Peter Gargis '23

Why Did You Get Your Tattoo?

"My favorite tattoo would be my roses with the clocks because it has my mom's birthday in the clock."

Jada Adams '23

"My mom, my sister, and I all got matching tattoos that say my dad's name to honor his memory."

Naima Turner '23

"My mom and I got these as matching tattoos. We got them because despite everything, we continue on."

Jayson Smith '23

"I got this tattoo in memorial for my uncle to honor his service in the military where he developed PTSD and eventually pushed him to take his own life. This tattoo isn't finished, but it's by far my favorite."

Demontae Smith '23

WE ARE TATTED UP

WE ARE PUMPED OUT

"I like my ear piercings because it hurt the least and they're the prettiest." **Quinland Delrosario '25**

What's Your Favorite Jewelry?

"My nose piercing because it's the easiest to change." **Emily Mankin '23**

"I got my chain cause it's just me. I like to express myself and I feel like this is a good way to do it, you know." **Ashton Donlin '26**

"I thought my arms were too boring so I decided to add a whole bunch of bracelets. I have a lot that I change whenever I feel like it." **Colin Dugan '23**

Where Did You Get Your Shoes?

"I got these shoes off a drop on the *SNKRS* app." **Gavin Corrado '23**

"My mom got them for me and they're the first pair of Jordan One Highs that I ever got." **Shaunte Deluca-Turner '25**

"They're my favorite shoes and my mom actually got them for me." **Vincent James '28**

"These are the most basic shoes to this day that I wear, but I got them off of an online shoe store." **Kendric Carlson '24**

WE ARE PUMPED

HUMANS OF CARLYNTON

What does "Carlynton" really mean?

Cougar Country encompasses the extremely diverse individual communities of Carnegie, Rosslyn Farms, and Crafton, and blends them into a single portmanteau: Carlynton.

Here's a look at some of the favorite things, wonderful people, and personal viewpoints of the humans of Carlynton.

Carnegie Favorites

Danielle Smith '25: "My favorite is Scoops in Carnegie because they have really good ice cream."

Crafton Favorites

Cam Seitz '25: "My favorite is Crafton Park because the pool is right next door."

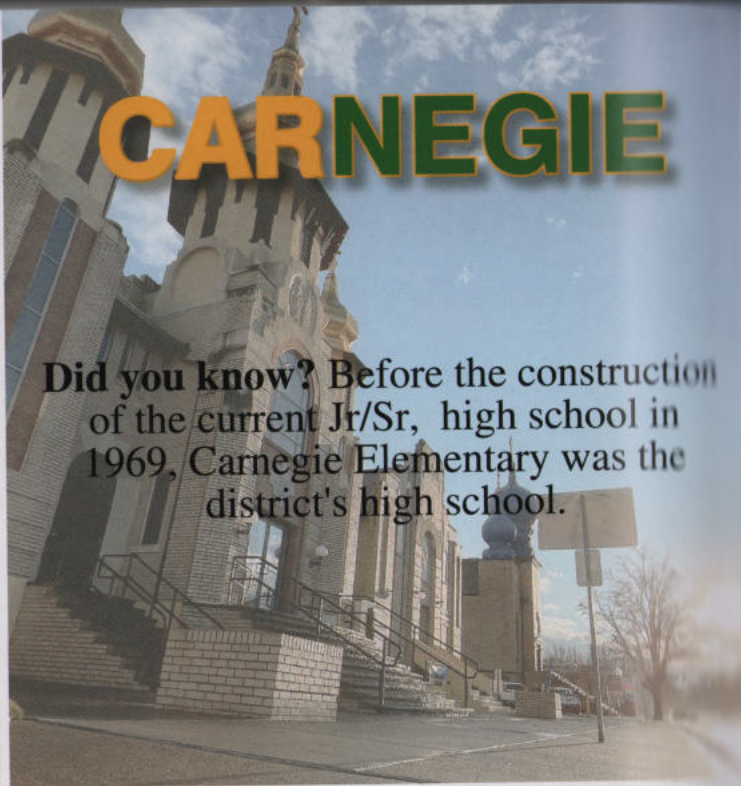

Rosslyn Farms Favorites

Ian Robb '25: "My favorite is the soccer field for time with friends and the ball."

CARNEGIE

Did you know? Before the construction of the current Jr/Sr, high school in 1969, Carnegie Elementary was the district's high school.

Favorite Places

Nathanael Detwiler '24 goes down to the gym during study hall "to spend time with friends outside of main classes."

Inspiring People
Bridget Maloy '23 shares that "my future inspires me the most. My dad also inspires me; I do everything for him because he's not here. My sister also inspires me."

Fun & Games Evan McGee '23 (jokingly) takes over as the "new teacher." He says that his friends are his "favorite part of the class."

Diverse Celebrations
Mary Dougherty '23 (right) and Ella Snyder '24 (left) celebrate Mardi Gras in French. "I enjoyed making masks and learning about French history," said Mary.

ROSSLYN FARMS

Did you know? Rosslyn Farms was founded over a century ago in 1902. Though small, the borough has a strong community and local history.

Roles to Play

Elena Johnson '23 is a familiar face in Carlynton's annual plays. "I was inspired to join theater because it can serve as a creative outlet and build a great sense of community."

Stomping Grounds

Graham Harman '27 enjoys his community because of "the calm environment and space to explore."

Rewarding Challenges

Ava Pancake '26 joined the bowling team to connect with others and try something new. "It was a good decision," said Ava. "Bowling teaches patience. It takes a while to get good at, but it's really rewarding."

Time to Relax

Graydon Harvey '26 likes living in Rosslyn Farms because "it's nice outside and quiet."

CRAFTON

Did you know? Crafton Elementary, constructed in 1913, was the first school in the district to be built.

Impactful Decisions

Riley Ancell '23 reflects: "[It] was actually in the cafeteria. Did I really want onions with my wrap? Or perhaps I'd take a risk, and do banana peppers. I chose the peppers--from that point my entire academic career changed."

Wishes

Maycee Mullaney '25 shares: "If I could live anywhere, I would choose to live in Hawaii because I love warm weather and the beach."

Living Life

TJ Cantwell '23 believes: "A good life is understanding what life is and what it has to offer. When you appreciate the little things and yourself, you are able to actually begin living."

Aspirations

Alby Varghese '23 says, "I am dedicated to accomplishing my goals. Most importantly, I try to help others whenever I can."

SENIOR ADVICE

"Be as social as possible, have fun, but make sure to pass all your classes."

Mannix Lemmon

Talia Littleberry

"If you need help, ask for it. Don't be scared."

Evan McGee

"Try to have fun in your classes."

Jakob McKelvey

"Listen, adapt, make friends."

Jay Smith

"Your mental health is your first priority."

GRATITUDE

Bridget Maloy

"[I'm grateful for] Mrs. Verbanick, she's the only teacher I have that I can go to and cry because she actually listens to the students' problems and cares about us."

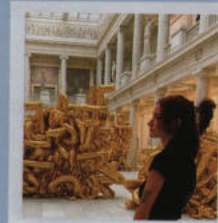

Demontae Smith

"[I'm grateful for] my mom, she really likes school so she helps me with my work."

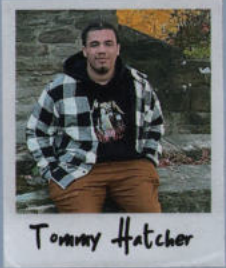

Morgan Staker

"Someone who has helped me through high school is my mom. She always reminds me that I am unique, strong, and capable of anything. Her words and love have given me stronger confidence and reassurance to keep pushing for success."

Isabelle Taylor

"[I'm grateful for] myself: with switching schools and moving twice within my time in high school the only person I could really turn to is myself."

Tommy Hatcher

"Mr. Banaseak helped me throughout high school because he made my days better in gym."

MEMORIES

Lily Barber

"My best memory would have to be making new friends or playing softball with my best friends."

Zach Bussard

"My favorite memory will be completing school and graduating."

Lance Henderson

"My best memory from Carlynton is when I went to homecoming this school year. I never really liked dances, but I found hoco to be really fun and exciting, especially with all my friends there."

Aaron Lee

"[My favorite Carlynton memory is] playing football with my older brother for two years."

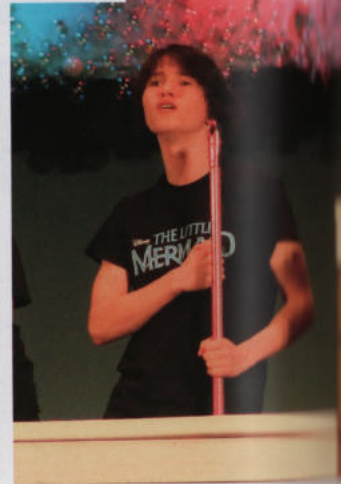

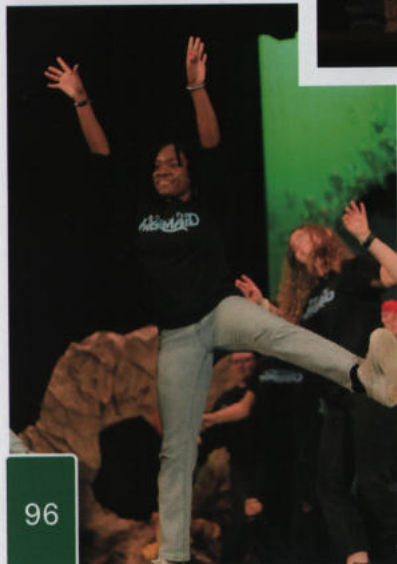

Mikayla Walker

"My best memory is probably during the last couple days of school every year when it's really chill and I get to spend the days with my friends without much stress."

MEET THE 2022-23 STAFF

Andrew Pancake

My favorite thing is being able to have an influence on the yearbook and how it is going to turn out. I also enjoy working on advertisements and selling books.

Aniyah Beatty

My favorite thing about working on the yearbook is attending sports events that I have never experienced before while capturing highlights for each team.

Bailey Vetter

I like watching everything come together and pay off at the deadline.

Camara Vincent

My favorite thing about Yearbook is interviewing.

Chase Brandebura

My favorite thing about the yearbook is working on the TV and keeping people updated in the athletic world of Carlynton.

Douaa Atoh Moshli

My favorite thing about the yearbook is being able to work on this page.

Elaine Zhang

I love taking photos and building dividers.

Ethan Howerter

It's something different from normal classes and it brings people closer.

Fadia Ladaa

My favorite thing about the yearbook is being able to communicate with everyone and creating new ideas to add on the yearbook.

Garin O'Leary

I liked looking through all of the pictures that everyone took.

Gracie Winston

My favorite thing about working on the yearbook is the ability to design pages and social media posts. I really like trying to make them look good and fit the theme. I also enjoy all the fun times I have had at sport events and making new friends.

Joann Hussain

I love being behind the scenes of what goes on into making the yearbook and knowing I made an impact on such a big thing that people look forward to purchasing and looking at.

Jordynn Carter

My favorite thing about yearbook is taking pictures and being able to be involved in school activities without it being sports related all of the time. I just think it helps me interact with more students in the school.

Kendall Stark

My favorite thing about working on the yearbook is being able to take pictures at sporting events. It is very rewarding when I am able to take clear and good photos and be able to use them in the book.

Khyleigh Yancey

My favorite thing working with yearbook was probably making a bunch of new friends and getting close with a bunch of people I probably never would have before. Another thing would honestly be taking photos around the school with Ky.

Kyla Morris

I really enjoy taking pictures of sports and interviewing people. I am just a huge people person.

Lauren Ostrander

My favorite thing to do in yearbook is building the pages from scratch and being able to put my own charm into them. It makes me feel accomplished to see my hard work turn into something that people will see for years and years, even after I'm gone.

Sarah Duffy

I love taking pictures.

Finley Saks

My favorite thing is interviewing people and being with my friend Camara while doing so.

Michael Sebrosky

The reason I enjoy yearbook so much is due to my fellow classmates and Mrs. Fischer who both provide a productive/supportive environment which makes working on the yearbook fun.

Paziah Rodman

My favorite thing is probably promoting the yearbook through Tik-Tok 'cause then people ASK me questions about the prices, dates, and like if they should join.

Sean Hart

My favorite thing about working on the yearbook is getting to see how it evolves throughout the course of the year. We never truly know how the book is going to look until it's in print, especially with some of the feature pages that are decided upon over the course of the year.

Shawn Heinrich

My favorite part about yearbook is taking photos and seeing them be used in the yearbook.

Sofiia Lutsiv

I love seeing people's emotions when they are doing projects or just spending time together. At this time, they do funny things, and try to perform difficult tasks.

Tanner Kephart

I love going to events and taking pictures that capture the emotions of my classmates.

Wesley Maxwell

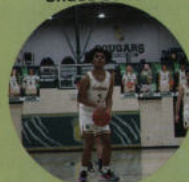

I liked taking pictures and naps.

Nick Weimer

I love using my creativity to create key components to the yearbook like the opening page, the seasonal pages, and also inspiring/making the front cover.

Chase Jones

Taking pictures and being able to see them used in our yearbook. Also seeing my ideas being put to use.

Quinland Delrosario

My favorite thing is taking photos.

Audrey Matt

I love taking photos.

Ash Henderson

My favorite part of yearbook is building the pages because I get to turn my vision into reality.

Austin Milliner

My favorite thing is being creative and letting my ideas be used in the book.

This year's book is the 53rd volume of Carlynton's *Reflections*. Published by Jostens, this yearbook was dutifully created by 32 student staffers along with additional support from advisor Mrs. Fischer and Jostens' representatives Bernie and Brendan Shaughnessy. Both classes collectively decided upon the theme, "We Are," with Nick Weimer helping to produce the cover. The visual theme for the entire book was decided collectively, as well. Printed on Snow White 280 paper, this yearbook also makes use of a mix of AYT FoundationSans and AYT Avalon fonts, as well as school-color shades of green and yellow to create a road-inspired design that draws from grid-like structures interspersed with bold eyelines. While students used Canon DSLRs and smartphones to shoot many pictures, the book couldn't be done without help from Studio Ten for school portraits, as well as contributions to sports photography by Traci Melko, Ginger Hites, and Michele Robb to augment student work. Additionally, we appreciate technology support from Mr. Jones & Mrs. Zenone, and the enthusiastic support of our administrators, Mr. Loughren & Mrs. Dunker. Thanks to all others who helped in many ways, including the main office staff. In total, 133 books were sold at prices starting at \$68 and distributed to students to serve as nostalgic remembrances chronicling their time here at Carlynton.

WE ARE LOOKING BACK

During the 22-23 school year, Carlynton students have participated in tons of different trends. These include using apps like TikTok and BeReal; pursuing hobbies like thrifting and playing chess, and watching the World Cup. We are accessorizing with claw clips, acrylic nails, graphic and vintage-inspired tees, and various shoe choices—like New Balances and Crocs. Our Cougar community is made up of all of these unique trends and choices. What will the next decade bring?

Eva Milliner & George Gamble portray the evil of the musical's antagonists.

OUR SENIORS!

Seniors were asked to reflect on their favorite roles and shows during their tenure at CHS. Many of them shared their thoughts and feelings they looked back on their final show.

Georgie Gamble '23

"My favorite role would be Emily Cling in *Sandbag Stage Left* because I felt like I really got to create a character, but my favorite show was back to the 80's because it was just so much fun. I am very sad that this is my last musical, but I am excited to see all of my cast mates in future productions and move on to participate in a college theatre program."

Elena Johnson '23

"My favorite role is Ursula because she is a different character than the type of dry-humored character that I normally play and this gives me a chance to broaden my scope. My favorite show is *The Little Mermaid*, as I truly fell in love with my songs and the sense of community between the cast and crew was unmatched. I'm sad that this is my last show, but I'm so glad that I decided to participate in the theatre program, as it became a huge part of my high school career."

Alyse Crown '23

"My favorite show was *Sandbag Stage Left* and my favorite role was Penelope Pacemaker. It was so much fun to be able to yell on stage and to really act my heart out as if my life literally depended on it. I'm definitely sad to be leaving especially after knowing what the next shows will be, but I'm ready to see what the next generation of theatre kids will do."

Brady Holderbaum '23

"My favorite role I played was Scuttle and my favorite show was by far *The Little Mermaid*. I was very sad that this was my last show for CHS, but the cast and crew made it unforgettable."

Colin Dugan '23

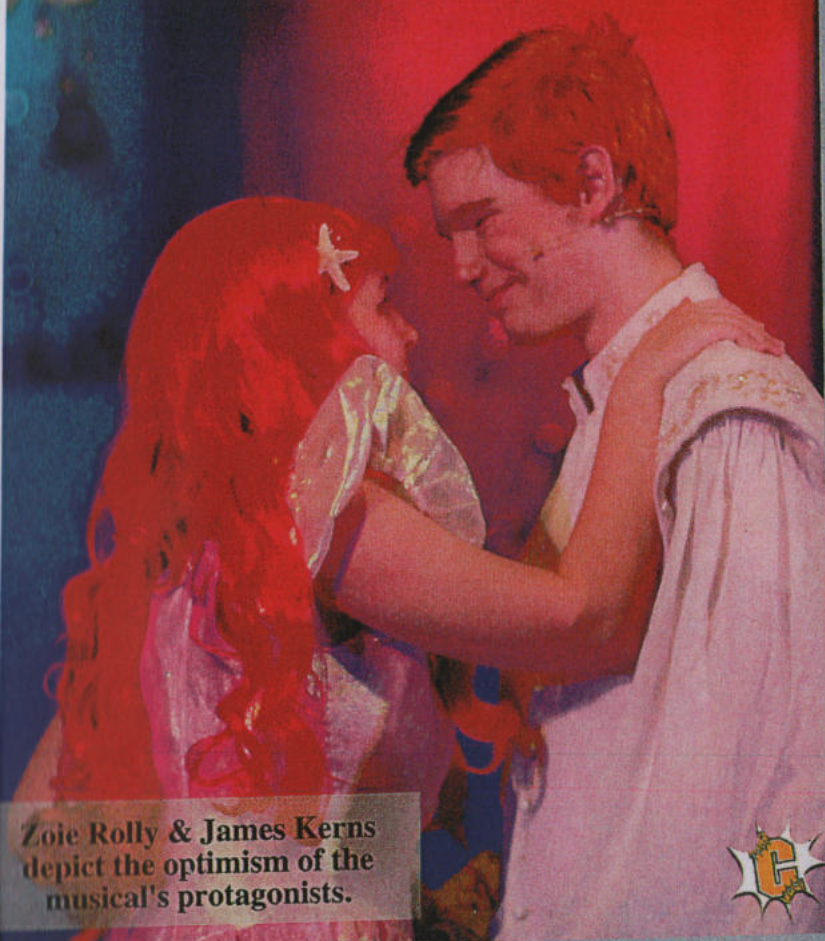

"My favorite role and show was definitely playing Michael Feldman in *Back to the 80's*. The show had a great selection of music that was really fun to perform, especially because the audience knew almost all of the music. I'm definitely a bit sad that this is my last show, but I'm also glad because it gets pretty stressful."

Mary Dougherty '23

"I joined the plays and musical because I how much fun my brother had performing in *Charlie and the Chocolate Factory* when he was a senior. I decided to be a cast member my senior year. Since I joined in 9th grade, my favorite role was Edwena since she reminds me of myself. We are both a little crazy but funny at the same time."

WHY MUSICAL?

Victoria McIntyre '23

"I chose to join the musical because it's a great opportunity to gain confidence, and learn other important lessons of life: acceptance when you don't get a role, responsibility to remember your own lines and props, and how to overcome stage fright and stand up in front of your peers. Overall, I suppose I'm saying I joined for the experiences with my peers and for ways to improve myself."

Khyleigh Yancey '26

"I chose to join the musical because I've been acting for a while, and I've always loved it. I was honestly scared to join because I didn't think I was that good. I took a bunch of acting classes and programs over the year and I finally gained enough confidence to join. I'm so glad I did though, I became great friends with people and found a true passion in it. I will really miss the seniors I got close with because I look up to them a lot."

Bailey Vetter '24

"I joined stage crew because it seemed fun and we were locked in. It was a great use of time and the results were obviously very good. Also, they gave me a headset which was cool."

Danielle Smith '25

"I did the musical because theater has piqued my interest from a young age. I've been in musicals before, but being in musicals at Carlynton is so meaningful. You make friends with people you may not have gotten to interact with outside of theater. Also, being on stage is an unbeatable feeling; I love nothing more."

Kaycee Litterini '25

"I joined musical because when I was in elementary school, the musical would come to perform, which introduced me to theater. I joined in 9th grade, had so much fun and made very close friends because of it, which made this year so much more sad since those friends were seniors. I love theater and hope to be an actress when I am older."

Bryan Holderbaum '25

"I joined musical so I could be with my friend throughout rehearsals. That's always been a big motive for me joining theater in general."

WE ARE STEALING BASES

Dylan Sunderland '24

"Third base is the best base to steal because it can be a challenge if the catcher has a good arm."

Mckenzi Tomaszewski '26

"I like stealing second base because it's the longest throw (for the catcher) and it's the easiest to slide into."

Jake Moldovan '24 tags a Cornell player out at third base during a home game in Crafton.

WE ARE FIELDERS

What position do you play and why?

Isabelle Taylor '23

"I play shortstop and center field because both positions require (running) and I love to run."

Mason Mulligan '25

"I play outfield...to field and to stop the other team from scoring."

Gracie Winston '23

"I play right field because I'm really good at catching fly balls."

Mikey Jenkins '26

"I pitch and play 3rd base so I can be involved in every play." It's "that hot corner" where you get a lot of action."

Did You Know?

Baseball vs. Softball

Field size:

In baseball, home plate to center field is around 400 feet.
In softball, home plate to center field is around 235 feet.

Lead-off rules:

In baseball, runners can "lead off" to steal before the pitcher throws the ball.
In softball, runners must wait until the pitcher throws the ball to "lead off."

Distance pitches are thrown:

In baseball, the pitcher's mound is 60 feet 6 inches from home plate.
In softball, the pitcher's circle is 43 feet from home plate.

6. Gabe DiPietro '24 concentrates as he prepares to serve the ball.
7. Wilson Choate '24 gets in position as he prepares for his opponent to serve.
8. The Carlynton/Bishop Canevin 2023 Boys Tennis team
9. Andrew Pancake '23 hits the ball to win the game point of the match.

What is your favorite memory from this season?

Peter Klein '24

"My favorite memory this season was when we played Ambridge because it was my first time playing singles and I won."

Andrew Pancake '23

"My favorite memory was when we beat Keystone Oaks 5-0 after Nick and I came back from losing the first set."

WE ARE COMMITTED

Senior starting middle, Gavin Corrado committed to Juniata College to play Men's Volleyball. He has played on Bishop Canevin's team for 2 years and he also played club volleyball. In college he is most looking forward to playing at a higher level.

The Bishop Canevin co-op boys team are huddled up before a game against South Park in which they defeated them 4-1.

WE ARE CO-OP

Nick Weimer '24

adds flare to the team and also highlights a different perspective in the team's dynamics."

Simon Schriver '23

"Playing on a co-op team gives me a chance to play with different people which creates a fun and unique team environment."

Ian Robb '25

"It gives me the opportunity to make new connections and It makes the team better."

TJ Cantwell '23

"It allows me to be able to work with different players who I wouldn't normally be able to work with."

What are the benefits of playing on a co-op?

WE ARE FINISHING STRONG

Milled Majed '25 prepares to throw her disc in a stiff competition in an important section meet.

Sprinter Jocelyn Griffin '25 rounds the curve during the 200 meter dash.

Positioned safely in the cage, Luke Palmer '26 winds up to throw the discus.

Priya Dutta '24 throws the shot put.

Wes Maxwell '23 throws Javelin.

Jordynn Carter '25 long jumps at the final section track meet.

Jacob Stiffler '24 leads off in the 4x400 meter relay.

WE ARE SETTING GOALS

What goals do you have for the season? And have you achieved them yet?

Mateo Carrasco '25

"My goal this track season is to get a 5:10 mile and a 2:20 800 time. I haven't achieved it yet, but I will."

Ryan Lewis '25

"My goal was to break my own long jump record and make it to states this year."

Rylan Henry '23

"My goal this year was to continue improving and try to get ready for collegiate sports. After this season I now feel more confident and excited to continue my career."

Lana Mihelcic '25

"My goal for the season was to log more mileage. And have so far."
